2019 F-150

XL | XLT | LARIAT | KING RANCH® | PLATINUM | LIMITED | RAPTOR

Accessible F-150 Brochure PDF
Thank you for your interest in the 2019 F-150. This brochure features information, specifications and images that will help you learn more about this vehicle.

TOUGH: F-150 sets the standards for light-duty full-size pickups with its high-strength, military-grade, aluminum-alloy body — the same high-grade 6000 series used in military and industrial applications.

POWER: Choose from naturally aspirated V6 and V8 gas engines with twin-independent variable cam timing, turbocharged and direct-injected EcoBoost® V6 engines, and the Power Stroke® Turbo Diesel.

CAPABILITY: F-150 makes tough tasks look easy, whether you’re on the job or out on a weekend of recreation. And F-150 makes your life easy with features like the available Pro Trailer Backup Assist™.

SMART: F-150 is easy to operate, whether you’re inside the cab or working out of the bed. And with available 360-Degree Camera with Split-View Display and FordPass Connect™, you can work smarter.

THERE’S NO TOUGH LIKE BUILT FORD TOUGH

It’s more than just a brutal testing regimen. Built Ford Tough® is a battle cry. One filled with honor, courage and determination to never rest – until the job’s done right. With well over 10 million customer-equivalent miles of testing, F-150 earned its Blue Oval. Being tortured in the lab. On the proving grounds. And working in the real world. Have no doubt, this truck is engineered for the long haul. Having repeatedly passed our toughest tests, it’s more than ready for yours.

Settle into any 2019 F-150 – from the easy-to-clean vinyl seats\(^1\) of the XL work truck to the new RECARO\(^\circledR\) sport seats\(^2\) of RAPTOR – and you’ll find a truck that embraces hard work as just another day at the office. F-150 is part of the legendary F-Series lineup that’s been America’s best-selling truck for 41 years. And with more trucks on the road with 250,000 miles than any other brand, there’s nothing tougher than Ford F-Series.\(^2\)

\(^1\)Available feature. \(^2\)“More trucks on the road” based on IHS Markit Vehicles in Operation (VIO) data and latest odometer readings available to IHS Markit for 1992 and newer model year full-size pickups still on the road in the U.S. as of 4/1/2018.

Try to avoid water higher than the bottom of the hubs and proceed slowly. Refer to your owner’s manual for detailed information regarding driving through water.
**GREAT STRENGTH. LESS WEIGHT.** The high-strength, military-grade, aluminum alloy¹ of the F-150 body and cargo box is hardened through heat treating to produce greater strength. Gauge (or thickness) is also increased where needed to achieve extra strength without increasing weight. Today’s F-150 now achieves best-in-class³ max. ratings for: overall towing,² overall payload³ and an available diesel EPA-estimated fuel economy rating of 30 mpg hwy.⁴ That’s leadership that counts. All day long.

**RESISTS CORROSION. WON’T RUST.** Another amazing benefit of high-strength, military-grade, aluminum alloy. But what about the F-150 frame? The entire high-strength-steel frame is immersed in an e-coat solution while an electric charge is applied. This forms a durable protective shell that bonds with the steel to help inhibit rust, even in hidden areas.

---

¹6000-series aluminum alloy. ²Class is Full-Size Pickups under 8,500 lbs. GVWR, based on Ford segmentation. ³Max. towing of 13,200 lbs. on SuperCrew® 6.5' box 4x2 with 3.5L EcoBoost® engine and Max. Trailer Tow Package. Max. payload of 3,270 lbs. on Regular Cab 8' box 4x2 with 5.0L V8 engine and Heavy-Duty Payload Pakage. ⁴EPA-estimated ratings: 22 mpg city/30 mpg hwy/25 mpg combined, 3.0L Power Stroke® V6 Turbo Diesel, 4x2.
FX4 Off Road™ decals on your pickup box let everyone know your F-150 is capable of serious, off-road travel. The FX4 Off-Road Package equips your truck to get out there with an electronic-locking rear differential, underbody skid plates that help protect the front differential, transfer case and fuel tank, Hill Descent Control™, and off-road-tuned shock absorbers. Monitor the action from the driver’s seat on the off-road display in the productivity screen.

