
1 EPA-estimated ratings: 43 mpg city/41 mpg hwy/42 mpg combined, Fusion Hybrid, FWD. Actual mileage will vary.

2 Available at EV-certified Ford Dealers only.

3 EPA-estimated ratings: 43 mpg city/41 mpg hwy/42 mpg combined, 14.0-gallon fuel tank; 26 miles electric. Fusion Plug-In Hybrid, FWD. Range calculation based on www.fueleconomy.gov. Actual range varies with conditions such as external elements, driving behaviors, vehicle maintenance and lithium-ion battery age. Actual mileage will vary.

BUILT TO EMPOWER YOU.

Just the way you want. Gas, hybrid or plug-in hybrid – Ford Fusion provides the power of choice. Four distinctive models, from the well-equipped S to the luxurious Titanium, demand your attention with sleek good looks and standard Ford Co-Pilot360™ driver-assist technology. After all, Ford has been a car company for everyone ever since we started. By making it possible for hardworking, everyday people to own a vehicle. One that’s built with care. And pride. A vehicle worthy of the Blue Oval – and of being chosen by you.
GEARED FOR PERFORMANCE.

THE 2.5L POWERPLANT GETS THE FUSION GAS ENGINE LINEUP OFF TO A STRONG START WITH 175 HORSEPOWER AND 175 LB.-FT. OF TORQUE. TAKE CONTROL OF ITS 6-SPEED AUTOMATIC TRANSMISSION VIA A ROTARY GEAR SHIFT DIAL ON YOUR CENTER CONSOLE.

STANDARD ON S

ECOBOOST TECHNOLOGY INCREASES OUTPUT. AUTO START-STOP TECHNOLOGY HELPS REDUCE FUEL CONSUMPTION BY SHUTTING OFF THE ENGINE WHEN FUSION COMES TO A COMPLETE STOP. WHEN THE BRAKE PEDAL IS RELEASED, THE ENGINE SEAMLESSLY RESTARTS.

STANDARD ON SE AND SEL

AS THE MOST POTENT FUSION ENGINE, THE 2.0L ECOBOOST CAN BE PAIRED WITH ALL-WHEEL DRIVE (AWD) AND A 6-SPEED SELECTSHIFT® AUTOMATIC TRANSMISSION. ENGAGE ITS SPORT MODE AND TAP THE STEERING WHEEL-MOUNTED PADDLE SHIFTERS TO MAKE THE MOST OF ITS POWER.

STANDARD ON TITANIUM

REQUISITE ON SE AWD

AS YOU DRIVE, THE GAS ENGINE, ELECTRIC MOTOR AND REGENERATIVE BRAKING SYSTEM ARE INTERACTING BEHIND THE SCENES TO HELP ENHANCE FUEL EFFICIENCY AND RECHARGE THE BATTERY. FUSION PLUG-IN HYBRID, WITH ITS DRIVER’S SIDE CHARGE PORT AND STANDARD CHARGING CORD, ALSO GIVES YOU THE OPTION TO PLUG IN TO CHARGE UP THE ELECTRIC BATTERY.

STANDARD ON HYBRID SE, HYBRID SEL, HYBRID TITANIUM AND PLUG-IN HYBRID TITANIUM

EPA-ESTIMATED RATINGS: CITY/HWY/COMBINED MPG*
The 2020 Ford Fusion is designed to deliver a smooth and stable driving experience – road after winding road. To get moving, just turn the rotary gear shift dial and go. EcoBoost® models feature an “S” button on top that you can tap to engage Sport mode, which enhances performance by providing gear selection more quickly and at higher engine speeds, as well as extending lower gear operation for uphill climbs or hilly terrain.

For poise through the turns, Torque Vectoring Control increases vehicle stability by applying slight braking force to the inside wheel as needed, delivering more torque to the outside wheel to help Fusion stay firmly planted. Automatic headlamps activate whenever outside light levels dictate to keep the road ahead well lit. And the Individual Tire Pressure Monitoring System can not only notify you if any tire’s pressure is low, the system will tell you which tire and how low.

