Thank you for your interest in the **2011 Ford E-Series**. Included in this brochure you’ll find information about:

**VERSATILITY:** Ford E-Series has stayed a leader in full-size vans through continuous design and engineering advancements that combine versatility with Built Ford Tough capability.

**TECHNOLOGY:** E-Series has maintained its full-size-van leadership for 31 years. And a big reason for this continuous success has been advancements in technology.

**COMFORT:** The 50th Anniversary Package is a special addition to the richly appointed XLT Premium Package, which puts the emphasis squarely on comfort.

**ENTERTAINMENT:** Enjoy listening on every trip short or long. You can channel MP3 player selections through the vehicle’s sound system.

Introducing the New 2011 E-Series

North America's BIGGEST SELECTION of full-size VANS, WAGONS and CUTAWAYS – E-Series is ready, willing and able to help you get the job done. With so many configurations and GVWRs ranging from 8,520–14,500 lbs., it’s ideal for moving people, products or both. No wonder trades, fleets, community groups and others have made it the BEST-SELLING FULL-SIZE VAN for over 31 years. New this year, the 50TH ANNIVERSARY PACKAGE proudly celebrates 50 years of E-Series, and the AMBULANCE PREP PACKAGE is paired with your choice of proven V8 or V10 gas engines.

Vehicles throughout this PDF may be shown with optional and aftermarket upfit equipment.
Welcome Everybody.

With **ROOM AND COMFORT TO SPARE**, everybody gets the VIP treatment. E-Series Wagons welcome big crews and all their gear. **AIR CONDITIONING** is standard. Seating includes **7-, 8-, 11-, 12-, 14-, OR 15-PASSENGER** options, with a center-aisle ship-thru option too. All rear bench seats have center-position, 3-point, seat-integrated safety belts. A self-latching system makes rear seats easy to remove and re-install. **LOTS OF COMFORT. LOTS OF CHOICES. THAT’S E-SERIES WAGON.**

*Passenger and cargo capacity limited by weight and weight distribution. 11-, 12-, 14- and 15-passenger vehicles may be classified as buses and may require appropriate licensing.

The original 1961 Econoline, based on the Ford Falcon, was available in van, bus and pickup models. In the 50 years since, Americans have driven 5 generations of these tough, versatile machines for work and for play. The 2011 Ford E-Series celebrates this heritage with a special package available exclusively on 7-passenger E-150 XLT Wagons.

The new **50TH ANNIVERSARY PACKAGE** features 7-passenger seating with an embroidered “Econoline” logo on the front seat backs and front floor mats, plus a commemorative badge on the rear cargo door. It’s included with the available **XLT PREMIUM PACKAGE** to mark this special milestone.

The new Ford E-150 XLT Premium 7-passenger Wagon in Steel Blue with available equipment
Max Utility and CONNECTIVITY.

ALL BUSINESS: HELPING YOU GET WORK DONE.
Get in, get comfortable and get to work. Every E-Series instrument panel begins with intuitive controls. Add to that a host of standard and optional features focused on convenience and productivity. Your warm welcome awaits.

A. MESSAGE CENTER OPTION
Provides important information such as tire pressure, miles to empty and average fuel economy, as well as systems checks for fuel level and much more. Includes engine-hour meter.

B. UPFITTER SWITCHES
These available switches can operate up to 4 high-power relays for heavy-duty accessories. They’re pre-wired and ready to go.

C. MANUAL FRONT AIR CONDITIONING
Standard on all vans, wagons and cutaways.

D. ROOMY CENTER CONSOLE
This standard feature gives you lots of storage capacity within easy reach. The upright storage bin is large enough to hold clipboards or even some laptops.

The available NAVIGATION SYSTEM features a vibrant 6.5-in. LCD touch screen and colorful maps that you can zoom and scroll. This system plays DVDs while E-Series is in Park and provides nearly 10 gigs of photo and music storage space. It also includes an introductory 6-month subscription to SIRIUS TRAFFIC™ and SIRIUS TRAVEL LINK™, which provides fuel prices, weather reports, movie listings, sports scores and more.

Enjoy an introductory 6-month subscription to over 130 channels including 100% commercial-free music, plus the best in sports, news, talk and entertainment, 24/7, coast-to-coast with available SIRIUS® SATELLITE RADIO. It’s included with the new XLT Premium Package on Wagons. New for 2011, you can call to add The Best of XM channels at no charge.

