"HIGHEST RANKED MIDSIZE SPORTY CAR IN INITIAL QUALITY, 2 YEARS IN A ROW"

– J.D. Power, 2018¹

¹The Ford Mustang received the lowest rate of reported problems among Midsize Sporty Cars in the J.D. Power 2017 2018 U.S. Initial Quality Studies of new vehicle owners experience with their own vehicle after 90 days of ownership. Visit jdpower.com/awards.
For over 5 decades, the original Pony car has spawned its share of legendary nameplates. Shelby® GT350. Boss® 302. Mach 1. Shelby GT500®. Just to name a few.

This year, another hero returns. This limited-edition Mustang is cloaked in authentic Dark Highland Green! Free of stripes, spoilers and badges (no need), it packs a potent 480 horsepower from its high-revving 5.0L V8. Ready to carve up pavement quicker than FRANK BULLITT’s original, the newest BULLITT rockets out of the barrel with a lineage that no one else can claim. Evident in every 2019 Mustang, Fastback. Convertible. EcoBoost® GT. And the iconic BULLITT. Get yours. Get gone. And leave everything else behind.
Standards are high at this establishment. Admittance requires: a fastback, convertible or new limited-edition BULLITT. Next, choose a torque-rich 2.3L EcoBoost® or a rumbling 5.0L V8. Then, select a precise 6-speed manual or smooth-shifting 10-speed SelectShift® automatic to transfer that power to the pavement. Now, you’re more than ready to pass the entrance test. We have no doubt you’ll enjoy the benefits of membership.

**MAKE IT PERSONAL:** 14 wheel designs! 7 instrument panel finishes! A fully customizable 12" LCD instrument cluster. MyMode, which allows you to save your favorite drive settings, including suspension, steering and exhaust note preferences. And, from the moment you unlock your door until the engine roars to life, a start button that pulses red. Now more than ever, the power to personalize Mustang is directly in your hands.

The joy of driving is celebrated here. Whether carving a canyon or hitting the track with a race-tuned Mustang, this cockpit’s sole purpose is to heighten your connection to the road. 4-wheel, fully independent suspension: delivers excellent road feel and precise handling. Steering column: tilts and telescopes. Accelerator and footrest: at matching angles. Shifter placement: allows open access to controls. Whatever Mustang you choose, additional performance features can enhance its already stellar driving experience.

**MAKE IT PERSONAL:** Selectable Drive Modes allow you to activate predefined powertrain and chassis calibrations from Normal, Sport+, Track, Drag Strip and Snow/Wet. As road conditions change, Mustang can too. Select the Performance Package on EcoBoost® and GT models to customize your Mustang by maximizing performance with a host of chassis, body and suspension upgrades. A MagneRide® Damping System further improves ride quality by providing lightning-quick responsiveness to changing road conditions. Get ready to rumble.
ZERO TO SEXY.

In no time flat. Transform your Mustang as often as you’d like with the customizable 12" color LCD instrument cluster. You’ll be amazed not only at how it looks, but at what it can do. Circle tach? Ribbon tach? Cluster with 1, 2 or 3 gauges? You choose. Then redesign it as often as you want. You can also enhance it further with MyColor®. Set your primary, secondary and ambient lighting colors. With over 30 different color choices, the possibilities are almost endless. Through the Pony button on the steering wheel, choose what information is displayed: any combination of 1 to 3 virtual gauges (there are 8 to choose from); Exhaust mode; TrackApps;™ a Performance Shift Indicator (3 types with configurable rpm); launch control; and more. It’s easy to view. And like everything else Mustang, it’s fast. And oh so responsive.

AVAILABLE: EcoBoost® Premium & GT Premium     STANDARD: BULLITT

MUSTANG TRACKAPPS

LIGHT 'EM UP. At the track. In the cluster. With standard Line Lock, you can “heat up” the Mustang rear tires. While they smoke outside, you’ll see them smokin’ here as well.

NO STOPWATCH NEEDED. Record your time and average speed at 3 separate tracks in the Lap Timer. Store up to 100 sessions (a session is 25 laps) in Track Mode.

1,320 FEET OF EXHILARATION. The 1/4 mile. The Acceleration Timer shows you how quickly you get there. Start your launch with the iconic “Christmas tree.” 3-2-1. Gone!
From the symmetrical twin brows to the Pony on the steering wheel to the toggle switches front and center, this interior is definitively Mustang.

**MAKE IT PERSONAL:** Premium models add aluminum foot pedals, ambient lighting with MyColor®, an Angled Brush aluminum instrument panel finish, illuminated door-sill scuff plates, and heated and cooled leather-trimmed front seats. Premium Plus Package interior upgrades include a heated steering wheel, accent-color stitching on the seats, instrument panel, center console lid, wrapped knee bolsters and shifter boot, and more.

**INTERIOR DIMENSIONS**
- Head room: 37.6”
- Leg room (max): 45.1”
- Hip room: 54.9”
- Shoulder room: 56.3”

**NEW B&O SOUND SYSTEM**
with CD player and 12 speakers (plus subwoofer), is ready to rock Mustang Premium models and BULLITT.
There are no wrong choices with Mustang. EcoBoost® models have serious swagger and turbocharged street cred. There’s no denying the performance numbers, including the EPA-estimated 32 hwy mpg.²

MAKE IT PERSONAL: Mustang is designed to custom-fit the way you drive, down to the very last detail. Choose sleek fastback or drop-top convertible. 10 different wheel choices are available on EcoBoost models, from standard 17” Sparkle Silver-painted aluminum to the 20” premium painted aluminum rims on EcoBoost Premium. You can even customize your EcoBoost exhaust note with the Active Valve Performance Exhaust System,³ new to EcoBoost for 2019. Make a statement with the Black Accent Package. Or appeal to the racer inside with the over-the-top racing stripes,³ which return this year. There are so many ways you can make this legend your own.