To help maximize traction, Fusion offers fully automatic all-wheel drive (AWD). The system constantly monitors traction, transferring power between the front and rear wheels as needed, typically before wheelslip can even occur, to effortlessly improve your handling experience.

SE. Magnetic. SE Appearance Package. Available equipment. Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input or the conditions. Careless driving can cause death or serious injury.
DESIGNED FOR DISPLAY.

8" SYNC® 3 touchscreen. SmartGauge® with EcoGuide instrument cluster with growing "Efficiency Leaves" on Hybrid and Fusion Plug-In Hybrid® models. Wherever you look in the Fusion cockpit, vital information is displayed that helps put you in the driver’s seat. And in touch with the open road. To make time spent here even more accommodating, soft-touch surfaces greet your hands wherever they rest, including the leather-wrapped steering wheel and leather-trimmed seats. Brilliant LED lighting treats your eyes. Outside, sleek sideview mirrors mount low on the doors – instead of at the windows – designed to allow more light inside, minimize drag and help reduce wind noise. Because this environment is focused on you, your focus can stay on the road.

CRAFTED FOR YOUR COMFORT.

With spacious room for 5, the stylishly comfortable interior of Ford Fusion welcomes all. A range of seat-trim choices includes cloth, ActiveX high-end synthetic material, and luxurious perforated leather. Fusion also offers plenty of smart solutions for your smart devices. A large center console features tiered storage, including 2 small bins in the upper compartment. The standard media bin includes a smart-charging USB port and additional storage. Proper sound management begins with acoustic underbody shields and sound-absorption material that help mitigate road noise inside. Within the hushed environment, you can enjoy the well-balanced output of the available Fusion audio systems. Power up your devices with the 2 standard 12V powerpoints, plus 2 smart-charging USB ports when your Fusion is equipped with SYNC® 3 voice-activated technology.

102.8 CU. FT. OF PASSENGER VOLUME

Ford Fusion offers room to stretch out and relax in its comfortable, cozy interior.

POWER MOONROOF

HEATED AND COOLED FRONT SEATS

Titanium, Russet leather. Available interior. Available equipment. *Available feature. *Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out if the vehicle is in gear. Not all features are compatible with all phones. New hybrid models only.

12 SPEAKER SOUND

Enjoy the symphonic sounds of 12, strategically placed speakers from the Audio System from Sony®.
With seating for up to 5 and Wi-Fi hotspot capability, Ford Fusion welcomes a vast array of smartphones, tablets, gaming systems and computers along for the ride. Plus, you can tap into the best in music, sports, comedy, news and talk with SiriusXM® inside your vehicle and on the go, with a 6-month All Access trial subscription. With our Voice-Activated Touchscreen Navigation System, you’ll also enjoy a 5-year subscription to SiriusXM Traffic and Travel Link® services.

Command It

With your voice and your choice of display, SYNC® voice-activated technology connects your tech with your Fusion. SYNC 3 AppLink® (shown) gives you voice control of compatible mobile apps like Waze® and Ford+Alexa. To see your phone’s familiar interface on the big screen, take advantage of compatibility with Apple CarPlay™ for your iPhone® or Android Auto™ for your Android™ smartphone.

Control It

Monitor and control your vehicle in incredibly powerful ways using the FordPass® app or with FordPass Alexa Skill through Google Assistant™ when equipped with FordPass Connect. Start, lock and unlock your vehicle from just about anywhere including right from your wrist with your Apple Watch®. Use your app to find your vehicle, schedule starts, find parking, and check fuel and fluid levels. When you need important vehicle information, like Vehicle Health Alerts, service history and Warranty info, the FordPass app puts it at your fingertips. And, when it’s time to bring your vehicle in for service, the app makes scheduling easy. Enjoy access to convenient services like Key by Amazon In-Car Delivery® and peace of mind knowing roadside assistance is just a call or e-request away.

