BUILT FOR LIFE’S ADVENTURES.

The name says it all: EXPLORER. And it does just that—empowering adventure-seekers and active families to pack up their gear, load up the gang, and head out. When the 4-door Explorer and 2-door Explorer Sport debuted nearly 3 decades ago, these category-defining vehicles created a new way to travel. Since then, more Explorers have been sold over the last 29 years than any other SUV.1

In that time, you’ve shared your experiences with us. And we’ve taken that input to heart. Your needs, wants and desires helped us craft this latest generation of the SUV that started it all. And as with those that came before it, we poured our passion, expertise and knowledge into building an Explorer that’s made for you—and your family. By everyone within ours.

Introducing the all-new 2020 Ford Explorer.
AMERICA’S ALL-TIME BEST-SELLING SUV: ALL-NEW AND BETTER THAN EVER.

ALL-NEW RWD OR 4WD

Rear-wheel drive. 4-wheel drive.
Dynamic on- and off-road capability (with available Intelligent 4WD), exceptional towing capacity, and the most spacious Explorer interior yet are just some of the reasons we switched the 2020 Ford Explorer to a new RWD architecture.

DISTINCT MODELS

6 Take your badge-shaped grilles, responsive handling, and confident performance on every drive.

SPEED TRANSMISSION

10 2.3L EcoBoost engine exclusively. Available adaptive cruise control.

DRIVE MODES

6 Let you match the mode to the road. Available 4WD with Terrain Management System® features 7 Selectable Drive Modes (including a Deep Snow/Sand mode). RWD models have 5 modes.

4 POWERTRAIN CHOICES

Choose the one that best suits you. Then mix and match with the all-new Explorer.

EXPLORER HYBRID AND LIMITED HYBRID APPROXIMATE RANGE OF 500 MILES PER TANK

EXPLORE THE BREAKTHROUGH HYBRID POWERTRAIN

You won’t need an extra tank. The available 18-gallon tank should do the trick, with the hybrid helping you drive farther between fill-ups.

WHEELS

THE MOST POWERFUL EXPLORER EVER

ST | Available 21" Aluminum Wheels

400 HP

REAR-WHEEL DRIVE

4-WHEEL DRIVE
12.3" DIGITAL INSTRUMENT CLUSTER

12.3" Digital Instrument Cluster lets you configure the look and function of the gauges you use most frequently. The 7 Selectable Drive Modes of the Terrain Management System™ are confirmed here by beautiful 3D animation.

10.1" LCD CAPACITIVE PORTFOLIO TOUCHSCREEN

10.1" LCD Capactive Portrait Touchscreen provides quick, responsive interaction to your voice or touch prompts. This stunning focal point makes it easy to view navigation map details. Maps (with pinch-to-zoom capability) can fill the entire screen, or the space can be split with audio or incoming call information.

HIGH-PERFORMANCE SPEAKERS

High-Performance Speakers can transform 680 watts of digitally processed sound from the available B&O Sound System into pure audio bliss.

DEVICES

12.3" Digital Instrument Cluster
10.1" LCD Capactive Portrait Touchscreen

SCHEDULE YOUR MASSAGE

Schedule your massage. Available multicontour front seats with Active Motion® provide comfort and stress relief with 5 different massage themes, each with 3 levels of intensity.

DIAL IN SIMPLICITY

Dial in simplicity. A simple turn of the nicely calibrated rotary gear shift dial moves the 10-speed automatic transmission easily from Park to Reverse to Drive.

GO WIRELESS

Go wireless. An available wireless charging pad positioned conveniently in front of the center console armrest lets your phone charge cord-free, yet stay within reach.

Topics: Ebony/Brunello luxury leather interior. Available equipment. FordPass Connect (optional on select vehicles), the FordPass™ App, and Complementary Connected Services are subject to terms. See FordPass Terms for details. Connected Services depend on compatible AT&T network availability. Connected Services exclude Wi-Fi hotspot. Don't drive distracted or while using handheld devices. Use voice controls. Qi wireless charging may not be compatible with all mobile phones.
AS SPACIOUS AS IT IS SOPHISTICATED.

