The 2020 Ford Expedition is engineered to make it happen. Choose from Expedition and Expedition MAX — based on how big is big enough for your adventures. Nearly a foot longer than Expedition, Expedition MAX can carry 16.9 more cu. ft. of gear. Both spacious interiors offer refined seating for up to 8 in a range of durable fabrics — including available ActiveX material — and available leather trims. Innovative technology can help you stay connected on the go. Plus, standard Ford Co-Pilot360™ can help you confidently navigate your world. We’ve been improving lives for over 116 years by building vehicles big, small, and lots of sizes in between. Our first SUV took your “out there.” Our current lineup is designed to take you capable to your destination — in comfort and style. We built a bigger big for your adventures. And we put our hearts into everything we build.

**BUILT TO LIVE LIFE TO THE MAX.**

**New King Ranch®**

Exemplifying the open spaces and unbridled freedom of the American Southwest. Expedition King Ranch for 2020 expands the model lineup to 4 distinct trim levels.

**EcoBoost® Engines**

Powered by a 3.5L EcoBoost V6, Expedition supplies powerful pull and responsive acceleration. An enhanced version on Platinum delivers 400 horsepower and 480 lb.-ft. of torque.

**10 Speed Automatic Transmission**

**4x2 OR AVAILABLE 4x4**

1. Cargo and load capacity limited by weight and weight distribution.
2. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.
3. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary.
4. Design and availability limited by weight and weight distribution.
5. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Innovative technology can help you stay connected on the go.
BIG ON EMPOWERMENT.

PUSH START AND GO
It’s easy to take command in the 2020 Expedition.
Your available Intelligent Access key fob gets you in, and push-button start gets you going without having to insert a key. From big to small, Expedition is designed to empower.

DIAL IN CONVENIENCE
A convenient rotary gear shift dial moves the 10-speed automatic transmission from Park to Reverse to Drive. The design frees up center console space as well.

12-SPEAKER SOUND SYSTEM
Standard on Limited, King Ranch® and Platinum, the B&O Sound System features a 14-channel amplifier pumping 1,100 watts of digitally processed sound through 12 high-performance speakers, including a subwoofer and 4 midwoofers.

8“ LCD TOUCHSCREEN
with voice capability is included with standard voice-activated SYNC® 3.

SPACIOUS ROWS, WITH SEATING FOR UP TO 8

Platinum. Ebony leather-trimmed interior. Available equipment. Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.
FIND YOUR PLACE
No matter where you sit in Expedition, you’ll be well-cared for. With best-in-class 2nd- and 3rd-row leg room, plus available 2nd-row power-folding tip-and-slide seats that make it possible to keep a child-safety seat secured in any section of the seat while you simply slide it forward as passengers get into the 3rd row. An available power, panoramic Vista Roof® brightens the view.

TREAT YOURSELF
To 3rd-row comfort and calm. There, in the power-reclining, PowerFold® seat, you’ll be as comforted as in any seat in the cabin. You’ve got your own beverage holders, reading lights and available smart-charging USB ports. Beyond that, an available advanced cargo manager behind the 3rd row features an adjustable shelf to help create a customized space for whatever you’re carrying.

BIG ON COMFORT.

Platinum. Ebony leather-trimmed interior. Available equipment. "Class is Extended Utilities based on Ford segmentation. "Cargo and load capacity limited by weight and weight distribution. "FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Dependent on vehicle and features, FordPass App functionality can vary. Third-party services and applications are not included with FordPass Connect. FordPass Connect service, features and availability are subject to change at Ford’s discretion. Connect service requires Wi-Fi enabled device. Don't drive distracted or while using handheld devices. See user controls.

2ND-ROW CAPTAIN’S CHAIRS
Outfit Expedition with your choice of a 2nd-row bench seat for 3, or available individual captain’s chairs. New this year on XLT, 2nd-row captain’s chairs can be trimmed in durable ActiveX seating material.

1. FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. Don’t drive distracted or while using handheld devices. Use voice controls.

ENJOY THE DRIVE
Your available 10-way power driver’s seat (including power lumbar and recline), available power-adjustable pedals, available power-tilt/telescoping steering column and available power-sideview mirrors all have a memory feature. Conveniently recall your stored settings (for up to 3 different drivers) with just the touch of a button.

