You've got a green light for fun in Escape and Escape Hybrid. With up to 34 mpg city, Escape Hybrid is the most fuel-efficient SUV on the planet. The standard 2.5L I-4 engine on Escape gets 28 mpg hwy. Both offer the capability of available 4WD and tons of smart new technology including our latest Ford SYNC voice-activated, customizable media system and available Active Park Assist – which helps you parallel park in as little as 24 seconds – leaving you more time for adventure.

1 Based on unadjusted city fuel economy from EPA (10/08) and VCA (5/08). 2009 EPA-estimated 34 mpg city/31 hwy. for Escape Hybrid FWD. Excluding vehicles built for Mazda. 2 2009 EPA-estimated fuel economy: 22 mpg city/28 hwy. for Escape FWD with 2.5L I-4 and 5-speed manual; 20 mpg city/28 hwy. for Escape FWD with 2.5L I-4 and 6-speed automatic.

fordvehicles.com
Escape Hybrid: The most fuel-efficient SUV on the planet.

The powertrain is so self-sufficient, it actually recharges itself. The 2.5L I-4 Atkinson-cycle engine works with the electric traction motor to move you with 177 net hp. When you apply the brakes during normal driving, the Regenerative Braking process captures kinetic energy from your braking to recharge the 330-volt battery pack. The battery pack then supplies energy to start the engine and to drive in 100% electric mode up to 44 mph. When passing or merging, hybrid drive mode delivers an extra power boost for lively acceleration performance while still delivering lower average fuel costs. It’s the best of both worlds.

*Based on unadjusted city fuel economy from EPA (10/08) and VCA (5/08). 2009 EPA-estimated 34 mpg city/31 hwy. for Escape Hybrid FWD. Excluding vehicles built for Mazda.

fordvehicles.com
With fully independent suspensions and outstanding clearance, both Escape and Escape Hybrid are naturally nimble enough to drive up and over some formidable obstacles that some others will have to waste time driving around. If you prefer the road less traveled, go for the optional Intelligent 4WD System. Always on and always working, it automatically monitors traction 200 times per second (much faster than any person could) and adjusts torque distribution as needed to give you maximum grip. It's got serious skills.
Active Park Assist conquers parallel parking.

In as little as 24 seconds. Just press a button and drive by potential spots to activate the system. Active Park Assist uses its sensors to take some measurements and prompts you when it's ready to park. You simply respond to system prompts and control vehicle speed using the gear shifter, gas and brake pedals – while it handles the hard parts – figuring out if the spot is big enough and automatically steering the vehicle into it. New for 2010, this remarkably intelligent system is optional on Escape Limited and Escape Hybrid Limited. It's bound to be your new best friend.

MyKey™ – positively habit-forming.

The MyKey owner controls feature, also new for 2010, is standard on XLT, Limited, Hybrid and Hybrid Limited. It lets you program ignition keys with specific parameters to help encourage smart driving habits, such as buckling up and traveling at appropriate speeds. MyKey is perfect for reminding drivers of all ages to abide by the rules of the road.
Gas engines flex, tow, sip and go.

Escape’s available Duratec® 3.0L V6 engine is Flex Fuel capable this year, so you can run it on gasoline, E85 (85% ethanol and 15% gasoline), or any blend of the two. Mated to an efficient 6-speed automatic transmission, it cranks out 240 hp and tows up to 3500 lbs. when properly equipped.

I-4 gets up to 28 mpg hwy. Whether you pair it with the standard 5-speed manual transmission or the available 6-speed automatic, the standard Duratec 2.5L I-4 engine delivers remarkable fuel economy. It also supplies a spirited 171 hp and 171 lb.-ft. of torque.

Easy Fuel™ reduces pump time. Our industry-first Easy Fuel capless fuel filler not only reduces evaporative emissions, it also helps get you back on the road in a snap. The system automatically seals shut when you remove the fuel nozzle – there’s no cap. You just gas up and go. It’s standard on every Escape and Escape Hybrid.

1 2009 EPA-estimated fuel economy: 22 mpg city/28 hwy. for Escape FWD with 2.5L I-4 and 5-speed manual; 20 mpg city/28 hwy. for Escape FWD with 2.5L I-4 and 6-speed automatic.

fordvehicles.com
A truly illuminating experience.

Navigation with SIRIUS Travel Link™ The available Navigation System, displayed on a vibrant 6.5” LCD touch screen, features easy voice activation for everything from driving directions to accessing tunes. It also provides nearly 10 gigs of storage space for photos and music while class-exclusive SIRIUS Travel Link delivers up-to-the-minute local traffic, weather, fuel prices, sports scores and movie listings. On Escape Hybrid, this available system also features a Power & Efficiency screen (shown above) that coaches you on how to maximize your fuel efficiency by making the most of the vehicle’s electric mode.

