HYBRID: The C-MAX Hybrid features power-split hybrid architecture, which allows the lithium-ion battery and gasoline-powered engine to work together or separately using the motor and generator.
ENERGI: The C-MAX Energi plug-in hybrid has an external charge port and a larger lithium-ion battery than the lithium-ion battery in the C-MAX Hybrid, and uses the rechargeable battery as its sole source of power.
SMART: C-MAX Hybrid and C-MAX Energi can help add convenience to your driving experience with features such as available SYNC 3, Active Park Assist, and Intelligent Access with push-button start.
VERSATILITY: Both C-MAX Hybrid and C-MAX Energi provide comfortable seating for five passengers, plus versatile second-row seats that can be folded down when the need for carrying cargo takes priority.

It’s free to register for personalized maintenance schedules, incentives and offers, and much more. You can even access your Ford Credit information and online bill payment services. Log on to www.owner.ford.com to get started.
Enjoy them all in C-MAX Hybrid and C-MAX Energi Plug-In Hybrid. With a versatile interior, ready for people or cargo, you've found a perfect place to enjoySYNC® 3 voice-activated technology, now compatible with Apple CarPlay™ and Android Auto.™ Fuel-efficient. Fun to drive. It's easy to go further in the 2017 Ford C-MAX.
“The... C-MAX’s responsive handling, smooth ride, sleek interior and long list of features continue to make it a standout...,” said editors at Edmunds.com. Truly engaging to drive, both C-MAX Hybrid and C-MAX Energi Plug-In Hybrid offer 188 combined horsepower. Transfer this power and 129 lb.-ft. of torque to the road with an eCVT (electronically controlled continuously variable transmission).

Switching seamlessly between its 88-kW electric traction motor and 2.0L Atkinson-cycle I-4 gasoline engine, the C-MAX power-split hybrid architecture is powered by a lithium-ion battery. All-electric mode works at speeds of up to 85 mph, since C-MAX engages its engine only as needed to power the battery and to enhance performance. An invigorating drive. Excellent efficiency. The 2017 C-MAX Hybrids bring it all together.
Think of C-MAX Energi Plug-In Hybrid as a “hybrid plus” that gives you the choice to plug in or not. Plugging in helps you plus up to an EPA-estimated 104 city MPGe, an all-electric driving range of up to 20 miles, and a gas-plus-electric driving range of 570 miles. Three selectable Electric Vehicle (EV) modes let you choose which mode to drive in—electric only (EV Now), gasoline only (EV Later), or a combination of battery power and gasoline engine (EV Auto).

Recharge at home in about 7 hours using its LED-illuminated charge port and the standard 120V convenience charge cord. Shorten that time to about 2.5 hours using a Ford-recommended Aerovironment™ 240V home charging station or 240V TurboCord. The UL-listed, weather-resistant, portable charging station is easy to take with you if you decide to relocate. A hard-wired station is also available.

Easily monitor and schedule charging with the MyFord® Mobile app and myfordmobile.com website. You can also access battery charge status, lock and unlock your doors, initiate preconditioning of your vehicle cabin, and even locate your vehicle in a crowded parking lot. Download the app on the App Store® and Google Play™.
SYNC 3

In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you’ll love the easy-to-use interface of SYNC 3. An 8” color LCD screen displays phone, audio and navigation features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.SYNC 3 also brings you the options of Apple CarPlay® and Android Auto®.

Voice-Activated Navigation System

Includes a 5-year complimentary trial subscription to SiriusXM® Traffic and Travel Link® services. Global Positioning System (GPS) technology is combined with available 3-D mapping and provides voice-guided turn-by-turn directions. You’ll get detailed traffic information, plus current and forecasted weather and fuel station locations and prices.

SYNC AppLink

Use your voice to control some of your favorite compatible mobile apps (like Pandora® and iHeartAuto), thanks to standard SYNC AppLink.

Siri Seamless Integration

Bring the power of Siri® into C-MAX with Siri Eyes Free, your paired iPhone® and a long press of the voice-recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available. All you need is a Wi-Fi® connection.

