¹When properly equipped. ²Available feature. ³Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ⁴Actual mileage will vary. ⁵Horsepower and torque ratings achieved with 93-octane fuel.
ELEVATES YOUR EXPERIENCE

With refined materials and finishes. Calming noise isolation. Plus easy entry and startup, courtesy of Intelligent Access with push-button start. Enjoy the 10-way power, heated front seats with a driver’s memory feature, as well as a heated steering wheel that’s convenient for chilly mornings and cold nights. Find your favorite color among the 7 hues of ambient lighting. Or discover the perfect road trip anthem from the acoustically exceptional 10-speaker Audio System from Sony.

You can recharge mobile phones and more with up to 2 smart-charging USB ports and a 110V power outlet. To help new drivers stay focused, standard MyKey technology lets you program reminders to drive at appropriate speeds, keep the audio volume low and much more. A helpful Ford Co-Pilot360™ Technology feature, the standard Rear View Camera provides a full-color image of what’s behind the vehicle when in Reverse. Escape is filled with amenities designed to enhance every drive.
Thanks to the hands-free foot-activated liftgate, accessing up to 68.0 cu. ft. of cargo space is easy with Escape. Just kick your foot under the bumper with the Intelligent Access key fob located in a pocket or purse, and the liftgate automatically opens or closes. You can even program the fully opened height to the position that works best for you.

Behind the solar-tinted glass, a spacious, well-appointed interior awaits. Keep the cloth or leather-trimmed seats up for passengers. Or fold either side of the 60/40 split rear seat down for gear. The choice is yours. Riders in both rows can enjoy the sunshine through a panoramic Vista Roof® featuring power open/close and a power shade. Store phones and other items you’d like to keep hidden inside the roomy storage bin beneath the padded center console armrest. You can also tuck large items out of sight in the back under an interior cargo cover. Wherever you’re headed, you’ll find Escape is the perfect partner for spontaneous getaways.
GREAT FINDS & FRIENDS

Escape is designed to help you carry the day – whatever it brings. To make the most of the rear cargo area, fold down both sides of the 60/40 split rear seat. You can also fold either side down to carry longer items, while leaving the other side up for a passenger or two. With reclining seat backs in all positions, Escape helps everybody find their comfort zone.

Escape S is your 5-passenger, 168-horsepower, front-wheel-drive ticket to adventure. Let yourself in with remote keyless entry. Adjust the tilt and telescoping steering column and 6-way driver’s seat to your liking. Then, store your phone in the lockable glove box, and take advantage of voice-activated SYNC® with SYNC AppLink® to stay connected on the move.³ Turbocharge your drive in Escape SE with the 1.5L EcoBoost® engine. You’ll also get SYNC 3 with Apple CarPlay™ compatibility and Android Auto™ compatibility, plus you’ll be able to start your vehicle remotely from virtually anywhere with the FordPass™ smartphone app⁴ and FordPass Connect™⁵. The SE Sport Appearance Package adds 19” wheels, partial leather-trimmed sport seats and more.

THE FUN STARTS HERE
PLAY IT YOUR WAY

LED signature lighting enhances the look of the halogen projector headlamps on Escape SEL. Inside, you’ll enjoy Satin Chrome accents and heated front seats trimmed in your choice of 3 color schemes. A power liftgate makes it easy to load items in back. Pair the 1.5L EcoBoost® engine with the Intelligent 4WD System® for enhanced capability, then add the new Sun and Style Package for a panoramic Vista Roof® and 18” Sparkle Silver-painted aluminum wheels. Prefer the 19” machined aluminum wheels with Black-painted pockets? Choose the SEL Sport Appearance Package, which also gives your Escape Magnetic-painted exterior accents, Black headlamp and taillamp bezels, plus a unique two-tone interior and more. SEL makes it easy to get the combination of features and style you prefer.
LUX BOOST

