Thank you for your interest in the 2017 Ford Explorer.

This brochure features information, specifications and images of the Explorer.

DESIGN: The power and driving dynamics of Explorer come wrapped in an eye-catching design that delivers abundant comfort and provides contemporary style.

PERFORMANCE: Explorer has the power and plenty other dynamic features designed to help you play hard and get out there far beyond the roads less travelled.

CAPABILITY: Whether it’s a weekend getaway or just the daily struggle to get the kids to school before tackling the shopping and other errands, Explorer is up to the task.

TECHNOLOGY: Explorer not only helps make your drive more convenient, thanks to a host of available features, it can make accessing the rear cargo area simple with an innovative available liftgate.

GEAR UP AND GO. Whether loading gear or rafting the rapids, we are all adventure seekers. Hikers. And so much more. The destinations continually change. What really matters is the confidence to go. As well as the life-changing experiences shared along the way. Life is a Sport. We are the Utility. Be Unstoppable. The new 2017 Ford Escape.
Adventure isn’t only found “out there.” Sometimes, it’s right around the corner. Waiting to be discovered. Thankfully, the new 2017 Ford Escape can take you confidently to both. With its spacious, versatile interior and remarkable new features, Escape empowers you to live in the moment. Every day of the week.

Eye-catching new exterior lighting helps take you from pavement to picturesque with carefree confidence. The sculpted hood, dynamic new grille and athletic stance add adventure-bound appeal. A choice of 2 new EcoBoost® engines, plus advanced driver-assist technologies give you the freedom to pursue your passions.

Inside, the inspiration continues. SYNC® helps keep you connected to the world around you. A redesigned interior features room for up to 5, along with the cargo space to keep you ready for anything. So take a different route to work. Pull off at that scenic overlook — and take it all in. You never know what road will lead to your next great escape.

The standard S powerplant, like all Escape engines, is paired with a 6-speed automatic transmission with SelectShift™ capability.

This turbocharged, direct-injection engine, standard on SE and Titanium, has robust low-end torque and virtually no turbo lag. New paddle-shift technology enhances the driving fun on EcoBoost® models.

Expect quick torque delivery and improved responsiveness from this new, twin-scroll turbocharged, direct-injection engine. The twin-scroll design maximizes pulse energy to the turbine wheel for quick torque delivery when needed most – passing or merging onto a highway.

Enthusiastic drivers will appreciate the quick acceleration and the responsive nature of this engine. It’s designed to help reduce your dependence on gasoline, helping you meet your goals in an energy-efficient way.

**Auto Start-Stop Technology**, standard on EcoBoost engines, helps optimize fuel consumption and reduce emissions during stop-and-go city driving. The system will shut off the engine when you come to a complete stop, and seamlessly restart it when you release the brake pedal.

2017 Ford Escape | ford.com
Titanium leather-trimmed interior in Charcoal Black with available equipment. *Available feature. *SiriusXM audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change.

REDESIGNED AROUND YOU. Let the well-crafted interior of the new 2017 Escape elevate what you see, hear and touch. Enjoy fine materials and finishes. Calming noise isolation. Plus ample storage space, thanks to a new electric-assist parking brake that allows for an ergonomically placed gear shifter and new media bin at the base of the easy-to-navigate center console. Recharge your phones and tablets with up to 2 smart-charging USB ports! Power laptops and other small electronics with a covered 110-volt power outlet* that conveniently accepts a household-style plug. Listen to everything you love with SiriusXM® Satellite Radio.* Get over 150 channels including all kinds of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you’ll hear it all with a 6-month trial subscription to the All Access package, included with your new Escape. So you can rock your ride, plus listen anywhere online and on the SiriusXM app.
STYLED FOR ADVENTURE. Behind the solar-tinted glass of your fun-seeking Escape, you and your passengers will enjoy a spacious, well-appointed interior. A longer armrest on the center console is designed to help improve driving comfort, while a larger storage bin underneath easily stores today’s large phones. A new heated steering wheel helps take the chill out of early-morning adventures. New SE and Titanium Sport Appearance Packages offer partial leather-trimmed sport seats and striking black exterior accents, while Titanium models welcome you with standard 10-way power, heated, leather-trimmed front seats.
SYNC 3

In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you’ll love the easy-to-use interface of SYNC 3. An 8” color LCD screen displays phone, audio and navigation® features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.¹

SYNC Connect®

With a SYNC Connect equipped Escape, you can use FordPass® to track your vehicle’s location and remotely access features such as start, lock and unlock, and vehicle status including fuel level and approximate mileage. You can also schedule specific times to remotely start your Escape so it’s ready to hit the road as soon as you are.

SYNC AppLink

Use your voice to control some of your favorite compatible mobile apps (like Pandora® and iHeartAuto), thanks to standard SYNC AppLink.⁴

Siri Seamless Integration

Bring the power of Siri® into Escape with Siri Eyes Free, your paired iPhone® and a long press of the voice recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available. All you need is a Wi-Fi® connection.

