2019 F-150

XL, XLT, LARIAT, KING RANCH,[®] PLATINUM, LIMITED, RAPTOR

The Built Ford Tough logo

Image of F-150 on hilltop

THERE'S NO TOUGH LIKE BUILT FORD TOUGH

Image of F-150 driving through water

Try to avoid water higher than the bottom of the hubs and proceed slowly. Refer to your owner's manual for detailed information regarding driving through water.

XLT SuperCrew® 4x4. Agate Black. FX4 Off-Road Package. Available equipment.

It's more than just a brutal testing regimen. Built Ford Tough® is a battle cry. One filled with honor, courage and determination to never rest – until the job's done right. With well over 10 million customer-equivalent miles of testing, F-150 earned its Blue Oval. Being tortured in the lab. On the proving grounds. And working in the real world. Have no doubt, this truck is engineered for the long haul. Having repeatedly passed our toughest tests, it's more than ready for yours.

Settle into any 2019 F-150 – from the easy-to-clean vinyl seats¹ of the XL work truck to the new RECARO® sport seats¹ of RAPTOR – and you'll find a truck that embraces hard work as just another day at the office. F-150 is part of the legendary F-Series lineup that's been America's best-selling truck for 41 years. And with more trucks on the road with 250,000 miles than any other brand, there's nothing tougher than Ford F-Series.²

¹Available feature. ²“More trucks on the road” based on IHS Markit Vehicles in Operation (VIO) data and latest odometer readings available to IHS Markit for 1992 and newer model year full-size pickups still on the road in the U.S. as of 4/1/2018.

Image of F-150 aluminum bed on assembly line

GREAT STRENGTH. LESS WEIGHT.

The high-strength, military-grade, aluminum alloy¹ of the F-150 body and cargo box is hardened through heat treating to produce greater strength. Gauge (or thickness) is also increased where needed to achieve extra strength without increasing weight.

Today's F-150 now achieves best-in-class² max. ratings for: overall towing,³ overall payload³ and an available diesel EPA-estimated fuel economy rating of 30 mpg hwy.⁴ That's leadership that counts. All day long.

¹6000-series aluminum alloy. ²Class is Full-Size Pickups under 8,500 lbs. GVWR, based on Ford segmentation. ³When properly configured. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. ⁴EPA-estimated ratings: 22 mpg city/30 mpg hwy/25 mpg combined, 3.0L Power Stroke® V6 Turbo Diesel, 4x2.

RESISTS CORROSION. WON'T RUST.

Another amazing benefit of high-strength, military-grade, aluminum alloy. But what about the F-150 frame? The entire high-strength-steel frame is immersed in an e-coat solution while an electric charge is applied. This forms a durable protective shell that bonds with the steel to help inhibit rust, even in hidden areas.

Overhead image of of F-150 frame/chassis

The strongest frame ever created for F-150 is a fully boxed, modular foundation comprised of 78% high-strength steel. This highly rigid structure enhances stiffness and durability.

8 rugged crossmembers (5 are through-welded) and large cross-section frame rails form the perfect foundation for our revolutionary truck body and cargo box.

Image of F-150 safety cage
Image of F-150 crash test

To help reduce crush into the passenger compartment in certain front, side and rear impacts, a masterful mix of high-strength, military-grade aluminum alloys works together with a unique high-strength-steel frame structure. A patented 12-sided design in the high-strength-steel front frame horn improves front-impact protection, compared to a traditional rectangular design, by helping to dissipate crash energy. Additional through-welded crossmembers bolster side-impact protection.

Overhead image of F-150 showing airbag locations

First-in-class inflatable rear safety belts¹ for outboard passengers join 6 standard airbags to enhance occupant protection. To reduce injury risk in certain collisions, the fully inflated safety belt distributes crash energy across 5 times more of an occupant's body than a non-inflatable safety belt.

¹Available feature. SuperCrew[®] only.

Image of F-150 off road showing skid plate

“FX4 Off Road” decals on your pickup box let everyone know your F-150 is capable of serious, off-road travel. The FX4 Off-Road Package equips your truck to get out there with an electronic-locking rear differential, underbody skid plates that help protect the front differential, transfer case and fuel tank, Hill Descent Control,[™] and off-road-tuned shock absorbers. Monitor the action from the driver's seat on the off-road display in the productivity screen.

Available on XL, XLT, LARIAT, KING RANCH,[®] PLATINUM

Image of 360-degree camera screen

Navigate tight spots on the trail by utilizing Ford Co-Pilot360[™] Technology such as our 360-Degree Camera with Split-View Display.² Four cameras give you a bird's-eye view, helping you maneuver down narrow trails. To keep your view clear of dust and mud, the forward-facing camera includes a lens washer that's activated whenever the windshield washers are used.