To help reduce crush into the passenger compartment in certain front, side and rear impacts, a masterful mix of high-strength, military-grade aluminum alloys works together with a unique high-strength-steel frame structure. A patented 12-sided design in the high-strength-steel front frame horn improves front-impact protection, compared to a traditional rectangular design, by helping to dissipate crash energy. Additional through-welded crossmembers bolster side-impact protection.

First-in-Class Inflatable Rear Safety Belts¹ for outboard passengers join 6 standard airbags to enhance occupant protection. To reduce injury risk in certain collisions, the fully inflated safety belt distributes crash energy across 5 times more of an occupant’s body than a non-inflatable safety belt.

Navigate tight spots on the trail by utilizing Ford Co-Pilot360™ Technology such as our 360-Degree Camera with Split-View Display². Four cameras give you a bird’s-eye view, helping you maneuver down narrow trails. To keep your view clear of dust and mud, the forward-facing camera includes a lens washer that’s activated whenever the windshield washers are used.
EVERY OTHER TRUCK: STILL PLAYING CATCH-UP TO FORD F-150

It won’t be any easier this year. The High-Output 3.5L EcoBoost® engine that produces a best-in-class 510 lb.-ft. of torque\(^1\) is now standard on two 2019 F-150 models: the Baja-bred RAPTOR and luxurious LIMITED. With the addition of blistering performance to its truckload of amenities, the new F-150 LIMITED redefines what a luxury pickup truck can be. Again.

And RAPTOR? Its already otherworldly reputation is improved with enhanced off-road capability. The 2019 RAPTOR offers a new Trail Control™ system for off-road terrain, which allows you to set the speed from 1 to 20 mph (depending on transfer case setting). The Trail Control feature manages acceleration and braking so you can concentrate on steering. Plus, new FOX Racing Shox™ 3.0 internal bypass shock absorbers feature all-new, electronically controlled Live Valve technology that automatically adjusts compression damping based on the terrain and how aggressively you attack it. A RAPTOR that’s even more off-road capable? You better believe it. Around here, the throttle stays pegged.
PACK QUITE A PUNCH

With one of 5 advanced F-150 gas engines, including the 450-hp¹ High-Output 3.5L EcoBoost® engine standard on RAPTOR and LIMITED. Or, with the newest addition to the lineup: a torque-heavy 3.0L diesel engine² bearing the legendary Power Stroke® name. That’s 6 powerful choices in an engine lineup that truly has something for everyone.

Equally noteworthy: all F-150 engines benefit from standard Auto Start-Stop Technology that helps to reduce fuel consumption and vehicle emissions during city driving. Tuned specifically for rigorous truck applications, Auto Start-Stop will not intervene when F-150 is in tow/haul mode, 4-wheel drive (4WD) and other circumstances that require the engine to drive essential accessories. For ease of use and convenience, all engines are teamed with automatic transmissions featuring SelectShift® capability.

CLASS-BEST 510 LB.-FT. TORQUE

CLASS-BEST 450 HORSEPOWER

450 HP OF FLAT-OUT LUXURY. The unique satin finish on the grille, door handles, tailgate appliqué and dual exhaust tips of the 2019 F-150 LIMITED will certainly catch your eye. As will the massive 22" polished-aluminum wheels. What you’ll appreciate most, however, is the immediate responsiveness of the High-Output 3.5L EcoBoost engine every time you press the accelerator. Catch one if you can.

Horsepower and torque ratings achieved with 93-octane fuel. Available feature.
### 3.3L Ti-VCT V6

Equipped with the standard powerplant, F-150 supplies plenty of working power to tow and haul. That’s a clean sweep in any truck buyer’s ledger. “Even the base 3.3L V6 had zero trouble hauling a 5,000-pound trailer,” says Motor Trend. A dual-injection system features both direct injection and port fuel injection. Two injectors per cylinder — one mounted in the intake port and another inside the cylinder — improve power output and efficiency. A 6-speed automatic transmission with SelectShift capability is paired with the 3.3L Ti-VCT V6 engine.

