LEAN AND MEAN
Acting on information from engineering about “usable space” in the engine bay, the 2018 Mustang design team lowered the hood and grille for a lean, more athletic look. New headlamps are lower, and more sinister. More modern as well, with all-LED front illumination— including signature lighting, low and high beams, turn signals and fog lamps— adding additional shine to the 2018 Ford Mustang.

MORE HORSEPOWER, MORE TORQUE, MORE MUSTANG
Increased torque on the 2.3L EcoBoost® engine encourages wide-open throttle acceleration. The upgraded 5.0L V8 revs higher than any Mustang GT before, and improvements to the 6-speed manual allow it to handle more torque. A new 10-speed SelectShift® automatic transmission improves responsiveness and all-around performance for both engines.

POWER TO PERSONALIZE
12 wheel designs. 5 new instrument panel finishes. A new, fully customizable 12" LCD digital instrument cluster. An all-new Mustang MyMode that allows you to save your favorite drive settings, including suspension, steering and exhaust note preferences. And a new “pulsing” start button that pulses red from the moment the door is unlocked until the engine roars to life. Now more than ever, the new Mustang puts the power directly into your hands.
PICK YOUR PONY.

FASTBACK OR CONVERTIBLE

ECOBOOST® OR ECOBOOST PREMIUM

GT OR GT PREMIUM

6-speed manual OR 10-speed SelectShift® automatic

Every new Mustang brings a renewal. Of the human spirit. The open road. And the wanderlust that exists within us all. For over 5 decades, America’s legendary Pony car has delivered countless moments of pure exhilaration.

The new Mustang is loaded with bravado. Coiled with confidence. It honors this authentic lineage – by launching it forward. With advanced new technology that allows for a level of personalization not seen before. But very familiar to a new generation of free spirits. Who refuse stereotypes. Encourage self-expression. And are ready. For this.

The new 2018 Ford Mustang.

LEAVE EVERYTHING BEHIND.
While designers strengthened its iconic look, a passionate team of Mustang engineers beefed up just about everything else. 2.3L EcoBoost® engine upgraded for optimal torque. 10-speed automatic: new, with quick shift times and exceptional low-speed tip-in response to help heighten already legendary performance. Shock absorbers and innovative stabilizer bars: new, to help improve responsiveness and ride control. MagneRide® Damping System: now available on EcoBoost and GT models, to optimize ride and handling in all situations. Hood vents: new to EcoBoost, and functional, of course. Just another sign that every Mustang is built for speed.

REAR REDESIGN
Revised LED taillamps are just one of the changes out back. There’s a new bumper, fascia and performance rear wing. A new dual exhaust with rolled tips completes the athletic look.

12 ALUMINUM WHEELS
17” Sparkle Silver-painted aluminum wheels are standard. Options include 19” wheels to help make Mustang truly your own.

INTERIOR UPGRADE
Choose the Carbon Sport Interior Package to cover the instrument panel and shift knob with sleek carbon fiber, while Alcantara® inserts enhance the door trim and Ebony leather-trimmed seats.
With a more powerful, higher-revving 5.0L V8 than before. Thanks to a new dual-injection system featuring low-pressure port fuel injection and high-pressure direct injection, 2018 Mustang GT power output increases to 460 hp and 420 lb.-ft. of torque! Maximize this higher level of performance by adding the GT Performance Package. Contents include: 19" Ebony Black-painted aluminum wheels with Michelin® Pilot® Sport 4 summer-only tires, TORSEN® differential, K-brace, Brembo™ brakes with 6-piston front calipers, a Gauge Pack in the instrument cluster, stiffer springs and upsized rear sway bar, and even a performance rear wing (fastback only). To help keep you down to earth.
Whether you’re driving an iconic fastback or eye-catching drop-top, expect passionate performance from Mustang GT. You’ll get it with a redesigned 6-speed manual transmission that features increased torque capability and more efficient clutch modulation. A 4-wheel, fully independent suspension that delivers excellent road feel and precise handling. Plus, Selectable Drive Modes that allow you to activate predefined powertrain and chassis calibrations for Normal, Sport+, Track, Drag Strip and Snow/Wet. Wherever you are, Mustang is a joy to put through its paces.