Connect It

With in-vehicle Wi-Fi for all, before the sand dries on your flip-flops, you and your family can be posting vacation videos through FordPass Connect® with 4G LTE Wi-Fi hotspot capability. Its powerful antenna provides the ability to connect up to 10 devices at once—inside of Fusion and up to 50’ away.

Available equipment shown. All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Text and taxes apply. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. When connected to a Wi-Fi network, Wi-Fi usage will incur fees. Your internet service provider may apply usage restrictions. To avoid additional fees, you must remain within the cellular or Wi-Fi coverage of the service provider. Available in the U.S. where live Wi-Fi service exists. Certain restrictions. See your Ford dealer for details. Command It may vary by phone and AppLink software. Voice-activated navigation system is available on MyFord Touch® equipped vehicles. SYNC® and SYNC 3 functionality is dependent on vehicle and equipment. Don’t drive while distracted or while using handheld devices. Use voice controls. Some features may be locked out while the vehicle is in gear. Requires device with active data service and compatible software. SYNC® does not control third-party products. While parking, using your personal device in a vehicle while parked may result in voiding your New Vehicle Limited Warranty. Use voice controls. Certain restrictions. FORD CO-PILOT360™ TECHNOLOGY

READY WITH AN ASSIST.

From the driveway to the highway, our driver-assist features are designed to help you feel confidently in command at the wheel of your Fusion.

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
Be alert to drivers or pedestrians on your path. Pre-Collision Assist with Automatic Emergency Braking can help prevent collisions in certain situations, but the driver must still be alert.

BLIS® WITH CROSS-TRAFFIC ALERT
Blind Spot Information System (BLIS®) helps you monitor the blind spots around your vehicle. Cross-Traffic Alert helps warn you when a vehicle is detected behind your vehicle as you are slowly backing up.

LANE-KEEPING SYSTEM
It helps keep you in your lane, especially on a curve or when you're fatigued.

AUTO HIGH-BEAM HEADLAMPS
Auto High-Beam Headlamps help you see clearly in the dark.

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
It's designed to help prevent collisions with vehicles and pedestrians detected in your path, but it can't prevent all collisions.

LANE-KEEPING SYSTEM
It helps keep you in your lane, especially on a curve or when you're fatigued.

REAR VIEW CAMERA
It helps you see behind your vehicle when backing up.

VOICE-ACTIVATED NAVIGATION
It helps you navigate with voice commands.

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP-AND-GO
It helps you maintain a safe distance from the vehicle in front of you.

ADDITIONAL TECHNOLOGY
It helps you stay safe and connected on the road.

HILL START ASSIST
It helps you maintain control when starting on a steep incline.

RAIN-SENSING WINDSHIELD WIPERS
It helps you stay clear of rain.

REVERSE SENSING SYSTEM
It helps you stay safe when reversing.

Standard: All models
Available: Titanium

Additional equipment shown. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Pre-Collision Assist with Automatic Emergency Braking can help alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don’t take action, brakes can apply automatically. It’s designed to only activate when needed.

Pre-Collision Assist with Automatic Emergency Braking can help alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don’t take action, brakes can apply automatically. It’s designed to only activate when needed.

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with objects and other drivers.

BLIS® WITH CROSS-TRAFFIC ALERT
Changing lanes demands your full attention. BLIS (Blind Spot Information System) can help by alerting you to vehicles detected in your blind spots. Cross-Traffic Alert helps by detecting and alerting you to traffic behind your vehicle as you’re slowly backing up.

LANE-KEEPING SYSTEM
It helps keep you in your lane, especially on a curve or when you’re fatigued.

AUTO HIGH-BEAM HEADLAMPS
Sound familiar? You turn on high beams entering a dark stretch of road – then forget to turn them off as traffic approaches. Auto High-Beam Headlamps can detect poor lighting and switch them on for you. They can also sense oncoming headlamps and dim automatically for other drivers.