The all-new 2020 Explorer offers a more spacious interior with increased cargo space compared to the previous generation. With seating for up to 7 passengers in all 3 rows will benefit, Explorer has best-in-class 1st- and 2nd-row legroom and 2nd-row head room. While 3rd-row passengers enjoy unsurpassed head room. Should someone unbuckle their safety belt, a new Belt Monitor System will alert the driver as to which belt is unbuckled through the instrument cluster productivity screen. And thanks to a new dual-wall dash floor between the engine and passenger compartments, as well as acoustic glass for the windshield and 1st-row windows, everyone will enjoy the quietest Explorer cabin ever.

CLEAN IT EASILY

Place muddy or dirty items on the washable side of the available reversible load floor. Then simply remove it and wash it clean with ease.

STAY CHARGED

Up to 9 available powerpoints, including 2 new USB-C outlets, are located throughout the Explorer interior to help keep everyone’s devices charged and ready to go.

KICK BACK TO RELAX

Available 2nd-row captain’s chairs slide and recline and, on Limited and above, are heated. A “step-over” console between them keeps access to the 3rd-row clear.

MAX. INTERIOR DIMENSIONS [inches]

| 1st / 2nd / 3rd row | Head room: 40.7 / 40.5 / 38.9 | Leg room: 43.0 / 39.0 / 32.2 | Hip room: 59.1 / 59.1 / 48.9 | Shoulder room: 61.8 / 61.9 / 54.6 |

FOUR ENGAGING CHOICES.
ONE PUSH FOR ADVENTURE.

ENHANCED 3.0L ECOBOOST V6

THE MOST POWERFUL EXPLORER EVER
Your focus: commanding the 3.0L EcoBoost V6 specially tuned by engineers at Ford Performance to deliver best-in-class V6 horsepower and torque. Your sweet spot: behind the leather-wrapped sport steering wheel in Explorer ST. Your family: very lucky.

Standard on ST

REFINED POWER
Merging onto the highway. Or passing on a two-lane. You have the capability you need, whenever you need it. Twin turbocharging and direct-injection technology help the 3.0L EcoBoost V6 generate virtually instantaneous power on demand.

Standard on Platinum

HYBRID RANGE — NO HYBRID COMPROMISE
Going the distance? You’ve found your kindred spirit. Explorer Hybrid RWD has an EPA-estimated range of over 500 miles per tank. And with 322 lb.-ft. of total combined system torque, it can tow up to 5,000 lbs.” Between the 3.3L V6 Ti-VCT engine and torque converter, a powerful electric motor within the 10-speed transmission provides electric drive. So there’s no need to compromise.

Standard on Limited Hybrid

ALL-AROUND PERFORMER
The versatility of Explorer is matched by the 2.3L EcoBoost. Its 16-valve DOHC design features a twin-scroll turbocharger, cast-aluminum pistons, and an overboost function that lifts output on every gear change. Plus, more horsepower, 2,300 lbs. more towing capacity, and a better EPA-estimated fuel economy rating than the previous generation.”

Standard on Explorer, XLT and Limited

EPA-ESTIMATED RATINGS: CITY/HWY/COMBINED MPG

Limited. Atlas Blue. Available equipment. *Actual mileage and range will vary, 18-gallon tank. EPA-estimated ratings of 27 city mpg/24 hwy mpg/28 combined mpg. **When properly equipped with Class III Trailer Tow Package. Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. **Actual mileage may vary. 2019 EPA-estimated ratings of 18 city mpg/24 hwy mpg/22 combined mpg. **2019 EPA-estimated ratings of 19 city mpg/27 hwy mpg/22 combined mpg. **2019 EPA-estimated ratings of 18 city mpg/24 hwy mpg/22 combined mpg. **Engine. **Actual mileage will vary. Horsepower/torque ratings based on premium fuel E15. **5.200 lbs. of total combined system torque. **Between the 3.3L V6 Ti-VCT engine and torque converter, a powerful electric motor within the 10-speed transmission provides electric drive. So there’s no need to compromise. **EPA-estimated fuel economy rating than the previous generation. **Torque, horsepower, towing and EPA-estimated fuel economy ratings are independent attributes and may not be achieved simultaneously.
MATCH YOUR MODE TO THE ROAD.

Create the ride experience you desire, or the one that conditions demand, with Selectable Drive Modes. Rear-wheel-drive Explorer models offer 6 modes. Available Intelligent 4WD with the Terrain Management system offers 7 modes you can switch between with the turn of a dial. Visual confirmation on ST and Platinum models comes in the standard 12.3" digital instrument cluster. 3D animations (shown) change based on which drive mode is selected.