**Horsepower**
- 290 @ 6,500 rpm
- 265 lb.-ft. @ 4,000 rpm

**Torque**
- 1,990 lbs.
- 7,700 lbs.

**EPA-estimated ratings**
- (4x2) 19 mpg city/25 mpg hwy/22 mpg combined
- (4x4) 18 mpg city/23 mpg hwy/20 mpg combined

**Induction system**
- Naturally aspirated

**Transmission**
- 6-speed SelectShift automatic

### 2.7L EcoBoost

To understand an engine’s specific output, divide its horsepower by its displacement. At a staggering 120 hp/l, you’ll know why the 2.7L EcoBoost® is deemed “Pocket Hercules.” It produces more torque (400 lb.-ft.) than the 5.3L V8 in the 2019 Chevrolet Silverado — an engine nearly twice its size. For exceptional drivability, the 2.7L is paired with our 10-speed automatic transmission with SelectShift capability. “Drop the hammer, and the transmission instantly selects the ideal ratio for peak acceleration from your current speed, always landing in a sweet spot along the broad, flat torque curve and frequently delivering a sharp jolt of acceleration. Yeehaw!” says Motor Trend. Strength and durability come from compacted graphite iron (CGI) that forms the upper engine block and cylinders.

**Horsepower**
- 325 @ 5,000 rpm
- 400 lb.-ft. @ 2,750 rpm

**Torque**
- 2,470 lbs.
- 9,000 lbs.

**EPA-estimated ratings**
- (4x2) 20 mpg city/26 mpg hwy/22 mpg combined
- (4x4) 19 mpg city/24 mpg hwy/21 mpg combined

**Induction system**
- Twin-turbocharged intercooled

**Transmission**
- Twin-turbocharged intercooled
- 10-speed SelectShift automatic

### 5.0L Ti-VCT V8

32 valves. Twin independent variable cam timing. Dual-injection system. 12:1 compression ratio. They all combine to make the trusty 5.0L V8 engine an exceptional choice for all-around F-150 capability. Plus, nothing else sounds quite like it. The V8 is paired with the 10-speed automatic transmission with SelectShift capability.

An available, class-exclusive CNG/Propane Gaseous Engine Prep Package can ready your V8-equipped 2019 F-150 to be upfitted for compressed natural gas (CNG), propane autogas, or as a bi-fuel vehicle with the ability to switch between CNG or propane and gasoline.²

### 3.5L EcoBoost

The 3.5L EcoBoost® soldiers on for 2019 with a best-in-class 470 lb.-ft. of torque, along with 375 horsepower. Paired with the 10-speed automatic transmission with SelectShift capability, engine torque is readily available across the speed range for instant acceleration and exceptional low-end and peak performance. Exactly what’s needed for hauling heavy loads and towing heavy trailers. A roller-finger follower valvetrain features durable intake and exhaust valves, as well as hydraulic valve-lash adjusters that optimize engine durability.

Robust 3.5L EcoBoost engines now power over 1,220,000 F-150 trucks.

**Horsepower**
- 375 @ 5,000 rpm
- 470 lb.-ft. @ 3,500 rpm

**Torque**
- 3,230 lbs.
- 13,200 lbs.

**EPA-estimated ratings**
- (4x2) 18 mpg city/25 mpg hwy/21 mpg combined
- (4x4) 17 mpg city/23 mpg hwy/19 mpg combined

**Induction system**
- Twin-turbocharged intercooled

**Transmission**
- Twin-turbocharged intercooled
- 10-speed SelectShift automatic

### 3.5L H.O. EcoBoost

Among the High-Output performance enhancements to the RAPTOR and LIMITED 3.5L EcoBoost engine: increased boost calibrations; a lighter turbine wheel made of high-temperature superalloy Mar-M-247 – developed by the aerospace industry – for improved responsiveness; cast stainless steel exhaust manifolds; full dual exhaust; oil-cooled pistons; and more aggressive engine control calibrations.

The close ratio between gears and the Ford patented direct-acting hydraulic control of the 10-speed automatic transmission with SelectShift capability really optimize the power and torque curves of this high-output EcoBoost powerhouse.