Get ready to rumble. Through a new dual exhaust with quad tips, you can now customize the Mustang GT exhaust note with the new Active Valve Performance Exhaust System. Then store your settings in the new MyMode for easy recall. You can even program when you want to keep that signature rumble to a minimum with industry-first Quiet Start – when heading out at 5 a.m., for instance – to keep you in good graces with neighbors. Our most advanced Mustang ever is ready to roar. As often as you want it to.

MAGNERIDE® DAMPING SYSTEM
Provides lightning-quick responsiveness to changing road conditions. How quick? We’re talking one thousand times per second. That’s how fast each MagneRide damper can adjust automatically, so you’ll feel more confident no matter how many curves lie ahead. Available with the Performance Package on both EcoBoost and GT.

REVISED 5.0L TI-VCT V8
New Dual-Injection System
Direct injection and port fuel injection improve power output and efficiency over a wide variety of engine loads. Plasma Transferred Wire Arc (PTWA) spray-bore cylinder-lining technology, learned from the Shelby GT350® program, results in more engine displacement and larger valves for improved horsepower and torque.
The new 12” color LCD instrument cluster is the first all-digital display ever offered on Mustang. And it puts you in the driver’s seat, giving you total control of what you see. Through the Pony button on the steering wheel, you can choose to display: any combination of 1 to 3 virtual gauges; Exhaust mode; TrackApps™; a Performance Shift Indicator (3 types with configurable rpm), launch control and more. It’s easy to view. It’s fast. It’s responsive. And, like everything else in this new 2018 Mustang, absolutely beautiful.

**DIGITAL DYNAMO.**

**CUSTOMIZABLE 12-INCH LCD DISPLAY.**

**SET THE MYCOLOR MOOD**
After customizing the cluster layout and gauge displays, enhance it further with MyColor. Set your primary color (Red). Your secondary color (maybe Ice Blue). With 30 different color choices, the combinations are almost endless.

**DISPLAY DESIGN**
In the 2018 Mustang, you can choose your gauge cluster design. And redesign as often as you’d like. Circle tach? Ribbon tach? Cluster with 1, 2 or 3 gauges? It’s up to you. How amazing is that?

**GAUGE YOUR OPTIONS**
Pick the virtual gauges you want to see. Stay with the standard Engine, Oil and Temperature gauges. Or choose from a list that includes Inlet Air Temp, Air/Fuel Ratio, Cylinder Head Temp, Axle Temp (GT) and more.
MUSTANG TRACK APPS

**LIGHT 'EM UP**
At the track. And in the cluster. The Line Lock feature, standard on all models, allows you to “heat up” the rear tires. While they smoke outside, you’ll see a visual representation here.

**CLOCK YOUR TIME**
With the Lap Timer, you can record lap time and average speed at 3 separate tracks. Store up to 100 sessions (a session is 25 laps) in Track Mode.

**1,320 FEET OF EXHILARATION**
The 1/4 mile. How quickly do you get there? And at what speed? The Acceleration Timer shows you. Start your launch with the iconic “Christmas tree.” 3 ... 2 ... 1. Gone! An Accelerometer even tracks the g-forces you pull.
REVVED-UP
ROAD WARRIOR.

2018 Premium Plus Package interior upgrades include a new hand-stitched center console lid, wrapped knee bolsters and shifter boot. Restyled seating surfaces include leather trim in new Showstopper Red and Midnight Blue. While a standard new acoustic-laminate windshield helps keep noise distractions to a minimum, letting you enjoy the signature Mustang sounds you love to hear.
SYNC 3
STAY CONNECTED ON THE MOVE.

Imagine controlling calls, music and more with just a touch and your voice. SYNC 3 lets you keep your hands on the wheel while it quickly responds to your spoken requests. Or use the responsive touchscreen in the center of your instrument panel to access its many helpful features. Bring the power of Siri into Mustang with Siri Eyes Free and your paired iPhone. The system also features 2 smart-charging USB ports to help keep your devices powered up and ready to go.

