Aggressively styled.

The 2016 Ford Edge grabs your attention as well as it grabs the road. From the dynamic grille to its fluid lines, Edge assures that you arrive in style. New for 2016, SYNC® 3 – our next generation of voice-activated technology¹ – empowers you to go even further. Find your next adventure in Edge.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply.
Openly driven.

Lively acceleration and passing performance come from a single turbocharged, twin-scroll direct-injection 2.0L EcoBoost® engine. This standard powerhouse produces 245 hp¹ and 275 lb.-ft. of low-end torque.¹

Get outstanding fuel efficiency with Auto Start-Stop.² It shuts off the engine when you stop and restarts it as you release the brake. With this technology, Edge has an EPA-estimated rating of 21 city and 30 hwy mpg.³ To be more aerodynamic and fuel efficient, EcoBoost models also feature Active Grille Shutters.

Tow up to 3,500 lbs.⁴ with the 2.0L EcoBoost or the 280-hp 3.5L Ti-VCT V6⁵ and the Class II Trailer Tow Package. Trailer sway control, included in the package, helps you maintain control of the vehicle and your trailer.⁶

Embrace curves and corners with the help of new electric power-assisted steering and Torque Vectoring Control.⁶ These technologies help give Edge its responsive steering feel and enhance your hold on the road.

₁Tested with 93-octane fuel. ²Available only on SE with FWD. ³EPA-estimated rating of 21 city/30 hwy/24 combined mpg, 2.0L EcoBoost with Auto Start-Stop, FWD. Actual mileage will vary. ⁴When properly equipped. ⁵Available feature. ⁶Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Undeniably athletic.

SE. SEL. Titanium. Sport. The 2016 Edge lineup asserts its presence with a striking new stance. Luxurious accommodations for 5 are paired with a smooth, quiet ride and precise handling. Plus, sophisticated technologies help enhance its prowess — and yours.

**Enjoy powerfully efficient performance** on Edge Sport, thanks to its twin-turbocharged, direct-injection 2.7L EcoBoost® engine. Equipped with this V6 engine, Edge has an EPA-estimated rating of up to 24 hwy mpg. It also revs you up with best-in-class gas V6 hp and torque. Plus, racing-style paddle shifters are included with the 6-speed SelectShift® automatic transmission on every Edge.

**Exceptional road-holding capability** is delivered by its 4-wheel independent suspension. Plus, Edge Sport backs its aggressive look with a uniquely sport-tuned suspension.

**Enhanced handling and maximized traction** are yours with all-wheel drive (AWD), standard on Edge Sport this year. Every Edge also gets Curve Control, which helps reduce the vehicle’s speed by up to 10 mph in approximately 1 second if it senses you’re taking a curve too quickly.

ECOBOOST  TURBO

AWD  TRACTION

---

*Available feature. †EPA-estimated rating: 17 city/24 hwy/20 combined mpg. 2.7L EcoBoost, AWD. Actual mileage will vary. ‡Class is Midsize Utilities, non-diesel, based on Ford segmentation. †Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. †Tested with 93-octane fuel.
Smartly communicative.

Voice-activated SYNC® technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word:

• **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.

• **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.

• **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say “Bluetooth® audio” to stream content from your phone.

• **SYNC AppLink™2** lets you control some of your favorite compatible mobile apps with your voice.

• **911 Assist®3** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911 in the event of an accident.

Upgrade to SYNC 3: Our next generation of voice-activated technology with an easy-to-use new design and new features.

• **New hardware meets new software** on the easy-to-read color touch screen that displays phone, audio and navigation4 functions on the home screen.

• **High-speed performance** means you’ll experience quick reactions to your commands. Plus, the capacitive touch screen includes a convenient swipe feature similar to your smartphone (as well as pinch-to-zoom capability within navigation4).

• **Enhanced voice recognition** lets you talk with simple, real-world voice commands and the system responds naturally to your voice.

• **Easy destination entry** feature within navigation4 helps you locate your favorite restaurants, nearest ATM and more.

• **Siri® seamless integration** brings the power of Siri Eyes Free5 and your iPhone® into your vehicle.

• **Automatic updates over Wi-Fi®6** let you keep SYNC 3 up-to-date with the latest software as new updates become available.

---

4Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. 5SYNC AppLink is compatible with select smartphone platforms. Commands may vary by phone and AppLink software. 6The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility. 7Available feature. 8You must have a Bluetooth-enabled phone paired to your SYNC system. 9Optional Navigation System map updates cannot be received via Wi-Fi® and require a separate update.
Exceptionally connected.

From its acoustically balanced sound system to its exceptional connectivity, the 2016 Ford Edge is designed to enhance your travels.

Quality, comfort and capability all come together here. Its finely crafted interior design offers you a heated steering wheel,1 10-way power heated and cooled front seats,1 and up to 73.4 cu. ft. of cargo space with the rear 60/40 split seat folded flat.

