ENLARGE YOUR TERRITORY. Whether on the town for a night or at the cottage for a week, we're all teammates. Connecting with each other — and our environment. Striving for the truly extraordinary. The destinations continually change. What really matters is the confidence to go. As well as the memory-making experiences shared along the way. Life is a Sport. We are the Utility. Be Unstoppable. The 2017 Ford Expedition.
ACCELERATION BECOMES EXHILARATION.

3.5L EcoBoost

Confidence generally builds over time. In Expedition, however, you get an exponential leap in self-assurance when you press the accelerator. With 365 horsepower and 420 lb.-ft. of torque, the surge from its twin-turbocharged, direct-injection 3.5L EcoBoost® engine grabs hold of you. Teamed with a 6-speed automatic transmission with SelectShift® capability, its power makes the drive just as much fun as the destination.

EPA-estimated rating:
15 city/21 hwy/18 combined mpg¹
Road Warrior
Get your cargo where it needs to go. With best-in-class max. 9,200-lb. towing capacity\(^1\) and systems to help keep that brawn in check: Hitch up easily – using the full-color rear view camera display – and head out. Even with a heavy load, the mechanical load-leveling rear suspension\(^2\) levels the chassis to help ensure a steady ride. Further balance comes from an integrated trailer brake controller that helps keep vehicle brakes and electric trailer brakes working together.\(^3\) When starting up an incline, hill start assist momentarily maintains brake pressure until the engine delivers enough torque to move you. Expedition advances your adventures.

Off The Beaten Path
A class-exclusive off-road display in the vibrant instrument cluster’s color LCD screen empowers you with key information: vehicle pitch angle, bank angle, wheel direction and more. For increased confidence, Expedition is equipped with Hill Descent Control\(^2,4\) which helps maintain vehicle speed on steep declines so you can concentrate on maneuvering.

The Name Says It All
Because of its capability, you may overlook the long list of appealing features that make this Expedition a King Ranch\(^\text{®}\). Until you experience them. Power-deployable Caribou-painted running boards extend to greet your feet when you open the door. Once inside, luxurious Mesa Brown leather trim with perforated seat inserts and choice woodgrain trim make every drive extra special. Exclusive King Ranch badging and 1st- and 2nd-row carpeted floor mats with embroidered King Ranch logo punctuate the perfection.
ROOM FOR EVERYONE. In Expedition, one of the best parts of any trip is the drive. So the fun starts as soon as you leave the driveway. Up front, the large center console features spacious storage room and includes 2 smart-charging USB ports to keep your mobile phones charged. Power-adjustable brake and accelerator pedals feature memory settings for 2 different drivers, as do the 10-way power, heated and cooled front bucket seats. And since you’re traveling with roomy seating for up to 8, friends can enjoy heated 2nd-row outboard seats and best-in-class 3rd-row leg room. To quickly switch from carrying people to transporting cargo and back again, the PowerFold® 3rd-row seat operates with one-touch push-button ease.

SiriusXM Satellite Radio

Listen to everything you love with SiriusXM®. Get over 150 channels including all genres of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you’ll hear it all with a 6-month trial subscription to the All Access package, included with your new Expedition. So you can rock your ride, plus listen anywhere online and on the SiriusXM app.

2017 Ford Expedition | ford.com
Platinum EL in Brunello luxury leather trim with perforated inserts and available equipment. *Cargo volume behind 3rd-row seat compared to regular-length Expedition. *Available feature. *SiriusXM audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. SYNC 3

In addition to all the voice-activated benefits of SYNC® – placing and answering calls, and controlling music from your devices – you'll love the easy-to-use interface of SYNC 3.* An 8" color LCD screen displays phone, audio and navigation features. Enhanced voice recognition lets you give simple commands. A capacitive touchscreen includes a convenient swipe feature, as well as pinch-to-zoom functionality within navigation.

Voice-Activated Navigation System

Includes a 5-year complimentary trial subscription to SiriusXM® Traffic and Travel Link® services. Global Positioning System (GPS) technology is combined with available 3-D mapping and provides voice-guided turn-by-turn directions. You'll get detailed traffic information, plus current and forecasted weather and fuel station locations and prices.

SYNC AppLink

Use your voice to control some of your favorite compatible mobile apps (like Pandora® and iHeartAuto), thanks to standard SYNC AppLink™.