APPLE CARPLAY™ COMPATIBILITY
Use Siri to interact with your iPhone
Access your favorite songs and playlists in Apple Music
Utilize Apple Maps for voice-guided navigation and estimated travel time

SYNC APPLINK™ Voice control for your favorite compatible mobile apps
Spotify, Pandora, and more

FORDPASS™ SMARTPHONE APP
Your personal journey assistant
Find fuel and compare prices
Find, reserve and pay for parking in select locations
Get help from our trained team of Ford Guides – available 24/7

SYNC CONNECT
4G LTE Wi-Fi hotspot lets you connect up to 10 devices
Powered by FordPass to:
• Locate your vehicle
• Remotely start (auto only), stop, lock or unlock it
• Check your fuel level and mileage

ANDROID AUTO™ COMPATIBILITY
Talk to Google to interact with your Android smartphone
Access your favorite music through your apps
Utilize Waze or Google Maps for voice-guided navigation and estimated travel time

SIRIUSXM® TRAFFIC & TRAVEL LINK
Complimentary for 5 years
Real-time traffic updates
Fuel station locations and prices
Current and forecasted weather
Movie locations and showtimes
Sports scores

VOICE-ACTIVATED NAVIGATION
Turn-by-turn directions
Vivid 3-D maps
Pinch-to-zoom touchscreen capability

APPLECARE®
Access your favorite compatible mobile apps
Spotify, Pandora, and more

DROP-TOP THRILLS.

Open-air freedom. At its best. To perfect its look, exclusive Mustang convertible design cues set it apart from fastback. Note the higher, straighter muscle line across its haunches. The distinctively contoured trunk lid. And the tonneau caps that slide neatly in place for a sleek, top-down finish. It even has best-in-class\(^1\) trunk space. And since this vacation on wheels was engineered from the beginning as a convertible, it’s designed to deliver a smooth ride.

To start your adventure, follow these simple instructions. Release latch. Press button. Go topless.

PREMIUM TOP. The cloth convertible top on Mustang is lined, insulated and includes a glass rear window. The electric drive system to lower the top operates not only quickly, but quietly as well.
THE NEW 2018 FORD MUSTANG.
HARDTOP. RAGTOP. MIC DROP.
Every aspect of the 2018 Mustang is designed to give you greater confidence behind the wheel. This includes the addition of new driver-assist technology that covers the front, rear and sides of the vehicle. Equip your Mustang with the new Ford Safe and Smart Package, and it can: encourage your alertness; help direct you to return to your lane; call attention to vehicles in your blind spots; and even help you keep a preset distance from the vehicle in front of you.

- **FAST FORWARD, ALL AROUND.**

**IN TRAFFIC**
When activated, adaptive cruise control helps maintain your choice of speed and preset gaps from the vehicle in front of you.

**BETWEEN THE LINES**
Drifting out of your lane? The new Lane-Keeping System can help when activated. By alerting you with steering wheel vibration, and even applying steering wheel torque, it helps direct you to return to your lane.

**IF NEEDED**
Pre-Collision Assist with Pedestrian Detection can alert you with visible and audible warnings if a potential collision with a vehicle or pedestrian is detected. If it determines a collision is imminent, automatic emergency braking (AEB) may apply the brakes.

**WHEN CHANGING LANES**
BLIS® (Blind Spot Information System) with cross-traffic alert warns you if it detects a vehicle in either of your blind spots while driving forward, or approaching from either side while in Reverse.

**EVEN BACKING UP**
See what’s behind Mustang as you slowly back up. A standard rear view camera puts a full-color image on the LCD screen that centers the instrument panel.