SIRIUS® Satellite Radio. Available SIRIUS Satellite Radio comes with a 6-month subscription: Surf more than 130 channels including 100% commercial-free music, plus the best sports, news, talk and entertainment, coast-to-coast.

SYNC listens.™
Ford SYNC® with 911 Assist™, plus new Traffic, Directions and Information. The award-winning, available Ford SYNC system – developed in association with Microsoft® – works with your paired Bluetooth®-enabled mobile phone and digital media player or USB drive. Make and take calls, play music by artist or genre, and more – all with the touch of a button and simple voice commands.

SYNC also features these convenient Driver Services:
• 911 Assist • Turn-by-turn directions • Vehicle Health Reports • Business searches • Up-to-the-minute weather • Personalized business, sports, traffic alerts, entertainment news, and more

With 911 Assist, the system can make an emergency call from your phone if any airbag has deployed. And, unlike other systems that send you to a call center first, SYNC connects you directly to a 911 operator.

SyncMyRide.com has all the latest news.

Designed to support, **comfort** and **sustain**.

Escape is just the right size – inside and out. Its comfort-designed seats easily accommodate as many as 5 adults. Supple leather-trimmed seating and heated front seats are standard on Escape Limited and Hybrid Limited this year.

The use of environmentally friendly, soy-based foam in seat cushions helps conserve limited resources and reduce CO₂ emissions. Escape Hybrid and XLT also feature sustainable cloth-trimmed seating made with 100% post-industrial materials – recycled plastics and polyester fibers that would otherwise have ended up in landfills.

fordvehicles.com
From its sleek look to its intuitive arrangement, the instrument panel in every Escape is designed to please. The available Ambient Lighting can be set to match your mood with 7 glowing options from red hot to cool blue. The available Rear View Camera displays a full-color image from a liftgate-mounted camera in your rearview mirror or on the Navigation System’s screen (when equipped).

Fans of the power moonroof will find it in these fun packages: Sun & SYNC Package (available on XLT) mixes the moonroof with our Ford SYNC © voice-activated, customizable media system. Moon & Tune Package (available on Limited) pairs it up with a 320-watt premium, 7-speaker sound system including a single-CD player.
Plenty of space for your latest challenge.

A. With the rear seats folded flat, Escape delivers up to 67.2 cu. ft. of wide-open space. And even with the seats up, you still get up to 31.4 cu. ft. of space to fill with everything you need.

B. Tip-fold-flat latches make it easy to configure the standard 60/40 split-folding rear seats to fit your immediate gear-hauling needs.

C. Escape Hybrid is uniquely prepared for your adventures with its 110-volt power outlet. Use it for your laptop, a radio, or even a small TV.

D. Inside the standard floor console: a 3-tier storage system, 2 removable bins, and a hidden storage area deep enough for a laptop or purse.

E. This hidden, lockable wet trunk is made for dirty work. It's found in the available Cargo Package, along with a retractable cargo area cover and 100-lb.-capacity roof-rail crossbars.

1See your Owner's Guide for complete details.
Escape and Escape Hybrid both received 5-Star ratings¹ in the National Highway Traffic Safety Administration’s (NHTSA) frontal and side-impact crash tests. And the Insurance Institute for Highway Safety (IIHS) has named each a 2009 “Top Safety Pick” for achieving the highest rating possible in front, side and rear crash tests, and for having our standard AdvanceTrac® with class-exclusive RSC® (Roll Stability Control™). AdvanceTrac with RSC is the only electronic stability control system that utilizes 2 gyroscopic sensors to help keep all 4 wheels firmly planted.² You also get 6 standard airbags, including front airbags, front-seat side airbags and side-curtain airbags on every 2010 Escape and Escape Hybrid.

¹2009 model year. Star ratings are part of the U.S. Department of Transportation’s Safercar.gov program (www.safercar.gov).
²Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. For more information on AdvanceTrac with RSC, visit fordvehicles.com.

fordvehicles.com
Escape XLT shines with **sport** style.

With the Sport Appearance Package, Escape is dressed to impress all around. This ultimate statement of streetwise style is available exclusively on XLT in Ingot Silver Metallic, Sangria Red Metallic or Black. Outside, you get a high-gloss Black grille, lower front appliqué, sideview mirrors and liftgate spoiler, plus a blacked-out treatment on the headlamps. Body-color door handles and rocker moldings are accented by unique 17" premium Black wheels with a machined-finish outer ring. Inside, a Charcoal Black environment is paired with Charcoal Black cloth seating for a dramatic look. The instrument cluster, center console and doors each receive touches of high-gloss Black, while the door handles, air vents and shifter knob feature a chrome finish. The overall effect is eye-catching in all the right ways.

