2017 FOCUS ELECTRIC
Performance with a conscience. No gas required. No oil changes needed. No CO₂ emissions. Just 100% guilt-free driving fun made even more convenient for 2017 with new standard DC fast charge capability. That's Focus Electric.
CLEAN. FUN. AND IMPRESSIVE.

The 2017 Focus Electric has an EPA-estimated rating of 118 city MPGe¹ and an EPA-estimated driving range of 115 miles! With a top speed of 84 mph, its smooth acceleration will grab your attention. Press the accelerator and Focus Electric puts 100% of its available torque at your disposal. Immediate responsiveness is delivered by a single-speed transmission designed for use with the all-electric motor. And you can track your efficiency with the SmartGauge® with EcoGuide. It helps you monitor your instantaneous energy use and lets you see how it relates to your overall energy consumption.

¹EPA-estimated rating of 118 city/96 hwy/107 combined MPGe. Actual mileage will vary. MPGe is the EPA equivalent measure of gasoline fuel efficiency for electric mode operation. Range calculation based on www.fueleconomy.gov. Actual range varies with conditions such as external elements, driving behaviors, vehicle maintenance and lithium-ion battery age.
STANDARD DC FAST CHARGE CAPABILITY KEEPS YOU ON THE GO. A new charge port (SAE J1772 Combined Charging System Standard) on the 2017 Focus Electric gives it DC fast charge capability. Focus Electric is now able to receive an 80% charge in an estimated 32 minutes when plugged into a charger capable of delivering 150 amps. So in the time it takes to meet friends for lunch, you can recharge your vehicle. Level 2 (240V) charging can be achieved at home in approximately 5.5 hours1 using a Ford recommended AeroVironment™ 240V/30-amp home charging station.2 Or, plug your Focus Electric into any 120V wall outlet and charge it overnight. No matter which option you choose, Focus Electric can let you know when it’s ready to go. An LED charge status indicator light (visible when the charge port door is open) indicates fully charged status when all 4 lights are lit and not flashing.

Focus Electric also recharges as you drive thanks to our Regenerative Braking System, which captures brake energy and uses it to help charge the advanced, liquid-cooled 33.5-kWh battery and extend your range. The Brake Coach screen helps you maximize the amount of energy returned through the Regenerative Braking System.

Easily monitor and schedule charging with the MyFord® Mobile app3 and myfordmobile.com website. You can also access battery charge status, lock and unlock your doors, initiate preconditioning of your vehicle cabin, and even locate your vehicle in a crowded parking lot. Download the app on the App Store® and Google Play™.

Find a charge with the MyFord Mobile app.
EXPERIENCE ECO-CONSCIOUS COMFORT. AND MORE. With seating for up to 5, Focus Electric features a stylish interior that includes the 8" color LCD screen of standard SYNC® 3, a floor console with cupholders, and seat trim made with REPREVE® fiber from recycled materials. The seat cushions are even made of soy-based bio-foam derived from plant seed oils. For your listening pleasure, enjoy the sound from a well-balanced, 9-speaker Audio System from Sony®. Listen to everything you love with SiriusXM®. Get over 150 channels including all genres of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you'll hear it all with a 6-month trial subscription to the All Access package, included with your new Focus Electric. So you can rock your ride, plus listen anywhere online and on the SiriusXM app.
SYNC 3

In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you’ll love the easy-to-use interface of SYNC 3! An 8” color LCD screen displays phone, audio, and navigation features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation. SYNC 3 also brings you the options of Apple CarPlay™ and Android Auto™.

Voice-Activated Navigation System

Includes a 5-year complimentary trial subscription to SiriusXM® Traffic and Travel Link® services. 4 Global Positioning System (GPS) technology is combined with available 3-D mapping and provides voice-guided turn-by-turn directions. You’ll get detailed traffic information, plus current and forecasted weather and fuel station locations and prices.

SYNC AppLink

Use your voice to control some of your favorite compatible mobile apps (like Pandora® and iHeartAuto), thanks to standard SYNC AppLink. 5

Siri Seamless Integration

Bring the power of Siri® into Focus Electric with Siri Eyes Free, 6 your paired iPhone® and a long press of the voice-recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available? All you need is a Wi-Fi® connection.