²Available feature.

Standard on LIMITED

Available on LARIAT, KING RANCH, PLATINUM, RAPTOR

EVERY OTHER TRUCK: STILL PLAYING CATCH-UP TO FORD F-150

It won't be any easier this year. The High-Output 3.5L EcoBoost® engine that produces a best-in-class 510 lb.-ft. of torque¹ is now standard on two 2019 F-150 models: the Baja-bred RAPTOR and luxurious LIMITED. With the addition of blistering performance to its truckload of amenities, the new F-150 LIMITED redefines what a luxury pickup truck can be. Again.

[†]Torque rating achieved with 93-octane fuel.

And RAPTOR? Its already otherworldly reputation is improved with enhanced off-road capability. The 2019 RAPTOR offers a new Trail Control™ system for off-road terrain, which allows you to set the speed from 1 to 20 mph (depending on transfer case setting). The Trail Control feature manages acceleration and braking so you can concentrate on steering. Plus, new FOX Racing Shox™ 3.0 internal bypass shock absorbers feature all-new, electronically controlled Live Valve technology that automatically adjusts compression damping based on the terrain and how aggressively you attack it. A RAPTOR that's even more off-road capable? You better believe it. Around here, the throttle stays pegged.

Image of RAPTOR SuperCrew® 4x4 in Velocity Blue and LIMITED SuperCrew 4x2 in Ingot Silver. Both with available equipment.

PACK QUITE A PUNCH

With one of 5 advanced F-150 gas engines, including the 450-hp¹ High-Output 3.5L EcoBoost[®] engine standard on RAPTOR and LIMITED. Or, with the newest addition to the lineup: a torque-heavy 3.0L diesel engine² bearing the legendary Power Stroke[®] name. That's 6 powerful choices in an engine lineup that truly has something for everyone.

¹Horsepower and torque ratings achieved with 93-octane fuel.

²Available feature.

Equally noteworthy: all F-150 engines benefit from standard Auto Start-Stop Technology that helps to reduce fuel consumption and vehicle emissions during city driving. Tuned specifically for rigorous truck applications, Auto Start-Stop will not intervene when F-150 is in tow/haul mode, 4-wheel drive (4WD) and other circumstances that require the engine to drive essential accessories. For ease of use and convenience, all engines are teamed with automatic transmissions featuring SelectShift[®] capability.

Image of F-150 driving on urban road.

LIMITED SuperCrew[®] 4x2. Ingot Silver. Available equipment.

Class-best 510 lb.-ft. of torque¹

Class-best 450 horsepower¹

¹Horsepower and torque ratings achieved with 93-octane fuel.

450 hp of flat-out luxury.

The unique satin finish on the grille, door handles, tailgate appliqué and dual exhaust tips of the 2019 F-150 LIMITED will certainly catch your eye. As will the massive 22" polished-aluminum wheels. What you'll appreciate most, however, is the immediate responsiveness of the High-Output 3.5L EcoBoost engine every time you press the accelerator. Catch one if you can.

ENGINES

3.3L TI-VCT V6

Available on XL, XLT

Equipped with the standard powerplant, F-150 supplies plenty of working power to tow and haul. That's a clean sweep in any truck buyer's ledger. "Even the base 3.3L V6 had zero trouble hauling a 5,000-pound trailer," says *Motor Trend*.

A dual-injection system features both direct injection and port fuel injection. Two injectors per cylinder – one mounted in the intake port and another inside the cylinder – improve power output and efficiency. A 6-speed automatic transmission with SelectShift[®] capability is paired with the 3.3L Ti-VCT V6 engine.

Horsepower: 290 @ 6,500 rpm

Torque: 265 lb.-ft. @ 4,000 rpm

Max. payload capacity:¹ 1,990 lbs.

Max. towing capacity:¹ 7,700 lbs.

4x2 EPA-estimated ratings:² 19 mpg city/25 mpg hwy/22 mpg combined

4x4 EPA-estimated ratings:² 18 mpg city/23 mpg hwy/20 mpg combined

Induction system: Naturally aspirated

Transmission: 6-speed SelectShift automatic

¹When properly configured. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. ²EPA-estimated ratings. Actual mileage will vary.

2.7L ECOBOOST

Available on XL, XLT, LARIAT

To understand an engine's specific output, divide its horsepower by its displacement. At a staggering 120 hp/L, you'll know why the 2.7L EcoBoost[®] is deemed "Pocket Hercules." It produces more torque (400 lb.-ft.) than the 5.3L V8 in the 2019 Chevrolet Silverado – an engine nearly twice its size. For exceptional driveability, the 2.7L³ is paired with our 10-speed automatic transmission with SelectShift capability. "Drop the hammer, and the transmission instantly selects the ideal ratio for peak acceleration from your current speed, always landing in a sweet spot along the broad, flat torque curve and frequently delivering a sharp jolt of acceleration. Yeehaw!" says *Motor Trend*. Strength and durability come from compacted graphite iron (CGI) that forms the upper engine block and cylinders.