**Horsepower**
- 450 @ 5,000 rpm³
- 510 lb.-ft. @ 3,500 rpm³

**Torque**
- 1,520 lbs.
- 11,100 lbs.

**EPA-estimated ratings**
- (4x2) 22 mpg city/30 mpg hwy/25 mpg combined
- (4x4) 20 mpg city/25 mpg hwy/22 mpg combined

**Induction system**
- Twin-turbocharged intercooled

**Transmission**
- Twin-turbocharged intercooled
- 10-speed SelectShift automatic

### 3.0L Power Stroke V6 Turbo Diesel

As the first-ever diesel engine in Ford F-150, the 3.0L Power Stroke® V6 Turbo Diesel features a best-in-class EPA-estimated rating of 30 mpg hwy, a best-in-class 440 lb.-ft. of diesel torque; and 250 diesel horsepower. Plus, best-in-class diesel payload and towing capacity.² It’s paired with the 10-speed automatic transmission with SelectShift capability to put all that usable low-end engine torque to good use.

With the transmission’s 10-speed architecture, and the engine’s peak torque arriving at a low 1,750 rpm, this powertrain is an exceptional choice for those who tow and haul frequently – where strong torque delivery throughout the rpm range is exactly what you need.

**Horsepower**
- 250 @ 3,250 rpm
- 440 lb.-ft. @ 1,750 rpm

**Torque**
- 2,950 lbs.
- 1,980 lbs.

**EPA-estimated ratings**
- 22 mpg city/30 mpg hwy/25 mpg combined
- 20 mpg city/25 mpg hwy/22 mpg combined

**Induction system**
- Variable-geometry turbocharger, intercooled

**Transmission**
- 10-speed SelectShift automatic

²Available feature.³Purchasing an F-150 upfit this way may help you qualify for state incentives related to alternative fuel use, infrastructure or vehicles. Visit afdc.energy.gov/afdc/laws for details.²When properly configured. See Payload and Towing charts in the Specifications section for maximum ratings by configuration.⁴EPA-estimated ratings. Actual mileage will vary.²Horsepower and torque ratings achieved with 93-octane fuel.³LIMITED 4x4. RAPTOR EPA-estimated ratings: 15 mpg city/18 mpg hwy/16 mpg combined.
10-SPEED TRANSMISSION

Standard with five F-150 engines for 2019, the innovative 10-speed automatic transmission with SelectShift® capability helps deliver higher average power for acceleration – improving responsiveness and performance. With optimized gear spacing, including 3 overdrive gears, the 10-speed gearbox helps maximize shift points and gear ratios to optimize power, low-rpm torque and fuel efficiency. For proof, see the Engines charts on the previous page.

10 speeds, plus progressive range select and tow/haul mode, enhance towing confidence. An electronic control system is engineered to help ensure the right gear at the right time, including skip-shift and direct downshift capability. Select the operating range for automatic shifting (in Drive) thanks to progressive range select. Combined with SelectShift operation in manual mode, the 10-speed delivers an exceptional level of driver control.
With the high-strength-steel frame, choice of torque-heavy engines, and smart towing technology of the 2019 Ford F-150, you are the greatest. Tow a class-best max. towing capacity of 13,200 lbs. when equipped with the 3.5L EcoBoost® engine and Max. Trailer Tow Package.

Plus, F-150 is available with multiple Ford Co-Pilot360™ Technology driver-assist features, including Pro Trailer Backup Assist™ (PTBA), Trailer Sway Control, BLIS® with Trailer Coverage, and Hill Start Assist, which helps prevent you from rolling back on a grade by momentarily maintaining brake pressure until the engine produces enough torque to move F-150 uphill. Class-exclusive PowerScope® power-telescoping/folding trailer tow mirrors and a Smart Trailer Tow Connector combine with the stabilization benefits of an integrated trailer brake controller to help further enhance towing confidence. After you’re on the move, maintain a consistent speed on steep grades by locking out upper gears using the progressive range select feature on both SelectShift® automatic transmissions. Both also feature tow/haul mode, for use when F-150 is heavily loaded or when towing—which should be often. Remember, you got this, champ.
CLASS-EXCLUSIVE PRO TRAILER BACKUP ASSIST™** (PTBA) makes it easy to back up your trailer. Once the system is programmed,* simply rotate the PTBA knob left or right depending on the direction you want the trailer to go. The system then automatically steers the truck to turn the trailer the desired amount. PTBA can help you back up your trailer like a pro.