ENJOY THE RIDE
Not behind the wheel? You’ll still enjoy your time in Expedition. FordPass Connect™ with Wi-Fi hotspot capability and an available Dual-Headrest Rear Seat Entertainment System allow you to view content from your compatible Apple® or Android™ devices on the screen mounted to the back of each front seat. Access content via SD card, HDMI cable or USB device as well.

BIG ON PEOPLE PLEASING.
MAX OUT CARGO SPACE.

CARRY MORE WITH MAX
Nearly a foot longer than Expedition, with extra room in all the right places, Expedition MAX can accommodate an additional 16.9 cu. ft. of gear. Plus, you’ll enjoy more head room in the 3rd row and larger rear door openings for easy entry and exit. Max out cargo space, and your adventures, in Expedition MAX.

ACCESS CARGO EASILY
Manually open the liftgate glass or the liftgate itself or simply wave your foot under the rear bumper to take advantage of the available hands-free, foot-activated liftgate. With both rear rows folded flat, Expedition MAX can carry 4’ x 8’ sheets of plywood with the liftgate closed.

POWER TO MOVE MOUNTAINS.

That’s EcoBoost® power and, in the 2020 Ford Expedition, it delivers up to 400 horsepower and 480 lb.-ft. of torque. A 10-speed automatic transmission with SelectShift® capability utilizes that power smoothly and confidently. Expedition towing capability of 9,300 lbs. is best in class. Plus, available advanced towing technologies help make towing and backing up your trailer easy. You can even choose which type of get-in-and-go confidence you need using the available Terrain Management System™ which allows you to choose from 7 preset modes to optimize driving dynamics to road conditions. Scale new heights in Expedition.

**3.5L ECOBOOST V6**

**375 MAX. HORSEPOWER**

**470 MAX. TORQUE (LB.-FT.)**

This twin-turbocharged, port- and direct-fuel-injected engine delivers responsive acceleration. The wide 7.4:1 gear ratio span of the 10-speed transmission helps smooth out steps between gears – delivering the engine’s power consistently for an enjoyable driving experience.

*Standard on XLT, Limited, King Ranch®*

**3.5L ECOBOOST V6 PLATINUM SERIES**

**400 MAX. HORSEPOWER**

**480 MAX. TORQUE (LB.-FT.)**

This enhanced version of the 3.5L EcoBoost delivers increased levels of horsepower and torque – befitting the Platinum name.

*Standard on Platinum*

**EPA-ESTIMATED RATINGS: CITY/HWY/COMBINED MPG**

*Platinum, King Ranch, Limited, XLT. Available equipment. Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. *Max. towing of 9,300 lbs. on Expedition 4x2 with Heavy-Duty Trailer Tow Package (not shown). Max. towing of 9,200 lbs. on Expedition 4x4 with Heavy-Duty Trailer Tow Package (shown). Scale new heights in Expedition. Actual mileage will vary. Horsepower, torque, and EPA-estimated fuel economy ratings are independent attributes and may not be achieved simultaneously.**
FORD CO-PILOT360™ TECHNOLOGY READY WITH AN ASSIST.

From the driveway to the highway, our standard and available driver-assist features are designed to help you feel confidently in command at the wheel of your Expedition.

FORD CO-PILOT360
Standard on every 2020 Expedition

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don’t take action, brakes can apply automatically. It’s designed to only activate when needed.

BLIS® WITH CROSS-TRAffic ALERT
Changing lanes demands your full attention. BLIS (Blind Spot Information System) can help by alerting you to vehicles detected in your blind spots. Cross-Traffic Alert helps by detecting and alerting you to traffic behind your vehicle as you’re slowly backing up.

LANE-KEEPING SYSTEM
It happens. Listening to your favorite podcast, you wander too close to your lane's edge. Our Lane-Keeping System™ can help during a moment of distraction. If you drift out of your lane, it directs you with steering wheel torque to return, and can also alert you through vibration pulses. Shape a few times and a coffee cup icon lets you know it’s time to take a break.

AUTO HIGH-BEAM HEADLAMPS
Sound familiar? You turn on high beams entering a dark stretch of road – then forget to turn them off as traffic approaches. Auto High-Beam Headlamps can detect poor lighting and switch them on for you. They can also sense oncoming headlamps and dim automatically for other drivers.

REAR VIEW CAMERA
Backing up requires a little multitasking. Our Rear View Camera helps by providing a great view of what's behind your vehicle. It also helps when you're backing up a trailer. A washer helps keep the camera free of debris (like dirt or snow), helping you navigate Reverse clearly and with more confidence.

