THE 2018 FORD EDGE

Your daily commute. A night on the town. Weekend road trips. With Ford Edge, you’ve got the responsive power and advanced technology to make it all work for you. Four distinct trim levels let you choose a precisely honed Edge that asserts its presence everywhere you go. The well-equipped SE. Edge SEL, including a bold new SEL Sport Appearance Package. Titanium, with premium refinement and luxury features. And the performance-oriented Edge Sport that’s always dressed and ready to play. Introducing the 2018 Ford Edge. Always Unstoppable.
SEL SPORT APPEARANCE PACKAGE

On the outside, this package takes your 2018 Edge SEL to a bold new level. 19” premium Magnetic Metallic-painted aluminum wheels are complemented by color-coordinated accents, including the upper grille surround, front and rear skid plates, sideview mirror caps and rear spoiler.

You also get Silver Lining-painted upper grille bars. A unique headlamp treatment. And black beltline moldings. These finishing touches make it an Edge that’s sure to be noticed.
SEL SPORT APPEARANCE PACKAGE

Inside, a high-contrast interior features Mayan Gray cloth-trimmed seats with Umber-colored Miko® perforated inserts. Front and rear Black carpeted floor mats include an Umber-colored “EDGE” logo up front. A unique Copper Sands appliqué accents the area above the glove box.

These exclusive features join a long list of SEL standards, such as: dual-zone electronic automatic temperature control, 10-way power driver’s seat, 6-way power front-passenger seat, auto-dimming rearview mirror, and Reverse Sensing System.
CHOOSE YOUR CATALYST.

The 2018 Edge offers 3 distinctive engines, all paired with a 6-speed automatic transmission with SelectShift® capability. Enhance your driving experience with standard racing-style paddle shifters.

**2.0L ECOBOOST®**

245 horsepower.1 275 lb.-ft. of torque.1 This twin-scroll turbocharged, direct-injection engine has robust low-end torque and virtually no turbo lag. Auto Start-Stop Technology, standard on SE FWD models, helps optimize fuel usage during stop-and-go city driving by shutting off the engine when you come to a complete stop. When you release the brake pedal, the engine seamlessly restarts.

**Standard: SE/SEL/Titanium**

**2.7L ECOBOOST**

315 horsepower.1 350 lb.-ft. of torque.1 Under the hood of Edge Sport is where you’ll find the most powerful member of the lineup. This dynamic twin-turbocharged, direct-injection engine offers best-in-class2 gas V6 horsepower and torque.

**Standard: Sport**

**3.5L Ti-VCT V6**

280 horsepower. 250 lb.-ft. of torque. Twin independent variable camshaft timing (Ti-VCT) helps deliver robust horsepower without sacrificing efficiency. By allowing intake and exhaust valves to adjust independently for precise valve timing control, Ti-VCT helps optimize performance on every drive.

**Optional: SEL/Titanium**

TUNE YOUR PERFORMANCE.

EDGE SPORT
The performance-oriented Edge Sport, with its distinctive look, provides exceptional road-handling capability with a uniquely tuned, 4-wheel independent suspension. Standard all-wheel drive (AWD) delivers enhanced handling and maximized traction. Sport is always dressed and ready to play. And power? Plenty of it. The twin-turbocharged, direct-injection 2.7L EcoBoost® engine revs you up with best-in-class gas V6 horsepower (315\textsuperscript{1}) and torque (350 lb.-ft\textsuperscript{1}). Plus, racing-style paddle shifters enhance your control of the 6-speed SelectShift® automatic transmission.

\textsuperscript{1}Horsepower and torque ratings achieved with 93-octane fuel.
HITS ALL THE RIGHT NOTES.
Sophistication and craftsmanship come together here. No matter your destination or traveling companions, the 2018 Edge is designed to indulge, pamper and please. Starting with an exceptional 12-speaker Audio System from Sony. Titanium adds further indulgence with ambient lighting, illuminated front door-sill scuff plates and 10-way power, heated, leather-trimmed driver and front-passenger seats. A panoramic Vista Roof with power open/close and power shade lets the light in – as often as you’d like.
Imagine controlling calls, music and more with just a touch and your voice. SYNC® 3 lets you keep your hands on the wheel while it quickly responds to your spoken requests. Or use the responsive touchscreen in the center of your instrument panel to access its many helpful features. Bring the power of Siri® into Edge with Siri Eyes Free and your paired iPhone®. The system also features 2 smart-charging USB ports to help keep your devices powered up and ready to go.

PUT YOUR BEST FOOT FORWARD

With the rear 60/40 split seat folded flat, Edge has an impressive 73.4 cu. ft. of cargo space. So there's a good chance your hands are going to be full when you're loading the cargo area. As long as your Intelligent Access key fob is tucked in your pocket or purse, just kick your foot under the rear bumper and let the hands-free foot-activated liftgate do the work. This flexible accessibility can serve you well whether you're stowing gear or impulse shopping. Allowing Edge to be as versatile as you are.
IN TRAFFIC Adaptive cruise control & forward collision warning with brake support\(^1\)\(^2\) helps maintain your choice of speed and preset gaps from the vehicle in front of you. It can also alert you to a potential collision, and even pre-charge the brakes to provide full responsiveness when you do brake.

BETWEEN THE LINES Drifting out of your lane? The Lane-Keeping System\(^1\)\(^2\) can apply steering wheel torque, and even alert you with gentle steering wheel vibrations, to help direct you to return to your lane.\(^3\)

WHEN CHANGING LANES BLIS\(^6\) ( Blind Spot Information System) with cross-traffic alert\(^1\)\(^2\)\(^4\) warns you if it detects a vehicle in either of your blind spots while driving forward, or approaching from the sides while backing up.

IN THE PARKING LOT Whether you’re backing into a perpendicular spot or slowing down to parallel park, enhanced active park assist\(^1\)\(^2\) makes parking easy. Ultrasonic sensors can identify a spot, then the system steers the vehicle into it. All you have to do is follow on-screen prompts, and operate the accelerator, brake and gear shifter as needed. A front 180-degree camera\(^1\) helps out with visibility and allows you to see around corners when slowly moving forward.
