Ford Interest Advantage is not a money market mutual fund. As an investment in the debt of one company (Ford Credit), the Notes do not meet the diversification or investment quality standards for money market funds set forth in the Investment Company Act of 1940.

The Notes available through Ford Interest Advantage are issued by Ford Motor Credit Company and are offered only in the United States. This does not constitute an offer to sell or a solicitation to invest in the Notes in any jurisdiction in which such offer or solicitation is not authorized, or to any person to whom it is unlawful to make such offer or solicitation in any such jurisdiction. U.S. citizens and resident aliens with U.S. Taxpayer ID (e.g. Social Security number) may apply.