³Available feature.

Horsepower: 325 @ 5,000 rpm

Torque: 400 lb.-ft. @ 2,750 rpm

Max. payload capacity:¹ 2,470 lbs.

Max. towing capacity:¹ 9,000 lbs.

4x2 EPA-estimated ratings:² 20 mpg city/26 mpg hwy/22 mpg combined

4x4 EPA-estimated ratings:² 19 mpg city/24 mpg hwy/21 mpg combined

Induction system: Twin-turbocharged intercooled

Transmission: 10-speed SelectShift automatic

¹When properly configured. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. ²EPA-estimated ratings. Actual mileage will vary.

5.0L TI-VCT V8

Available on XL, XLT, LARIAT, KING RANCH,[®] PLATINUM

32 valves. Twin independent variable cam timing. Dual-injection system. 12:1 compression ratio. They all combine to make the trusted 5.0L V8 engine³ an exceptional choice for all-around F-150 capability. Plus, nothing else sounds quite like it. The V8 is paired with the 10-speed automatic transmission with SelectShift capability.

³Available feature.

An available, class-exclusive CNG/Propane Gaseous Engine Prep Package can ready your V8-equipped 2019 F-150 to be upfit for compressed natural gas (CNG), propane autogas, or as a bi-fuel vehicle with the ability to switch between CNG or propane and gasoline.⁴

⁴Purchasing an F-150 upfit this way may help you qualify for state incentives related to alternative fuel use, infrastructure or vehicles. Visit afdc.energy.gov/afdc/laws for details.

Horsepower: 395 @ 5,750 rpm

Torque: 400 lb.-ft. @ 4,500 rpm

Max. payload capacity:¹ 3,270 lbs.

Max. towing capacity:¹ 11,500 lbs.

4x2 EPA-estimated ratings:² 17 mpg city/23 mpg hwy/19 mpg combined

4x4 EPA-estimated ratings:² 16 mpg city/22 mpg hwy/18 mpg combined

Induction system: Naturally aspirated

Transmission: 10-speed SelectShift automatic

¹When properly configured. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. ²EPA-estimated ratings. Actual mileage will vary.

3.5L ECOBOOST

Available on XL, XLT, LARIAT, KING RANCH, PLATINUM

The 3.5L EcoBoost³ soldiers on for 2019 with a best-in-class 470 lb.-ft. of torque, along with 375 horsepower. Paired with the 10-speed automatic transmission with SelectShift capability, engine torque is readily available across the speed range for instant acceleration and exceptional low-end and peak performance. Exactly what's needed for hauling heavy loads and towing heavy trailers. A roller-finger follower valvetrain features durable intake and exhaust valves, as well as hydraulic valve-lash adjusters that optimize engine durability.

³Available feature.

Robust 3.5L EcoBoost engines now power over 1,220,000 F-150 trucks.

Horsepower: 375 @ 5,000 rpm

Torque: 470 lb.-ft. @ 3,500 rpm

Max. payload capacity:¹ 3,230 lbs.

Max. towing capacity:¹ 13,200 lbs.

4x2 EPA-estimated ratings:² 18 mpg city/25 mpg hwy/21 mpg combined

4x4 EPA-estimated ratings:² 17 mpg city/23 mpg hwy/19 mpg combined

Induction system: Twin-turbocharged intercooled

Transmission: 10-speed SelectShift automatic

¹When properly configured. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. ²EPA-estimated ratings. Actual mileage will vary.

3.5L HIGH-OUTPUT ECOBOOST Standard on LIMITED, RAPTOR

Among the High-Output performance enhancements to the RAPTOR and LIMITED 3.5L EcoBoost engine: increased boost calibrations; a lighter turbine wheel made of high-temperature superalloy Mar-M-247 – developed by the aerospace industry – for improved responsiveness; cast stainless steel exhaust manifolds; full dual exhaust; oil-cooled pistons; and more aggressive engine control calibrations.

The close ratio between gears and the Ford patented direct-acting hydraulic control of the 10-speed automatic transmission with SelectShift capability really optimize the power and torque curves of this high-output EcoBoost powerhouse.