You can hear it coming. The wicked 5.0L V8 rumble that is Mustang GT. “No other engine with a mass-made badge sounds anything like as good as this,” says CAR magazine. This high-revving V8 features a dual-injection system and plasma transferred wire arc (PTWA) spray-bore cylinder-lining technology to deliver 420 lb.-ft. of torque along with its 460 horsepower. You’ll enjoy making this beast howl.

**MAKE IT PERSONAL:** Customize your Mustang GT exhaust note with the Active Valve Performance Exhaust System. Then store your settings in MyMode for easy recall. With Quiet Start, you can even keep that signature rumble to a minimum, when leaving the neighborhood at 5 a.m., for instance. Up your street cred with the GT Performance Package. You’ll get Brembo™ 6-piston front calipers with larger rotors, Michelin® Pilot® Sport 4S summer-only tires and a TORSEN® limited-slip differential. And that’s just for starters.
Release the latch. Press the button. Go topless. Mustang GT Premium Convertible delivers open-air freedom at its best. Along with design cues that set it apart from fastback. Note the higher muscle line along the haunches. The cleverly contoured trunk lid. And tonneau caps that slide neatly in place. There's even best-in-class trunk space.

**MAKE IT PERSONAL:** Choosing GT Premium Convertible is a great way to personalize Mustang. The cloth convertible top is electrically driven for quick, quiet operation. You can easily open or close it from the driver's seat thanks to a center latch. Showstopper Red or Midnight Blue leather-trimmed seats will guarantee glances with the top down. Add side scoops, side stripes, a unique grille with the tri-bar Pony badge, and much more, with the new California Special Package. There are so many ways to make Mustang your own.

It’s the most iconic car chase in movie history. 10 minutes of fury in the hit 1968 movie Bullitt where a Highland Green Mustang GT 390 fastback gets air on the streets of San Francisco. 50 years later, the limited-edition 2019 BULLITT will keep you in hot pursuit of all that is Mustang. 480 horsepower\(^1\) from an upgraded 5.0L V8 with a larger 87-mm throttle body. A 6-speed manual. Only. Content from the GT Premium with the Performance Package. Dark Highland Green exterior\(^2\) paint. Red-painted Brembo™ brakes. And enough attitude to catch whatever you’re chasing. Limited edition means they’ll go fast. Get yours before you’re left in its rear view.

**FLIGHT PATTERN. BEHIND THE SCENES WITH BULLITT.**

For demonstration purposes (Remember that famous movie?). Vehicle modified for safety (Never jump your Mustang). Professional stunt driver on a closed course (Again ... NEVER jump your Mustang). Do not attempt (We are not kidding — DO NOT ATTEMPT).
You can’t mistake this interior for any other Mustang. **BULLITT** door-sill scuff plates. IP badge with chassis number. BULLITT logo on the driver airbag cover. Plus, Green accent hand-stitching throughout. And a 12” color LCD instrument cluster — standard.

**MAKE IT PERSONAL:** Add the BULLITT Electronics Package which includes a B&O Sound System, voice-activated Navigation and more; the MagneRide® Damping System; or RECARO® leather-trimmed seats with Green accent stitching.

Every aspect of the 2019 Mustang is designed to give you greater confidence behind its leather-wrapped steering wheel. This includes driver-assist technology\(^1,2\) that covers the front, rear and sides of the vehicle. Equip your Mustang with the Ford Safe and Smart™ Package, and it can encourage your alertness, help direct you to return to your lane, and even help you keep a preset distance from the vehicle in front of you.

**EVEN BACKING UP**
See what's behind Mustang as you slowly back up. A standard rear view camera\(^1\) puts a full-color image on the LCD screen that centers the instrument panel.

**WHEN CHANGING LANES**
Add BLIS\(^1\) (Blind Spot Information System) with cross-traffic alert\(^1,2,3\), which warns you if it detects a vehicle in either of your blind spots while driving forward, or approaching from the sides while backing up.

**BETWEEN THE LINES**
Drifting out of your lane? The Lane Keeping System\(^1,2\) can help when activated. By alerting you with steering wheel vibration, and even applying steering wheel torque, it helps direct you to return to your lane.\(^4\)

**IF NEEDED**
Pre-Collision Assist with Pedestrian Detection\(^1,2,5\) can alert you with visible and audible warnings if a potential collision with a vehicle or pedestrian is detected. If it determines a collision is imminent, Automatic Emergency Braking (AEB) may apply the brakes.

**IN TRAFFIC**
When activated, adaptive cruise control\(^1,2\) helps maintain your choice of speed and preset gap from the vehicle in front of you.
STAY CONNECTED ON THE MOVE.

IT ALL STARTS HERE
This vibrant 8" touchscreen is the command center of SYNC® 3 voice-activated technology, which integrates your paired mobile phone with Ford Mustang as soon as you start your vehicle. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn’t miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

New Vehicle Limited Warranty. We want your Ford Mustang ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordin.com.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