- **Normal**: You'll probably spend the most time here. Ideal for everyday driving on wet or dry paved roads. A balance of excitement and convenience.
- **Sport**: Increases throttle response, provides quicker shifts for a more aggressive feel, and alters the transmission shift schedule to hold shifts longer for improved acceleration. For more "sporty" on-road driving.
- **Tow/Haul**: Moves upshifts to higher engine speeds to reduce the transmission shift frequency when towing. It also provides engine braking in all forward gears to slow the vehicle and assist in control when descending a grade.
- **Slippery**: For better handling on surfaces covered with ice, water, grass or gravel. This mode adjusts the pedal response and traction control.
- **Eco**: Exactly as it sounds. Helps maximize efficiency and increase driving range.
- **Snow/Sand**: Increases throttle response, provides quicker shifts for a more aggressive feel, and allows the transmission to hold shifts longer to help Explorer accelerate faster when shifting. For more "sporty" on-road driving.
- **Trail**: Adjusts the transmission shift schedule, pedal progression, traction control and driveline configuration for better handling on muddy, rutted, soft or uneven terrain.
- **Select**: Matches the transmission shift schedule, pedal progression, traction control and driveline configuration for the ride experience you desire, or the one that conditions demand.
**FORD CO-PILOT360™ TECHNOLOGY READY WITH AN ASSIST.**

From the driveway to the highway, our standard and available driver-assist features are designed to help you feel confidently in command. Even more inspiring, the all-new 2020 Ford Explorer has more available driver-assist features than any other vehicle in its class.

**FORD CO-PILOT360™**
Standard on every 2020 Explorer

**PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING**
We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don’t take action, brakes can apply automatically. It’s designed to only activate when needed.

**BLIS® WITH CROSS-TRAFFIC ALERT**
Changing lanes demands your full attention. BLIS (Blind Spot Information System) can alert you to vehicles detected in your blind spots. Cross-Traffic Alert helps by detecting and alerting you to traffic behind your vehicle as you’re slowly backing up.

**LANE-KEEPING SYSTEM**
It happens. Listening to your favorite podcast, you wander too close to your lane’s edge. Our Lane-Keeping System can help by detecting a moment of distraction. If you drift out of your lane, it directs you with swerving wheel torque to return, and can also alert you through vibration pulses. Show a few times, and a coffee cup icon can remind you to take a break.

**AUTO HIGH-BEAM HEADLAMPS**
Sound familiar? You turn on high beams entering a dark stretch of road – then forget to turn them off as traffic approaches. Auto High-Beam Headlamps can detect poor lighting and switch them on for you. They can also sense oncoming headlamps and dim automatically for other drivers.

**ACTIVE PARK ASSIST 2.0**
Never pass up a potential parking space again. Active Park Assist 2.0 makes it easy to park time after time – even in tight parallel or reverse perpendicular spots. After the system locates a potential spot, all you have to do is brake to a complete stop, shift into Neutral and hold down the Active Park Assist button – Explorer takes care of the rest. Park Out Assist with side-sensing capability can help you confidently navigate out of a spot when someone’s parked too close.

**REAR VIEW CAMERA**
Backing up requires a little multitasking. Our Rear View Camera helps by providing a great view of what’s behind your vehicle. It also helps when you’re hooking up a trailer. A washer helps keep the camera free of debris (like dirt or snow), helping you navigate Reverse clearly and with more confidence.

**360-DEGREE CAMERA**
True to its name, the 360-Degree Camera with Split View Display lets you see around Explorer, from every side. Very helpful while centering in a parking spot or while navigating a tight section of trail.

**INTELLIGENT ADAPTIVE CRUISE CONTROL**
This next-level cruise control system helps keep you just the right distance from the vehicle ahead (while the traffic ahead has slowed or stopped). When things clear, it can resume your set speed. Lane Centering helps keep Explorer between the lines, while new Speed Sign Recognition can “read” posted speed limit signs and adjust the set speed to those limits.

**EVADE STEERING ASSIST**
We’ve all experienced it: Traffic rolling along smoothly when suddenly, a vehicle in your path is stopped. To help avoid potential collision, Evade Steering Assist can provide extra assist to help you quickly clear your path.

**VOICE-ACTIVATED NAVIGATION**
Taking the wrong exit can put a serious dent in your day. Stay confidently on course with our Voice-Activated Touchscreen Navigation System, which features SiriusXM Traffic and Travel Link® services to help you avoid traffic, find fuel (gas or java), and so much more.