While your sideview mirrors are your primary visual aid, PTBA** features a Rear View Camera image* that allows you to view trailer direction and help determine trailer placement. The guidelines of dynamic hitch assist* help you easily line up your truck and trailer. Further assistance is provided by our 360-Degree Camera with Split-View Display* that works at low speeds in Forward and Reverse. Four cameras let you see all sides of F-150 on the 8” color screen* in the center stack.

Check pressure in each tire* with the standard Individual Tire Pressure Monitoring System. You’ll be notified through the productivity screen* if any tire’s pressure is low. A numerical value will even tell you how low.

A class-exclusive Smart Trailer Tow Connector* provides instrument cluster alerts about trailer connection status, along with lighting and trailer battery alerts and warnings.* If something needs your attention, you’ll see it here.

Track towing information,* such as profiles for up to 10 different trailers, including accumulated miles on each.*

---

*Available feature. *Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. **Please consult your owner’s manual or Pro Trailer Backup Assist Measurement Card for information on setting up your trailer. *Shown on available 8” center stack screen. *Excludes spare. *Shown on available 8” productivity screen.
CLASS-BEST

3,270 LBS. MAX. PAYLOAD

With 3 box lengths ranging from 5.5' to 8', Ford F-150 carries the day with best-in-class payload: 3 times over. When equipped with the muscular 5.0L V8 engine¹ and Heavy-Duty Payload Package, F-150 leads all competitors with a 3,270-lb. max. payload.² Next in line? A similarly equipped F-150 with the 3.5L EcoBoost® engine³ at 3,230 lbs. max. payload.² Following that is an F-150 equipped with the 2.7L EcoBoost engine³ and Payload Package at 2,470 lbs.² To access the cargo box, steps on all 3 sides¹ include deployable box side steps¹ for all box lengths.

¹Available feature. ¹Regular Cab 8' box 4x2 and optional equipment. See Payload and Towing charts in the Specifications section for maximum ratings by configuration.
1. Standard lockable tailgate
2. Industry-first remote tailgate release
3. Tailgate step with grab bar
4. LED cargo box lighting
5. Stowable bed extender
6. Class-exclusive stowable loading ramps
7. BoxLink™ removable and lockable tie-down cleats (4)
8. Aluminum crossbed toolbox by Weather Guard

Available feature. Ford Licensed Accessory.
TOUGH LOOKS OUT FOR YOU.

Ford Co-Pilot360™ Technology offers you driver-assist features like Pre-Collision Assist with Automatic Emergency Braking (AEB), which can automatically apply F-150 brakes to help prevent a collision with a vehicle or pedestrian. Additional Ford Co-Pilot360 Technology encourages your alertness, warns you of vehicles detected in your blind spots, and monitors your truck’s position on the road. They’re constantly at your service as you tow, stay centered in or attempt to change lanes, and keep a preset distance from the vehicle ahead of you.

Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Pre-Collision Assist with AEB can detect pedestrians, but not in all conditions and does not replace safe driving. See owner’s manual for system limitations. Available feature.
Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.

- **Adaptive Cruise Control with Stop-and-Go**: Can bring your vehicle to a complete stop when traffic slows, and can accelerate back to its preset speed within 3 seconds of stopping.
  - Available in Limited, Lariat, King Ranch, Platinum, Raptor

- **Lane-Keeping System**: Monitors lane markings and can prompt you to steer back toward center if it detects F-150 drifting unintentionally out of its lane. Driver Alert can even warn you in the message center if you could use a break from driving.
  - Available in Limited, Lariat, King Ranch, Platinum, Raptor

- **Electric Power-Assisted Steering**: Supplies precise road feel. And because it uses an electric motor instead of a hydraulic pump, steering control can be programmed and utilized by F-150 systems such as Active Park Assist and the segment-first Pro Trailer Backup Assist.
  - Available in all trims

