Do it all AND do it comfortably.

Whatever your day brings, Ford Expedition and Expedition EL are built to help you power through it with ease. There’s roomy seating for up to 8 and plenty of cargo space at the ready — up to 108.3 cu. ft. on Expedition and 130.8 on Expedition EL. New for 2014, the rear load-leveling suspension utilises a mechanical setup to optimize the vehicle’s ride height in response to changing load conditions. To assist with parking, the Forward Sensing System and standard Reverse Sensing System alert you to large, stationary objects detected in your intended path. And for increased confidence while towing, the integrated trailer brake controller balances the performance of the vehicle brakes and your electric trailer brakes. Go further in a 2014 Expedition.

Cargo and load capacity limited by weight and weight distribution. Available feature. Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details. When properly equipped.
Venture forth – confidently.

The 2014 Expedition puts 310 horsepower and 365 lb.-ft. of torque at your disposal, courtesy of its proven 5.4L V8 engine and 6-speed automatic transmission. It also has an EPA-estimated rating of 20 mpg hwy.¹ And flex-fuel capability means you can run it on gasoline, E85 or any blend of the two. When you encounter rough or uneven surfaces, each wheel of the fully independent suspension responds individually to help deliver a remarkably smooth ride. Control Trac® 4-wheel drive² makes it easy to dial in settings for 4x2, 4x4 AUTO, 4x4 HIGH and even 4x4 LOW. Its convenient 4x4 AUTO mode senses when Expedition is on a loose or slippery surface and automatically transfers power to the appropriate wheels for maximized traction.

¹EPA-estimated rating: 14 city/20 hwy/16 combined mpg. 4x2. Actual mileage will vary. ²Available feature.
Transport up to 8 – luxuriously.

Expedition makes it effortless with supportive leather-trimmed\(^1\) seats featuring a heated and cooled 1st row\(^1\) as well as a heated 2nd row.\(^1\) The standard 2nd-row 40/20/40 split-fold seat includes CenterSlide\(^\text{®}\) functionality and reclining seat backs. Or choose the roomy 2nd-row bucket seats\(^1\) for a convenient pass-through to the 3rd row. Either way, 3rd-row riders enjoy best-in-class\(^2\) leg room. Loading cargo? The power liftgate\(^1\) eases access to as many as 130.8 cu. ft. of space (Expedition EL). And the PowerFold\(^\text{®}\) 3rd-row seat\(^1\) (included on XLT Premium, Limited and King Ranch\(^\text{®}\)) folds flat with push-button simplicity. A power moonroof\(^1\) serves up gentle breezes, while the Cargo Management System (Expedition EL) adds to your serenity by helping to keep the area behind the 3rd-row seat neat and tidy.

\(^1\)Available feature. \(^2\)Class is Extended Utilities vs. 2013/2014 competitors. \(^3\)Cargo volume behind 3rd-row seat compared to regular length Expedition.
Command it — easily.

Voice-activated Ford SYNC™ with 911 Assist® delivers hands-free calls, Bluetooth®-streaming music and more with simple voice commands. Once paired, it can download your contacts and play music from your smartphone, MP3, USB or iPod®. Just touch a button on the steering wheel and say things like “Call: Melissa Miller” or “Play genre: Country.” SYNC AppLink™ lets you control Pandora®, iHeartAuto™ and select other apps by voice too. SYNC. Say the word.

SiriusXM Satellite Radio includes a 6-month trial subscription that brings you over 130 channels including commercial-free music, plus sports, news, talk, comedy and entertainment. Pair it with the voice-activated Navigation System,³ which includes SiriusXM Traffic and Travel Link as part of the trial, and you'll have the ability to look up fuel prices, check local and national weather, and get detailed information on traffic speed, accidents, construction and road closings. The vibrant LCD touch screen³ displays interactive maps you can zoom and scroll. Plus, this comprehensive system stores nearly 10 gigs of your digital music.

¹Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones. ²SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. ³Available feature.
Conquer challenging situations – calmly.

Expedition is engineered to assist you with twists, turns and so much more. Beneficial on all sorts of surfaces and in all kinds of weather. AdvanceTrac® with RSC® (Roll Stability Control™) helps you avoid skidding and fishtailing.1 Dual-stage front airbags, front-seat side airbags and our Safety Canopy® System, which includes a rollover sensor and 3-row side-curtain airbags, are all standard equipment. Adults can use MyKey® to help block calls and text messaging when young drivers take the wheel. And if an airbag deploys, Ford SYNc® with 911 Assist® can help by placing a call to a 911 operator.2 Strengthen your peace of mind with Expedition.

1Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated.
Expedition+EL Specifications

Standard Features

**Mechanical**
5.4L 3-valve V8 FFV engine
6-speed automatic transmission with tow/haul mode
4-wheel independent suspension
4-wheel power disc brakes with Anti-Lock Brake System (ABS)
28.0-gal. fuel tank capacity (33.5-gal. on Expedition EL)
Easy Fuel® capless fuel filler
Front skid plate (4x2 only)
Full-size spare wheel and tire
Non-limited-slip rear axle – 3.31 ratio (Expedition only); 3.73 ratio (Expedition EL only)
Variable-assist, power rack-and-pinion steering

**Seating**
1st-row bucket seats
2nd-row 40/20/40 split-fold seat with CenterSlide® (side-forward feature for center section); reclines and folds flat to floor in cargo mode

1. Optional (requires Leather Seating Package)
2. Optional on XLT (requires Leather Seating Package)

*Colors are representative only. See your dealer for actual paint/trim options.*
New Vehicle Limited Warranty. We want your Ford Expedition ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