FORD CO-PILOT360 ASSIST
Standard on King Ranch and Platinum
Optional on Limited

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP-AND-GO
There are few things as tedious as bumper-to-bumper traffic. ACC with Stop-and-Go can help you keep pace on your journey, slowing down or even stopping your vehicle if the traffic ahead has slowed or stopped. When things clear, it can resume your set speed.

VOICE-ACTIVATED NAVIGATION
Taking the wrong exit can sap a serious dent into your day. Stay confidently on course with our Voice-Activated Touchscreen Navigation System, which features SiriusXM® Traffic and Travel Link® services® to help you avoid traffic, find fuel (gas or java), and so much more.

ADDITIONAL TECHNOLOGY

ENHANCED ACTIVe PARK ASSIST
Never pass up a potential parking space again. Enhanced Active Park Assist makes it easy to park time after time – even in tight parallel or reverse perpendicular spots. Just activate, shift, accelerate and brake while Expedition takes care of the rest. Park Out Assist with side-sensing capability can help you confidently navigate out of a spot when someone’s parked too close.

HILL START ASSIST
It feels good to hold your ground. Especially on a grade. As you remove your foot from the brake pedal to accelerate from a stop, Hill Start Assist can help by preventing Expedition from rolling downhill.

360-DEGREE CAMERA
True to its name, the 360-Degree Camera with Split-View Display lets you see around Expedition, from every side. Very helpful while centering Expedition in a parking spot, driving around a crowded campground or while navigating a tight section of off-road trail.

Standard on King Ranch and Platinum
Available on XLT and Limited

To view the complete list of driver-assist features, visit www.ford.com.

Available equipment shown. Other available features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions and does not replace safe driving. See owner’s manual for system limitations. Lane-Keeping System does not control steering. If it is longer than 3 seconds, drive must intervene and press “ESC” button or accelerator pedal to resume system operation. Certain restrictions. 3rd party forms and data rates may apply. See footnotes on the “Your Tech, Your Way” pages, and your Ford Dealer for details.
With seating for up to 8 and Wi-Fi hotspot capability, Ford Expedition welcomes a vast array of smartphones, tablets, gaming systems and computers along for the ride. Plus, you can tap into the best in music, sports, comedy, news and talk with SiriusXM® inside your vehicle and on the go, with a 6-month All Access trial subscription. With our available Voice-Activated Touchscreen Navigation System, you’ll enjoy a 5-year subscription to SiriusXM Traffic and Travel Link® services.

COMMAND IT
With your voice and your choice of display. SYNC® 3 voice-activated technology® connects your tech with your Expedition. SYNC 3 AppLink™ (shown) gives you voice control of compatible mobile apps like Waze™ and Ford+Alexa. Take your phone’s familiar interface to the big screen, take advantage of compatibility with Apple CarPlay® for your iPhone® or Android Auto™ for your Android™ smartphone. To see your phone’s familiar interface on the big screen, take advantage of compatibility with Apple CarPlay® for your iPhone® or Android Auto™ for your Android™ smartphone.

CONTROL IT
Monitor and control your vehicle in incredibly powerful ways using the FordPass™ App alone or with FordPass Alexa Skill® or FordPass Action through Google Assistant® when equipped with FordPass Connect.®

CONNECT IT
With in-vehicle Wi-Fi. Before you’ve even left the dock, you and your friends can be posting your adventure videos through FordPass Connect with 4G LTE Wi-Fi hotspot capability. Its powerful antenna provides the ability to connect up to 10 devices at once – inside of Expedition and up to 50’ away.

Available equipment shown. All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement at siriusxm.com. All fees, content and features are subject to change. Traffic information not available in all markets. SiriusXM satellite service for 2020 model-year Ford vehicles is not available in Puerto Rico; SiriusXM streaming service is available for purchase. Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Commands may vary by phone and AppLink software. Alexa requires available SYNC 3 AppLink. Certain Alexa functionality is dependent on smart phone and home technology. Don’t drive while distracted or while using handheld devices. Use voice controls. Some features may be locked out while the vehicle is in gear. Requires device with active data service and compatible software. SYNC does not control third-party products which it uses. third parties are solely responsible for their respective functionality. FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Existing technology (cellular networks) underlying capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphones only, is available via a download. FordPass Connect service requires two (2) FordPass Terms for more information). Message and data rates may apply. Check your availability at https://amzn.to/2JnYMtz. Roadside assistance is included for certain owners and available to everyone for a per-service fee. Don’t drive while distracted or while using handheld devices. Use voice controls.
GO BIG FOR BETTER ADVENTURES.

