

## FORD PRO<sup>™</sup> FINSIMPLE<sup>™</sup> CHARGING INFRASTRUCTURE PLAN

Ford Pro FinSimple now has options to help you purchase electric-vehicle chargers for your business and employees' homes. Whether you're buying a couple or a couple dozen, you can finance up to 100% of qualifying costs.

[Talk to](#) a Ford Pro FinSimple representative about our financing options or for a quote through our charging infrastructure plan.

Whether you're just starting your journey into EVs or expanding your EV Fleet, Ford Pro FinSimple has financing options for you. [Watch](#) how easy it was for Grade A Construction to get credit and start electrifying their fleet.