- **Cross-Traffic Alert**: Warns you of vehicles approaching from the sides while backing up at low speeds.
  - Available in Platinum, Limited, XLT, Lariat, King Ranch, Raptor

- **Blis (Blind Spot Information System) with Trailer Coverage**: Warns you if it detects a vehicle in either of your blind spots while driving forward. Its range can be extended for F-150 to include a conventional trailer, once programmed into the system.
  - Available in Platinum, Limited, XLT, Lariat, King Ranch, Raptor

- **Pre-Collision Assist with Automatic Emergency Braking**: Can automatically apply the brakes to help reduce the severity of, and in some cases potentially eliminate, a frontal collision with a vehicle traveling in the same direction, or a pedestrian detected ahead.
  - Available in all trims

- **Curve Control**: Can actually sense when you’re taking a turn too fast. When it does, the system can slow the truck’s speed as much as 10 mph in about a second to help you maintain control.
  - Available in all trims

- **AdvanceTrac with RSC (Roll Stability Control)**: Helps keep all 4 wheels firmly planted by selectively applying individual brakes and modifying engine power – enhancing stability in a wide range of driving conditions.
  - Available in all trims

- **Trailer Sway Control**: Monitors the motions of F-150 when towing to detect trailer sway. If detected, the system selectively applies brakes as needed to help you maintain control of the truck and the trailer.
  - Available in all trims

- **Built Ford Tough**: Ford.com
F-150 LIMITED. LUXURY WITH A NEW SOUL.

Power-deployable running boards extend for your feet, while door-sill scuff plates with Ice Blue® backlight LIMITED lettering usher the way inside. New Camelback two-tone premium luxury leather trims the heated and ventilated 10-way power front bucket seats with LIMITED badging, the heated steering wheel, and the center console lid – where a unique VIN plate reminds you how special this F-150 really is. Not that you’ll need reminders as you punch the accelerator and the High-Output 3.5L EcoBoost® engine sends the rpm – and your pulse – climbing. Luxury pickup redefined. Yet again.
The SuperCrew® cab of F-150 is a comfortable place to spend time, whether you’re seated in the front or rear. “The SuperCrew is extremely roomy, with rear-seat legroom that bests some full-size sedans,” says Kelley Blue Book’s KBB.com. In fact, SuperCrew and SuperCab models with the 40/20/40 split front-seat configuration can accommodate up to 6.

On LIMITED, new Camelback two-tone leather trim covers the multi contour front bucket seats featuring Active Motion® and LIMITED badging. A vast twin-panel moonroof covers the cab, ambient lighting covers the mood, while a B&O Sound System handles the music. A 9-channel amplifier pumps 750 watts of digitally processed sound through 10 high-performance speakers, including 4 midwoofers and a subwoofer.

Tough has never looked, or sounded, better.
IT ALL STARTS HERE

This vibrant 8" touchscreen is the command center of SYNC®3 voice-activated technology, which integrates your paired mobile phone with Ford F-150 as soon as you start your truck. Make calls, send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn’t miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

LINK YOUR APPS
SYNC 3 AppLink® links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone® users can view the Waze® app’s community-based navigation and traffic features on the large SYNC 3 touchscreen. Amazon Alexa users can access thousands of skills and services they enjoy on their Amazon Echo with the Ford+Alexa® app.

CONNECT TO FORDPASS CONVENIENCE
FordPass Connect™ with 4G LTE Wi-Fi hotspot lets passengers connect tablets, laptops and smartphones. It includes a complimentary 3-month or 3GB data trial. And that’s only part of its convenience. Together with the FordPass™ smartphone app, FordPass Connect allows you to remotely start your truck and climate control system using your smartphone. As well as locate your vehicle and check approximate fuel range. FordPass also helps you find fuel and compare prices. Find, reserve and pre-pay for parking in select locations. Plus, get help 24/7 from our trained team of Ford Guides.

CONNECT YOUR IPHONE
Apple CarPlay™ compatibility displays the iPhone interface on your vehicle’s touchscreen. Send and receive text messages by voice. Get where you’re going with Apple® Maps or your favorite supported app, including Google Maps™. Waze and more. Access playlists from Apple Music. Just ask Siri® for help. She already knows your voice.

