MASTER THE MOMENTS. Your daily commute. A night on the town. Weekend road trips. With Ford Edge, you've got the responsive power and advanced technology to make it all work for you. The experiences continually change. What really matters is the confidence to go, as well as the memory-making connections shared along the way. Life is a Sport. We are the Utility. Be Unstoppable. The 2017 Ford Edge.
**ENGINES**

<table>
<thead>
<tr>
<th>Engine</th>
<th>Horsepower</th>
<th>Torque</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>2.0L EcoBoost®</td>
<td>245 hp</td>
<td>275 lb.-ft.</td>
<td>This twin-scroll turbocharged, direct-injection engine, standard on SE, SEL, and Titanium, has robust low-end torque and virtually no turbo lag. Paddle-shift technology enhances the driving fun on all Edge models.</td>
</tr>
<tr>
<td>2.7L EcoBoost</td>
<td>315 hp</td>
<td>350 lb.-ft.</td>
<td>Standard on Edge Sport, this dynamic engine offers best-in-class gas V6 hp and torque. Control its twin-turbocharged, direct-injection power via your fingertips, thanks to racing-style paddle shifters.</td>
</tr>
<tr>
<td>3.5L Ti-VCT V6+</td>
<td>280 hp</td>
<td>250 lb.-ft.</td>
<td>Twin independent variable camshaft timing (Ti-VCT) helps the 3.5L V6 engine deliver robust horsepower without sacrificing efficiency. By allowing intake and exhaust valves to adjust independently for precise valve timing control, Ti-VCT helps optimize performance on every drive. This proven performer is available on SEL and Titanium.</td>
</tr>
</tbody>
</table>

**POWERFUL CHOICES FOR YOU.**

**AUTO START-STOP TECHNOLOGY**

Helps reduce fuel consumption and vehicle emissions during stop-and-go city driving. The system can shut off the engine when you come to a complete stop, and seamlessly restart it when you release the brake pedal.

**EPA-estimated rating:**
- **2.0L EcoBoost:** 21 city/29 hwy/24 combined mpg with Auto-Start Stop Technology
- **2.7L EcoBoost:** 17 city/24 hwy/20 combined mpg
- **3.5L Ti-VCT V6+:** 17 city/26 hwy/20 combined mpg

*Horsepower and torque ratings achieved with 93-octane fuel. Actual mileage will vary. Class is Midsize Utilities, non-diesel, based on Ford segmentation. Available feature.
Undeniably athletic, Edge asserts its presence with a striking stance across its lineup. Experience luxurious accommodations for 5, paired with a smooth, quiet ride and precise handling. Plus, driver-assist technologies help heighten its prowess—and yours.

The performance-oriented Edge Sport, with its distinctive look, provides exceptional road-handling capability with a uniquely sport-tuned, 4-wheel independent suspension. Standard all-wheel drive (AWD) delivers enhanced handling and maximized traction. Edge Sport. Dressed and always ready to play.
SYNC 3

In addition to all the voice-activated benefits of SYNC®1 – placing and answering calls, and controlling music from your devices – you’ll love the easy-to-use interface of SYNC 3. An 8” color LCD screen displays phone, audio and navigation1 features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation. SYNC 3 also brings you the options of Apple CarPlay™3 and Android Auto™4.

Voice-Activated Navigation System2

Includes a 5-year complimentary trial subscription to SiriusXM® Traffic and Travel Link® services.2 Global Positioning System (GPS) technology is combined with available 3-D mapping and provides voice-guided turn-by-turn directions. You’ll get detailed traffic information, plus current and forecasted weather and fuel station locations and prices.

SYNC AppLink

Use your voice to control some of your favorite compatible mobile apps (like Pandora® and iHeartAuto), thanks to standard SYNC AppLink.®

Siri Seamless Integration

Bring the power of Siri® into Edge with Siri Eyes Free,® your paired iPhone® and a long press of the voice-recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available.® All you need is a Wi-Fi® connection.
SOPHISTICATION AND CRAFTSMANSHIP COME TOGETHER HERE. No matter your destination or traveling companions, the 2017 Ford Edge is designed to indulge, pamper and please. Its finely crafted interior offers you a heated steering wheel, 10-way power heated and cooled front seats, and the assurance that you arrive comfortably in control—whether you’re the driver or a passenger.

