Your next adventure awaits.

Click to see how Escape takes you further.

Go. Empowered by your choice of 3.

The 2015 Escape offers you 3 different engines: a 2.5L Duratec® I-4, a 1.6L EcoBoost™ and a 2.0L EcoBoost. Each is mated to our 6-speed SelectShift® automatic transmission. So you can shift for yourself, or leave the fun to Escape.

In curves and corners, standard Torque Vectoring Control seamlessly enhances your hold on the road while electric power-assisted steering delivers responsive overall steering feel.

To make itself more aerodynamic and fuel efficient, Escape can adjust its Active Grille Shutters (on 2.5L and 1.6L models). The standard 2.5L puts a zippy 168 hp and 170 lb.-ft. of torque at your disposal.

Our turbocharged, direct-injection 1.6L EcoBoost™ uses twin independent variable camshaft timing to emphasize fuel efficiency or power output as your input demands. It has an EPA-estimated rating of 32 hwy mpg. It also produces 178 hp and 184 lb.-ft. of torque for lively acceleration and passing performance.

For even more fun, step up to the 2.0L EcoBoost with 240 hp and 270 lb.-ft. of torque. As The Car Connection says, “The Escape is one of the best-handling crossovers in its class, and the 240-hp turbo four helps make the most of it.”

1Available feature. 2EPA-estimated rating of 23 city/32 hwy/26 combined mpg, 1.6L EcoBoost, FWD. Actual mileage will vary. 3Using 93-octane fuel.
Loading cargo into your Escape has never been easier than with the class-exclusive foot-activated hands-free power liftgate. You can even program its fully opened height to the position that works best for you.

Just kick your foot under the rear bumper with your Intelligent Access key fob tucked in a pocket or purse. Sensors detect your leg, the motion and the proximity of the fob, triggering the liftgate to open or close on its own.

1 Class is Small Utilities. 2 Available feature.
Adapt. To make the most of every day.

With its versatile interior, Escape is designed to help you live life to its fullest. Starting with an overall feeling of open spaciousness that’s amplified by the power panoramic Vista Roof.¹

**Up to 67.8 cu. ft. of cargo space** is yours to fill with the rear seat folded — that’s more room than the previous generation Escape offered.

For a flat load surface, fold both sides of the 60/40 split rear seat and place the adjustable cargo load floor² in its highest position.

Discreetly stow your go-to essentials in the front center console. And keep others close at hand in the storage tray next to each front seat. You’re always ready for adventure in Escape.

¹Available feature. ²Available with 17” wheels only.
Nurture. Yourself and the environment.

This year, Escape takes care of you and your front passenger with 10-way power, heated, leather-trimmed seats, standard on Titanium. And every model comfortably supports with more hip room and more rear leg room than the previous generation.

Escape respects nature by putting several materials often destined for landfills to practical reuse. Recycled 20-oz. plastic bottles go into its carpeting, which is a resilient blend of post-consumer and post-industrial polyester fibers. Scrap cotton from jeans, sweaters, and T-shirts is turned into sound-absorption material that helps keep Escape quiet inside. To top it off, the vehicle itself is approximately 85% recyclable after it's driven its last mile.

Opt for the Audio System from Sony® to treat yourself and your lucky passengers to the deep, rich sound of 10 strategically placed speakers and the crisp clarity of HD Radio™ Technology.

1Available feature.

Connect. With voice-activated ease.

Ford SYNC®1 with 911 Assist® delivers hands-free calls, Bluetooth®-streaming music and more with simple voice commands. Once paired, it can download contacts and play music from your smartphone. It can also access your MP3 player, USB or iPod®. SYNC AppLink™ lets you control Pandora® iHeartAuto™ the SiriusXM® App and other select apps by voice, too. SYNC with MyFord Touch® adds an 8" color LCD touch screen and much more. SYNC. Say the word.

**SiriusXM Satellite Radio** lets you enjoy commercial-free music, plus sports, news, entertainment, and every premium channel with your 6-month All Access trial subscription.4 The voice-activated Navigation System3 also includes a 5-year subscription to SiriusXM Traffic and Travel Link® services.3 These features provide detailed traffic information on accidents, construction, and road closures, plus local and national weather forecasts, fuel prices and more.

1Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2SYNC AppLink® is available on select models and compatible with select smartphone platforms. SYNC AppLink® is not compatible with MyFord Touch. Commands may vary by phone and AppLink® software. 3Available feature. 4Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.
Get away. Intelligently.

See 4WD in action

Headed out of town? Take the road less traveled with confidence in your 2015 Escape with the Intelligent 4WD System.1 Assessing conditions about 20 times faster than the blink of an eye, this on-demand system readjusts as needed to deliver the right blend of handling and traction at all times. Whether you’re challenged by a sudden downpour, loose gravel, or even a snow-packed road, 4WD can help keep your adventures on track.

SE: Ingot Silver. Available equipment.

1Available feature.
Up the fun factor. Confidently.

Equipped with the 240-hp 2.0L EcoBoost® engine¹ and the Class II Trailer Tow Prep Package, Escape has the power, sure-footedness and confidence it needs to tow up to 3,500 lbs.² And you can handle it all with confidence too.

**Trailer sway control**¹ will help by monitoring the motions of your vehicle to detect trailer sway. If needed, it can reduce engine speed and selectively apply the brakes to help you maintain control of both the vehicle and the trailer.³ Play smarter in the 2015 Escape.

---

¹Available feature. ²When properly equipped. ³Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ⁴Using 93-octane fuel.
Let it assist you. Thoughtfully.

Escape driver-assist technologies\textsuperscript{1} use ultrasonic sensors and sophisticated radar to help you with parallel parking, avoiding collisions and more.