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING
We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with objects and other drivers.

**A SMOOTH TRANSITION TO MORE EFFICIENT DRIVING.**

Since it’s powered by a combination of gas and electricity, Fusion Hybrid (HEV) will need to be refueled, just like a gas engine model. The difference is you may visit gas stations less frequently. That’s because, as you drive your Fusion Hybrid, the 2.0L Atkinson-cycle gas engine, electric motor and Regenerative Braking System are seamlessly interacting behind the scenes to help enhance fuel efficiency and recharge the battery. The gas engine can work with the electric motor or on its own to help maximize efficiency. A lithium-ion battery that powers the electric motor helps Fusion Hybrid operate in electric-only mode at speeds up to 85 mph.

For instant feedback on how your driving style is affecting efficiency, just view the “Efficiency Leaves” screen on the SmartGauge® with EcoGuide instrument cluster. Drive more efficiently, and you’ll see more leaves grow.

THE POWER TO PLUG IN.

With its driver’s side charge port, the 2020 Fusion Plug-In Hybrid Titanium (PHEV) gives you the option to plug in when you want to charge up the electric battery and help enhance the distance it can travel in electric-only mode. Fusion Plug-In Hybrid Titanium has an EPA-estimated all-electric driving range of 26 miles and an EPA-estimated total driving range of 610 miles. If you choose to plug in, you can do it at home, work, or even out shopping. It’s simple and convenient. At home, you can just insert the standard 120V convenience charge cord into an electrical outlet and into the vehicle’s charge port, which illuminates in sections as it charges. You can also use a Ford recommended Webasto 240V home charging station to recharge in about 2.6 hours. The MyFord Mobile app and website (www.myfordmobile.com) make it easy to monitor and schedule charging. They also offer a charging station locator powered by PlugShare. As you drive, Fusion Plug-In Hybrid Titanium functions very similarly to its Hybrid sibling. So even if you choose not to plug it in, you can still enjoy the benefits of hybrid driving.

4. Certain restrictions, 3rd-party terms and data rates may apply. See footnote 1 on the “Your Tech, Your Way” pages, and your Ford Dealer for details.

5. Restrictions may apply. See your dealer for details.

You’ve got a host of great choices with Fusion SE. Choose front-wheel drive (FWD) or all-wheel drive (AWD), A 1.5L or 2.0L EcoBoost® engine. Or go a different path with Fusion Hybrid. Whatever you decide, dual-zone electronic automatic temperature control and a 10-way power driver’s seat help enhance the experience inside Fusion SE. Plus, you can explore over 175 channels of SiriusXM using the vibrant 8” LCD touchscreen that’s included with SYNC 3 voice-activated technology. You can even add some attitude with the Fusion SE Appearance Package (shown).

**SE INCLUDES SELECT 6 FEATURES, PLUS:**

**MECHANICAL**
- Auto Start/Stop Technology (1.5L EcoBoost only)
- 1.5L with Blunt-end Tailpipe
- Regenerative Braking System

**FORD CO-PILOT360™ TECHNOLOGY**
- Pre-Collision Assist
- Ford Co-Pilot360 Assist: Adaptive Cruise Control with Stop and Go, and Voice-Activated Touchscreen Navigation System with pinch-to-zoom capability (includes SiriusXM Traffic and Travel Link® with 5-year subscription*)

Fusion SEL reveals its uniqueness upon approach. Bright door- and window-trim moldings, and chrome inserts on the body-color door handles, help set it apart. With your Intelligent Access key fob near, just grab a door handle and you’re in. Slip into heated front seats trimmed with ActiveX high-and synthetic material. Save the positions of the driver’s seat and heated sideview mirrors to either of 2 memory settings. Then set the 11-speaker Premium Audio System to your liking, take hold of your leather-wrapped steering wheel, and take off. Available in gas and hybrid powertrains.