**INTELLIGENT HEADLAMP CONTROL**
Available equipment shown. Other features may be supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions and does not replace safe driving. See owner’s manual for system limitations. "Lane Keeping System does not control steering. If stop is longer than 3 seconds, driver must intervene and press "RSC", "hazard" or accelerator pedal to resume system operation." Evade Steering Assist does not control steering. Certain restrictions, 3rd-party terms and data rates may apply. See footnote 1 on the "Your Tech, Your Way" pages, and your Ford Dealer for details.

**ADDITIONAL TECHNOLOGY**

**REVERSE BRAKE ASSIST**
Helps give you more confidence backing up. If you don’t notice a hazard on the Rear View Camera view, Reverse Brake Assist can automatically apply the brakes to prevent a potential collision.

**PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING**
We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don’t take action, brakes can apply automatically. It’s designed to only activate when needed.

**BLIS® WITH CROSS-TRAFFIC ALERT**
Changing lanes demands your full attention. BLIS (Blind Spot Information System) can alert you to vehicles detected in your blind spots. Cross-Traffic Alert helps by detecting and alerting you to traffic behind your vehicle as you’re slowly backing up.

**LANE-KEEPING SYSTEM**

YOUR TECH, YOUR WAY.

With seating for up to 7 and Wi-Fi hotspot capability, Ford Explorer welcomes a vast array of smartphones, tablets, gaming systems and computers along for the ride. Plus, you can tap into the best in music, sports, comedy, news and talk with SiriusXM inside your vehicle and on the go, with a 6-month All Access trial subscription. With our available Voice-Activated Touchscreen Navigation System, you’ll also enjoy a 5-year subscription to SiriusXM Traffic and Travel Link services.

COMMAND IT

With your voice and your choice of display, SYNC® 3 voice-activated technology connects your tech with your Explorer. SYNC 3 AppLink® (shown) gives you voice control of compatible mobile apps like Waze and Ford+Alexa. Use your phone’s familiar interface on the big screen, take advantage of compatibility with Apple CarPlay® for your iPhone® or Android Auto® for your Android™ smartphone.

CONTROL IT

Monitor and control your vehicle in incredibly powerful ways using the FordPass™ App alone or with FordPass Alexa Skills® or FordPass Action through Google Assistant® when equipped with FordPass Connect™. Complimentary remote features let you start, lock and unlock your vehicle from just about anywhere, including right from your wrist with your Apple Watch. Use your app to find your vehicle, schedule starts, find parking, and check fuel and fluid levels. When you need important vehicle information, like Vehicle Health Alerts, service history and Warranty info, the FordPass App puts it at your fingertips. And, when it’s time to bring your vehicle in for service, the app makes scheduling easy. Enjoy access to convenient services like Key by Ford in-Car Delivery and peace of mind knowing roadside assistance is just a call or e-request away.

CONNECT IT

Within vehicle Wi-Fi. Before the mud dries on your boots, you and your road-trip companions can be posting adventure videos through FordPass Connect® with 4G LTE Wi-Fi hotspot capability. Its powerful antenna provides the ability to connect up to 10 devices at once — inside of Explorer and up to 50’ away.

Available equipment shown. All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees, content and features are subject to change. SiriusXM satellite service for 2020 model-year Ford vehicles is not available in Puerto Rico; SiriusXM streaming service is available for purchase.

Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are available on all vehicles; optional features must be ordered before delivery. Certain devices may not be compatible with SYNC. SYNC and FordPass Connect are not available in all vehicles. Features and specifications/limitations may vary by vehicle. Alexa requires available SYNC 3 AppLink. Certain Alexa functionality is dependent on smart phone and home technology. Alexa requires device with compatible software. Alexa functionality is limited. For details visit Amazon.com/alexa and SyncMyRide.com.

FordPass Connect, the FordPass App, and Complimentary Connected Services are available on vehicles with FordPass Connect (see FordPass Terms for details). Connected Features and functionality are subject to the terms and conditions in the FordPass Terms. Other fees, terms and requirements may apply. FordPass Connect service requires a data plan. Complimentary data is available for 12 months after vehicle purchase or activation of paid service plan. Message and data rates may apply. Check your availability at https://amzn.to/2JnYMtz.