---

*Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Available feature. *Lane-Keeping System does not control steering. Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner’s manual for system limitations. BLIS replaces standard integrated blind spot mirrors.*
### Standard Features

- **Mechanical**
  - 4-wheel vented disc Anti-Lock Brake System (ABS)
  - Electronic line-lock (track use only)
  - Launch control (manual transmission only)
  - Selectable-effort electric power-assisted steering (Standard, Sport, Comfort)
  - Suspension – Front: independent double-ball-joint MacPherson strut with stabilizer bar; rear: independent integral link with stabilizer bar
  - Tire inflator and sealant kit

- **Driver-Assist Technology**
  - AutoLamp automatic on/off headlamps with wiper activation

- **Seating**
  - Front bucket seats
  - 50/50 split-fold rear seat (fastback only)

- **Interior**
  - 12V powerpoints (2)
  - Air conditioning
  - Auto-dimming rearview mirror
  - Black carpeted front floor mats
  - Cruise control
  - Driver and front-passenger sun visors with illuminated vanity mirrors
  - Full center console with storage bin
  - Illuminated locking glove box
  - Power windows with global open and one-touch-up/-down feature
  - Steering wheel-mounted cruise, audio and 5-way controls
  - Sunglasses storage bin
  - Tilt/telescoping steering column
  - TrackApps™ located in instrument cluster

- **Exterior**
  - Acoustic-laminate windshield
  - Body-color, power sideview mirrors with integrated blind spot mirrors
  - Easy Fuel® capless fuel filler
  - Embedded radio antenna (fastback only)
  - Fully lined Black cloth top (convertible only)
  - Hood vents
  - LED headlamps with signature lighting
  - LED taillamps with sequential turn signals
  - Rear-window defroster
  - Tonneau caps (convertible only)
  - Variable-intermittent windshield wipers

- **Safety & Security**
  - Personal Safety System™ with dual-stage front airbags
  - Driver’s knee, glove-box-door-integrated knee, and front-seat side airbags
  - Side-curtain airbags (fastback only)
  - 4-way adjustable front head restraints
  - AdvanceTrac® electronic stability control
  - Belt-Minder® front safety belt reminder
  - Illuminated Entry System
  - Individual Tire Pressure Monitoring System (excludes available spare)
  - Intelligent Access with push-button start
  - LATCH – Lower Anchors and Tether Anchors for Children
  - MyKey® technology to help parents encourage responsible driving
  - Perimeter alarm
  - Rear view camera
  - Remote Keyless Entry System
  - Safety belt restraint system – Manual 3-point shoulder and lap safety belt system for all seating positions
  - SecuriLock™ Passive Anti-Theft System
  - SOS Post-Crash Alert System™

**BUILD YOUR MUSTANG ECOBOOST**

**2.3L EcoBoost® I-4**

6-speed manual or 10-speed automatic transmission

Fastback or Convertible

### EcoBoost

Includes all standard features, plus:

- 6-speed manual transmission
- 3.31 limited-slip rear differential
- Active noise control
- Brakes – 12.6” vented disc with 2-piston front calipers
- SYNC® Voice Recognition Communications and Entertainment System with 4.2” color LCD screen in center stack, 911 Assist, AppLink, and 2 smart-charging USB ports
- 4-way manually adjustable cloth driver’s seat
- 2-way manually adjustable cloth front-passenger seat
- AM/FM stereo/single-CD player with 6 speakers
- Instrument panel – Carbon ZAG trim
- Dual bright exhaust with rolled tips

### EcoBoost Premium

Includes select EcoBoost features, plus:

- Selectable Drive Modes with 4-gang toggle switch pack (Normal, Sport, Track, Drag Strip, Snow/Wet)
- Reverse Sensing System
- 6-way power leather-trimmed front seats with driver-seat power lumbar
- Heated and cooled front seats
- SYNC 3 with 8” color LCD capacitive touchscreen in center stack, 911 Assist, AppLink, Apple CarPlay®, compatibility, Android Auto®, compatibility, and 2 smart-charging USB ports
- AM/FM stereo/single-CD player with 9 speakers and amplifier
- SiriusXM® Radio with 6-month trial subscription
- Aluminum accelerator, brake and clutch pedals
- Ambient lighting with MyColor®
- Bright-finish door speaker surrounds
- Dual-zone electronic automatic temperature control
- Illuminated door-sill scuff plates
- Instrument panel – Angled Brush aluminum trim
- Premium door trim including soft rollover
- Universal garage door opener
- LED fog lamps
- Mirrors – Heated sideview with integrated turn signal indicators
- Pony projection lamps
- Spoiler – Blade-style decklid

