POWERFUL BY DESIGN.

America’s legendary Pony car hits the pavement running with a full lineup of forward-leaning, hard-charging machines. Fastback, Convertible, V6, EcoBoost® GT. And the track-ready Shelby GT350®. Get into yours. And get gone.
Every Pony in the Mustang stable makes a powerful impression. Starting with the most potent of them all – the head-turning, heart-pounding, Shelby GT350. Car and Driver summed it up perfectly when they awarded the Shelby® GT350/GT350R a spot on their esteemed list of 2016 10Best Cars: “It’s not like any other car, period.”

This race-tuned monster is powered by a hand-assembled 5.2L Ti-VCT V8 with a Flat-Plane Crank (FPC), the type more often found in exotic sports cars and racers. It’s the most powerful naturally aspirated road-going engine in Ford history. With a redline of 8,250 rpm, it’s also our highest-revving production V8 yet. And the exhaust note is sublime.

To achieve its balance of downforce and drag, every aspect of the GT350 exterior was scrutinized. From its aggressive front splitter to its vented aluminum front fenders and hood, all the way back to its rear spoiler, fascia and integrated diffuser, every element is designed to work as part of a unified team – and help you stay glued to the road.
The most track-ready, street-legal Mustang ever produced – the Shelby® GT350R – features lightweight 19” carbon-fiber wheels wrapped in Michelin Pilot® Sport Cup 2 tires, a larger front splitter, unique chassis tuning, a carbon-fiber rear wing and red accents.

The MagneRide™ Damping System passes an electric current through iron-infused hydraulic fluid to adjust its continuously controlled dampers independently at each corner – 1,000x per second. MagneRide, an aluminum strut-tower brace, and coolers for the engine oil, transmission and differential are all standard on every GT350 for 2017.

The Shelby GT350 exclusive interior features aluminum trim and other unique touches like a flat-bottom steering wheel wrapped in Alcantara® and leather. RECARO® sport front seats trimmed in a mix of Carbon Weave cloth and Miko® sueded cloth help hold you firmly in place – turn after turn.
GT
5.0L Ti-VCT V8

Our fastest and best-handling GT yet – this generation speaks for itself. In a wickedly deep-throated 5.0L rumble. It also pulls 0.98 lateral g* thanks in part to its fully independent suspension. The system has nearly 10x better anti-lift properties than the one it replaced, providing significantly better pitch control for aggressive starts and stops. As Motor Trend said, “… Mustang GT is the whole package, with an exhaust that’s muscular when exercised, a controlled ride, and an interior you don’t have to make excuses for.”*
Designed by Ford Performance in cooperation with RECARO, the racing-inspired RECARO sport front seats\(^1\) are trimmed in cloth on GT (shown) or leather on GT Premium.

Long highway runs. High-speed passing. Advanced driver-assist technologies like adaptive cruise control and forward collision warning with brake support\(^1\) and BLIS\(^\circledR\) (Blind Spot Information System) with cross-traffic alert\(^1\) can help you excel during these and other real-world challenges.

Turn up the heat everywhere you go in a California Special\(^1\) GT Premium. Outside, it gets a performance air splitter, black grilles, the tri-bar Pony logo, a raised decklid spoiler, unique striping and 19” wheels. Inside, red stitching intensifies its Ebony leather and Miko\(^\circledR\) sueded cloth trim.