See how it all works

**Make parallel parking easier** with active park assist.\textsuperscript{1} This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

**Stay alert to traffic detected in blind spots** thanks to BLIS\textsuperscript{®} (Blind Spot Information System) with cross-traffic alert.\textsuperscript{1} It helps warn you using lights embedded in the sideview mirrors.\textsuperscript{2}

**Help gauge how close** something is to the back of your Escape using the standard rear view camera and its color-coded distance guidelines.\textsuperscript{3} A dotted center line is also included for help lining up with a trailer.

**For your convenience**, active park assist and BLIS with cross-traffic alert are included in the Titanium Technology Package, along with high-intensity discharge (HID) headlamps, rain-sensing windshield wipers, and a Forward Sensing System.

\textsuperscript{1}Available feature. Driver-assist features are supplemental and do not replace the driver’s judgment.  
\textsuperscript{2}BLIS replaces standard integrated blind spot mirrors.  
\textsuperscript{3}Available SYNC\textsuperscript{®} with MyFord Touch\textsuperscript{®} screen shown.
Maintain peace of mind. Rain or shine.

When it comes to your safety and security, Escape takes a proactive, personalized approach. On every ride. In a wide range of weather conditions.

Among its 7 standard airbags, you’ll find several that utilize the latest adaptive technology to help tailor them to occupant size, including the driver and front-passenger front airbags and the front-seat side airbags.

If it senses you’re taking a curve too quickly, Curve Control helps reduce the vehicle’s speed by up to 10 mph in approximately 1 second. This feature is effective on wet or dry pavement, and expected to be particularly useful on highway ramps. As part of AdvanceTrac® with RSC® (Roll Stability Control™), Curve Control is standard on every 2015 Escape.

1Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
## Engines/EPA-Estimated Ratings & Dimensions

### Exterior
- Wheelbase: 105.9"
- Length: 178.1"
- Height: 66.3"
- Width: 72.4" (Excluding mirrors), 81.8" (Including mirrors), 75.0" (Mirrors folded)
- Liftover height: 27.8"

### Interior
- Headroom: 39.9"/39.0" (Front/Rear)
- Shoulder room: 56.0"/55.3"
- Hip room: 54.8"/52.4"
- Legroom: 43.0" (max.)/36.8"

### Capacities (cu. ft.)
- Passenger volume: 98.1
- Cargo volume behind front seats: 67.8
- Cargo volume behind rear seats: 34.3

### Fuel Tank (gal.)
- FWD: 15.1
- 4WD: 15.1

### Engines
1. **2.5L Duratec® I-4**
   - 168 hp @ 6,000 rpm
   - 170 lb.-ft. of torque @ 4,500 rpm
   - 22 city/31 hwy/25 combined mpg
   - 6-speed SelectShift® automatic (includes Active Grille Shutters)

2. **1.6L EcoBoost® I-4**
   - 178 hp @ 5,700 rpm
   - 184 lb.-ft. of torque @ 2,500 rpm
   - 23 city/32 hwy/26 combined mpg
   - 6-speed SelectShift automatic (includes Active Grille Shutters)

3. **2.0L EcoBoost I-4**
   - 240 hp @ 5,500 rpm
   - 270 lb.-ft. of torque @ 3,000 rpm
   - 22 city/30 hwy/25 combined mpg
   - 6-speed SelectShift automatic (includes Active Grille Shutters)

### Specifications
- Personal Safety System™ for driver and front passenger includes dual-stage front airbags, 3-point safety belt restraint system for all seating positions, adjustable head restraints at all 5 seating positions, AdvanceTrac® with RSC® (Roll Stability Control™) and Curve Control, Battery saver.

### Safety & Security
- SOS Post-Crash Alert System™ unlocks doors, flashes hazard lights and sounds horn after airbag deployment or safety belt pretensioner activation in certain collisions.
- Tire Pressure Monitoring System (excludes spare)

### Standard Features

#### Mechanical
- 6-speed SelectShift automatic transmission with Sport Mode
- 4-wheel independent suspension
- Electric power-assisted steering
- Front and rear stabilizer bar
- Front-wheel drive (FWD)
- Mini spare wheel and tire
- Power disc brakes with Anti-Lock Brake System (ABS)
- Torque Vectoring Control

#### Seating
- Front bucket seats
- Front-passenger seat back map pocket
- 60/40 split-fold rear bench seat with recline and tip-fold-flat latch

#### Exterior
- Body-color front and rear fascias
- Body-color rear spoiler
- Easy Fuel® capless fuel filler
- Power sideview mirrors with integrated blind spot mirrors and manual fold-away design
- Rear-window defroster
- Solar-tinted glass
- Windshield wipers – Front: variable-intermittent with washer; rear: 2-speed with washer

#### Interior
- Adjustable driver and front-passenger sun visors with covered vanity mirrors
- Air conditioning with particulate air filter
- Cargo floor hooks (4)
- Coat hooks (2)
- Compass
- Front (2) and rear (2) assist handles
- Front and rear carpeted floor mats
- Front and rear dome lights with front map lights and rear cargo area light
- Front-row center console with 2 cupholders, storage bin with removable tray, and armrest
- Illuminated Entry System
- Message center
- Overhead console with sunglasses holder
- Power door locks
- Power windows with one-touch-down driver’s side window feature
- Rear view camera
- Seat-side storage trays for driver and front passenger
- Steering wheel-mounted cruise and audio controls
- Tachometer
- Tilt/telescoping steering column
- Trip computer

---

Dimensions may vary by trim level. Actual mileage will vary. Using 93-octane fuel. Always wear your safety belt and secure children in the rear seat. SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

New Vehicle Limited Warranty. We want your Ford Escape ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