To keep everyone entertained along the way, Edge offers an exceptional 12-speaker Audio System from Sony and HD Radio Technology. By broadcasting a digital signal over traditional radio frequencies, HD Radio Technology gives you up to 3 additional channels—per FM station—of new, local content. It can also display the artist, song title, album name and more. All without the need for a subscription. Edge is designed to enhance your travels—with all the right notes.

SiriusXM Satellite Radio

Listen to everything you love with SiriusXM. Get over 150 channels including all genres of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you’ll hear it all with a 6-month trial subscription to the All Access package, included with your new Edge. So you can rock your ride, plus listen anywhere online and on the SiriusXM app.
STEP IN THE RIGHT DIRECTION.

When you have an impressive 73.4 cu. ft. of cargo space with the rear 60/40 split seat folded flat, there's a good chance your hands are going to be full when you're loading the cargo area. So with the Intelligent Access key fob on you, just kick your foot under the rear bumper and let the hands-free foot-activated liftgate do the work. This flexible accessibility can serve you well whether you're stowing gear or impulse shopping. It allows Edge to be as versatile as you are.
Prepares for the Unexpected.

Adaptive Cruise Control
Helps maintain your choice of speed and preset gap from the vehicle in front of you. It can also alert you to a potential frontal collision. If one is detected, adaptive cruise control & forward collision warning with brake support1 flashes a warning via a heads-up display on the windshield, sounds an alarm, and can pre-charge the brake system to provide full responsiveness when you do brake.

Lane-Keeping System
Can detect lane markings and apply torque to the steering wheel if it senses your vehicle drifting unintentionally out of its lane. If needed, the Lane-Keeping System1 can also send gentle vibration pulses to the wheel to prompt you to steer back toward center. A Driver Alert System1 also monitors your driving behavior – including the crossing of lane markings and other factors – and warns you in the message center if you could use a break from driving.

BLIS (Blind Spot Information System)
Notifies you with a light in either sideview mirror3 if its radar sensors detect a vehicle in the corresponding blind spot. Cross-traffic alert, part of the system, warns you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you slowly back Edge out of a parking space. Either way, BLIS® with cross-traffic alert1 helps keep you aware of things that may be just out of your line of view.

1Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.
2Lane-Keeping System does not control steering. 3BLIS replaces standard integrated blind spot mirrors.
PREVAIL OVER PARKING LOTS. With help from its Enhanced Active Park Assist System, Edge makes parking easy so you can move on to more important things. Whether you’re backing into a perpendicular spot or slowing down to parallel park, ultrasonic sensors can identify a parking space that is the right size, then the system steers the vehicle into it. All you do is follow on-screen prompts, and operate the accelerator, brake and gear shifter as needed. The front 180-degree camera also helps out with visibility and allows you to see around corners. A spritz of the lens washer and your view is clear. Ford Edge has mastered the parking lot. Time to get out and have some fun.
VENTURE OUT WITH CONFIDENCE.

Edge helps you maintain your peace of mind with many standard safety features, including 8 airbags, the patented Safety Canopy® System with rollover sensing, side-curtain airbags that deploy when needed, and a rear view camera that helps you see what’s behind your vehicle. Plus, AdvanceTrac® with RSC® (Roll Stability Control™) provides enhanced vehicle stability in a range of conditions by selectively applying individual brakes and modifying engine power to help keep all 4 wheels firmly planted. Also available are industry-first inflatable rear safety belts for outboard passengers, and a Reverse Sensing System. And to help the driver stay focused, class-exclusive MyKey® technology allows you to program ignition keys with reminders to drive at appropriate speeds, keep the audio volume low, and much more.

Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. Available feature.

New Vehicle Limited Warranty. We want your Ford Edge ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

1Ford Licensed Accessory. 2Consult owner’s manual for details on roof rack weight limits.
