The Ford Expedition received the lowest rate of reported problems among Large SUVs in the J.D. Power 2018 U.S. Initial Quality Study of new vehicle owners' experience with their own vehicle after 90 days of ownership. Visit jdpower.com/awards.
Ford Expedition is the “Highest Ranked Large SUV in Initial Quality” in 2017-2018.¹ With refined seating for up to 8, spacious Expedition interiors offer a wide range of durable fabrics and luxurious leather trims.² Choose 4x2 or 4x4 in XLT, Limited or Platinum models. A new Stealth Edition cloaks you in blacked-out style. While a new Special Edition and Texas Edition supply features that enhance functionality. Take charge of the road, and so much more, in the 2019 Ford Expedition.

There are 2 available body styles: Expedition and Expedition MAX. Nearly a foot longer, Expedition MAX can accommodate an additional 16.9 cu. ft. of cargo.³ A 3.5L EcoBoost® engine that delivers up to 400 horsepower⁴ helps you get up and go with confidence. While the SYNC® 3 system with smart-charging USB ports, plus FordPass Connect™ with 4G LTE Wi-Fi hotspot,² help you stay connected along the way. Experience it all in a 2019 Ford Expedition.

¹Available feature. ²Cargo and load capacity limited by weight and weight distribution. ³Horsepower rating achieved with 93-octane fuel. ⁴Certain restrictions, 3rd-party terms or message and data rates may apply. See footnotes 4 and 5 on Standard Features page of Specifications, and your Ford Dealer for details.
LEAD THE WAY IN
CONFIDENT COMFORT

It’s easy to take command in the 2019 Ford Expedition. 10-way power front seats1 (including power lumbar and recline), power-adjustable pedals1, power1–tilt/telescoping steering column and power sideview mirrors all have a memory feature.1 Conveniently recall your stored settings (for up to 3 drivers) with just the touch of a button. Reach for the warming touch of a leather-wrapped, heated steering wheel1, or enjoy a gentle breeze from the power panoramic Vista Roof® that spans the first 2 rows. Go confidently.

A rotary gear shift dial allows for smooth control of the 10-speed automatic transmission with SelectShift® capability. Move easily from Park to Reverse to Drive by rotating the dial. Standard: XLT, Limited, Platinum

A B&O Sound System features a 14-channel amplifier that pumps 1,100 watts of digitally processed sound through 12 high-performance speakers. Pure audio bliss. Standard: Limited, Platinum

SYNC® 3 AppLink® now lets iPhone® users view the Waze™ app’s community-based navigation and traffic features on the large 8” LCD touchscreen that centers the instrument panel. Standard: XLT, Limited, Platinum

2019 Expedition + MAX | ford.com

PLATINUM, LEATHER-TRIMMED INTERIOR IN EBONY, AVAILABLE EQUIPMENT. *Available feature. *Commands may vary by phone and AppLink software. Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply.
LOADS OF SPACE FOR PEOPLE, GEAR, OR BOTH.

You've got the room to haul it all in the 2019 Expedition and Expedition MAX. Starting with a spacious cabin with room for up to 8 passengers. 1st-row leather-trimmed seats feature heating, ventilation and massage. In the 2nd row, you have a choice of power-folding 40/20/40 tip-and-slide seats or bucket seats in durable cloth, ActiveX™ or luxurious leather trim. In the rear, a 60/40 split PowerFold® power-reclining 3rd-row seat. No matter your seat location, 15 beverage holders and a multitude of storage bins throughout Expedition provide a perfect spot for your belongings. And there are USB ports for all 3 rows to keep everyone’s devices powered up and ready to go.
WANT MORE?

GET MAX

Nearly a foot longer than Expedition, with extra room in all the right places, the 2019 Expedition MAX is for those who want to go big and carry more along the way. With more head room in the 3rd row, plus larger rear door openings for easy entry and exit, Expedition MAX can accommodate an additional 16.9 cu. ft. of gear. And just like Expedition, it’s easy to switch from people hauler to cargo hauler – and back again – with power, fold-flat, 2nd- and 3rd-row seats that operate with push-button simplicity. Access the cargo area by manually opening the liftgate glass or the liftgate itself, or waving your foot under the rear bumper to take advantage of the convenient hands-free foot-activated liftgate. With both rear rows folded flat, Expedition MAX can even carry 4’ x 8’ sheets of plywood with the liftgate closed. Max out your adventures in Expedition MAX.

