TRANSIT CONNECT PASSERNG WAGON.

With a choice of short- or long-wheelbase configurations, standard dual sliding side doors, and a low step-in height for easy entry and exit, the 2017 Ford Transit Connect Passenger Wagon keeps up to 7 passengers comfortably on the move. Stylish cloth or leather-trimmed seats join cupholders in each row, and up to three 12-volt powerpoints help meet a variety of passenger needs. Plus, with a 5-star overall vehicle score, it received the government’s highest safety rating. Six standard airbags include a Safety Canopy System with rollover sensor, and side-curtain airbags for all outboard passengers. In the 2017 Transit Connect Passenger Wagon, you’re surrounded in comfort, safety and style.
FULLY FOCUSED ON FLEXIBILITY.

Able to adapt at a moment’s notice, Transit Connect Passenger Wagon is prepared for anything. A front overhead storage shelf keeps frequently needed items close at hand. If your day starts with passengers, a low step-in height makes entry and exit easy. Along the way, they can enjoy a panoramic fixed-glass Vista Roof™ with power sunshade, plus power 2nd-row windows with one-touch-up/down. An observation mirror helps you keep an eye on those in back, while the MyKey® programmable ignition key allows you to restrict maximum vehicle speed, audio volume, and more so drivers can stay focused. To transport personal items (like a mountain bike) along with passengers, fold one side of the seating flat. For rear passengers, an aircraft-style mid-vehicle overhead console features closeable bins – perfect for out-of-view storage of personal items.

Stopping by the home improvement store? Just fold the seats down and fill it with what you need. The rear liftgate allows easy access for loading and unloading. With the most available seating configurations in its class, the 2017 Transit Connect Passenger Wagon offers exceptional versatility. Carry passengers. Carry cargo. Or carry it all together. Your options are wide open.
When company isn’t along for the ride, Transit Connect Passenger Wagon has all the cargo space you need for the day’s activities. In short-wheelbase models, 77.1 cu. ft. of cargo space is available with the 2nd-row seats folded forward. Or, remove the seats altogether for even more room. In long-wheelbase models, 2nd- and 3rd-row seats fold down to create a flat load floor that offers 104.2 cu. ft. of cargo space. And with dual sliding side doors, plus your choice of a rear liftgate or 180° swing-out rear cargo doors, loading and unloading cargo is easy.

For those pre-dawn family adventures, like farmer’s markets and flower days, cornering fog lamps—a throw additional light alongside the vehicle for help in parking and other tight maneuvers. If the weather turns chilly, the Quickclear™ electric windshield defroster—a and heated sideview mirrors—quickly clear fog, snow, sleet and ice to improve visibility. In the 2017 Transit Connect Passenger Wagon, you’ll find the perfect match for your active lifestyle.
SEATING FOR UP TO 7.

With amenities for all, Titanium models feature a 6-way power driver’s seat, plus a leather-wrapped steering wheel and shifter knob. The driver and front passenger can relax in stylish leather-trimmed, heated seats while charging their mobile phones with a 12 volt powerpoint in the center console. 2nd-row fold-flat bucket seats allow for passengers or cargo, depending on your needs. Cupholders in each row (including 2 in the 2nd-row bench armrest), 2 powerpoints in back, and reclining 2nd- and 3rd-row seats help keep passengers comfortable on any journey.

Listen to everything you love with SiriusXM® Satellite Radio. Get over 150 channels including all kinds of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you’ll hear it all with a 6-month trial subscription to the All Access package, included with your new Transit Connect. So you can rock your ride, plus listen virtually anywhere online and on the SiriusXM app.

TITANIUM LWB Passenger Wagon with leather-trimmed interior in Medium Stone and available equipment. 6-passenger seating shown. Available feature. SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI.
FUELS YOUR ENTHUSIASM FOR ADVENTURE.

Delivering 169 hp and 171 lb.-ft. of torque (much of it at the low end), the 2.5L i-VCT I-4 engine provides a maximum towing capacity of 2,000 lbs. It’s paired with a 6-speed SelectShift automatic transmission to give Transit Connect Passenger Wagon an EPA-estimated rating of 27 hwy mpg. With SelectShift capability, you can shift for yourself, or leave it to Transit Connect.

BLIS® (Blind Spot Information System) with cross-traffic alert can alert you to vehicles in your blind spots with a light in either sideview mirror if its radar sensors detect a vehicle there. Cross-traffic alert can help warn you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you slowly back Transit Connect out of a parking space.

Enhancing vehicle stability in a range of conditions, AdvanceTrac® with RSC® (Roll Stability Control™) selectively applies individual brakes and modifies engine power to help keep all 4 wheels firmly planted. Torque Vectoring Control, Curve Control and trailer sway control add an additional level of driver and trailer-towing confidence, making Transit Connect Passenger Wagon the perfect match for your high-energy lifestyle.
NOW YOU'RE TALKING.

SYNC 3

In addition to all the voice-activated benefits of SYNC®1,2 – placing and answering calls, and controlling music from your devices – you’ll love the easy-to-use interface of SYNC 3.³ A 6.5" color LCD screen displays phone, audio and navigation⁴ features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.³ SYNC 3 also brings you the options of Apple CarPlay™³ and Android Auto.⁴

Voice-Activated Navigation System³

Includes a 5-year complimentary trial subscription to SiriusXM® Traffic and Travel Link® services.⁸ Global Positioning System (GPS) technology is combined with available 3-D mapping and provides voice-guided turn-by-turn directions. You’ll get detailed traffic information, plus current and forecasted weather and fuel station locations and prices.