Horsepower: 450 @ 5,000 rpm⁵
Torque: 510 lb.-ft. @ 3,500 rpm⁵
Max. payload capacity:¹ 1,520 lbs.
Max. towing capacity:¹ 11,100 lbs.
4x2 EPA-estimated ratings:² 17 mpg city/22 mpg hwy/19 mpg combined
4x4 EPA-estimated ratings:² 17 mpg city/21 mpg hwy/19 mpg combined⁶
Induction system: Twin-turbocharged intercooled
Transmission: 10-speed SelectShift automatic

¹When properly configured. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. ²EPA-estimated ratings. Actual mileage will vary. ⁵Horsepower and torque ratings achieved with 93-octane fuel. ⁶LIMITED 4x4. RAPTOR EPA-estimated ratings: 15 mpg city/18 mpg hwy/16 mpg combined.

3.0L POWER STROKE V6 TURBO DIESEL Available on XL (Fleet only), XLT (Fleet only), LARIAT, KING RANCH, PLATINUM

As the first-ever diesel engine in Ford F-150, the 3.0L Power Stroke[®] V6 Turbo Diesel³ features a best-in-class EPA-estimated rating of 30 mpg hwy;² a best-in-class 440 lb.-ft. of diesel torque; and 250 diesel horsepower. Plus, best-in-class diesel payload and towing capacity.¹ It's paired with the 10-speed automatic transmission with SelectShift capability to put all that usable low-end engine torque to good use.

¹When properly configured. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. ²EPA-estimated ratings. Actual mileage will vary. ³Available feature.

With the transmission's 10-speed architecture, and the engine's peak torque arriving at a low 1,750 rpm, this powertrain is an exceptional choice for those who tow and haul frequently – where strong torque delivery throughout the rpm range is exactly what you need.

Horsepower: 250 @ 3,250 rpm
Torque: 440 lb.-ft. @ 1,750 rpm
Max. payload capacity:¹ 1,980 lbs.
Max. towing capacity:¹ 11,300 lbs.
4x2 EPA-estimated ratings:² 22 mpg city/30 mpg hwy/25 mpg combined
4x4 EPA-estimated ratings:² 20 mpg city/25 mpg hwy/22 mpg combined
Induction system: Variable-geometry turboscharger, intercooled
Transmission: 10-speed SelectShift automatic

¹When properly configured. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. ²EPA-estimated ratings. Actual mileage will vary.

10-SPEED TRANSMISSION

Image of cutaway of 10-speed transmission

Standard with five F-150 engines for 2019, the innovative 10-speed automatic transmission with SelectShift® capability helps deliver higher average power for acceleration – improving responsiveness and performance. With optimized gear spacing, including 3 overdrive gears, the 10-speed gearbox helps maximize shift points and gear ratios to optimize power, low-rpm torque and fuel efficiency. For proof, see the Engines charts on the previous page.

10 speeds, plus progressive range select and tow/haul mode, enhance towing confidence. An electronic control system is engineered to help ensure the right gear at the right time, including skip-shift and direct downshift capability. Select the operating range for automatic shifting (in Drive) thanks to progressive range select. Combined with SelectShift operation in manual mode, the 10-speed delivers an exceptional level of driver control.

TOW LIKE THE CHAMP

Image of F-150 towing large outboard-motored boat
LARIAT SuperCrew® 4x4. Blue Jeans. LARIAT Chrome Package.
Max. Trailer Tow Package. Available equipment.

Class-best 13,200 lbs. max. towing

With the high-strength-steel frame, choice of torque-heavy engines,¹ and smart towing technology of the 2019 Ford F-150, you are the greatest. Tow a class-best max. towing capacity of 13,200 lbs.² when equipped with the 3.5L EcoBoost® engine¹ and Max. Trailer Tow Package.

¹Available feature. ²SuperCrew 6.5' box 4x2 with 3.5L EcoBoost engine and Max. Trailer Tow Package. Not shown. See Payload and Towing charts in the Specifications section for maximum ratings by configuration.

Plus, F-150 is available with multiple Ford Co-Pilot360™ Technology driver-assist features, including Pro Trailer Backup Assist™ (PTBA),¹ Trailer Sway Control, BLIS® with Trailer Coverage,^{1,3} and Hill Start Assist³ – which helps prevent you from rolling back on a grade by momentarily maintaining brake pressure until the engine produces enough torque to move F-150 uphill. Class-exclusive PowerScope® power-telescoping/-folding trailer tow mirrors¹ and a Smart Trailer Tow Connector¹ combine with the stabilization benefits of an integrated trailer brake controller^{1,4} to help further enhance towing confidence. After you're on the move, maintain a consistent speed on steep grades by locking out upper gears using the progressive range select feature on both SelectShift® automatic transmissions. Both also feature tow/haul mode, for use when F-150 is heavily loaded or when towing – which should be often. Remember, you got this, champ.

¹Available feature. ³Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ⁴Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details.