FIND YOUR PLACE, IN EVERY ROW

No matter where you sit in Expedition, you’ll be comfortable and well cared for. With more hip room in the 1st and 2nd rows than Chevrolet Tahoe and GMC Yukon, as well as best-in-class 1st, 2nd- and 3rd-row leg room. All while being surrounded by the technology and creature comforts that your modern life desires. The center console features 2 cupholders, a large covered storage bin, and a wireless charging pad 2,3 in the media bin for convenient charging of your smartphone. 2nd-row, power-folding, tip-and-slide seats 2 make it possible to keep a child-safety seat secured in any section of the seat while you simply slide it forward as passengers get into the 3rd row. There, in the power-reclining PowerFold® 3rd-row seat, they’ll be as comfortable as in any seat in the cabin. Overhead, a power panoramic Vista Roof® 2 with power sunshade adds convenience and character on the go.

TREAT YOURSELF.

To comfort. Convenience. And calm. When you’re not behind the wheel, you can thoroughly enjoy your time as a passenger in Expedition. Thanks to FordPass Connect™ with 4G LTE Wi-Fi hotspot 2,4 and a Dual-Headrest Rear Seat Entertainment System 2 passengers can view content from their compatible Apple® or Android™ devices on the screen mounted securely to the back of each front seat. Content can also be accessed via SD card, HDMI cable, USB device, or by using SYNC® 3 AppLink®, which lets an adult monitor and control viewing. Plus, Slingbox® owners can even watch their favorite TV channels on the go. A B&O Sound System 2 features a 14-channel amplifier that pumps 1,100 watts of digitally processed sound through 12 high-performance speakers, including a subwoofer and 4 midwoofers. Out back, an advanced cargo manager 2 features an adjustable shelf behind the 3rd row that lets you create a customized space for whatever you’re hauling 5.

2019 Expedition + MAX | ford.com
AVAILABLE EQUIPMENT SHOWN. ¹Class is Extended Utilities based on Ford segmentation. ²Available feature. ³Available Qi wireless charging may not be compatible with all phones. ⁴Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnotes 2 and 3 on page 19, and your Ford Dealer for details. ⁵Cargo and load capacity limited by weight and weight distribution.
IT ALL STARTS HERE

This vibrant 8” touchscreen is the command center of SYNC® 3 voice-activated technology, which integrates your paired mobile phone with Ford Expedition as soon as you start your vehicle. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn’t miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

LINK YOUR APPS
SYNC 3 AppLink® links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone® users can view the Waze® app’s community-based navigation and traffic features on the large SYNC 3 touchscreen. Amazon Alexa users can access thousands of skills and services they enjoy on their Amazon Echo with the Ford+Alexa™ app.

CONNECT TO FORDPASS CONVENIENCE
FordPass Connect™ with 4G LTE Wi-Fi hotspot lets passengers connect tablets, laptops and smartphones. It includes a complimentary 3-month or 3GB data trial. And that’s only part of its convenience. Together with the FordPass™ smartphone app, FordPass Connect allows you to remotely start your vehicle and climate control system using your smartphone. As well as locate your vehicle and check approximate fuel range. FordPass also helps you find fuel and compare prices. Find, reserve and pre-pay for parking in select locations. Plus, get help 24/7 from our trained team of Ford Guides.

CONNECT YOUR IPHONE
Apple CarPlay™ compatibility displays the iPhone interface on your vehicle’s touchscreen. Send and receive text messages by voice. Get where you’re going with Apple Maps or your favorite supported app, including Google Maps™ Waze and more. Access playlists from Apple Music®. Just ask Siri® for help. She already knows your voice.

CONNECT YOUR ANDROID PHONE
Android Auto™ compatibility displays the Android™ interface on your vehicle’s touchscreen. Get voice-guided navigation from Google Maps and Waze. Access your favorite music from your apps. Make calls. Send and receive messages. Just talk to Google Assistant™ and go.

MAP YOUR ROUTE
Voice-activated navigation delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look. SiriusXM® Traffic and Travel Link™ helps you avoid traffic — before you’re in the middle of it. It also provides fuel prices and station locations. Current and forecasted weather. Movie locations and showtimes. Plus, the scores of your favorite sports teams, and more.

SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. 7 Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 4 on page 19, and your Ford Dealer for details.
FORD CO-PILOT360 TECHNOLOGY

DRIVE CONFIDENTLY

Ford Co-Pilot360™ Technology offers driver-assist features that can help you prevent a potential collision with a vehicle or pedestrian, help keep you centered in your lane, and warn you of vehicles detected in your blind spots. Expedition can even take the hassle out of parking with Enhanced Active Park Assist. It not only assists you in finding a spot, it steers the vehicle into it while you control the brake, accelerator, and rotary gear shift dial. It provides assistance as you pull out of your parking spot as well.

IN TRAFFIC Adaptive Cruise Control with Stop-and-Go1 actively controls acceleration and braking based on the speed you set, automatically adjusting that speed to maintain 1 of 4 preset gaps from the vehicle directly in front of you. The system can be used in both high and low speeds, and can even follow that vehicle to a complete stop.