Roadside assistance is included for certain owners and available to everyone for a per-service fee.

Don’t drive while distracted or while using handheld devices. Use voice controls.
Each day starts a new adventure. Often, multiple adventures. We designed Explorer to quickly adapt. Home improvement project to start the morning? Achieve maximum cargo room by folding the 2nd- and 3rd-row seats flat. Afternoon foursome? Explorer can accommodate 4 sets of golf clubs behind the folded 3rd-row seats. With the available PowerFold feature, folding them down is as simple as pressing a button. Whatever the day brings, Explorer adapts right along with you.
In meticulously recrafting Explorer, we took notes and gathered suggestions from our toughest critics—you. Poring over chat rooms and social media posts, Ford engineers also hosted field clinics and forums to find out what you loved—and what you didn’t—about previous Explorer models. By focusing on your needs, we devised solutions like these to elevate your 2020 Explorer experience to a whole new level of satisfaction.

- **Enhancements Inspired by You.**

- **Available 1st-Row Sunblinds**
- **E-Z Entry 2nd-Row Seats**
- **Available 2nd-Row USB and USB-C Charge Ports + Available 110V/150W AC Power Outlet**
- **Available Zippered Cargo Net**
- **Available Twin-Panel Moonroof**
- **Available Cargo Management System with Movable Dividers**
- **Available SecuriCode™ Keyless Entry Keypad**
- **Available 2nd-Row Step-Over Center Console**
- **Washable, Reversible Load Floor of Available Cargo Management System**
If you need room for the whole crew, Explorer seats up to 7 passengers in sophisticated style. A standard power liftgate makes for convenient loading/unloading of gear, while FordPass Connect™ with 4G LTE Wi-Fi Hotspot capability lets you—and the crew—stay connected on the road. Ford Co-Pilot360™ and Side-Wind Stabilization help increase your confidence the moment you leave. In RWD or available 4WD, 300 hp and 3,000 lbs. of max. towing capacity gives you the power you need. Explorer is the all-time best-selling SUV in America—and the all-new Explorer is better than ever.

**FORD CO-PILOT360 TECHNOLOGY**
- Autolock Autonomous On/Off Headlamps
- FordPass Connect™: Pre-Collision Assist with Automatic Emergency Braking (AEB), BLIS®, and Rear View Camera

**MECHANICAL**
- 3.58 rear-axle ratio
- Rear-wheel drive (RWD)
- P255/65R18 all-season BSW tires
- 119.1" wheelbase

**SAFETY & SECURITY**
- 4-wheel disc Anti-Lock Brake System (ABS)
- 9" LCD productivity screen in instrument cluster
- Brake Assist

**CLOTH SEATING SURFACES**
- Sandstone

**MAX. EXTERIOR DIMENSIONS**
- Wheelbase: 119.3"
- Length: 199.3" 
- Height: 70.2" 
- Width: Including mirrors: 78.9" 
- Width: Including extended: 93.3"

**ELECTRICAL**
- 10-SPEED SELECTSHIFT® AUTOMATIC TRANSMISSION
- 12V powerpoints (5)
- Power side view mirrors
- Power windows with 1-touch up/down feature
- Rear-wheel drive (RWD)
- Rotary gear shift dial

