Goodbye, old lease. Hello, possibilities.

You selected your new Ford or Lincoln vehicle and started adding value to your business.

Together, you covered a lot of ground meeting your business needs.

You have reached the final stage of your journey and have a few options to consider.

Lease-end options:

Buy your Ford or Lincoln vehicle.

- Call our Ford Pro™ FinSimple™ Care Team at 1-877-63-FLEET (1-877-633-5338) to obtain a payoff quote and let us help you with the buyout process.

You are responsible for the residual value at the end of your CommercialLease. At Ford Pro FinSimple, we do not charge any termination fees or excess wear and use at lease-end. If you choose CommercialLease again, we do not charge any acquisition or upfront fees. It's just the way we do business.

We are here to make it simple.