WHEN CHANGING LANES BLIS® (Blind Spot Information System) with Trailer Coverage1,3 warns you if it detects a vehicle in either of your blind spots while driving forward. Optimized for Expedition, the range of BLIS can be programmed and extended to include a trailer. When not towing, Cross-Traffic Alert1 notifies you of vehicles approaching from the sides while in Reverse.

WHEN NECESSARY Pre-Collision Assist with Automatic Emergency Braking1 can alert you with visible and audible warnings if a potential collision with a vehicle or pedestrian is detected. If the system determines a collision is imminent, it may automatically apply the brakes.2

BETWEEN THE LINES Drifting out of your lane? The Lane-Keeping System1 can help. It can alert you with gentle steering wheel vibrations to help direct you to return to your lane, and can even apply steering wheel torque to help keep you from drifting out of your lane.2 If the system detects you’ve come too close to – or crossed – the lane markers multiple times, a Driver Alert1 displays a coffee cup icon to suggest taking a break from driving.

2019 Expedition + MAX | ford.com

PLATINUM. BLUE. AVAILABLE EQUIPMENT. *Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner’s manual for system limitations. BLIS replaces standard integrated blind spot mirrors. Lane-Keeping System does not control steering.
POWER TO MOVE
MOUNTAINS

That’s EcoBoost® power and, in Ford Expedition, it delivers up to 400 horsepower\(^1\) and 480 lb.-ft. of torque.\(^1\) A 10-speed automatic transmission with SelectShift® capability utilizes that power smoothly and confidently. Expedition towing capability of 9,300 lbs.\(^2\) is best in class. Plus, advanced towing technologies\(^3\) help make towing and backing up your trailer easy. You can even choose which type of get-in-and-go confidence you need using the Terrain Management System\(^3\), which allows you to choose from 7 preset modes to optimize driving dynamics to road conditions. Scale new heights in Expedition.

ENGINES

3.5L ECOBOOST V6

This twin-turbocharged, port- and direct-fuel-injected engine delivers responsive acceleration. The wide 7.4:1 gear ratio span of the 10-speed transmission helps smooth out steps between gears—delivering the engine’s power consistently for an enjoyable driving experience.

375 hp @ 5,000 rpm  
470 lb.-ft. of torque @ 3,500 rpm

3.5L ECOBOOST V6

PLATINUM SERIES

This enhanced version of the 3.5L EcoBoost delivers increased levels of horsepower and torque—befitting the Platinum name.

400 hp @ 5,000 rpm\(^1\)  
480 lb.-ft. of torque @ 3,500 rpm\(^1\)

EPA-estimated ratings* with 10-speed automatic and Auto Start-Stop Technology

Expedition

2WD: 17 city / 24 highway / 20 combined mpg
4WD: 17 city / 22 highway / 19 combined mpg

Expedition MAX

4WD: 16 city / 21 highway / 18 combined mpg

Fuel tank (gal.): 23.6 / 27.8

DO MORE OUT THERE

With best-in-class max. 9,300-lb. towing capability, you can hit the ground towing in the 2019 Ford Expedition. It all begins with a high-strength-steel frame and high-strength, aluminum-alloy body. It continues with some features of the 10-speed automatic transmission that are particularly useful when towing. SelectShift® capability allows you to manually upshift or downshift without using a clutch. Progressive range select mode allows you to lock out the upper gears while towing to help maintain a consistent speed on steep grades. And tow/haul mode features smart shift logic that helps eliminate unwanted frequent gear shifting on steep uphill grades, while allowing engine braking to help maintain vehicle speed when descending a steep grade with a load in tow.

Ford Co-Pilot360™ Technology offers driver-assist features like Pro Trailer Backup Assist™ (PTBA), which makes backing up your trailer as easy as turning a knob. Once the system is programmed, simply rotate the PTBA knob left or right in the direction you want the trailer to go. The system then automatically steers Expedition to turn the trailer the desired amount. While your sideview mirrors are your primary visual aid, PTBA features a Rear View Camera image that allows you to view trailer direction and help determine trailer placement. Further assistance is provided by our 360-Degree Camera with Split-View Display® that works at low speeds in Forward and Reverse. 4 cameras let you see all sides of Expedition on the 8” color LCD screen in the center stack.
XLT

With its 375-horsepower 3.5L EcoBoost® engine mated to a smooth-shifting 10-speed automatic transmission, XLT puts the 2019 Expedition lineup in motion. Seating for 8 is standard, so there's room for the whole crew on every adventure. In back, a PowerFold® 3rd-row seat folds flat at the touch of a button to quickly make more room for cargo. Add even more convenience with the hands-free, foot-activated liftgate.SYNC® 3 voice-activated technology with Apple CarPlay™ and Android Auto™ compatibility gets the party started inside. Start strong with Expedition XLT.
Hit the trail running with our easy-to-use 4WD with Terrain Management System™ that lets you select from 7 drive modes to help Expedition FX4 adapt to different road conditions. Skid plates help protect the underbody. A patented electronic limited-slip rear differential can vary power output from side-to-side in low-traction off-road situations, depending on which wheels need extra traction. Off-road-tuned front and rear shocks help keep you in contact with solid ground. All-terrain tires with thick sidewalls deliver the traction needed over rough terrain. Chrome-plated running boards and 18” Magnetic-painted cast-aluminum wheels even set you apart on the trails in Expedition FX4.
L I M I T E D