SYNC. Say the word. Voice-activated FORD SYNC® is an award-winning, available system that works with your paired Bluetooth®-enabled mobile phone and your digital media player. It provides hands-free calling, plays music, delivers Vehicle Health Reports and 911 Assist.™ With the touch of a button and voice commands, SYNC with TRAFFIC, DIRECTIONS AND INFORMATION services provides turn-by-turn directions, personalized traffic alerts and more.®

SYNCMYRIDE.COM has the latest details.

Smart tools for your tough jobs. The available INTERNET-CAPABLE IN-DASH COMPUTER™ has Garmin® navigation, hands-free calling and a convenient touch screen with wireless keyboard. From spreadsheets to surfing the web, it helps you tackle your workload and ease your day.

The available CREW CHIEF™ fleet management system from Microlise™ tracks your vehicles and keeps them in shape with key diagnostic/informational maintenance reports. This beneficial system can be accessed from the Ford Work Solutions™ In-Dash Computer, or any computer connected to the Internet.

The available TOOL LINK™ system can help you save time and money. Using Radio Frequency ID (RFID) technology from DeWALT®, Tool Link helps track your tools before and after each job.

Ford Work Solutions include Ford Licensed Accessories. See dealer for limited warranty details.

The Best of XM channels at no charge.

1Late availability. Some features are unavailable while driving. Not available with SYNC or SIRIUS Satellite Radio. See your dealer for details. Service fee required. Tool Link system cannot read tagged items stored in metal tool boxes. Some features unavailable while driving. Subscription required after introductory 6 months expire. Call 1-800-351-4517 for details on The Best of XM.
Built to
TOW, HAUL and STOW.

E-Series Vans can help you **TOW UP TO 10,000 LBS.** with the confidence of **SMART TECHNOLOGY** like standard Roll Stability Control® an available integrated trailer brake controller, available full-color rear view camera and more. Standard **DOUBLE-WALL CONSTRUCTION** helps protect the outer body from shifting loads so you can **HAUL UP TO 278 CU. FT. OF CARGO** with peace of mind. Among your choices: 3 engine/transmission combinations including a TorqShift® 5-speed automatic with **TOW/HAUL MODE** sliding or swing-out side cargo doors, windows all around or panel sides. **NO-CHARGE RACKS AND BINS PACKAGES** for easy stowing, and **TRADE-SPECIFIC UPFITTER PACKAGES** E-Series is ready to meet your challenges.

**EFFECTIVE STABILIZATION**
AdvanceTrac® with class-exclusive RSC® (Roll Stability Control)® is standard on all E-Series Vans and Wagons this year. Working in conjunction with the Anti-Lock Brake System (ABS), traction control and yaw control, the system automatically determines when and how to apply individual brakes and modify engine power to help keep all 4 wheels firmly planted.

*When properly equipped. **Restrictions apply. See your Ford Dealer for details. Maximum capabilities shown are for properly equipped vehicles with required equipment. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements. **Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Crew Van: BEST OF BOTH WORLDS.

Equip your E-Series Cargo Van with the available CREW VAN PACKAGE to carry PEOPLE AND GEAR with ease. Up front, the roomy 2nd-row vinyl bench seat with 3-point, seat-integrated safety belts creates room for a CREW OF UP TO 5. The seating area is finished similar to that of a Wagon with a partial headliner, full B-pillar trim panels, polypropylene side door-trim panels, a lower trim panel behind the driver’s seat, and a convenient pull handle on the 40% portion of the side door. RUGGED VINYL FLOOR COVERING runs throughout the front and rear sections. A sturdy, METAL-MESH BULKHEAD divides the 2 spaces. And the passenger-side rear door gets a pull handle in the cargo area to help make quick work of equipment transfers.

REVERSE SENSING SYSTEM

When activated, this optional feature works automatically when slowly backing up or parallel parking. It senses certain objects up to 6 ft. behind your vehicle, beeping more rapidly as you get closer – a big help when full vehicle loads limit your rear visibility. Available on Vans and Wagons with rear step or contour bumpers.

