Delivers the extraordinary.

Ford Expedition + EL deliver the power, capability and space your adventures demand. As well as the government’s highest safety rating: a 2015 5-Star Overall Vehicle Score. New SYNC® 3 voice-activated technology adds to your feeling of empowerment. Take charge.
Advances your adventures.

Ready to turn your family’s dream trip into a reality? So is the 2016 Expedition. Its state-of-the-art 3.5L EcoBoost® twin-turbocharged direct-injection engine delivers 365 hp and 420 lb.-ft. of torque. Teamed with a 6-speed SelectShift® automatic transmission, Expedition has an EPA-estimated rating of 22 hwy mpg.2 Best-in-class max. 9,200-lb. towing capacity and standard trailer sway control are just the beginning. With features like a progressive range select mode on its transmission and class-exclusive mechanical rear load-leveling suspension, Expedition takes your travels to a whole new level.

When starting up an incline, whether in Drive or Reverse, hill start assist helps by momentarily maintaining brake pressure until the engine delivers enough torque to move you uphill.

To further ease trailering, our integrated trailer brake controller balances the performance of the vehicle’s brakes and your electric trailer brakes.5 Center and distance guidelines on our full-color rear view camera display (shown at left on the SYNC® 3 screen) can help you align with hitches.

A class-exclusive off-road display on the vibrant 4.2" color LCD screen empowers you with key information including the vehicle’s pitch angle, bank angle and wheel direction.

For increased off-road confidence, Expedition 4x4s get Hill Descent Control, which helps maintain the vehicle’s speed on steep declines so you can concentrate on maneuvering.
Rewards your party of 8.

The Expedition lineup comfortably supports your family and friends as you travel from one memory-making destination to the next. Heated and cooled 1st-row seats,2 heated 2nd-row outboard seats2 and luxurious leather trim2 are all standard on Limited, King Ranch® and Platinum. Choose the standard 2nd-row 40/20/40 split-fold seat with CenterSlide® functionality and reclining seat backs. Or go for roomy 2nd-row bucket seats2 with a pass-through to the 3rd row. Either way, your 3rd-row riders will enjoy best-in-class leg room.

Best-in-class max. cargo space of 130.8 cu. ft.1 (Expedition EL) and a flat load floor are easy to access with the power liftgate.2

Our PowerFold® 3rd-row seat2 operates with one-touch push-button ease, allowing you to quickly switch from carrying people to transporting cargo and back again.

Pack more into Expedition EL thanks to its 42.6 cu. ft. of cargo space behind the 3rd row – the most of any vehicle in its class – and an adjustable Cargo Management System that can help you keep it organized.

Platinum EL. Brunello luxury leather trim with perforated inserts.

1Cargo volume behind 3rd-row seat compared to regular-length Expedition. 2Available feature. 3Behind 1st-row seats with the 2nd- and 3rd-row seats folded flat. Cargo and load capacity limited by weight and weight distribution. Class is Extended Utilities.
Engages your connections.

Voice-activated SYNC\(^1\) technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word:

- **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.
- **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.
- **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say “Bluetooth\(^{\circ}\) audio” to stream content from your phone.
- **SYNC AppLink\(^{\circ}2\)** lets you control some of your favorite compatible mobile apps with your voice.
- **911 Assist\(^{\circ}3\)** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911, even if you can’t.

**Upgrade to SYNC 3:** Our next generation of voice-activated technology with an easy-to-use new design and features.

- **New hardware meets new software** on the easy-to-read LCD color screen that displays phone, audio and navigation\(^4\) functions.
- **High-speed performance** means you’ll experience quick responses to your commands. Plus, the capacitive touch screen includes convenient swipe and pinch-to-zoom features similar to your smartphone.
- **Enhanced voice recognition** lets you talk with simple, real-world voice commands and the system responds naturally to your voice.
- **Easy destination entry** feature within navigation\(^4\) helps you locate your favorite restaurants, nearest ATM and more.
- **Siri\(^5\) seamless integration** brings the power of Siri Eyes Free\(^5\) and your iPhone\(^{\circ}5\) into your vehicle.
- **Automatic updates over Wi-Fi\(^6\)** let you keep SYNC 3 up-to-date with the latest software as soon as new updates become available.

---

1Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.\(^1\)

2Available feature. SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software.\(^2\)

3The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911. If your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility.\(^3\)

4Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.\(^4\)

Connects with your world.

**SiriusXM® Satellite Radio** welcomes you to the World of SiriusXM! Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You’ll hear every channel available, plus you can listen online and on the SiriusXM app.

**Navigation** with SiriusXM Traffic and Travel Link® includes a 5-year complimentary SiriusXM Traffic and Travel Link® trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you’ll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com. 

Available feature.
The advanced technology engineered into the 2016 Ford Expedition helps you share the best of life with family and friends. And do it all with confidence, as the 2015 Expedition received the government's highest safety rating: a 5-Star Overall Vehicle Score.1

Enjoy its improved steering feel thanks to electric power-assisted steering, which helps correct for road irregularities and smooths out minor vibrations.

Customize its suspension performance by setting the continuously controlled damping (CCD)2 to any of 3 drive modes (Normal, Comfort, Sport). Choose “Comfort” for a softer ride, or “Sport” for a more nimble, responsive driving experience. CCD is paired with new 22” polished aluminum wheels2 on Limited, King Ranch® and Platinum.

Stay alert to traffic detected in blind spots as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS® (Blind Spot Information System) with cross-traffic alert.2,3 It helps warn you using lights embedded in the sideview mirrors.4

Add to your peace of mind with the knowledge that AdvanceTrac® with RSC® (Roll Stability Control™) is standard on every Expedition. Beneficial on all surfaces and in various weather conditions, it helps you avoid skidding and fishtailing.5 For a comprehensive list of Safety & Security features, please turn the page.

12015 Expedition. 2016 model year not yet tested. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA’s) New Car Assessment Program (www.safercar.gov). 2Available feature. 3Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. 4BLIS replaces standard integrated blind spot mirrors. 5Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Expedition+EL Specifications

Engine/EPA-Estimated Ratings* & Dimensions

3.5L EcoBoost® V6
- 365 hp @ 5,000 rpm²
- 220 lb.-ft. of torque @ 2,250 rpm²

New Vehicle Limited Warranty. We want your Ford Expedition ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP—the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Extended Utilities), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an “as is” basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
