Click here for a video introduction to the 2014 Ford Explorer.

Class is Large Utilities vs. 2013 competitors. EPA-estimated rating: 20 city/28 hwy/23 combined mpg, 2.0L EcoBoost, FWD. Actual mileage will vary.

Terrain-conquering capability AND class-leading highway mpg.

Explorer Sport. Get in and break out.

A grin-inducing 365 hp and 350 lb.-ft. of torque – best in its class among V6 engines.¹ An EPA-estimated rating of 22 mpg hwy.² This seriously exhilarating set of numbers comes courtesy of our twin-turbocharged, direct-injected 3.5L EcoBoost® V6 engine. For precise control, Sport also features our 6-speed SelectShift® automatic transmission with racing-inspired paddle shifters. “SPORT” 20” wheels, “EXPLORER” lettering atop its Ebony Black grille, blackout-treatment headlamps and taillamps, an Ebony Black liftgate appliqué, and a well appointed, uniquely leather-trimmed interior establish its signature style. All of it rides on a fully independent sport-tuned suspension with an upgraded front strut tower support, and wider wheels for top-of-the-line performance. Explorer Sport is a standout. Inside and out.

¹Class is Large Utilities vs. 2013 competitors. Figures achieved using 93-octane premium unleaded fuel.²EPA-estimated rating: 16 city/22 hwy/18 combined mpg. 3.5L EcoBoost, 4WD. Actual mileage will vary.
Stay calm and tow steady.

High winds, steep grades and other common towing challenges are no match for Explorer. To help you maintain control of both the vehicle and the trailer, standard trailer sway control automatically reduces engine speed and selectively applies the brakes if trailer sway is detected. Standard hill start assist is particularly useful at traffic lights and on boat launch ramps. It helps prevent the vehicle from rolling downhill when you transition from the brake to the accelerator, whether you’re negotiating an incline in Drive or in Reverse. Pairing the Class III Trailer Tow Package with the 3.5L EcoBoost or the standard 3.5L Ti-VCT V6 engine empowers Explorer to tow up to 5,000 lbs.

Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. Available feature. When properly equipped.
Turn the dial and keep going.

Challenging conditions? Simple solution: Just turn the dial to match the scene outside. Our highly capable Terrain Management System™ is paired with Intelligent 4WD¹ to give you seamless shift-on-the-fly confidence. It’s one more way Explorer inspires adventure.

¹Available feature.
Power up and experience more.

With our state-of-the-art 2.0L EcoBoost® I-4 engine, Explorer has the best highway fuel economy of any non-hybrid engine in its class.¹ A 6-speed automatic transmission helps this turbocharged, direct-injection powerhouse deliver plentiful low-end torque for acceleration and passing. The 2.0L is also rated for outstanding fuel economy while cruising. So it’s spirited and smart, responding to your changing driving style as needed. Make the most of every drive with EcoBoost.

¹Available feature. ²EPA-estimated rating of 20 city/28 highway/23 combined mpg. 2.0L EcoBoost, FWD. Class is Large Utility vs. 2013 competitors. Actual mileage will vary. ³Figures achieved using 93-octane premium unleaded fuel.
Speak and it listens.

Voice-activated Ford SYNC® with 911 Assist® delivers hands-free calls, music and more in response to simple voice commands. Once paired, it can download your contacts and play music from your phone, MP3, USB or iPod®. Just touch a button on the steering wheel and say things like “Call: The cabin” or “Play playlist: Road trip.” SYNC AppLink™ lets you control Pandora®, iHeartAuto™, MLB.com At Bat®, and select other apps by voice too. SYNC. Say the word.

© 2015 Ford Motor Company. SYNC and the SYNC logo are registered trademarks of Ford Motor Company. Ford is registered trademark of Ford Global Services Inc. Other products and services may be trademarks or registered trademarks of their respective owners. © Microsoft Corporation. All rights reserved. SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software.
Touch and it responds.

Via the 8" LCD touch screen on SYNC®1 with MyFord Touch®, Simple graphics make it easy to control your phone, entertainment, navigation2 and climate. SiriusXM Satellite Radio2 includes a 6-month trial subscription that brings you over 130 channels including commercial-free music, sports, news, talk, comedy and entertainment. Pair it with the voice-activated Navigation System,2 which includes SiriusXM Traffic and Travel Link as part of the trial, and you’ll have the ability to look up fuel prices, check local and national weather, and get detailed information on traffic speed, accidents, construction and road closings. The 12-speaker Audio System from Sony®2 features HD Radio™ Technology and even lets you “Tag” songs for purchase later at the iTunes® Store.

1Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2Available feature.
Gather up to 7 and treat them well.