**OPTIONS**

If convenience matters most to you, Explorer Limited is engineered to help. 6-Z Entry 2nd-row captain's chairs with power-assist fold feature help make access to the 3rd row effortless. To easily load packages in its spacious cargo area, just wave your foot under the hands-free, foot-activated lifegate. Navigate tight spots easily by looking to the 360-Degree Camera with Split-View Display. Charge your mobile phone, cord-free, with the convenient wireless charging pad. 2nd-row sunblinds help keep children in the shade, while heated outboard seats help keep them comfortable. A B&O Sound System features 12 high-performance speakers. Crank it up. Move out.
Are long road trips how you recharge? Then Limited Hybrid is the Explorer for you. The 2020 Ford Explorer Hybrid RWD has an EPA-estimated range of over 500 miles per tank. So there's plenty of country to see from your leather-trimmed, heated and ventilated front seats. Active noise control helps keep your environment serene by using strategically placed microphones throughout the cabin to detect unwanted frequencies, then pumping opposing sound waves through the audio system to cancel them out. Towing capacity of 5,000 lbs. gives you the power to bring your toys along for the ride. Enjoy Explorer Limited amenities. Hybrid benefits. Available off-road capability. With no compromise. Get out there — and don’t look back — in the 2020 Limited Hybrid.
You need SUV functionality. You crave all-out performance. There’s only one choice. The tightly wound, 400-hp Explorer ST, tuned by engineers at Ford Performance. It has all the goods: a specially tuned 3.0L EcoBoost® V6 engine with 415 lb-ft. of torque; a sport-tuned suspension; as well as a Sport Mode in the Intelligent 4WD with Terrain Management System™ that delivers an even more engaging driving experience. Plus, all the functionality to get everyone and their gear comfortably to the next family adventure. Just punch the accelerator and head out. It’s ST time.
When it’s all about luxury, you’re ready for Platinum. Satin-aluminum accents brighten the exterior. Inside, door-trim inserts, door and front-console armrests, plus the instrument panel top are all leather-wrapped. Luxury leather-trimmed seats with Tri-Diamond perforated inserts feature accent stitching and Platinum logo embroidery on the seat backs. Add the Premium Technology Package for a stunning 10.1” portrait touchscreen, multicontour front seats with ActiveMotion® and a 980-watt, 14-speaker B&O Sound System. Your most enchanting Explorer road trip starts in Platinum.

New Vehicle Limited Warranty. We want your Ford Explorer ownership experience to be the best it can be. Under the warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile structural coverage, and 5-year/ unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage—all with no deductible. Explorer unique electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 or 9 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for a copy of these limited warranties.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a wheelchair back to a paved road, suddenly jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to buy or lease, Ford Credit has the option that's right for you. Ask your Ford Dealer for details or visit us online at ford.com/financing.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace of mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Insure. A new insurance product designed just for Ford owners. Ford Insure can help you save money on auto insurance for your connected Ford vehicle. Drive smarter, become an even better driver and save bigger discounts — It’s a win, win, win. Visit the FordPass mobile app or call 1-833-Ford-183.

Airplane/Train Services. LLC is the licensed insurance agency supporting Ford and Lincoln Insurance programs. Ford Insure is underwritten by Nationwide Mutual Insurance Company and Affiliated Companies. Subject to underwriting guidelines, review, and approval. Products are not available to all persons in all states. Coverage vary by state. Availability varies; program colonization differs in California.

Ford Original Accessories. They are warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Stay connected and in control of your vehicle with complimentary services and features accessed through the FordPass App. Start, stop and unlock your vehicle, schedule a start, even check fuel and oil levels right from the app. You can also get worldwide health alerts, service history and service alerts to help you keep service on your vehicle up to maintenance.

With FordPass Rewards, you can earn up to 42,000 Points to use toward complimentary maintenance when you buy or lease a new Ford. (Note: Points for future service, accessories or even your next new vehicle are not applicable to your schedule a service, you do not need to schedule your service, you do not need to schedule your service from your FordPass App.

In addition to complimentary maintenance, you can earn up to 500 Point Rewards Points for many of the things you already do, like scheduling service and maintaining at participating dealers. Then you can use your earned Points for discounts on service parts, accessories, and new vehicle purchases. Use your app at any time and take advantage of how you use them.

With the FordPass App, you can request roadside assistance like flat-tire repair and more 24/7, anywhere, anytime. Just use your app and all of this is a phone call away should you run out of fuel, lock yourself out of the vehicle or need a wheelchair back to a paved road, suddenly jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

FordPass Connect™ (optional on select vehicles), the FordPass App, and Complimentary Connected Services are required for remote features (see FordPass Terms for details). Connected Services depend on compatible 4G/LTE network availability. Existing technology/seller networks/vehicle capability may limit functionality and power operation of connected features. Connected Services exclude Wi-Fi hotspot.

For more information, contact your authorized Ford dealership or visit ford.com/explorer.
From day one, we had the future in mind. And for over 116 years, we’ve focused on improving your freedom of movement, by making it possible for hardworking, everyday people to own a vehicle. One that’s well built. That you’re proud to drive. Born in Detroit, made in America¹ and famous worldwide: We are the Ford Motor Company.

Your mobility is at the center of everything we do. And we’re excited to be designing and building smart vehicles that work for you. It’s why we put our family name on every one. From our founding members, to our Ford family of employees around the globe, we work with pride. We build with care. For you – and your family. By everyone in ours.

¹Made in the USA with domestic and foreign parts.