## STANDARD

### Mechanical
- 4-wheel independent suspension
- 16.5-gallon fuel tank capacity (15.1-gallon on Escape Hybrid)
- 90,000-mile tune-up interval¹
- Electric Power-Assisted Steering (EPAS)
- Front and rear stabilizer bars
- Front-wheel drive (FWD)
- Power front disc/rear drum brakes with Anti-lock Brake System (ABS)

### Safety & Security
- 3-point safety belt restraint system for all seating positions
- Adjustable head restraints at all 5 seating positions
- AdvanceTrac® with RSC® (Roll Stability Control™)
- Belt-Minder® front safety belt reminder
- Brake/shift interlock (with automatic transmission)
- Front height-adjustable shoulder safety belts
- Front-seat side airbags²
- Integrated keyhead transmitter remotes (2)
- LATCH – Lower anchors and tethers for child-safety seats (rear seat positions)
- Personal Safety System™ with dual-stage front airbags²
- Safety Canopy® System with side-curtain airbags² and rollover sensor
- SecuriLock® passive anti-theft ignition system
- Side-intrusion door beams
- SOS Post-Crash Alert System™ flashes hazard lights and sounds horn after airbag deployment or safety belt pretensioner activation in certain collisions
- Tire Pressure Monitoring System (excludes spare)

### Interior
- 60/40 split-folding rear seat bench with tip-fold-flat latches
- 2 power points (1 in each row)
- Air conditioning
- Auxiliary audio input jack
- Covered visor vanity mirrors
- Cruise control
- Floor console with removable interior bins and 4 cupholders
- Illuminated-entry system
- Power door locks with child-safety rear door locks
- Power windows with one-touch-down driver-window feature
- Rear floor air ducts
- Tachometer
- Tilt steering wheel

### Exterior
- Easy Fuel™ capless fuel filler
- Liftgate with flip-up glass
- Power sideview mirrors with integrated Blind Spot Mirrors and manual fold-away design
- Rear-window defroster
- Solar-tinted glass
- Windshield wipers – Front: variable-intermittent with washer; rear: 2-speed with washer

¹Under normal driving conditions with routine fluid and filter changes.
²Always wear your safety belt and secure children in the rear seat.

ESCAPE XLS
Equipped with all standard features, plus:

- Rapid Spec 100A:
  - Duratec® 25–2.5L I-4 engine
  - 5-speed automatic transmission
  - 16" cast-aluminum wheels with P235/70R16 all-season BSW tires
  - AM/FM stereo/single-CD player with 4 speakers
  - Black roof side rails
  - Compass and outside temperature display
  - Front fog lamps
  - Illuminated visor vanity mirrors
  - Leather-wrapped steering wheel with secondary audio controls
  - MyKey® owner controls feature
  - Overhead console with dual storage bins
  - Premium-grade cloth seats with 6-way power driver seat
  - Privacy glass
  - SIRIUS Satellite Radio with 6-month subscription
  - SecuriCode™ keyless-entry keypad
  - Chrome upper grille, body-color lower grille
  - Cloth front bucket seats with adjustable head restraints

Available Option Groups
- Rapid Spec 101A: 6-speed automatic transmission
- Rapid Spec 102A: Cargo Package: roof side rails with crossbars, retractable cargo area cover and lockable wet trunk + 6-speed automatic transmission

Available Options
- Ford SYNC® voice-activated, in-vehicle communications and entertainment system
- Front and rear color-keyed carpeted floor mats
- Intelligent 4WD System

ESCAPE XLT
Equipped with all standard XLS features, plus:

- Rapid Spec 200A:
  - Duratec® 30–3.0L V6 FFV engine
  - 6-speed automatic transmission
  - Auto-dimming rearview mirror
  - Automatic headlamps
  - Black roof side rails
  - Compass and outside temperature display
  - Front fog lamps
  - Illuminated visor vanity mirrors
  - Leather-wrapped steering wheel with secondary audio controls

  - 4WD (Hybrid, Hybrid Limited): 29 mpg cty/27 hwy.

New Vehicle Limited Warranty. We want your Ford Escape or Escape Hybrid ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage – all with no deductible. Escape Hybrid is also covered by an 8-year/100,000-mile Hybrid Limited Warranty. Please ask your Ford Dealer for copies of these limited warranties.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Comparisons based on 2009 competitive models (Small SUV class), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations.
