Thank you for your interest in the new **2015 C-MAX Hybrid + Energi**. Included in this brochure you’ll find information about:

**EFFICIENT POWER:** The C-MAX Hybrid and C-MAX Energi are powered by a combined 2.0L Atkinson-cycle I-4 engine and electric motor generating 188 horsepower. C-MAX Energi has plug-in capability with an external charge port for all-electric-type convenience.

**SMART:** Dynamic aero styling is the first cue that the C-MAX is every bit as smart as it looks. And inside the roomy interior, the C-MAX offers a host of smart features such as the SmartGauge® with EcoGuide that helps you make the most of C-MAX power-efficiency.

**TECHNOLOGY:** Advanced technology helps make your driving experience as convenient as possible. The available SYNC® with MyFord Touch® is uniquely outfitted for the hybrid or plug-in when combined with the next-generation SmartGauge® with EcoGuide.

**VERSATILITY:** With available hands-free liftgate convenience, innovative storage options and ample cargo space, the C-MAX is ideal for people with active lifestyles who want a vehicle that is not only versatile and practical, but also highly eco-conscious.

Style. Spirit. Space to spare.

Click to see how C-MAX Hybrids bring it all together.
Maximize every ride.

Lots of style. And space. In a fuel-efficient hybrid that’s actually fun to drive. You’ve just discovered the Ford C-MAX family of multi-activity vehicles.

C-MAX Hybrid and C-MAX Energi Plug-In Hybrid both offer 188 combined horsepower – that’s 54 more than Toyota Prius v.

Truly engaging to drive, every C-MAX uses an eCVT (electronically controlled continuously variable transmission) to transfer its power and 129 lb.-ft. of torque to the road.

Switching seamlessly between its 88-kW electric traction motor and 2.0L Atkinson-cycle I-4 gasoline engine, the C-MAX power-split hybrid architecture is powered by a state-of-the-art lithium-ion battery.

All-electric mode works at speeds of up to 85 mph, since C-MAX engages its engine only as needed to power the battery and to enhance performance.

C-MAX is “more driver-friendly” than the Prius, offering a better ride, a quieter cabin and a more polished interior,” per the editors at Kelley Blue Book’s KBB.com. Go further in 2015 C-MAX Hybrids.
C-MAX Energi is a progressive hybrid that gives you the choice to plug in or not. Plugging in helps you plus up to an EPA-estimated 95 city MPGe, an all-electric driving range of 19 miles and gas-plus-electric driving range of 550 miles.¹²

Recharge at home in about 7 hours using the standard 120V convenience charge cord. Or use a Ford-recommended AeroVironment™ 240V home charging station³ to recharge in about 2.5 hours. The UL-listed, weather-resistant, portable charging station is easy to take with you if you decide to relocate. A hard-wired station³ is also available. C-MAX Energi also features an LED-illuminated indicator on its external charge port that lets you see its charging progress.

Easily monitor and schedule charging, at home or at one of the growing number of public charging stations near you, with the MyFord® Mobile app⁴ and website (myfordmobile.com). Both feature a charging station locator powered by PlugShare.®

¹EPA-estimated rating of 95 city/88 highway/88 combined MPGe. Actual mileage will vary. MPGe is the EPA equivalent measure of gasoline fuel efficiency for electric mode operation. ²EPA-estimated rating of 40 city/36 highway/38 combined mpg, 14.0-gallon fuel tank; 19 miles electric. Range calculation based on www.fueleconomy.gov. Actual range varies with conditions such as external elements, driving behaviors, vehicle maintenance and lithium-ion battery age. ³Available feature. To begin the process, call 1-888-299-6747 or visit evsolutions.com/ford. Charging stations are available with or without full installation services by AeroVironment. ⁴MyFord Mobile subscription complimentary for 5 years from the vehicle sale date as recorded by the dealer. Subscription fees apply after 5 years. MyFord Mobile requires a compatible 2G independent cellular network. Evolving technology and cellular networks may affect future availability and functionality.
Say the word.
Stay connected.

Standard voice-activated Ford SYNC® with 911 Assist® delivers hands-free calls, Bluetooth®-streaming music and more using simple voice commands. Once paired, it can download contacts and play music from your smartphone. It can also access your MP3 player, USB or iPod.® On C-MAX Hybrid SE, SYNC AppLink™ lets you control Pandora® iHeartAuto™ the SiriusXM® App and other select apps by voice, too.

SYNC with MyFord Touch® centralizes control of your phone, entertainment, navigation® and climate with its 8" color LCD touch screen and 5-way controls on the steering wheel. It also lets you see the vehicle’s mode status, such as Charging HV Battery, Hybrid Drive, Electric Drive and more. SYNC. Say the word.

SiriusXM Satellite Radio® lets you enjoy commercial-free music, plus sports, news, entertainment, and every premium channel with your 6-month All Access trial subscription.® The voice-activated Navigation System® offers you EcoRoute turn-by-turn directions for maximum efficiency on every trip. It also includes a 5-year subscription to SiriusXM Traffic and Travel Link® services.® These features provide detailed traffic information on accidents, construction and road closures, plus local and national weather forecasts, fuel prices and more.

Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.® SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software.® Available feature. Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.
Enjoy spaciousness and peace of mind.

C-MAX accentuates its versatile seating for 5 and best-in-class¹ 99.7 cu. ft. of passenger volume with appealing amenities like a 10-way power-adjustable driver’s seat² (class-exclusive on C-MAX Energi) and smart standards like a driver’s knee airbag.

So you can breathe easy, a cabin air filter helps prevent pollen from entering the vehicle through the class-exclusive dual-zone electronic automatic temperature control.

¹C-MAX Hybrid class is Small Hybrid Vehicles. C-MAX Energi class is Small Plug-In Hybrid Vehicles. ²Available feature.
Maximize the possibilities. Best-in-class versatility.

Loading cargo into your multi-activity vehicle has never been easier than with the class-exclusive, foot-activated hands-free power liftgate¹ on C-MAX. You can even program its fully opened height to the position that works best for you.

Just kick your foot under the rear bumper with your Intelligent Access² key fob tucked in a pocket or purse. Sensors detect your leg, the motion and the proximity of the fob, triggering the liftgate to open or close on its own.

The standard 60/40 split rear seat folds down, providing a flat load floor on C-MAX Hybrid. And cargo space is abundant – up to 52.6 cu. ft. inside C-MAX Hybrid and 42.8 cu. ft. inside C-MAX Energi.

In-floor compartments behind the front seats discreetly hold small items like your iPad® or the standard 120V convenience charge cord.² C-MAX is thoughtfully designed for your on-the-go lifestyle.

¹Available feature. ²C-MAX Energi only.
Empower yourself with smart tech.

C-MAX can help with curbside parking, backing up, maximizing your efficiency and more.

**Make parallel parking easier** with active park assist.¹ This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

**Watch active park assist** to help gauge how close something is to the back of your vehicle using the rear view camera, which displays a full-color image on the SYNC® with MyFord Touch™ 8” screen. It even offers you conveniently color-coded distance guidelines and a dotted center line for quick reference.

**Vibrant green leaves empower you** with real-time feedback on the standard SmartGauge® with EcoGuide. The greater your fuel efficiency, the more lush your vine will be. The system also includes a Brake Coach to help you optimize your driving range (and grow more leaves) with regenerative braking. Steering wheel-mounted controls and a built-in tutorial make it easy to use.

¹Available feature. Driver-assist features are supplemental and do not replace the driver's judgment.

New Vehicle Limited Warranty. We want your Ford C-MAX ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. C-MAX unique electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