What do you get when you combine lots of luxurious amenities with a 245-horsepower1 2.0L EcoBoost® engine? The one and only Escape Titanium. Recline in 10-way power, heated, leather-trimmed front seats. Adjust the ambient lighting, then let the voice-activated Navigation System guide you to your destination. When you arrive, Enhanced Active Park Assist4 can help identify an appropriate parking spot, and even steer the vehicle into it. The hands-free, foot-activated liftgate helps you load items in the back, while the new Ford Safe and Smart™ Titanium Plus Package gives you more helpful Ford Co-Pilot360™ Technology features,4 including Adaptive Cruise Control & Forward Collision Warning with Brake Support, Auto High-Beam Headlamps, Lane-Keeping System and more. Treat yourself to the ultimate Escape.
ADVANCEDTRAC® WITH RSC® (ROLL STABILITY CONTROL™) enhances vehicle stability in a wide range of conditions. By selectively applying individual brakes and modifying engine power, the system helps keep all 4 wheels firmly planted. In addition, Curve Control helps slow the vehicle down if you’re heading into a curve too quickly.

ENHANCED ACTIVE PARK ASSIST® can help when backing into a perpendicular spot or parallel parking. The system uses ultrasonic sensors to identify a parking space that’s just the right size, then steers Escape into it. All you do is follow on-screen prompts, and operate the accelerator, brake and gear shifter as needed. It provides assistance as you pull out of your parking spot as well.

FORD SAFE AND SMART™ PACKAGE makes it easy to get all of these helpful driver-assist technologies and more:

ADAPTIVE CRUISE CONTROL & FORWARD COLLISION WARNING WITH BRAKE SUPPORT helps maintain your choice of speed and preset gaps from the vehicle in front of you. It can also alert you to a potential collision. If one is detected, the system flashes a warning, sounds an alarm, and can pre-charge the brakes to provide full responsiveness when you do brake.

AUTO HIGH-BEAM HEADLAMPS can detect vehicles and street lights ahead of you, automatically switching between low and high beams as a convenience to you, and a courtesy to other motorists.

BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT warns you if it detects a vehicle in either of your blind spots while attempting to change lanes, or approaching from either side while in Reverse.

LANE-KEEPING SYSTEM alerts you with steering wheel vibration if it detects you drifting out of your lane, and can even apply steering wheel torque to help direct you to return to your lane.

Driver-assist features are supplemental and do not replace the driver’s attention, judgment, and need to control the vehicle. BLIS replaces standard integrated blind spot mirrors. Lane-Keeping System does not control steering.
STAY CONNECTED ON THE MOVE

IT ALL STARTS HERE

This vibrant 8” touchscreen is the command center of SYNC® 3 voice-activated technology, which integrates your paired mobile phone with Ford Escape as soon as you start your vehicle. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn’t miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

LINK YOUR APPS
SYNC 3 AppLink® links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone® users can view the Waze™ app’s community-based navigation and traffic features on the large SYNC 3 touchscreen. Amazon Alexa users can access thousands of skills and services they enjoy on their Amazon Echo with the Ford+Alexa® app.

CONNECT TO FORDPASS CONVENIENCE
FordPass Connect™ with 4G LTE Wi-Fi hotspot lets passengers connect tablets, laptops and smartphones. It includes a complimentary 3-month or 3GB data trial. And that’s only part of its convenience. Together with the FordPass™ smartphone app, FordPass Connect allows you to remotely start your vehicle and climate control system using your smartphone. As well as locate your vehicle and check approximate fuel range. FordPass also helps you find fuel and compare prices. Find, reserve and pre-pay for parking in select locations. Plus, get help 24/7 from our trained team of Ford Guides.

CONNECT YOUR iPhone
Apple CarPlay™ compatibility displays the iPhone interface on your vehicle’s touchscreen. Send and receive text messages by voice. Get where you’re going with Apple® Maps or your favorite supported app, including Google Maps™ Waze and more. Access playlists from Apple Music®. Just ask Siri® for help. She already knows your voice.

CONNECT YOUR ANDROID PHONE
Android Auto™ compatibility displays the Android™ interface on your vehicle’s touchscreen. Get voice-guided navigation from Google Maps and Waze. Access your favorite music from your apps. Make calls. Send and receive messages. Just talk to Google Assistant™ and go.

MAP YOUR ROUTE
Voice-activated navigation delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look. SiriusXM® Traffic and Travel Link® helps you avoid traffic — before you’re in the middle of it. It also provides fuel prices and station locations. Current and forecasted weather. Movie locations and showtimes. Plus, the scores of your favorite sports teams, and more.