Image of Pro Trailer Backup Assist control button and F-150 with trailer attached

CLASS-EXCLUSIVE PRO TRAILER BACKUP ASSIST™^{1,2} (PTBA) makes it easy to back up your trailer. Once the system is programmed,³ simply rotate the PTBA knob left or right depending on the direction you want the trailer to go. The system then automatically steers the truck to turn the trailer the desired amount. PTBA can help you back up your trailer like a pro.

¹Available feature. ²Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ³Please consult your owner's manual or Pro Trailer Backup Assist Measurement Card for information on setting up your trailer.

Images of rear view camera screens

While your sideview mirrors are your primary visual aid, PTBA^{1,2} features a Rear View Camera image⁴ that allows you to view trailer direction and help determine trailer placement. The guidelines of dynamic hitch assist⁴ help you easily line up your truck and trailer. Further assistance is provided by our 360-Degree Camera with Split-View Display^{1,2} that works at low speeds in Forward and Reverse. Four cameras let you see all sides of F-150 on the 8" color screen¹ in the center stack.

¹Available feature. ²Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ⁴Shown on available 8" center stack screen.

Images of instrument cluster alerts

Check pressure in each tire⁵ with the standard Individual Tire Pressure Monitoring System. You'll be notified through the productivity screen⁶ if any tire's pressure is low. A numerical value will even tell you how low.

⁵Excludes spare. ⁶Shown on available 8" productivity screen.

A class-exclusive Smart Trailer Tow Connector¹ provides instrument cluster alerts about trailer connection status, along with lighting and trailer battery alerts and warnings.⁶ If something needs your attention, you'll see it here.

¹Available feature. ⁶Shown on available 8" productivity screen.

Track towing information,¹ such as profiles for up to 10 different trailers, including accumulated miles on each.⁶

¹Available feature. ⁶Shown on available 8" productivity screen.

Image of F-150 truck bed with rocks being loaded

Class-best 3,270 lbs. max. payload

With 3 box lengths ranging from 5.5' to 8,' Ford F-150 carries the day with best-in-class payload: 3 times over. When equipped with the muscular 5.0L V8 engine¹ and Heavy-Duty Payload Package, F-150 leads all competitors with a 3,270-lb. max. payload.² Next in line? A similarly equipped F-150 with the 3.5L EcoBoost[®] engine¹ at 3,230 lbs. max. payload.² Following that is an F-150 equipped with the 2.7L EcoBoost engine¹ and Payload Package at 2,470 lbs.² To access the cargo box, steps on all 3 sides¹ include deployable box side steps¹ for all box lengths.

¹Available feature. ²Regular Cab 8' box 4x2 and optional equipment. See Payload and Towing charts in the Specifications section for maximum ratings by configuration.

TOUGH LOOKS OUT FOR YOU.

Ford Co-Pilot360™ Technology offers you driver-assist features like Pre-Collision Assist with Automatic Emergency Braking (AEB),¹ which can automatically apply F-150 brakes to help prevent a collision with a vehicle or pedestrian.² Additional Ford Co-Pilot360 Technology encourages your alertness,³ warns you of vehicles detected in your blind spots,³ and monitors your truck's position on the road.³ They're constantly at your service as you tow, stay centered in or attempt to change lanes, and keep a preset distance from the vehicle ahead of you.

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²Pre-Collision Assist with AEB can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. ³Available feature.

Image of F-150 pulling large camper
KING RANCH® SuperCrew® 4x4. White Platinum/Stone Gray two-tone. KING RANCH Chrome Package. Available equipment.

Graphic of overhead of F-150 pulling a large camper

ADAPTIVE CRUISE CONTROL WITH STOP-AND-GO^{1,2} can bring your vehicle to a complete stop when traffic slows, and can accelerate back to its preset speed within 3 seconds of stopping.³

Standard on LIMITED

Available on LARIAT, KING RANCH,[®] PLATINUM, RAPTOR

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

²Available feature. ³If stop is longer than 3 seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation.

LANE-KEEPING SYSTEM^{1,4} monitors lane markings and can prompt you to steer back toward center if it detects F-150 drifting unintentionally out of its lane. Driver Alert^{1,2} can even warn you in the message center if you could use a break from driving.

Standard on LIMITED

Available on LARIAT, KING RANCH, PLATINUM, RAPTOR

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

²Available feature. ⁴Available feature. Lane-Keeping System does not control steering.

ELECTRIC POWER-ASSISTED STEERING supplies precise road feel. And because it uses an electric motor instead of a hydraulic pump, steering control can be programmed and utilized by F-150 systems such as Active Park Assist² and the segment-first Pro Trailer Backup Assist.^{™2}

Standard on all trims

²Available feature.

