LIVE OUT LOUD
IN FIESTA.

Lightning Blue. Hot Pepper Red. Outrageous Green. Starting with its head-turning new colors, Fiesta makes its intentions clear. This ride is all about fun. Just take a corner and you’ll be hooked. With nimble and responsive handling, Fiesta thrives on curves as much as it does on straightaways. The 2018 Ford Fiesta is designed to liven up your drive – and your day.

FUN AT EVERY TURN
Fiesta gets the party started with a 120-horsepower 1.6L Ti-VCT engine and your choice of a 5-speed manual or a PowerShift 6-speed automatic transmission. The PowerShift delivers an extra-connected feel by helping provide torque to the front wheels 100% of the time during shifts. Plus, Fiesta has an EPA-estimated rating of 37 hwy mpg. For a best-in-class 197 horsepower and 202 lb.-ft. of torque, step up to Fiesta ST with its high-output 1.6L EcoBoost® engine. As U.S. News & World Report said, “Regardless of trim or body style, the Fiesta is one of the best-handling subcompact cars on the market.”

Available equipment.

EPA-estimated rating: 27 city/37 hwy/31 combined mpg, 1.6L Ti-VCT with 6-speed automatic. Actual mileage will vary.

HATCH OR SEDAN –
THE CHOICE IS YOURS.

Whichever you prefer, go with Fiesta Titanium for a ride that shines all around. Up front, a chrome surround accents the chrome upper grille bars, while chrome bezels set off the fog lamps. On the sides, chrome accents the beltline above 16" premium Sparkle Silver-painted wheels. Around back, a chrome strip across the liftgate or rear fascia adds the finishing touch.
COOL AND CONFIDENT

Fiesta Titanium features lots of conveniences, too. Heated sideview mirrors, an auto-dimming rearview mirror, a rear view camera, and a Reverse Sensing System are all standard. You’ll also enjoy its leather-trimmed interior with heated front seats and adjustable lumbar support for the driver. A power moonroof and an Audio System from Sony® with HD Radio™ Technology help you keep the fun going.

1 Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.

2 Available feature.
Fiesta is designed to be a standout, with impressive features inside and out. People will take notice from the moment you enter and start it while leaving the Intelligent Access key fob\(^1\) in your pocket. Just touch the door handle and you’re in. Then, press the brake pedal and push the start button.

Heat\(^1\) your front seats, in cloth or leather\(^1\) trim. Rather keep things cool? Electronic automatic temperature control\(^1\) automatically maintains settings chosen by the driver or front passenger. You can switch between 7 colors of ambient lighting.\(^1\) Charge your paired smartphone via USB port. And even use the steering wheel-mounted buttons to control calls and music with voice-activated SYNC\(^\circledR\) or SYNC 3.\(^1\) A long list of standard and available features means your Fiesta can be equipped just the way you want it.
SYNC 3
STAY CONNECTED ON THE MOVE.

Imagine controlling calls, music and more with just a touch and your voice. SYNC® 3 lets you keep your hands on the wheel while it quickly responds to your spoken requests. Or use the responsive touchscreen in the center of your instrument panel to access its many helpful features. Bring the power of Siri® into Fiesta with Siri Eyes Free and your paired iPhone®. The system also features 2 smart-charging USB ports to help keep your devices powered up and ready to go.

TURBOCHARGE
YOUR STATE OF MIND.

Fiesta ST puts best-in-class¹ 197 horsepower² and 202 lb.-ft. of torque² at your disposal via its 6-speed manual transmission. The turbocharged, high-output 1.6L EcoBoost® engine also has an “overboost” feature that can extend peak torque for up to 16 seconds. All that power is put to good use by a unique sport suspension with European-inspired tuning and 17" summer-compound performance tires.³ Add the Ebony Black-painted aluminum wheels with Red-painted brake calipers⁴ for even more attitude.

As you throw the leather-wrapped shift knob through its paces, you can be firmly gripped by the supportive bolsters of RECARO® partial leather-trimmed, heated front seats.⁴ From this exhilarating vantage point, you’ll enjoy the amplified engine sounds piped into your cabin by the sound symposer, in addition to the resounding boom of the Audio System from Sony® with HD Radio™ Technology. Behind the perforated leather-wrapped steering wheel in Fiesta ST, the rush is always on.
PUT THE FUN IN FUNCTIONAL.

Enjoy easy access to the rear cargo area in Fiesta Hatchback. With both sides of the 60/40 split rear seat folded down, you’ll find 25.4 cu. ft. of cargo space to fill when you open the hatch. With the rear seat up, you still have 14.9 cu. ft. of space at your disposal. Hatchback models also feature an in-floor storage compartment behind the rear seats that’s perfect for keeping small personal items out of sight. Traveling with people and gear? Fold one side of the rear seat down for longer items and leave one side up for a passenger. Sedan models combine 12.8 cu. ft. of trunk space with the same 60/40 split rear seat for versatility on demand. Fiesta is always ready for fun.
Underneath the aerodynamic shape of Fiesta, there are many protective layers. Strength surrounds you in the form of a rigid safety cage. High-strength and ultra-high-strength boron steel work with SPACE (Side Protection And Cabin Enhancement) Architecture to help divert crash forces from occupants. There are 7 standard airbags, including: driver and front-passenger front, driver’s knee, front-seat sides, and side curtains. Underpinning it all, AdvanceTrac® electronic stability control helps reduce skidding and fishtailing, which is beneficial in various kinds of inclement weather.

MAKE YOUR WAY SAFELY.

DRIVE SMARTLY

See what’s behind Fiesta as you slowly back up. Now standard on every Fiesta, the rear view camera puts a full-color image with helpful guidelines on the LCD screen in your center stack. You can also use MyKey® to program reminders that encourage safety belt use, driving at appropriate speeds, keeping the audio volume low, and much more.

New Vehicle Limited Warranty. We want your Ford Fiesta ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