Whether you choose 4x2 or 4x4, you’re sure to enjoy Limited. Inside and out. Bright exterior accents adorn the grille, roof-rack side rails and power-deployable running boards, which extend as soon as a door is opened to help you enter and exit with ease. Inside, a convenient driver’s memory feature recalls saved settings for your heated and ventilated leather-trimmed seat, power-tilt/-telescoping steering column, power-adjustable pedals, and power-folding heated sideview mirrors. A B&O Sound System is acoustically tailored to Limited, which will be evident from the very first moment you turn it on. And both 1st and 2nd rows benefit from one-touch-up/-down power windows. Clearly, there’s lots to love about Expedition Limited.

COLORS [L to R]: Oxford White, White Platinum Metallic Tri-coat, Ingot Silver, Silver Spruce, Ruby Red Metallic Tinted Clearcoat, Blue, Stone Gray, Magnetic and Agate Black

INTERIORS [L to R]: Ebony Leather with Perforated Inserts and Medium Stone Leather with Perforated Inserts

20” Premium Dark Tarnish-Painted Aluminum Standard

22” Premium Black-Painted Aluminum

22” Polished Aluminum Included with 302A
The already impressive capability of Expedition Limited is improved by these features, including: 22" premium Black-painted aluminum wheels, a continuously controlled damping (CCD) suspension, a 360-Degree Camera with Split-View Display, Cargo Package, Heavy-Duty Trailer Tow Package, Enhanced Active Park Assist, and LED headlamps and fog lamps. There's truly something special about the 2019 Expedition **Special Edition**.

They say everything's bigger in Texas. That's why Expedition and Expedition MAX fit in so well. With all the content from the Special Edition, the Texas Edition includes badging as unique as the Lone Star State – to let everyone know you like to live large. Introducing the new Expedition **Texas Edition**.
New this year, this blackout edition adds additional attitude to the utility of Expedition Limited. Contents include a striking Gloss Black treatment on the grille, headlamp and taillamp housings, fog lamp bezels, sideview mirror caps, running boards, tailgate appliqué, rear bumper skid plate and trailer hitch cover. Black EXPEDITION lettering centers the hood. 22” premium Black-painted aluminum wheels are pampered by a continuously controlled damping (CCD) suspension. Inside, Red accent stitching completes the arresting look. Try not to get noticed in the new Stealth Edition.
PLATINUM

The 5 Ford Co-Pilot360™ Technology features in the Driver Assistance Package are all standard on Expedition Platinum. As is an enhanced 3.5L EcoBoost® engine that delivers 400 horsepower1 and 480 lb.-ft. of torque. Inside, enjoy real wood accents and luxury leather-trimmed seats that include heated and ventilated, multicontour front seats with Active Motion® massage. 1st- and 2nd-row seats feature perforated inserts and quilted bolsters. Outside, bright accents on the door handles, grille, power-deployable running boards and tailgate are complemented by massive 22” polished aluminum wheels.

You’ve reached the pinnacle up here. This is Expedition Platinum.

INTERIORS [L to R]: Medium Soft Ceramic Premium or Ebony Leather with Perforated Inserts and Quilted Bolsters.

22” Polished Aluminum
Standard
“The Ford Expedition is a true jack-of-all-trades. It’ll do anything its owner could ever ask of it without breaking a sweat. It expertly balances city and highway drivability with off-road capability and segment-leading tow capacity... Whether working or playing, the Ford Expedition is a game changer in the segment, and it’s our unanimous pick for winner of this Big Test,” says Motor Trend.

GAME CHANGER

After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI.
VENTURE OUT WITH

PURPOSE

You can, with the security of 6 standard airbags, including the patented Safety Canopy® System with rollover sensor. If needed, the system can deploy side-curtain airbags along all 3 vehicle rows. You can also opt for industry-first 2nd-row outboard inflatable safety belts. The Individual Tire Pressure Monitoring System lets you check pressure in each tire, and notifies you if any are low. While standard AdvanceTrac® with RSC® (Roll Stability Control™) enhances vehicle stability in a wide range of conditions. By selectively applying individual brakes and modifying engine power, the system helps keep all 4 wheels firmly planted. Wherever you’re headed, you can rest assured that a sophisticated array of safety features accompanies you on every journey.
New Vehicle Limited Warranty. We want your Ford Expedition ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you piece-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