CROSS-TRAFFIC ALERT^{1,2} warns you of vehicles approaching from the sides while backing up at low speeds.

Standard on PLATINUM, LIMITED

Available on XLT, LARIAT, KING RANCH, RAPTOR

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

²Available feature.

BLIS[®] (BLIND SPOT INFORMATION SYSTEM) with Trailer Coverage^{1,5} warns you if it detects a vehicle in either of your blind spots while driving forward. Its range can be extended for F-150 to include a conventional trailer, once programmed into the system.

Standard on PLATINUM, LIMITED

Available on XLT, LARIAT, KING RANCH, RAPTOR

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

⁵Available feature. BLIS replaces standard integrated blind spot mirrors.

PRE-COLLISION ASSIST WITH Automatic Emergency Braking^{1,6} can automatically apply the brakes to help reduce the severity of, and in some cases potentially eliminate, a frontal collision with a vehicle traveling in the same direction, or a pedestrian detected ahead.

Standard on all trims

¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ⁶Pre-Collision Assist with AEB can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations.

CURVE CONTROL⁷ can actually sense when you're taking a turn too fast. When it does, the system can slow the truck's speed as much as 10 mph in about a second to help you maintain control.
Standard on all trims

⁷Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

ADVANCETRAC[®] WITH RSC[®] (Roll Stability Control[™])⁷ helps keep all 4 wheels firmly planted by selectively applying individual brakes and modifying engine power – enhancing stability in a wide range of driving conditions.
Standard on all trims

⁷Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

TRAILER SWAY CONTROL⁷ monitors the motions of F-150 when towing to detect trailer sway. If detected, the system selectively applies brakes as needed to help you maintain control of the truck and the trailer.
Standard on all trims

⁷Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

F-150 LIMITED. LUXURY WITH A NEW SOUL.

Power-deployable running boards extend for your feet, while door-sill scuff plates with Ice Blue® backlit LIMITED lettering usher the way inside. New Camelback two-tone premium luxury leather trims the heated and ventilated 10-way power front bucket seats with LIMITED badging, the heated steering wheel, and the center console lid – where a unique VIN plate reminds you how special this F-150 really is. Not that you'll need reminders as you punch the accelerator and the High-Output 3.5L EcoBoost® engine sends the rpm – and your pulse – climbing. Luxury pickup redefined. Yet again.

Image of SYNC 3 AppLink screen

IT ALL STARTS HERE

This vibrant 8" touchscreen is the command center of SYNC[®]3 voice-activated technology,^{1,2} which integrates your paired mobile phone with Ford F-150 as soon as you start your truck. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn't miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature.

LINK YOUR APPS

SYNC 3 AppLink^{®3} links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone[®] users can view the Waze[™] app's community-based navigation and traffic features⁴ on the large SYNC 3 touchscreen. Amazon Alexa users can access thousands of skills and services they enjoy on their Amazon Echo with the Ford+Alexa⁵ app.

³Certain restrictions, 3rd-party terms and data rates may apply. See your Ford Dealer for details. Commands may vary by phone and AppLink software. ⁴Available via iPhone with SYNC 3 with Software Version 3.0. Waze is also available on Android Auto. Commands may vary by phone and AppLink software. ⁵Certain Alexa functionality is dependent on smart phone and home technology.

CONNECT TO FORDPASS CONVENIENCE

FordPass Connect[™] with 4G LTE Wi-Fi hotspot^{2,6} lets passengers connect tablets, laptops and smartphones. It includes a complimentary 3-month or 3GB data trial. And that's only part of its convenience. Together with the FordPass[™] smartphone app,⁷ FordPass Connect allows you to remotely start² your truck and climate control system using your smartphone. As well as locate your vehicle and check approximate fuel range. FordPass also helps you find fuel and compare prices. Find, reserve and pre-pay for parking in select locations. Plus, get help 24/7 from our trained team of Ford Guides.

²Available feature. ⁶FordPass Connect includes a complimentary 1-year subscription for remote features, excluding Wi-Fi hotspot, and starts with vehicle sale date. Subscription is subject to compatible 4G network availability. Certain restrictions, 3rd-party terms, or message and data rates may apply. Evolving technology/cellular networks may affect future functionality. Wi-Fi hotspot includes complimentary wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the complimentary subscription period for remote features. To activate, go to www.att.com/ford. FordPass smartphone app, for use with FordPass Connect, is available via download and compatible with select smartphone platforms. FordPass is on the App Store[®] and Google Play.[™] Learn more at fordpass.com. Message and data rates may apply. ⁷Available via download and compatible with select smartphone platforms. Learn more at fordpass.com. Message and data rates may apply.