### Options

- 10-speed SelectShift® automatic transmission with steering-wheel mounted paddle shifters, 3.15 (3.31 EcoBoost Premium) limited-slip rear differential, Remote Start System (included with 101A and EcoBoost Premium), and leather-wraped shifter
- Compact spare wheel and tire
- MagneRide® Damping System
- Premium floor liners
- RECARO® sport leather-trimmed front seats with manual adjustment (EcoBoost Premium only)
- Shaker™ Pro Audio System with 12 speakers and subwoofer, plus HD Radio™ Technology (EcoBoost Premium only)
- Spoiler – Delete
- Voice-activated Navigation System with pinch-to-zoom capability, and integrated SiriusXM Traffic and Travel Link® with 5-year subscription

### Packages

**Equipment Group 101A:** 18” machined-face aluminum wheels with high-gloss Ebony Black-painted pockets and 235/50R18 all-season tires, SYNC 3, 9-speaker audio system, Selectable Drive Modes with 4-gang toggle switch pack, 6-way power cloth front seats, SiriusXM Radio®, dual-zone electronic automatic temperature control, Remote Start System (requires automatic), Silver Arrow aluminum instrument panel trim, blade-style decklid spoiler, and Reverse Sensing System

**Premium Plus Package (Equipment Group 101A):** 12” configurable LCD digital instrument cluster with MyColor; heated steering wheel; SYNC Connect® embedded 4G LTE modem powered by FordPass® App® (includes Wi-Fi hotspot capability); voice-activated Navigation System; and Premier Trim with Color Accent Group which includes hand-stitched center console lid, wrapped knee bolsters with accent stitching, shifter boot, color-accented leather-trimmed front seats and unique door-trim panel inserts, wrapped center console with accent stitching, and Linked Graphite aluminum instrument panel trim

**Black Accent Package:** for complete package contents, see GT (following page) (requires painted Black roof; n/a with optional wheels, EcoBoost Performance Package, Pony Package, or Wheel & Stripe Package)

**Carbon Sport Interior Package:** for complete package contents, see GT (following page) (n/a with RECARO sport seats)

**EcoBoost Performance Package:** Black-painted strut tower brace; larger radiator; upsized rear sway bar; heavy-duty front springs; unique chassis tuning; larger brake rotors with 4-piston front calipers; 19” x 9” low-gloss Ebony Black-painted aluminum wheels with 255/40R19 summer-only tires; unique electric power-assisted steering (EPS), ABS and electronic stability control tuning; Engine Spin aluminum instrument panel trim; Gauge Pack (oil pressure and boost); performance rear wing (fastback); spoiler delete (convertible); and 3.55 TORSEN® limited-slip rear differential (n/a with optional wheels, spare wheel and tire, painted Black roof, Black Accent Package, Pony Package, or Wheel & Stripe Package)

**Enhanced Security Package:** Active Anti-Theft System, electronic-locking center console, electronic steering column lock, and wheel locks (standard on convertible)

**Ford Safe and Smart Package:** for complete package contents, see GT (following page)

**Pony Package:** 19” x 8.5” polished aluminum wheels, unique Pony grille, side stripes, tri-bar Pony badge, bright beltline moldings and window surrounds (fastback), and premium carpeted front floor mats with embroidered Pony logo (n/a with optional wheels, painted Black roof, Black Accent Package, EcoBoost Performance Package, or Wheel & Stripe Package; late availability)

**Wheel & Stripe Package:** 19” x 8.5” machined-face aluminum wheels with Dark Tarnish Stainless-painted pockets, and side stripes (n/a with optional wheels, painted Black roof, Black Accent Package, EcoBoost Performance Package, or Pony Package)