ACCESSIBILITY UFITTING

E-Series is an outstanding mobility choice. Aftermarket upfits such as a fully automatic wheelchair lift, raised roof, flip seating, wheelchair restraint system and hand controls are available. Discover a world of possibilities at mobilitymotoringprogram.com.
THE BIGGEST SELECTION
of Van-Based Cutaways.

Adapt them for NEARLY ANY DUTY – from demanding emergency service to a multitude of trades to shuttle transportation. Their beefy capacities, rugged capabilities and Built Ford Tough® reputations have made E-Series THE FULL-SIZE VAN SALES LEADER since 1979.

E-250 Super Duty® Cutaways
A compact design and rugged 4.6L Flexible Fuel-capable V8 defines the first level in the E-Series Cutaway lineup. With its midship fuel tank location, you benefit from maximized rear load capacity.

SRW E-350 Super Duty Cutaways
The SRW configuration offers a GVWR of up to 10,050 lbs. Also available is a midship fuel tank that helps deliver exceptional rear load capacity. Available on 138-in. SRW wheelbase with 5.4L V8 FFV only.

E-350 Super Duty Cutaways
Supremely versatile heavy-duty Cutaways, the E-350 lineup offers 2 powertrain choices as well as optional Ambulance, Motorhome, School Bus and Shuttle Bus Prep Packages. 158-in. and 176-in. wheelbase chassis are available with an impressive 5,000-lb. front GAWR and a GVWR of up to 12,500 lbs.

E-450 Super Duty Cutaways
E-450 offers a standard 5.4L V8 FFV. You can spec giant payloads (see chart below), and select GCWRs up to 22,000 lbs. for outstanding towing capability. A 5,000-lb. front GAWR is delivered with an optional 6.8L V10. An available 40-gal. fuel tank provides more usable rear GAWR. The standard 4-wheel disc brake system with ABS provides the stopping power you need to handle huge loads.

AMBULANCE PREP PACKAGE
This hardworking package is now designed for select Cutaways equipped with the 6.8L V10 or 5.4L V8 gas engine. It offers increased payload capability over the previous diesel-powered models, as well as lower ongoing maintenance costs and lower fuel cost on average. The 305-hp 6.8L V10 gas engine also delivers significantly more horsepower than the previous diesel engine and best-in-class gas torque of 420 lb.-ft.

STRIPPED CHASSIS
What’s your application and what do you want to build? We’ve got the platform that can put it on the road. Learn more when you visit commtruck.ford.com/vehicles/stripped_chassis/.

1See your Ford Dealer for details. 2Maximum capabilities shown are for properly equipped vehicles with required equipment. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Cutaway ratings are based on incomplete vehicles. Final vehicle manufacturer weights and ratings will vary due to upfit and modification requirements. 3Class is Full-Size Vans.
A wide range of available STORAGE SOLUTIONS by Masterack® can help keep you organized. There’s the QUIETFLEX® COMPOSITE racks and bins package, the rugged MASTERACK® STEEL racks and bins package, and the ECONOCARGO® Cargo Management System – all AVAILABLE AT NO EXTRA CHARGE.¹

E-Series Cargo Van in Ingot Silver with standard 172°-opening rear cargo doors and available equipment.

MASTERACK® STEEL RACKS AND BINS
This newly redesigned package provides 3 more inches of passenger space up front this year. Behind its full-width, lockable cab divider, you get a rugged set of steel cabinets, shelves, drawers and shelf dividers.²

ELECTRICAL CONTRACTOR/ APPLIANCE REPAIR
Order this package in steel (shown) to get a 12-drawer cabinet, tilt shelf, wire spool rack and triple hook. Or order it in QuietFlex for a removable composite toolbox along with the wire spool rack and triple hook.

PLUMBING/ HVAC SERVICE
Ordered in steel (shown), this package includes a 12-drawer cabinet, tilt shelf and 3-tank rack for organized, secure storage of tools and supplies. The QuietFlex option gives you a removable composite toolbox and the 3-tank rack.

ECONOCARGO® CARGO MANAGEMENT SYSTEM
Durable, high-density polyethylene panels help the interior retain heat and cold while helping keep cargo in its place. New for this year, this system also provides 3 more inches of passenger space up front.