CONNECT YOUR iPhone

Apple CarPlay™ compatibility^{2,8} displays the iPhone interface on your vehicle's touchscreen. Send and receive text messages by voice. Get where you're going with Apple® Maps or your favorite supported app, including Google Maps,™ Waze and more. Access playlists from Apple Music.® Just ask Siri® for help. She already knows your voice.

²Available feature. ⁸Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.

CONNECT YOUR ANDROID PHONE

Android Auto™ compatibility^{2,8} displays the Android™ interface on your vehicle's touchscreen. Get voice-guided navigation from Google Maps and Waze. Access your favorite music from your apps. Make calls. Send and receive messages. Just talk to Google Assistant™ and go.

²Available feature. ⁸Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.

MAP YOUR ROUTE

Voice-activated navigation² delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look. SiriusXM® Traffic and Travel Link®^{2,9} helps you avoid traffic – before you're in the middle of it. It also provides fuel prices and station locations. Current and forecasted weather. Movie locations and showtimes. Plus, the scores of your favorite sports teams, and more.

²Available feature. ⁹After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI.

RAPTOR

Image of F-150 RAPTOR driving off-road
RAPTOR SuperCrew 4x4. Velocity Blue. Available equipment.

Image of F-150 RAPTOR interior
RAPTOR SuperCrew® 4x4. Interior Color Accent Package.

Image of Fox Racing Shox shock absorber

Its capability: legendary. But that didn't stop us from sharpening its talons. 2019 RAPTOR upgrades include the new Trail Control™ system that helps provide maximum traction whenever you venture beyond the pavement. Which will be often. Designed for low-traction, off-road conditions, Trail Control manages acceleration and braking – sending power and braking to each individual wheel as needed – so you can keep your focus on steering over rugged terrain. New FOX Racing Shox™ 3.0 internal bypass shock absorbers feature all-new, electronically controlled Live Valve technology to continually adjust damping in real-time. Sensors in the suspension and body help the shocks maximize handling, comfort and bottom-out resistance on rugged, off-road terrain, while also smoothing out on-road driving performance. Inside, new RECARO® sport front seats¹ with enhanced bolstering in the seat back and cushion provide aggressive styling and comfortable support. Bold new exterior colors include Ford Performance Blue, Velocity Blue and Agate Black.

¹Available feature.

Its hardware reads like an off-roader's wish list. High-Output 3.5L EcoBoost® engine. 4-wheel drive (4WD), Torque-On-Demand® transfer case. Suspension travel of 13" in front and 13.9" in the rear. BFGoodrich® KO2 tires. Bead-lock-capable wheels.¹ 6 auxiliary switches in the overhead console from which to direct all the fun. Plus, the upgrades at right for 2019.

¹Available feature.

Class-best 510 lb.-ft. of torque²
Class-best 450 horsepower²

²Horsepower and torque ratings achieved with 93-octane fuel.

GIVE ME THE SPECIAL.

Image of F-150 Special Edition exterior
LARIAT SuperCrew® 4x4. Abyss Gray. Special Edition Package.
Available equipment.

Image of F-150 Special Edition hood and interior
LARIAT Special Edition hood graphic and interior trim.

Add special effects to your F-150 with the XLT and LARIAT Special Edition Packages, which merge Red and Black in dramatic ways. Outside and in. Dark headlamp housings, a dark honeycomb grille, unique bodyside and hood decals, black running boards, plus 20" premium Tarnished Dark-painted aluminum wheels cast a menacing look at street level. Inside, unique accents, finishes and steering wheel complement the exclusive Special Edition Black seats with Red accents.

STEALTH MODE: If you prefer, a Graphic Delete option lets you order the Special Edition Package without hood and bodyside decals.

A TOUCH OF SWAGGER.

Image of F-150 STX

STX SuperCab 4x4. Velocity Blue. Trailer tow mirrors. Available equipment.

Along with confident capability. That's STX appeal. Its signature look is defined by a monochromatic exterior, black honeycomb grille with body-color surround, fog lamps, rear privacy glass, STX cargo box decals, and 20" machined aluminum wheels. Inside, you'll find unique black sport cloth-trimmed seating. Take it up a notch with front bucket seats¹ and a flow-through center console.¹ Style that works is always appealing.

¹Available feature.

TOUGH X 7

Image of F-150 XL

Regular Cab 4x4. Oxford White. Available equipment.

XL

Featuring a black grille and bumpers, plus black vinyl flooring, this no-nonsense work truck is the bedrock of the F-150 lineup. With all the capability and standard features to get you comfortably through any work week. “We were ... wowed by the capability of the basic F-150 work truck,” says *Motor Trend*. “Everything works. Nothing is luxe. That’s the way it is supposed to be – functional.”