You and your family will travel in style and luxury inside Explorer Limited. Standard leather-trimmed seating features environmentally friendly, supportive, soy-based foam in the seat cushions and seat backs to help conserve limited resources and reduce CO₂ emissions. Up front, 10-way power heated and cooled seats¹ take your comfort to extremes, while heated outboard seats are standard in the 2nd row on Limited this year. A dual-panel moonroof¹ fills the cabin with light. Featuring the most 2nd-row head room in its class² and unsurpassed 3rd-row leg room, this graceful and carefully crafted space is sure to please one and all.
Equip it to go and do what you like.

Bulky sports equipment? No problem thanks to the flexible seating inside Explorer. With the standard 2nd-row 60/40 split seat and the class-exclusive PowerFold® 3rd-row seat folded flat, you can pack up to 80.7 cu. ft. of gear in back. And even with all rows occupied, you can still stow 21.0 cu. ft.² of cargo in the extra-deep space behind the 3rd-row seat. Treat 2nd-row riders to comfy bucket seats¹ with a pass-through to the 3rd row. Or add the 2nd-row center console¹ for more storage. A power liftgate¹ eases access. And a 110-volt power outlet¹ recharges all sorts of devices. Your needs change. Explorer adapts.

¹Available feature. ²Including rear seat well.
Let it assist you here and there.

With its advanced technologies, Explorer can help you parallel park, avoid collisions and more. Class-exclusive active park assist helps you find a spot, then steers the vehicle into place as you control the gear shifter, and brake and accelerator pedals. BLIS® (Blind Spot Information System) with cross-traffic alert uses lights embedded in the sideview mirrors to warn of traffic detected in blind spots as you’re driving forward or traffic nearing either side of the vehicle as you’re slowly backing up. Adaptive cruise control and collision warning with brake support flashes a warning on the windshield, sounds an alarm, and preps the braking system to help if a potential front-end collision is detected. The Lane-Keeping System detects lane markings with a forward-facing camera and shudders the steering wheel to prompt you to steer back toward center if needed — a friendly reminder.

Lane-Keeping System does not control steering. Driver-assist features are supplemental and do not replace the driver’s judgment.

1Available feature. 2Class is Large Utilities vs. 2013 competitors. 3BLIS replaces standard integrated blind spot mirrors.
Relax and travel confidently.

Explorer has earned a “Top Safety Pick” from the Insurance Institute for Highway Safety (IIHS) 3 years in a row (2011-2013). And it’s no wonder. In addition to 7 standard airbags, Explorer offers inflatable rear safety belts¹ in its 2nd-row outboard seating positions — the first of their kind in automotive production. Standard Curve Control helps reduce the vehicle’s speed by up to 10 mph in approximately 1 second if it senses you’re taking a curve too quickly.² Please turn the page for a comprehensive list of Safety & Security features engineered into every 2014 Explorer.

¹Available feature. ²Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
**Explorer Specifications**

### Standard Features

**Mechanical**
- 4-wheel disc Anti-Lock Brake System (ABS)
- 18.6-gallon fuel tank
- Cruise control
- EasyFuel® capless fuel filler
- Electric power-assist steering
- Hill start assist
- Independent front and rear suspension
- Trailer sway control

**Seating**
- 1st-row bucket seats
- 2nd-row 60/40 split fold-flat seat with fore/aft adjustable 40 section
- 3rd-row 50/50 split fold-flat seat

**Interior**
- 1st-, 2nd- and 3rd-row dome/map lights
- 1st-row center console with armrest and storage
- 12-volt powerpoints (2 in 1st row, 1 in 2nd row and 1 in rear cargo area)
- Accessory delay for power features
- Adjustable driver and front-passenger sun visors with covered vanity mirrors
- Air conditioning with auxiliary rear controls
- Cabin air filter

**Cargo Area**
- Cargo area hooks
- Front passenger (1) and B-pillar (2) assist handles
- Load floor tie-down hooks
- Overhead console with sunglasses holder
- Power door locks
- Power windows
- Rear-window defroster
- STEERING wheel-mounted cruise, audio, and 5-way MyFord® controls (2)
- TILT/telescoping steering column

**Exterior**
- Automatic headlamps
- Bi-functional projector-beam halogen headlamps
- Dual chrome exhaust tips
- LED taillamps
- Power sideview mirrors with integrated blind spot mirrors
- Privacy glass (rear doors, rear quarter windows, and roof)
- Rear spoiler
- Roof-mounted antenna
- Windshield wipers – Front: speed-sensitive, variable intermittent with washer; rear: 2-speed with washer

**Interior Light Kit**
- Accessory delay for power features
- Adjustable driver and front-passenger sun visors with covered vanity mirrors
- Air conditioning with auxiliary rear controls
- Cabin air filter

**Engines/EPA-Estimated Ratings & Dimensions**

**3.5L Ti-VCT V6**
- 290 hp @ 6,500 rpm
- 255 lb.-ft. of torque @ 4,000 rpm