2017 Ford Focus Electric | ford.com

*Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. 2 Requires phone with compatible version of Apple iOS and active data service. SYNC does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply. 3 Requires phone with compatible version of Android Auto and active data service. SYNC does not control Android Auto while in use. Google and other third parties are responsible for their respective functionality. Message and data rates may apply. 4 SiriusXM audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI. 5 SYNC AppLink is available on select models and compatible with select smartphone platforms and requires any compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. 6 Requires SYNC 3. 7 Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.
Whether you’re parking at the market or loading supplies for the garden, Focus Electric has the tools to help you do both with ease. A standard rear view camera helps you get in perfect position, making it easy to park and load. As soon as you shift Focus Electric into Reverse, an image of what’s behind the vehicle is shown on the SYNC® 3 color LCD screen that centers the instrument panel.

With the versatile cargo organizer, you have 2 tiers of covered storage to keep your belongings out of sight. A sturdy, carpeted shelf creates the upper level. The lower level consists of a large compartment flanked by 2 smaller ones. When you need to maximize space, the system and cargo area cover are easily removable. To make room for longer items, the 60/40 split rear seat allows you to fold one side down for cargo while leaving the other upright for passengers. The hatchback design of Focus Electric allows for quick, convenient access to the cargo area.

1 Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. 2 Available feature. Ford Original Accessory.
STRENGTHEN YOUR PEACE OF MIND.

With the same Trinity front-crash structure and SPACE (Side Protection And Cabin Enhancement) Architecture as the gas-powered Focus, over 55% of the Focus Electric body structure is made from high-strength and ultra-high-strength steel. The Trinity energy-absorbing crash structure includes a frontal-impact absorption beam, decoupling mounts for the electric motor, and rails designed to transfer impact forces to the roof and away from the passenger compartment. To manage crash energy, SPACE Architecture® utilizes lateral floor reinforcement structures and door reinforcements.

An added measure of handling confidence is derived from standard AdvanceTrac® electronic stability control! Constantly monitoring road conditions and driver responses, the system can automatically adjust engine power and apply the brakes to help keep all 4 wheels of Focus Electric firmly planted. While the HID headlamps and LED taillamps help light your way.

**STANDARD FEATURES**

- **Mechanical**
  - Motor – 107-kW electric
  - Transmission – Single-speed automatic
  - Battery system – 33.5-kWh liquid-cooled lithium-ion
  - 120-volt convenience charge cord
  - 6.6-kW onboard charger
  - Brakes – Regenerative Braking System with 4-wheel disc
  - Anti-Lock Brake System (ABS)
  - Combined Charging System (CCS) charge port capable of 120V, 240V and direct current (DC fast charge)
  - Front-wheel drive (FWD)
  - Steering – Electric power-assisted (EPAS)

- **Driver-Assist Technology**
  - Hill start assist
  - Reverse Sensing System
  - Rear spoiler – Body-color
  - Adaptive Cruise Control
  - MyKey®
  - Perimeter alarm
  - Rear view camera
  - SecuriLock® Passive Anti-Theft System
  - Tire Pressure Monitoring System

- **Optional Features**
  - Tire inflator and sealant kit

**Exterior**

- 17" 15-spoke Sparkle Silver-painted aluminum wheels with P225/50R17LRR tires
- Headlamps – High-intensity discharge (HID) with LED signature lighting
- Mirrors – Body-color, power, heated sideview with integrated blind spot mirrors, turn signal indicators and security approach lamps
- Rear spoiler – Body-color
- Rear-window defroster
- Taillamps – LED
- Full vehicle cover

**Accessories**

- Leather-trimmed seats with 8-way power driver’s seat
- MyFord Mobile app with 5-year service agreement
- Sync® 3 which includes 8" color LCD capacitive touchscreen in center stack with swiping capability, 911 Assist®, AppLink®, and 2 smart-charging USB ports
- AdvanceTrac electronic stability control

**Rear view camera**

**Certification Data**

- Full vehicle cover

*Talk with your local SunPower dealer to find out if lease programs are available in your state.

---

**Drive Green For Life™**

A rebate may be in your bright future. Ford customers who own a Focus Electric may be eligible for a $750 rebate on a SunPower® residential solar system that generates clean, solar energy for the home and electric vehicle charging.<sup>3</sup> The Sierra Club, a Drive Green For Life partner, will receive a $500 donation for each SunPower rooftop solar system installed through the program. For more information, contact SunPower Corporation at sunpowercorp.com/drivegreen.
New Vehicle Limited Warranty. We want your Ford Focus Electric ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Electric Component Warranty. Your vehicle’s unique electric components are covered during the Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please refer to your Warranty Guide for coverage details.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