For amazing sound, the 12-speaker Audio System from Sony®1 is teamed with HD Radio™ Technology.1 By broadcasting a digital signal over traditional radio frequencies, HD Radio Technology gives you up to 3 additional channels – per FM station – of new, local content. It can also display the artist, song title, album name and more. All without the need for a subscription.

SiriusXM® Satellite Radio1 welcomes you to the World of SiriusXM.2 Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You’ll hear every channel available, plus you can listen online and on the SiriusXM app.2

Navigation1 with SiriusXM Traffic and Travel Link® includes a 5-year complimentary SiriusXM Traffic and Travel Link2 trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you’ll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

Available feature. SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com.
Confidently alert.

Busy city streets. Long trips on the highway. High-speed cruising and passing. The 2016 Edge offers advanced driver-assist technologies to help you master these real-world challenges and many more.

**Maintain your lane** with help from our Lane-Keeping System. It can detect lane markings with a forward-facing camera, and can send vibration pulses to the steering wheel and apply steering torque if needed, prompting you to steer back toward center. There's also a Driver Alert System that displays a coffee cup icon if it detects you could use a break.

**Get a heads-up** from adaptive cruise control and collision warning with brake support. This system helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If one is detected, it flashes a heads-up display warning on the windshield, sounds an alarm, and helps by pre-charging the brake system.

**Stay alert to traffic** detected in blind spots as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS® (Blind Spot Information System) with cross-traffic alert. BLIS helps warn you using lights embedded in the sideview mirrors. Cross-traffic alert uses the same lights, plus an audio warning and a message center notice. Edge technology is all about empowering you.

**Make an informed approach** using the front 180-degree camera with washer. Just press a button on the instrument panel to engage the front grille-mounted camera to help you see around corners, down alleys and even when you're pulling out of parking spots.

---

1 Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.
2 Lane-Keeping System does not control steering. BLIS replaces standard integrated blind spot mirrors.

Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Available feature.

Easily maneuvered. And powerfully uplifting.

Perpendicularly. Parallel. Backing in. Heading out. The 2016 Edge offers advanced technologies1 to ease you through all sorts of challenging situations. Enhanced active park assist with side parking sensors helps you find a spot and steers the vehicle into place, while you control the gear shifter, and the brake and accelerator pedals. It can steer Edge out of tight parallel spots too. And alert you to obstacles near the sides of the vehicle along the way.

New adaptive steering1 dynamically adjusts the steering response of the front wheels based on how fast the vehicle is moving. It helps make Edge even easier to steer at low speeds and more responsive at highway speeds.

For easy access to the cargo area, just kick your foot under the rear bumper with your Intelligent Access key fob tucked in a pocket or purse. The hands-free foot-activated liftgate2 detects the motion of your leg and the proximity of the fob, then opens or closes on its own.

#### Standard Features

**Mechanical**
- 6-speed SelectShift® automatic transmission with paddle activation
- 4-wheel independent suspension
- Electric power-assisted steering
- Front-wheel drive (FWD)
- Hill start assist
- Power disc brakes with Anti-Lock Brake System (ABS)
- Torque Vectoring Control

**Exterior**
- Automatic headlamps with wiper activation
- Body-color rear spoiler
- Configurable LED daytime running lamps
- Dual bright exhaust tips
- Easy Fuel® capless fuel filler
- LED taillamps
- Power sideview mirrors with integrated blind spot mirrors and manual fold-away design
- Privacy glass (rear doors, rear quarter windows and liftgate window)
- Quad-beam halogen headlamps
- Wipers – Front: speed-sensitive, variable-intermittent with washer; rear: 2-speed with washer

**Interior**
- 12-volt powerpoints (2 in 1st row, 1 in 2nd row and 1 in rear cargo area)
- Acoustic-laminate windshield
- Adjustable driver and front-passenger sun visors with illuminated vanity mirrors
- Air conditioning
- Below-floor Cargo Management System
- Cargo area tie-downs and hooks
- Cargo net
- Center console with storage tray, armrest, powerpoint and 2 cupholders
- Compass and outside temperature displays
- Cupholders/beverage holders (8)
- Front passenger (1) and B-pillar (2) assist handles
- Intelligent Access with push-button start
- Leather-wraped shift knob
- Manual tilt/telescoping steering column
- Map pockets in driver and front-passenger seat backs
- Overhead console with sunglasses holder
- Power door locks
- Power windows with one-touch-up/down feature for driver and front-passenger windows
- Rear view camera
- Safety Canopy® System with side-curtain airbags^3 and rollover sensor
- SecuriLock® Passive Anti-Theft System
- SOS Post-Crash Alert System™
- Tire Pressure Monitoring System (excludes spare)

Dimensions may vary by trim level.

^1 Actual mileage will vary. ^2 Tested with 93-octane fuel. ^3 Always wear your safety belt and secure children in the rear seat.

1Ford Licensed Accessory. 2Consult owner’s manual for details on roof rack weight limits.
New Vehicle Limited Warranty. We want your Ford Edge ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage - all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Midsize Utilities based on Ford segmentation), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an “as is” basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