CONNECT YOUR ANDROID PHONE
Android Auto™ compatibility displays the Android™ interface on your vehicle’s touchscreen. Get voice-guided navigation from Google Maps and Waze. Access your favorite music from your apps. Make calls, send and receive messages. Just talk to Google Assistant™ and go.

MAP YOUR ROUTE
Voice-activated navigation delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look. SiriusXM® Traffic and Travel Link® helps you avoid traffic – before you’re in the middle of it. It also provides fuel prices and station locations. Current and forecasted weather. Movie locations and showtimes. Plus, the scores of your favorite sports teams, and more.

STAY CONNECTED ON THE MOVE

1 Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2 Available feature. 3 Certain restrictions, 3rd-party terms and data rates may apply. See your Ford Dealer for details. Commands may vary by phone and Applink software. 4 Available via iPhone with SYNC 3 with Software Version 3.0. Waze is also available on Android Auto. Commands may vary by phone and Applink software. 5 Certain Alexa functionality is dependent on smart phone and home technology. 6 Certain restrictions, 3rd-party terms and data rates may apply. See footnotes 1 and 2 on XLT Features pages, and your Ford Dealer for details. 7 Available via download and compatible with select smartphone platforms. Learn more at fordpass.com. Message and data rates may apply. 8 Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. 9 Certain restrictions, 3rd-party terms and data rates may apply. See footnote 2 on page 25, and your Ford Dealer for details.
Its hardware reads like an off-roader’s wish list. High-Output 3.5L EcoBoost® engine, 4-wheel drive (4WD), Torque-On-Demand® transfer case, Suspension travel of 13” in front and 13.9” in the rear, BF Goodrich® KO2 tires, bead-lock-capable wheels¹, 6 auxiliary switches in the overhead console from which to direct all the fun. Plus, the upgrades at right for 2019.

**CLASS-BEST**

510 LB-FT. TORQUE

**CLASS-BEST**

450 HORSEPOWER

2019 RAPTOR upgrades include the new Trail Control™ system that helps provide maximum traction whenever you venture beyond the pavement. Which will be often. Designed for low-traction, off-road conditions, Trail Control manages acceleration and braking – sending power and braking to each individual wheel as needed – so you can keep your focus on steering over rugged terrain. New FOX Racing Shox™ 3.0 internal bypass shock absorbers feature all-new, electronically controlled Live Valve technology to continually adjust damping in real-time. Sensors in the suspension and body help the shocks maximize handling, comfort and bottom-out resistance on rugged, off-road terrain, while also smoothing out on-road driving performance. Inside, new RECARO® sport front seats with enhanced bolstering in the seat back and cushion provide aggressive styling and comfortable support. Bold new exterior colors include Ford Performance Blue, Velocity Blue and Agate Black.

¹Available feature. ²Horsepower and torque ratings achieved with 93-octane fuel.
GIVE ME THE SPECIAL.

Add special effects to your F-150 with the XLT and LARIAT Special Edition Packages, which merge Red and Black in dramatic ways. Outside and in. Dark headlamp housings, a dark honeycomb grille, unique bodyside and hood decals, black running boards, plus 20” premium Tarnished Dark-painted aluminum wheels cast a menacing look at street level. Inside, unique accents, finishes and steering wheel complement the exclusive Special Edition Black seats with Red accents.

STEALTH MODE: If you prefer, a Graphic Delete option lets you order the Special Edition Package without hood and bodyside decals.
A TOUCH OF SWAGGER.

Along with confident capability. That's STX appeal. Its signature look is defined by a monochromatic exterior, black honeycomb grille with body-color surround, fog lamps, rear privacy glass, STX cargo box decals, and 20" machined aluminum wheels. Inside, you'll find unique black sport cloth-trimmed seating. Take it up a notch with front bucket seats¹ and a flow-through center console.¹ Style that works is always appealing.
**TOUGH X 7**

**XL**
- Featuring a black grille and bumpers, plus black vinyl flooring, this no-nonsense work truck is the bedrock of the F-150 lineup. With all the capability and standard features to get you comfortably through any work week. “We were ... wowed by the capability of the basic F-150 work truck,” says Motor Trend. “Everything works. Nothing is luxe. That’s the way it is supposed to be – functional.”