¹Available feature. ²Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. ³SYNC Connect is standard on Titanium and included in the SE Technology Package (201A) and includes service for 5 years from the vehicle sale date as recorded by the dealer. FordPass is available through a free download via the App Store® or Google Play®; late availability Spring 2016. Message and data rates may apply. Service may be limited by mobile phone network coverage area. To learn more about where FordPass can take you, visit fordpass.com. ⁴SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. ⁵Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.
BOOST YOUR CURB APPEAL. Dress to impress with the new Sport Appearance Package, available on Escape SE and Titanium. Outside, gloss black-painted exterior accents complement 19" Ebony Black-painted aluminum wheels and front LED signature lamps for a look that’s sure to get noticed. Interior highlights include partial leather-trimmed sport seats along with a leather-wrapped shift knob and steering wheel. Inside and out, its standout style will surely be appreciated.

KICK-START YOUR ADVENTURES. With up to 68.0 cu. ft. of cargo space with the rear seat folded, Escape is your perfect partner for spur-of-the-moment adventuring. And accessing that space is easy thanks to its hands-free foot-activated liftgate. With your arms full and your Intelligent Access key located in a pocket or purse, just kick your foot under the bumper and the liftgate automatically opens or closes. You can even program the fully opened height to the position that works best for you.
VENTURE OUT WITH CONFIDENCE.

NEW Adaptive Cruise Control
Helps maintain your choice of speed and preset gaps from the vehicle in front of you. It can also alert you to a potential collision. If one is detected, adaptive cruise control and collision warning with brake support\(^1\) flashes a warning via a heads-up display on the windshield, sounds an alarm, and can pre-charge the brake system to provide full responsiveness when you do brake.

NEW Lane-Keeping System
Can detect lane markings and apply torque to the steering wheel if it senses your vehicle drifting unintentionally out of its lane. If needed, the Lane-Keeping System\(^2\) can also send gentle vibration pulses to the wheel to prompt you to steer back toward center.\(^2\) If it detects you’ve come too close to – or crossed – the markers multiple times, a Driver Alert System\(^1\) displays a coffee cup icon to suggest taking a break from driving.

BLIS (Blind Spot Information System)
Alerts you with a light in either sideview mirror\(^3\) if its radar sensors detect a vehicle in the corresponding blind spot. Cross-traffic alert, part of the system, notifies you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you slowly back out of a parking space. Either way, BLIS\(^5\) with cross-traffic alert\(^1\) helps keep you aware of things that may be just out of your line of view.

\(^1\)Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. \(^2\)Lane-Keeping System does not control steering. \(^3\)BLIS replaces standard integrated blind spot mirrors.
DON’T LET PARKING SLOW YOU DOWN.

In an Escape Titanium equipped with the Technology Package, carefree parking is right up your alley. Or street. Or parking garage. Thanks to the ultrasonic sensors and other advanced features of its Enhanced Active Park Assist System, parking reveals further talents of the new Escape. Whether looking for a perpendicular spot to back into or parallel parking, the system not only helps you find a suitable one, it steers the vehicle into place while you control the gear shifter, brake and accelerator pedals. The system also provides steering assistance when pulling out of a parallel parking space. So go ahead. Find your spot. You’ll be parked and on your way in no time at all.
PURSUE YOUR PASSIONS. When you want to escape, getting to your destination is half the fun. When equipped with the 245-hp 2.0L EcoBoost® engine¹ and Class II Trailer Tow Prep Package,³ Escape SE and Titanium models provide the power and capability to tow up to 3,500 lbs.⁴ of ATVs, dirt bikes, personal watercraft or whatever passions you pursue. And with trailer sway control² monitoring vehicle motions to detect trailer sway, do it with confidence, too. To help you maintain control of both your Escape and the trailer, the system can reduce engine speed and selectively apply the brakes if needed. Just one more way Escape helps you handle what the day may bring.

¹Tested with 93-octane fuel. ²Available feature. ³Requires 2.0L EcoBoost engine. ⁴When properly equipped. ⁵Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
With sure-footed standard FWD or the enhanced grip of Intelligent 4WD, Escape instills confidence in various road and weather conditions. With Intelligent 4WD, the system assesses those conditions about 20 times faster than the blink of an eye, readjusting as needed to deliver the right balance of handling and traction. Whether challenges include snow-packed roads, loose gravel, or even a sudden downpour, this on-demand 4WD system can help you keep your adventures on track.

Maintain your peace of mind with standard features like 7 airbags, and AdvanceTrac® with RSC® (Roll Stability Control™). Enhancing vehicle stability in a range of conditions, the system selectively applies individual brakes and modifies engine power to help keep all 4 wheels firmly planted.

1 Available feature. 2 Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

**Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

**Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

**Ford Protect Extended Service Plans.** Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

**Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3947 or visit us at fordip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

**Ford Original Accessories.** They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