2017 Ford C-MAX | ford.com

1Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply.

2Requires phone with compatible version of Apple iOS and active data service. SYNC does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply.

3Requires phone with compatible version of Android Auto and active data service. SYNC does not control Android Auto while in use. Google and other third parties are responsible for their respective functionality. Message and data rates may apply.

4SYNC AppLink is available on select models and compatible with select smartphone platforms and requires any compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply.

5Requires SYNC 3. Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.

6SYNC 3 also brings you the options of Apple CarPlay® and Android Auto®.

7Requires SYNC 3.

8Automatic Updates Over Wi-Fi keep SYNC 3 current with the latest software as new updates become available. All you need is a Wi-Fi® connection.
A REWARDING DRIVING ENVIRONMENT. C-MAX accentuates its comfortable seating for 5 and impressive 99.7 cu. ft. of passenger volume with appealing amenities like leather-trimmed seating, a 10-way power-adjustable driver’s seat (class-exclusive on C-MAX Energi) and smart standards like a driver’s knee airbag. So you can breathe easy, a cabin air filter helps prevent pollen from entering the vehicle through the class-exclusive dual-zone electronic automatic temperature control.

SiriusXM Radio

Listen to everything you love with SiriusXM®. Get over 150 channels including all genres of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you’ll hear it all with a 6-month trial subscription to the All Access package, included with your new C-MAX. So you can rock your ride, plus listen anywhere online and on the SiriusXM app.
MAXIMIZE THE POSSIBILITIES.

It’s easy with the best-in-class versatility of the C-MAX family. Loading cargo is convenient with the class-exclusive, hands-free foot-activated liftgate. You can even program its fully opened height to the position that works best for you. Just kick your foot under the rear bumper with your Intelligent Access key fob tucked in a pocket or purse. Sensors detect the motion of your leg and the proximity of the fob, triggering the liftgate to open or close.

The standard 60/40 split rear seat folds down, providing a flat load floor on C-MAX Hybrid. And cargo space is abundant – up to 52.6 cu. ft. inside C-MAX Hybrid and 42.8 cu. ft. inside C-MAX Energi. In-floor compartments behind the front seats discreetly hold small items like your tablet, computer or the standard 120V convenience charge cord. C-MAX is thoughtfully designed for your on-the-go lifestyle.
Battery charge status is displayed in the instrument cluster. dramatization. Actual mileage will vary.

2017 Ford C-MAX | ford.com
C-MAX Energi Titanium in Ruby Red Metallic Tinted Clearcoat with available equipment. *Available feature. **Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. *BLIS replaces standard integrated blind spot mirrors. *C-MAX Hybrid only.

EMPOWER EACH DRIVE.

Smart technology on C-MAX can help with curbside parking, backing up, detecting vehicles in your blind spots, maximizing your efficiency and more. Make parallel parking easier with active park assist. This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals. Help gauge how close something is to the back of your vehicle using the rear view camera, which can display a full-color image on the SYNC® 3 screen. BLIS® (Blind Spot Information System) with cross-traffic alert1,2 helps alert you to traffic detected in your blind spots, or when traffic nears either side of the vehicle as you slowly back up.

Inside, empower yourself with real-time feedback from the vibrant green leaves on the standard SmartGauge® with EcoGuide instrument cluster. The more efficiently you drive, the more lush your vine will be — giving you coaching, guidance and confirmation with each drive. The system also includes a Brake Coach to help you optimize your driving range (and grow more leaves) with regenerative braking. Together with EcoSelect1, which allows C-MAX Hybrid to operate more efficiently by reducing the amount of power drawn from the vehicle, you can help maximize fuel efficiency. EcoCruise is also included. Steering wheel-mounted controls and a built-in tutorial make it easy to use.

Steering wheel-mounted controls and a built-in tutorial make it easy to use.

New Vehicle Limited Warranty. We want your Ford C-MAX ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. C-MAX unique electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