The aviation-inspired cockpit design puts the controls for features like the heated and cooled front seats\(^1\), and dual-zone electronic automatic temperature control\(^1\) easily within reach.
Turbocharged responsiveness. That’s the essence of EcoBoost. With its twin-scroll single turbocharger and direct-injection technology, the 2.3L EcoBoost engine helps Mustang deliver best-in-class** I-4 horsepower and torque.¹

Going way beyond good looks, those vertical slots at the outer edges of the front fascia are wheel aero curtains – specifically designed to create a high-pressure region that holds airflow closer to the body and minimizes drag. One of the many telltale signs that every Mustang is built for speed.
300 hp @ 6,500 rpm
280 lb.-ft. of torque @ 4,000 rpm
6-speed manual or 6-speed SelectShift® automatic

Whether your dream machine is an iconic fastback or an eye-catching droptop, you can look forward to the passionate performance of the 3.7L Ti-VCT V6 engine. Excellent road feel and precise handling are yours, courtesy of its fully independent suspension. With a double-ball-joint front configuration, and high-strength aluminum-alloy knuckles and H-arms in back, it employs advanced lightweight materials to help keep unsprung mass down while maximizing grip. So you'll have a blast putting your Mustang through its paces.
Go topless in seconds. You just release a latch and press a button. To perfect its look, Mustang convertible sports exclusive design cues that set it apart from the fastback. Note the higher, straighter muscle line across its rear haunches. And the distinctively contoured trunk lid. Tonneau caps slide neatly in place for a sleek top-down finish. It even has best-in-class trunk space. And since this vacation-on-wheels was engineered as a convertible from the start, it's designed to deliver a smooth ride and excellent handling. This is open-air freedom at its best.
Nothing compares to this rush. It’s pure magic. The kind conjured only by Mustang. Its carefully crafted interior welcomes all drivers. With a steering column that tilts and telescopes. An accelerator and footrest at matching angles. A shifter placed right where it should be for open access to controls (and cupholders). And plenty of knee room. This is a love-at-first-sight, want-you-so-bad, feels-so-good kind of car. One drive. And you’re hooked.
With its enhanced next-level connectivity, SYNC® 3 helps keep you in touch. You'll love its innovative features and easy-to-use interface. Give simple commands and the system responds to your voice. Swipe it like your smartphone, thanks to the capacitive touchscreen, and get high-speed performance in return.

Navigation1 with SiriusXM® Traffic and Travel Link® includes a 5-year complimentary trial subscription to these services. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. You'll get detailed traffic information, plus current and forecasted weather, fuel station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

---

1 Available feature. 2 Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. 3 SYNC AppLink is compatible with select smartphone platforms and requires any compatible apps to be installed and running on a capable smartphone while connected to Ford SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. 4 Requires SYNC 3. 5 Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.
DRIVERS: TAP THIS.

When conditions change, just tap a toggle switch on the dash to adjust Selectable Drive Modes. And keep going. Each mode activates predefined powertrain and chassis calibrations suited to that particular driving situation.

**Normal** mode delivers a balanced combination of comfortable, controlled ride and confident handling for an engaging driving experience.

**Track** mode allows you to push closer to the vehicle’s limits on the track before AdvanceTrac® electronic stability control intervenes. So you can extract the max from your Mustang.

**Sport+** mode provides more responsive steering and throttle performance, plus different shift points if your Mustang is equipped with the SelectShift® automatic transmission.

**Snow/Wet** mode helps provide confident handling in poor weather conditions without sacrificing any of the composure you demand from your vehicle.
While developing the GT Performance Package\(^1\) for Mustang GT, engineers used the previous generation's Boss® 302 model as their performance benchmark – this race-ready machine is even faster around the track.

**Performance Packages\(^1\)**
- Unique 19" wheels and summer-only tires; larger brake rotors and radiator; upgraded front springs, rear axle and rear sway bar; unique chassis, EPAS, ABS and stability control tuning; spoiler delete; gauge pack and engine-turn aluminum instrument panel trim (GT and EcoBoost®)
- K-brace and strut-tower brace (GT)
- Brembo™ 6-piston front brake calipers (GT)
- 4-piston brake calipers (EcoBoost)

**Mustang TrackApps™**
- Countdown starts with iconic “Christmas tree”
- Monitors g-forces, braking times and acceleration times in quarter-mile, 0-60 and more

**Electronic Line-Lock\(^2,3\)**
- Preps your tires for the big win
- Activated using Mustang TrackApps\(^2\) (GT and Shelby GT350® only)

**Selectable-Effort Electric Power-Assisted Steering**
- Customizes steering feedback
- Lets you choose Standard, Sport or Comfort mode

\(^1\) Manual transmission only. \(^2\) Track use only. \(^3\) Available feature.
When you’re ready to take your Mustang to the next level, look no further than Ford Performance Parts. Using a convenient Mustang search tool on the site, you can select your model year to view the full list of currently available equipment.