**COLORS:** Alto Blue Metallic Tinted Clearcoat, 1 Velocity Blue, 2 Rapid Red Metallic Tinted Clearcoat, 1 Oxford White, White Platinum Metallic Tri-coat, 1 Iconic Silver, 2 Magnetic, 2 Agate Black 2

If you’re seeking the ultimate in Fusion refinement, this is it. Outside, you’ll notice the distinctive chrome mesh grille, crisp LED fog lamps and taillamps, a rear spoiler, dual bright exhaust tips, and unique aluminum wheels. Inside, you’ll enjoy the comfort of a heated steering wheel, and leather-trimmed seating with perforated inserts; in addition to ambient lighting, a power moonroof, a 12-speaker Sony Audio System from Sony and more. Both front seats feature heated and cooled settings. The Ford Co-Pilot360™ and Ford Co-Pilot360 Assist technologies are also standard on Fusion Titanium. Available in gas and hybrid powertrains.

Add the power to plug in to the luxury of Titanium, and you’ve got Fusion Plug-In-Hybrid Titanium. If you want to help maximize your electric-mode driving range and efficiency, you can charge up your battery overnight by using the included 220V convenience charge cord to plug into a home electrical outlet. On the road, active noise control helps keep your environment serene by using strategically placed microphones throughout the cabin to detect unwanted frequencies, then pumping opposing sound waves through the audio system to cancel them out. If you want the convenience of a gas engine for longer trips, plus the ability to drive short distances on electricity alone, the luxurious Fusion Plug-In Hybrid Titanium is your choice.

Available equipment shown. * Available at EV-certified Ford Dealers only. ** Additional charge. *** Metallic. **** Certain restrictions, 3rd-party terms and data rates may apply. See footnote 1 on the “Your Tech, Your Way” pages, and your Ford Dealer for details.
New Vehicle Limited Warranty. We want your Ford Fusion ownership experience to be the best it can be. Under the warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage—all with no deductible. Fusion unique electric components are covered during the Hybrid Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for a copy of these limited warranties.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that's right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your first vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or vehicle, insist on genuine Ford Protect extended service plans.

Ford Insure. A new insurance product designed just for Ford owners, Ford Insure can help you save money on auto insurance for your connected Ford vehicle. Drive smarter, become an even better driver and earn bigger discounts—it's a win/win/win. Visit the FordPass app for more details.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that's right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

With FordPass Rewards™ you can earn cash back towards optional preventative maintenance when you buy or lease a new Ford. To save you time for future service, accessories or even your next new vehicle purchase, call 1-833-FORD-183 or visit us online at ford.com/finance. Your Ford Fusion is designed and built to provide the highest level of comfort, convenience and control when you drive it and it's equipped with features to make your connected experience as easy as possible.

Download the FordPass app today.

FordPass app, compatible with select smartphone platforms, is available via download. Message and data rates may apply. 125,000 points for Diesel owners. Must be activated within 60 days of purchase through the FordPass app on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance for the first 2 years. Visit a participating dealer for details. “Roadside assistance is included for select vehicles and available to everyone for a peer service fee.” “FordPass Connect™ is optional on select vehicles and FordPass Connect services are required for remote features (see FordPass Terms for details). Connect service and features depend on compatible A/V network availability, evolving technology/vehicle喏nnectivity, vehicle capability may find functionality and prevent operation of connected features.”
From day one, we had the future in mind. And for over 116 years, we’ve focused on improving your freedom of movement, by making it possible for hardworking, everyday people to own a vehicle. One that’s well built. That you’re proud to drive.

Born in Detroit and famous worldwide:
We are the Ford Motor Company.

Your mobility is at the center of everything we do.
And we’re excited to be designing and building smart vehicles that work for you. It’s why we put our family name on every one.
From our founding members, to our Ford family of employees around the globe, we work with pride. We build with care.
For you – and your family. By everyone in ours.