**XLT**
- Takes all the great features of XL and adds just the right level of refinement with its substantial list of popular standards. Like a chrome grille and bumpers. Carpeted flooring. Power windows and door locks. Power tailgate lock. SYNC® 3. FordPass Connect™ with 4G LTE Wi-Fi hotspot. Its wide range of cabs, cargo boxes and content options make F-150 XLT an incredibly versatile truck that’s a great addition to any lineup.

**LARIAT**
- Its standards put you at ease behind the wheel, so you’re always ready to tackle the day. Leather-trimmed, heated and ventilated 10-way power-adjustable front seats and power-adjustable pedals help drivers of all sizes feel at home. An 8” LCD productivity screen puts vital vehicle information front and center. Listen to your favorite channels of SiriusXM.

1Certain restrictions, 3rd-party terms and data rates may apply. See footnote 1 on XLT Features pages, and your Ford Dealer for details. 2After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK or HI.
**KING RANCH**

Conveys Southwestern luxury at its finest, starting with the standard two-tone exterior. Inside, Kingsville leather trim covers the heated and ventilated 10-way power front seats, flow-through console lid and heated steering wheel. Seat backs, floor mats, center console lid, and 18" machined aluminum wheels with painted pockets are branded with the “Running W” logo of the historic King Ranch® in Texas. Voice-activated Navigation with SiriusXM® Traffic and Travel Link® helps guide you on your way. While a B&O Sound System supplies the soundtrack.

**LIMITED**

Don’t let its opulence fool you. LIMITED comes ready to work with the High-Output 3.5L EcoBoost® engine, mechanical-locking 4WD, and multiple Ford Co-Pilot360™ Technology driver-assist features. All standard. As well as a truckload of amenities that includes 22" polished aluminum wheels, heated rear outboard seats, and a unique LIMITED VIN plate on the leather-trimmed center console lid. When you demand nothing but the best, step up to LIMITED.

**RAPTOR**

There’s nothing else like it. And probably never will be. A Terrain Management System™ with 7 selectable drive modes allows you to optimize the Baja-bred RAPTOR to current driving conditions. New Trail Control™ plus new FOX Racing Shox™ 3.0 internal bypass shocks with all-new, electronically controlled Live Valve technology, improve its already monstrous capability beyond the pavement. How is that even possible? You’ll have to experience RAPTOR for yourself. Lean, mean, and ready to scream, this beast just keeps getting better and better.

**PLATINUM**

A cut above, with standard LED lighting all around (headlamps, fog lamps and tailamps), as well as 20" polished aluminum wheels. Power-deployable running boards give you a lift inside, where multi contour premium leather-trimmed front bucket seats with Active Motion® are available in Dark Marsala or Black. Class-exclusive LED sideview mirror spotlights, along with BLIS® with Trailer Coverage, improve on your powerful capability. The 2019 F-150 PLATINUM.

Always wear your safety belt and follow airbag warning label instructions.

**Maximum Loaded Trailer Weight Ratings (lbs.):**

- Regular Cab 122.4" WB 4x2
- Regular Cab 141.1" WB 4x2
- SuperCab 145.0" WB 4x2
- SuperCrew® 145.0" WB
- 156.8" WB

Best in-class configuration shown bolded and in color.

**Towing Notes:** Maximum loaded trailer weights shown. Do not exceed trailer weight of 5,000 lbs. when towing with bumper only. The combined weight of the towing vehicle (including options, hitch, passengers and cargo) and the loaded trailer must not exceed the GCWR (Gross Combination Weight Rating). Trailer tongue load weight should be 10-15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle’s Safety Compliance Certification Label. See the RV and Trailer Towing Guide for requirements, restrictions and 5th-wheel towing.
### Payload Notes:
Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer.

New Vehicle Limited Warranty. We want your Ford F-150 ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/ unlimited-mile corrosion (perforation) coverage on aluminum body panels – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/ unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