You’ll find everything from brakes to a supercharger, suspension, wheels and more. All expertly engineered to set your Mustang apart.

**STANDARD FEATURES**

- Mechanical
  - Brakes – 4-wheel vented disc Anti-Lock Brake System (ABS)
  - Steering – Selectable-effort electric power-assisted (Standard, Sport, Comfort)
  - Suspension – Front: independent double-ball-joint MacPherson strut with stabilizer bar; rear: independent integral link with stabilizer bar
  - Tire inflator and sealant kit

- Driver-Assist Technology
  - Automatic headlamps with wiper activation
  - SOS Post-Crash Alert System

- Seating
  - 50/50 split-fold rear seat (fastback only)

- Interior
  - Center console – Full floor with storage bin
  - Cruise control
  - Floor – Black carpeted front floor mats
  - Ignition – Intelligent Access with push-button start
  - Illuminated glove compartment
  - Power outlets – 12-volt powerpoints (2)
  - Steering column – Tilt/telescoping

- Accessories
  - TrackApps™ located in instrument cluster
  - Windows – Power with global open and one-touch-up/-down feature

- Easy Fuel® capless fuel filler

- Embedded radio antenna (fastback only)

- Rear-window defroster

- Taillamps – LED with sequential turn signals

- Tonneau caps (convertible only)

- Windshield wipers – Variable-intermittent

- Safety & Security
  - Airbags – Personal Safety System™ with dual-stage front
  - Airbag – Driver’s knee®
  - Airbags – Front-seat side
  - Airbag – Glove-box-door-integrated knee™
  - Airbags – Side-curtain™ (fastback only)
  - 4-way adjustable front head restraints
  - AdvanceTrac® electronic stability control
  - Belt-Minder® front safety belt reminder
  - Headlamps – HID with LED signature lighting
  - Illuminated Entry System
  - Individual Tire Pressure Monitoring System (excludes available spare)
  - LATCH – Lower Anchors and Tether Anchors for Children
  - Mirror – Auto-dimming rearview
  - MyKey®
  - Perimeter alarm
  - Rear view camera
  - Remote Keyless Entry System
  - Safety belt restraint system – Manual 3-point shoulder and lap safety belt system for all seating positions
  - SecuriLock® Passive Anti-Theft System

**Roadside Assistance**
Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

**Ford Credit**
Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

**Ford Protect Extended Service Plans**
Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

**Insurance Services**
Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3947, or visit us at ford.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

**Ford Original Accessories**
They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

ROCK THE COCKPIT.

Listen to everything you love with SiriusXM® Satellite Radio! Get over 150 channels including all kinds of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you’ll hear it all with a 6-month trial subscription to the All Access package, included with your new Mustang. So you can rock your ride, plus listen anywhere online and on the SiriusXM app.

Amazing sound is yours with the 12-speaker Shaker™ Pro Audio System featuring HD Radio™ Technology: Broadcasting a digital signal over traditional radio frequencies enables HD Radio Technology to offer up to 3 additional channels of new, local content per FM station. It can also display the artist, song title and more. All without any need for a subscription.

GO BEYOND STOCK.

When you’re ready to take your Mustang to the next level, look no further than Ford Performance Parts. Using a convenient Mustang search tool on the site, you can select your model year to view the full list of currently available equipment.

You’ll find everything from brakes to a supercharger, suspension, wheels and more. All expertly engineered to set your Mustang apart.