SYNC AppLink

Use your voice to control some of your favorite compatible mobile apps (like Pandora® and iHeartAuto), thanks to SYNC AppLink.³,⁶

Siri Seamless Integration

Bring the power of Siri® into Transit Connect with Siri Eyes Free,³ your paired iPhone® and a long press of the voice-recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available.³ All you need is a Wi-Fi® connection.

2017 Transit Connect | ford.com

¹Available feature. ²Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. ³Requires phone with compatible version of Apple iOS and active data service. SYNC does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply. ⁴Requires phone with compatible version of Android Auto and active data service. SYNC does not control Android Auto while in use. Google and other third parties are responsible for their respective functionality. Message and data rates may apply. ⁵SiriusXM audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI. ⁶SYNC AppLink is available on select models and compatible with select smartphone platforms and requires any compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. ⁷Requires SYNC 3. ⁸Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.
Ford Transit Connect Cargo Van works hard to help you work smart. It’s Built Ford Tough® in your choice of short or long wheelbase models. No matter what your business or service is, there’s a Transit Connect Cargo Van that’s just right for you.

Maximum payload rating: up to 1,610 lbs.

Maximum towing capacity: 2,000 lbs.

Long-wheelbase models offer up to 128.6 cu. ft. of cargo space behind the front seats or 149.0 cu. ft. with the passenger seat back folded down. A flat load floor behind the front seats helps make any job easy. With a durable vinyl floor covering and cargo tie-down hooks to help keep things in their place, deliveries or on-site repairs are a snap.

Transit Connect Cargo Van also offers features to suit your specific needs – everything from an engine block heater to 180° swing-out rear cargo doors (great when you have a ladder rack on top). And its large exterior side panels are ideal for showcasing your company name and key messages. The 2017 Ford Transit Connect Cargo Van. Working hard for you.
With the front-passenger seat folded down, Transit Connect Cargo Van swallows up to 149.0 cu. ft. of cargo.\(^2\)

Access is easy through dual sliding side doors, or through your choice of rear doors: 180° swing-out cargo doors\(^2\) or a single liftgate\(^2\) with fixed glass that’s easy to raise and lower (even providing some rain protection when loading). With the room you need to stay on schedule, Transit Connect Cargo Van has a huge appetite for work.

Showcase your company name and details on Transit Connect Cargo Van’s large exterior panels, letting others quickly know your business.

Thanks to a low load floor height (under 2\(^2\)), moving things in and out is no sweat. Add in a best-in-class 36.1’ curb-to-curb turning diameter\(^3\) for negotiating tight places. Then, opt for the rear view camera\(^2,4\) and Forward and Reverse Sensing Systems\(^2,4\) for help in parking, and you’ve got a vehicle that helps you get it done – each and every day.
Behind its comfortable front seats is a best-in-class cargo length of 87.3". With seats trimmed in durable vinyl or rugged cloth, Transit Connect Cargo Van holds the long, tall and short of your business. Starting with a maximum payload rating of 1,610 lbs. In the long-wheelbase Cargo Van, fold the passenger seat down for up to 149.0 cu. ft. of cargo room. Items up to 4' wide, 4' tall, or over 9' long will fit inside.

The flat load floor, durable vinyl floor covering, cargo tie-down hooks and near-vertical walls help you make the best use of all that room to transport large loads, and it’s washable for quick cleanup after the work is done. With low side and rear load-floor heights, sliding side door access from either side, plus 180° swing-out rear cargo doors, Transit Connect Cargo Van quickly becomes your warehouse on wheels.
ENHANCE YOUR PRODUCTIVITY.

Which one can you see your company’s name on? Short or long wheelbase? XL or XLT trim? By offering a full lineup of Built Ford Tough® vehicles, Transit Connect Cargo Van offers your business exceptional versatility and modern practicality. A hard worker straight from the factory, you can equip it to do even more with upfits for your line of work – like the cargo management packages shown at right. Durable bulkhead partitions and flexible interior storage systems can help you create a Transit Connect Cargo Van that’s tailored even more specifically to you.

For more upfit options, visit transitupfits.com.

Dejana offers rear and side Katerack® shelving systems with heavy-duty pull-out drawers. Standard 6” and 10” shelves; plus trade-ready packages for a wide variety of vocations, including contractors and service technicians.

Leggett & Platt CVP offers Masterack® cargo management systems: steel racks & bins, lightweight composite SmartSpace™ shelving packages, drawer storage cabinets, ladder racks, window screens, and accessories.

Adrian Steel offers wire and steel bulkheads; cargo management packages with adjustable shelving, versatile ladder racks, floor drawers for lockable storage, and window screens for security.

Sortimo By Knapheide offers ABS Protexx Partitions® (with and without a window); Exxpand® base shelving packages for either the street side, curbside or both; and a variety of Boxxes® and Axssessories® to upgrade the base packages to meet the vocational needs of today’s contractors.

New Vehicle Limited Warranty. We want your Ford Transit Connect ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