Siri Seamless Integration

Bring the power of Siri® into Expedition with Siri Eyes Free® your paired iPhone® and a long press of the voice-recognition button on the steering wheel.

Automatic Updates Over Wi-Fi

Keep SYNC 3 current with the latest software as new updates become available. All you need is a Wi-Fi® connection.

<td>You’ve got the power and space you want. Now get the ride feel that suits you by setting the continuously controlled damping (CCD) suspension(^1) to any of 3 drive modes. Select Normal for everyday driving, or Comfort for a softer ride on a mellow Sunday cruise. Expedition really shows off its great handling when you switch to Sport mode. CCD is paired with 22&quot; polished aluminum wheels(^1) on Limited, King Ranch(^\textregistered) and Platinum.</td>
<td>Add to your peace of mind with the knowledge that AdvanceTrac(^\textregistered) with RSC(^\textregistered) (Roll Stability Control(^\textregistered)*(^2)) is standard on every Expedition. Providing enhanced vehicle stability in a wide range of conditions, the system selectively applies individual brakes and modifies engine power to help keep all 4 wheels firmly planted.</td>
<td>Alerts you with a light in either sideview mirror(^3) if its radar sensors detect a vehicle in the corresponding blind spot. Cross-traffic alert, part of the system, notifies you with a beep and a warning light in your sideview mirror if it detects a vehicle approaching either side as you slowly back Expedition out of a parking space. Either way, BLIS(^\textregistered) with cross-traffic alert(^*)^(^4) helps keep you aware of things that may be just out of your line of view.</td>

\(^1\) Available feature.

\(^2\) Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

\(^3\) BLIS replaces standard integrated blind spot mirrors.

\(^4\) Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.
Fine appointments. Built-in capability. The 2017 Expedition Platinum can take you from a night on the town to a cabin in the woods. With utmost ease and complete confidence. Your calling card for luxurious adventure, its polished stainless, power-deployable running boards, 22" polished aluminum wheels and unique accents on its grille and liftgate appliqué offer a preview of the elegance that awaits inside.

A voice-activated Navigation System puts you in command of your surroundings in this luxurious cockpit. Soft ambient lighting, a power moonroof and luxury leather-trimmed seats in Brunello or Ebony with stitched PLATINUM lettering bring richness to this spacious interior. As does the leather-wrapped steering wheel and center console armrest with Agate stitching. Whatever the conditions outside, Platinum helps ensure you’ll be comfortable inside.

TAKE CHARGE OF YOUR ADVENTURES.
When people say they love their vehicle, it's often the unexpected features that steal their heart. In Expedition, it's easy to get attached to stargazing out of its power moonroof or recharging your portable devices with its 110-volt/150-watt capacity AC power outlet. And not only does the standard 2nd-row 40/20/40 split-fold seat fold completely flat, its Center Slide® functionality can move the middle section forward almost 11", giving you easy access to a child seat. And of course, there is the space. With best-in-class max. cargo space of 130.8 cu. ft. on Expedition EL, don't spend time worrying about what you have to leave behind. There are plenty of ways to creatively stow all your stuff, including a Cargo Management System behind the rear seat that can be positioned as either a cargo shelf or a divider.
YOUR DREAM ROAD TRIP.

The advanced technology engineered into Ford Expedition helps you share the best of life with family and friends. And do it all with confidence, as the 2016 Expedition received the government’s highest safety rating: a 5-Star Overall Vehicle Score.\(^1\) AdvanceTrac\(^\text{®}\) with RSC\(^\text{®}\) (Roll Stability Control\(\text{™}\))\(^2\) is working hard while you trek out to your favorite getaway, detecting and correcting skidding or fishtailing – even on tricky road surfaces. And the patented Safety Canopy\(^\text{®}\) System has rollover sensing and can deploy the side-curtain airbags when needed.

Since the driver has the most important job, helpful MyKey\(^\text{®}\) technology allows you to program ignition keys with reminders to drive at appropriate speeds, keep the audio volume low and much more. A full-color rear view camera keeps you in touch with activity behind you when you’re in Reverse.\(^3\)

\(^1\) 2016 Expedition. 2017 model year not yet tested. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA’s) New Car Assessment Program (www.safercar.gov).

**Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

**Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

**Ford Protect Extended Service Plans.** Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

**Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3947, or visit us at fordinsurance.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

**Ford Original Accessories.** They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