With best-in-class max. 9,300-lb. towing capability, you can hit the ground towing in the 2020 Ford Expedition. It all begins with a high-strength-steel frame and high-strength, aluminum-alloy body. It continues with the 10-speed automatic transmission SelectShift® capability allows you to manually upshift or downshift without using a clutch. Progressive range select mode allows you to lock out the upper gears while towing to help maintain a consistent speed on steep grades. And tow/haul mode features smart shift logic that helps eliminate unwanted frequent gear shifting on steep uphill grades, while allowing engine braking to help maintain vehicle speed when descending a steep grade with a load in tow.

Available Ford Co-Pilot360™ Technology Includes Pro Trailer Backup Assist™ (PTBA), which makes backing up your trailer as easy as turning a knob. Once the system is programmed, simply rotate the PTBA knob left or right in the direction you want the trailer to go. The system then automatically steers in addition to turn the trailer the desired amount. While your sideview mirrors are your primary visual aid, PTBA features a Rear View Camera image that allows you to view trailer direction and help determine trailer placement. Further assistance is provided by our available 360-Degree Camera with Split-View Display that works at low speeds: in Forward and Reverse. Four cameras let you see all sides of Expedition on the 8” color LCD screen in the center stack.
Start strong with Expedition XLT. With its 375-horsepower 3.5L EcoBoost® engine mated to a smooth-shifting 10-speed automatic transmission, XLT gets the 2020 Expedition lineup moving. Seating for 8 is standard, so there’s room for the whole crew on every adventure. The 2nd row can now be outfitted in available captain’s chairs with durable ActiveX seating material. In back, a PowerFold® 3rd-row seat folds flat at the touch of a button to quickly make more room for cargo. Add even more convenience with the available hands-free, foot-activated liftgate. SYNC® 3 voice-activated technology with Apple CarPlay® and Android Auto™ compatibility gets the party started inside.

### XLT STANDARD FEATURES:

**MECHANICAL**
- 4-wheel independent suspension
- Class II trailer hitch receiver with 3- and 4-pin connectors

**FORD CO-PILOT360 TECHNOLOGY**
- Ford Co-Pilot360® Automatic High-Beam Headlamps
- BLIS® (Blind Spot Information System) with Cross-Traffic Alert
- Lane Keeping System
- Pre-Collison Assist with Automatic Emergency Braking (AEB)
- Rear View Camera with washer

**PowerFold® 3rd-row seat**
- Auto-Dimming Rearview Mirror
- 4-Wheel Independent Suspension
- 1-Way Front Manual Passenger Seat
- 2-Way Manual Driver Seat
- 12V Powerpoint (4)

**COMFORT & CONVENIENCE**
- 6-Way Power Driver Seat and 2-Way Manual Front-Passenger Seat
- 8-Way Power Driver Seat and 2-Way Manual Front-Passenger Seat
- Cruise Control
- Dual-Headrest Rear Seat Entertainment System
- 6-Speed Automatic Transmission

There’s lots to love about Limited. Inside and out. Bright exterior accents adorn the grille, roof-rack side rails and power-deployable running boards, which extend as soon as a door is opened to help you enter and exit with ease. Inside, a convenient driver’s memory feature recalls saved settings for your heated ventilated leather-trimmed seats, power-tilt/telescoping steering column, power-adjustable pedals, and power-folded heated sideview mirrors. A B&O Sound System is acoustically tailored to Expedition, which will be evident from the very first moment you turn it on. And both 1st and 2nd rows benefit from one-touch-up/-down power windows. Choose 4x2 or 4x4.

LIMITED INCLUDES SELECT XLT 202A FEATURES, PLUS:

- Cargo Package: advanced cargo manager and roof-rail crossbars (not available on 302A)
- Convenience Package: all content of Heavy-Duty Trailer Tow Package + advanced cargo manager, inflatable 2nd-row safety belts in outboard seating positions, and roof-rail crossbars (requires 302A)
- FX4 Off-Road Package with 360-Degree Camera: 18” Magnetic painted cast-aluminum wheels with 275/65R18 all-terrain (A/T) OWL tires, 360-Degree Camera with Split-View Display and front and rear washers, 3.73 electronic limited-slip rear differential (includes 1-speed transfer case, heavy-duty radiator, and 1st- and 2nd-row floor liners for 4x4 only; requires 302A; not available with Special Edition Package of Texas Edition Package)

Ride like a king with the striking King Ranch® trim level that brings Southwestern luxury to the 2020 Ford Expedition. Featuring rich Del Rio leather trim covering the seats, door-trim inserts, armrests, center console side rails and steering wheel, Expedition King Ranch showcases a commitment to quality that's a hallmark of the legendary King Ranch in Kingsville, Texas. Their famous “Running W” logo even brands the seatbacks in all 3 rows, carpeted floor mats and massive 22” machined-face aluminum wheels. For an Expedition that embodies the wide-open spaces and freedom-loving spirit of the American West, step up to King Ranch.