¹To eligible customers under the Ford Commercial Services Program. ²12-drawer cabinet and tilt shelf not included in QuietFlex III Package.
New Vehicle Limited Warranty. We want your Ford E-Series ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Comparisons based on 2011 competitive models (class is Large Vans), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles throughout this PDF are shown with optional and aftermarket equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions and capability ratings shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations. Body manufacturers are responsible for compliance certification of the completed vehicle. The Ford New Vehicle Limited Warranty and any government certification made by Ford shall cover only the vehicle as manufactured by Ford and shall not extend to any addition, modification or change of any kind to the vehicle by the Ford Authorized Pool Account.

#### E-SERIES POWERTRAINS

**FLEXIBLE FUEL: 4.6L/5.4L GAS V8 FFVS**

Both E-Series 4.6L and 5.4L gas engines are Flexible Fuel capable. Ford Flex Fuel Vehicles (FFVs) give you the power of choice. E85 or gasoline? FFV lets you decide right at the pump. Both E-Series FFVs can run on E85 (85% ethanol/15% gasoline), straight gasoline, or any blend of the two. Since Ford introduced FFVs back in the mid-1990s, we’ve put nearly 2 million on the road, with a stream of refinements along the way. Ford engines are at the heart of E-Series’ versatility and capability. Step up to the 5.4L V8 FFV to get extra punch for high-capacity applications. Its SOHC architecture pumps out 255 hp and 350 lb.-ft. of torque across a wide powerband.

**CNG/LPG FUEL-CAPABLE GAS POWER**

This option enables 5.4L V8 and 6.8L V10 gas engines to run on Compressed Natural Gas (CNG) or Liquified Petroleum Gas (LPG). Modifications include hardened intake and exhaust valves as well as hardened valve seats.

**6.8L GAS V10**

For best-in-class gas torque, opt for the available 6.8L V10. Its electronic throttle control (ETC) modulates torque at the drive wheels for smooth, seamless engine response.

#### ENGINE RATINGS

<table>

*Excludes vans equipped with Ambulance Prep Package. Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. Cutaway ratings are based on incomplete vehicles. Final vehicle manufacturer weights and ratings will vary due to uplift and modification requirements. For maximum trailer weights with Crew Van, deduct 200 lbs. from the weights shown (except with 18,500 lbs. GCWR). *E-350 SRW Cutaway with 5.4L V8 only (midship fuel tank) 10,600-lb. GCWR.*

1Restrictions apply, see dealer for details. 2Computer selected – 4,600 lbs. max. 3Trailer brake controller verified to be compatible with electrically actuated drum brakes only. 4Available as part of Interior Upgrade Package. 5Included as part of Power Group. 6Requires Power Group. 7Requires Rear vinyl floor covering. 8Additional drawer and tilt shelf not included in Quiet Flex III Package.
### E-350 SUPER DUTY XL

#### MECHANICAL
- 5.4L V8 FFV engine (4-speed automatic TorqShift® transmission with overdrive and tow/haul mode)
- Alternator – 155-amp (5.4L V8 and 6.8L V10 engines only)
- Alternator – 225-amp (5.4L V8 and 6.8L V10 engines only)
- Auxiliary fuel port (n/a with 4.6L V8 engine)
- Battery – Heavy-duty auxiliary
- Battery – Heavy-duty 78-amp-hr
- CNG/LPG fuel-capable engine – Hardened intake valves, exhaust valves and valve seats (5.4L V8 and 6.8L V10 engines only)
- Engine block heater – 750-watt
- Integrated trailer brake controller
- Limited-slip rear axle (late availability)
- Spare tire delete
- Speed limitation – 65-mph governed top speed (4.6L V8; Fleet only)
- Speed limitation – 75-mph governed top speed (4.6L V8; Fleet only)

#### SAFETY/SECURITY
- Daytime running lamps (Fleet only)
- Remote Keyless Entry System with panic alarm and illuminated entry (req. Power Windows and Locks Group and Interior Upgrade Package on XL)
- SecuriLock® Passive Anti-Theft System

#### SEATING
- Cloth-trimmed seating
- Leather-trimmed seating (req. XLT Premium Package)
- Power driver seat – 6-way with manual lumbar (req. front captain’s chairs)
- 11 passengers: (2) front captain’s chairs; (3) 3-passenger rear bench seats (Extended Length only)
- 7 passengers: (4) leather-trimmed captain’s chairs for 1st and 2nd rows; (1) 3-passenger rear bench seat (req. XLT Premium Package)
- 8 passengers (2/3/3 seating)
- 11-passenger Center Aisle Seating Prep Package
- 12 passengers (2/3/3/4 seating)
- 14-passenger Center Aisle Seating Prep Package (Extended Length only)
- 15 passengers (2/3/3/4/4 seating)