Image of F-150 XLT

SuperCrew[®] 4x4. Ingot Silver. Chrome Package. Available equipment.

XLT

Takes all the great features of XL and adds just the right level of refinement with its substantial list of popular standards. Like a chrome grille and bumpers. Carpeted flooring. Power windows and door locks. Power tailgate lock. SYNC[®] 3. FordPass Connect[™] with 4G LTE Wi-Fi hotspot.¹ Its wide range of cabs, cargo boxes and content options make F-150 XLT an incredibly versatile truck that’s a great addition to any lineup.

¹FordPass Connect includes a complimentary 1-year subscription for remote features, excluding Wi-Fi hotspot, and starts with vehicle sale date. Subscription is subject to compatible 4G network availability. Certain restrictions, 3rd-party terms, or message and data rates may apply. Evolving technology/cellular networks may affect future functionality. Wi-Fi hotspot includes complimentary wireless data trial that begins upon AT&T

activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the complimentary subscription period for remote features. To activate, go to www.att.com/ford.

Image of F-150 LARIAT

SuperCrew 4x4. Ruby Red. Sport Package. Available equipment.

LARIAT

Its standards put you at ease behind the wheel, so you’re always ready to tackle the day. Leather-trimmed, heated and ventilated 10-way power-adjustable front seats and power-adjustable pedals help drivers of all sizes feel at home. An 8" LCD productivity screen puts vital vehicle information front and center. Listen to your favorite channels of SiriusXM.² Help keep things secure out back with class-exclusive BoxLink[™] with premium locking cleats.

²After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK or HI.

Image of F-150 KING RANCH

SuperCrew® 4x4. White Platinum/Stone Gray two-tone. Available equipment.

KING RANCH

Conveys Southwestern luxury at its finest, starting with the standard two-tone exterior. Inside, Kingsville leather trim covers the heated and ventilated 10-way power front seats, flow-through console lid and heated steering wheel. Seat backs, floor mats, center console lid, and 18" machined aluminum wheels with painted pockets are branded with the "Running W" logo of the historic King Ranch® in Texas. Voice-activated Navigation with SiriusXM® Traffic and Travel Link® helps guide you on your way. While a B&O Sound System supplies the soundtrack.

Image of F-150 LIMITED

SuperCrew 4x4. Agate Black. Available equipment.

LIMITED

Don't let its opulence fool you. LIMITED comes ready to work with the High-Output 3.5L EcoBoost® engine, mechanical-locking 4WD, and multiple Ford Co-Pilot360™ Technology driver-assist features. All standard. As well as a truckload of amenities that includes 22" polished aluminum wheels, heated rear outboard seats, and a unique LIMITED VIN plate on the leather-trimmed center console lid. When you demand nothing but the best, step up to LIMITED.

Image of F-150 PLATINUM

SuperCrew 4x4. Magma Red. Available equipment.

PLATINUM

A cut above, with standard LED lighting all around (headlamps, fog lamps and taillamps), as well as 20" polished aluminum wheels. Power-deployable running boards give you a lift inside, where multicontour premium leather-trimmed front bucket seats with Active Motion® are available in Dark Marsala or Black. Class-exclusive LED sideview mirror spotlights, along with BLIS® with Trailer Coverage, improve on your powerful capability. The 2019 F-150 PLATINUM.

Image of F-150 RAPTOR

SuperCrew 4x4. Velocity Blue. Available equipment.

RAPTOR

There's nothing else like it. And probably never will be. A Terrain Management System™ with 7 selectable drive modes allows you to optimize the Baja-bred RAPTOR to current driving conditions. New Trail Control,™ plus new FOX Racing Shox™ 3.0 internal bypass shocks with all-new, electronically controlled Live Valve technology, improve its already monstrous capability beyond the pavement. How is that even possible? You'll have to experience RAPTOR for yourself. Lean, mean, and ready to scream, this beast just keeps getting better and better.

WB = wheelbase ¹Requires 2.7L EcoBoost Payload Package. ²Requires Heavy-Duty Payload Package. ³LIMITED only. ⁴Requires Max. Trailer Tow Package. ⁵Best-in-class configuration.

Towing Notes: Maximum loaded trailer weights shown. Do not exceed trailer weight of 5,000 lbs. when towing with bumper only. The combined weight of the towing vehicle (including options, hitch, passengers and cargo) and the loaded trailer must not exceed the GCWR (Gross Combination Weight Rating). Trailer tongue load weight should be 10-15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle's Safety Compliance Certification Label. See the RV and Trailer Towing Guide for requirements, restrictions and 5th-wheel towing.

equipment.

New Vehicle Limited Warranty. We want your Ford F-150 ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage on aluminum body panels – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