22” 6-SPOKE PAINTED MACHINED-FACE ALUMINUM WITH DARK TARNISH-PAINTED POCKETS AND KING RANCH CENTER CAP Standard

Scale new heights with Platinum. Starting with the power of an enhanced 3.5L EcoBoost® engine that delivers 400 horsepower and 480 lb.-ft. of torque. Outside, bright accents on the door handles, grille, power-deployable running boards and tailgate are complemented by massive 22” aluminum wheels. Inside, enjoy real wood accents and a leather-wrapped steering wheel. Plus, Luxury leather-trimmed heated and ventilated multicontour front seats with Active Motion. 1st- and 2nd-row seats feature perforated inserts and quilted bolsters. And new for 2020: leather-wrapped door rollovers, a leather-wrapped instrument panel top, and unique center console side rails for further refinement. You’ve reached the pinnacle up here. The 2020 Expedition Platinum.

New Vehicle Limited Warranty. We want your Ford Expedition ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3 years, 36,000 miles bumper-to-bumper coverage, 5-year/60,000 mile Powertrain Warranty coverage, 5-year/60,000 mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage - all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a wake back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that’s right for you. Ask your Ford Dealer for details or visit us at ford.com/finance.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you piece-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Insure. A new insurance product designed just for Ford owners. Ford Insure can help you save money on auto insurance for your connected Ford vehicle. Drive smarter, become an even-better driver and earn bigger discounts – it’s a win/win/win. Visit the FordPass mobile app or call 1-833-Ford-183.

American Road Services Company LLC is the licensed insurance agency supporting Ford and Lincoln insurance programs. Ford Insure is underwritten by Nationwide Mutual Insurance Company and Affiliated Companies. Subject to underwriting guidelines, review, and approval. Products not available to all persons in all states. Coverage vary by state. Availability varies, please check with your local agent.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper Warranty. FLA are designed and tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and or a copy of all limited warranties.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and or a copy of all limited warranties.

Complimentary Maintenance

With FordPass Rewards™ you can earn 20,000 Points towards complimentary maintenance when you buy a new Ford. Or save your Points for future service, accessories or even your next connected vehicle. To schedule service, you can dial right from your FordPass App.

In addition to complimentary maintenance, you can easily earn FordPass Rewards Points for many of the things you already do with us, including, service and maintenance at participating dealers. You can even redeem your Points for discounts on service parts, accessories and new vehicle purchases. Use your app to wash your Ford and see how many Points you earn.

ROUTES REWARDS ROADSIDE ASSISTANCE CONNECT & CONTROL

Download the FordPass app today.

Stay connected and in control of your vehicle with complimentary remote features accessed through the FordPass App. Start, stop, lock and unlock your vehicle, schedule a start, even check fuel and fluid levels right from your phone. You can also get roadside assistance, service history and service alerts to help keep you on top of your vehicle’s maintenance.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. 75,000 points for Diesel owners. Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details. “Roadside assistance is included for certain owners and available to everyone for a per-service fee. “FordPass Connect” optional on select vehicles, the FordPass App, and complimentary Connect Service are required for remote features (see FordPass Terms for details). Connected services and features depend on compatible AID network availability. Evolving technology/technical requirements/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.

From day one, we had the future in mind. And for over 116 years, we’ve focused on improving your freedom of movement, by making it possible for hardworking, everyday people to own a vehicle. One that’s well built. That you’re proud to drive.

Born in Detroit, made in America¹ and famous worldwide:

We are the Ford Motor Company.

Your mobility is at the center of everything we do.

And we’re excited to be designing and building smart vehicles that work for you. It’s why we put our family name on every one.

From our founding members, to our Ford family of employees around the globe, we work with pride. We build with care.

For you – and your family. By everyone in ours.

¹Made in the USA with domestic and foreign parts.