#### APPEARANCE/COMFORT/CONVENIENCE
- 16-in. forged-aluminum wheels
- Air conditioning – High-capacity (front and rear; standard on XL Extended Length)
- Air conditioning delete (n/a on Extended Length)
- AM/FM stereo/single-CD player with MP3 capability, audio input jack, digital clock and 6 speakers
- Premium Sirius Navigation Radio System featuring SIRIUS Traffic and SIRIUS Travel Link on Premium Navigation Radio System; incl. with XLT Premium Package
- Radio delete
- Bumpers – Front and rear contour, chrome
- Bumper – Rear step, black (incl. Class I Trailer Tow Prep; n/a with High-Series Exterior Upgrade Package)
- Bumper – Rear step, chrome (incl. Class I Trailer Tow Prep; req. High-Series Exterior Upgrade Package on XL)
- Cruise control
- Floor covering – Full-length vinyl
- Floor covering – Full-length carpet
- Floor mats – Carpeted
- Instrument panel electronic message center with engine-hour meter (req. with integrated trailer brake controller and Reverse Sensing System)
- Power Windows and Locks Group
- Privacy glass
- Rear view camera (n/a with base radio on XL; radio delete or air conditioning delete; req. high-capacity air conditioning on Regular Length XL)
- Reverse Sensing System (req. rear step or contour bumpers and message center)

#### APPEARANCE/COMFORT/CONVENIENCE (continued)
- Running boards – Door-length on driver side; full-length on passenger side
- Sideview mirrors – Aero-style, power-adjustable with manual convex spotters (req. Power Windows and Locks Group on XL)
- Sideview mirrors – Manually telescoping trailer tow, power-adjustable with manual convex spotters
- Side door – Sliding solid panel
- User-defined outfitter switches – 4 (n/a with 4.6L V8 engine; req. 155-amp or 225-amp alternator)

#### PACKAGES
- Insulation Package – Cloth sun visors, color-keyed sliding door track, upper B-pillar trim panels, and polypropylene side door and rear door-trim panels with insulated padding (incl. with Interior Upgrade Package)
- Interior Upgrade Package – Full-length carpeting, high-level side/rear cargo door-trim panels, cloth seats, dash sound absorber, headlamps-on alert chime, full-B-pillar trim, front carpeted floor mats, Insulation Package and Power Windows and Locks Group
- Mid-Series Exterior Upgrade Package – Black-painted front and rear contour bumpers, chrome grille surround and aerodynamic headlamps
- High-Series Exterior Upgrade Package – Chrome front and rear contour bumpers, chrome grille surround and aerodynamic headlamps
- Remote Keyless Entry System – 2 key fobs (requires Power Windows and Locks Group and Interior Upgrade Package on XL)
- Trailor Tow Package – Class I (req. rear step bumper)
- Trailor Tow Package – Class II/III/IV – Trailer wiring harness (blade-style female connector), electronic brake controller tap-in-capability, relay system for backup/B+ running lights, and frame-mounted hitch receiver
- XLT Premium Package – Leather-trimmed captain’s chairs for 1st and 2nd rows, 6-way power driver seat, remote keyless entry, leather-wrapped steering wheel, privacy glass, forged-aluminum wheels, running boards, SYNC, SIRIUS Satellite Radio, auto-dimming rearview mirror, embroidered “Econoline” logo on front seat backs and floor mats, “Econoline Fifty Years” badge on rear door, and instrument panel electronic message center with engine-hour meter

#### FORD WORK SOLUTIONS™
- Crew Chief™ vehicle tracking system (n/a with in-dash computer; req. additional subscription)
- In-dash computer featuring Windows® CE operating system with touch screen (late availability; n/a with SYNC, SIRIUS Satellite Radio or Crew Chief)

#### FACTORY-INVOICED ACCESSORIES

1. Restrictions apply; see dealer for details.
2. Trailer brake controller verified to be compatible with electrically actuated drum brakes only.
3. Seating system upfitted available at additional charge.
