Thank you for your interest in the new **2015 Expedition**. Included in this brochure you’ll find information about:

**STYLE:** Its impressive capability is but one way the 2015 Ford Expedition makes its presence felt. Important as well is how it’s all wrapped in an envelope of eye-catching style. The new Expedition is designed to take its place on the road in a most compelling way.

**TECHNOLOGY:** The Ford Expedition offers convenience features from a system that makes accessing and starting your vehicle virtually effortless to advanced SYNC® connectivity that can put you in touch with life on the road with simple voice commands.

**CAPABILITY:** The Expedition seats up to eight passengers and hauls lots of cargo when called upon to do so. And it performs other tasks that many other passenger vehicles can’t, like towing a boat or trailer weighing up to 9,200 pounds when properly equipped.

**PERFORMANCE:** The new 3.5L EcoBoost® V6 delivers more power than the V8 it replaces. And it has higher EPA-estimated fuel economy ratings. New also are the unique ride quality features of the available Continuously Controlled Damping Suspension.

Empowers you like never before.

The 2015 Expedition and Expedition EL impress with sophisticated new exterior and interior styling, and a whole lot more. Featuring room for up to 8 and a wide array of new technologies, this Expedition lineup is designed to put you firmly in charge of every journey.

The most powerful and fuel-efficient Expedition ever offers up to 22 highway mpg thanks to its new state-of-the-art 3.5L EcoBoost® twin-turbocharged direct-injection engine and 6-speed SelectShift® automatic transmission.

With 55 more hp and 55 more lb.-ft. of torque than the outgoing engine, the EcoBoost contributes to more confident acceleration and passing performance, even while you’re towing up to a best-in-class 9,200 lbs.2

Already proven in extensive durability testing equivalent to 10 years of use in harsh environments, as well as in real-world use on our popular F-150 pickup, the 3.5L EcoBoost engine empowers the new Expedition to take you and your active family further.

Limited EL. Ruby Red Tinted Clearcoat Metallic. Available equipment.

1Standard 3.5L EcoBoost V6 engine with 365 hp and 420 lb.-ft. of torque. EPA-estimated rating of 16 city/22 hwy/18 combined mpg. Expedition 4x2. Actual mileage will vary. 2Class is Extended Utilities. When properly equipped.
Advances your adventures.

Ready to turn your family’s dream trip into a reality? So is the 2015 Expedition. Best-in-class 9,200-lb. towing capacity\(^1\) and standard trailer sway control are just the beginning. With class-exclusive features like a mechanical rear load leveling suspension\(^2\) and the progressive range select mode on its new 6-speed SelectShift\(^{®}\) automatic transmission, the new Expedition takes your travels to a whole new level.

When starting up an incline, whether in Drive or Reverse, new hill start assist helps by momentarily maintaining brake pressure until the engine delivers enough torque to move you uphill.

To further ease trailering, our integrated trailer brake controller\(^2\) balances the performance of the vehicle’s brakes and your electric trailer brakes.\(^3\) Center and distance guidelines on our full-color rear view camera display (shown at left on the new MyFord Touch\(^{®}\) screen) can help you align with hitches.

A class-exclusive new off-road display on the vibrant 4.2” color LCD screen empowers you with key information including the vehicle’s pitch angle, bank angle and wheel direction.

For increased off-road confidence, Expedition 4x4s\(^2\) get new Hill Descent Control\(™\) which helps maintain the vehicle’s speed on steep declines, so you can concentrate on maneuvering.

---

\(^1\)When properly equipped. \(^2\)Available feature. \(^3\)Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details.
Responds to your commands.

Voice-activated Ford SYNC® with 911 Assist® delivers hands-free calls, Bluetooth®-streaming music and more with simple voice commands. Once paired, it can download contacts and play music from your smartphone. It can also access your MP3 player, USB or iPod.® Just touch a button on the steering wheel and say things like “Call: Jamie at home” or “Play playlist: Vacation.” SYNC AppLink™ lets you control Pandora®, iHeartAuto,™ the SiriusXM® App and other select apps by voice, too. SYNC. Say the word.

Add an 8” color LCD touch screen and much more when you opt for SYNC with MyFord Touch®.3 New on Expedition for 2015, this voice-activated system also includes knobs and buttons below the 8” screen. With HD Radio™ Technology,³ simply touch the TAG shopping cart icon while a new favorite is playing and purchase it later with iTunes® tagging.

SiriusXM Satellite Radio lets you enjoy commercial-free music, plus sports, news, entertainment, and every premium channel with your 6-month All Access trial subscription.® The voice-activated Navigation System³ also includes a 5-year subscription to SiriusXM Traffic and Travel Link® services.³ These features provide detailed traffic information on accidents, construction, and road closures, plus local and national weather forecasts, fuel prices and more.

Rewards your party of 8.

Restyled outside and in, the new Expedition lineup comfortably supports your family and friends from one memory-making destination to the next. Heated and cooled 1st-row seats, heated 2nd-row seats, and luxurious leather trim are all standard on Limited, King Ranch® and Platinum. Choose the standard 2nd-row 40/20/40 split-fold seat with CenterSlide® functionality and reclining seat backs. Or go for roomy 2nd-row bucket seats with a pass-through to the 3rd row. Either way, your 3rd-row riders will enjoy best-in-class leg room.

Best-in-class max. cargo space of 130.8 cu. ft. (Expedition EL) and a flat load floor are easy to access with the power liftgate.

Our PowerFold® 3rd-row seat operates with push-button ease, allowing you to quickly switch from carrying people to transporting cargo and back again.

Pack more into Expedition EL thanks to its 42.6 cu. ft. of cargo space behind the 3rd row – the most of any vehicle in its class – and an adjustable Cargo Management System that can help you keep it organized.

Platinum EL. Brunello luxury leather trim.

1Cargo volume behind 3rd-row seat compared to regular length Expedition. 2Available feature. 3Behind 1st-row seats with the 2nd- and 3rd-row seats folded flat.

1 Available feature. 2 Driver-assist features are supplemental and do not replace the driver’s judgment. 3BLIS replaces standard integrated blind spot mirrors. 4 Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

*REVERSE & FORWARD®  SENSORS  ROLL STABILITY  3-ROW SAFETY CANOPY

Puts you firmly in charge.

You’re always thinking ahead. Assessing the scene. Ready to adapt. Much like the advanced technology engineered into the new Expedition. It’s designed with the goal of empowering you to live larger, sharing the best of life with your family and friends. And doing it all with confidence.

Enjoy its improved steering feel thanks to new electric power-assisted steering, which helps correct for road irregularities and smooths out minor vibrations.

Customize its suspension performance by setting the new continuously controlled damping® (CCD) to any of 3 drive modes (Normal, Comfort, Sport). Choose “Comfort” for a softer ride, or “Sport” for a more nimble, responsive driving experience. CCD is paired with new 22” polished aluminum wheels¹ on Limited, King Ranch® and Platinum.

Stay alert to traffic detected in blind spots as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to our BLIS® (Blind Spot Information System) with cross-traffic alert.¹² New to Expedition this year, it helps warn you using lights embedded in the sideview mirrors.³

Add to your peace of mind with the knowledge that AdvanceTrac® with RSC® (Roll Stability Control™) is standard on every Expedition. Beneficial on all surfaces and in various weather conditions, it helps you avoid skidding and fishtailing.⁴ For a comprehensive list of Safety & Security features, please turn the page.

¹Ford Licensed Accessory.
New Vehicle Limited Warranty. We want your Ford Expedition ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847 or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Extended Utilities), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an “as is” basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
