

Our hearts go out to anyone affected by a natural disaster. We care and we want to help. Our disaster relief program allows qualified customers who are buying or leasing vehicles through Ford Credit to delay one or two monthly payments. Customers resume their regular payment schedules when their situations improve. Interest may accrue on deferred payments.

Customers can call us at 1-800-723-4016 or contact us online at [Ford.com/finance](https://www.ford.com/finance).
