Irresistible. For so many reasons.

Ford Fiesta draws you in and never lets go. With bright hues like Lime Squeeze and Yellow Blaze, it’s beyond colorful. Switch songs by voice alone!1 Make calls without touching your phone.1 Incredibly helpful. Achieve up to 40 mpg hwy.2 So economical. Receive turn-by-turn driving instructions3 through your speakers. Highly capable. It’s such a joy to drive and spend time with that many owners actually “name” their Fiesta. That even makes it relational. Start yours today and go further in a 2013 Fiesta.

1Available feature. 2EPA-estimated 29 city/40 hwy/33 combined mpg. Fiesta SE automatic with SFE Package.
Approach Fiesta with your Intelligent Access\(^1\) key tucked away in a pocket or purse, and sensors unlock your door. Just touch the handle and you’re in (without having to search for any key). Then, press the brake pedal and push the start button. It’s on. And you’re off. It’s that easy in Fiesta.

\(^1\)Available feature.
**Spirited.**

Fiesta delivers 120 horsepower of flat-out fun, plus highway fuel efficiency of up to 40 mpg.¹ Its 1.6L Ti-VCT I-4 engine deserves much of the credit. Twin independent variable camshaft timing (Ti-VCT) adds an extra measure of precision, contributing to fuel efficiency or power output as your input demands. For that extra-connected feel, the PowerShift 6-speed automatic transmission² can provide torque to the wheels 100% of the time during shifts. Because its electric motor operates only when steering assistance is required, electric power-assisted steering contributes to efficiency as well.

¹EPA-estimated 29 city/40 hwy/33 combined mpg. Fiesta SE automatic with SFE Package. ²Available feature.
Nimble.

To help Fiesta stay sure-footed and firmly planted in the corners, a MacPherson-strut front suspension features specially tuned dampers, spring rates and bushings – along with a 22-mm stabilizer bar. “Turn-in is sharp,” says Motor Trend, “and the car is incredibly easy to place precisely where you want it.” Advanced electric power-assisted steering improves steering feel at low speeds and provides precise assist on the highway. In the rear, a twist-beam suspension with specially tuned shocks and spring rates deftly balances responsive handling with the need for a smooth ride. Choose from 15” or 16” wheels.¹ Then go.
Connected.

Contacts.
Through voice-activated Ford SYNC® Fiesta easily connects to your phone. Once paired, the system recognizes your phone and downloads your contacts to support voice calling. Simply touch a button on the leather-wrapped steering wheel¹ and say things like “Call: home” or “Call: Caleb.” SYNC also offers 911 Assist² and with a SYNC Services account you get business searches, turn-by-turn driving directions, local movie times and more. Activate and personalize yours at ford.com/sync. SYNC. Say the word.

Favorites.
SYNC also allows voice-activated control of your tunes via phone, MP3, USB or iPod.³ Ask for your favorite artist or playlist and SYNC responds. SYNC AppLink™ lets smartphone users control Pandora®, iHeartRadio®, Stitcher Smart Radio,™ Orangatame OpenBeak and other apps by voice too. All this, in addition to a 6-month trial subscription to over 130 channels of unique content from SiriusXM Satellite Radio.

¹Available feature. ²Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones. SYNC Services varies by trim level and model year and may require a subscription. Traffic alerts and turn-by-turn directions available in select markets. Message and data rates may apply.³SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. ⁴Not applicable to all phones.

SYNC can display incoming text messages or read them out loud.

Your information is always displayed in an easy-to-read format.
Impressive.

With choices you won’t find anywhere else in its class, style abounds inside Fiesta. Leather-trimmed seats in your choice of Charcoal Black with Cashmere-colored piping, or Plum Red or Cashmere-colored with Charcoal Black piping. If that’s not enough, the Race Red or Arctic White Interior Style Packages carry their color schemes to the instrument panel and door-trim inserts. There’s also heated front seats and ambient lighting that lets you choose from 7 hues. All ready to impress. And since style doesn’t have to take a back seat to space, Fiesta’s 60/40 split rear seat folds down, opening up additional room for your gear. Pass-through access from the trunk increases that usable space even more in the sedan.

1 Class is Subcompact Cars vs. 2012 competitors. 2 Available feature.
Protective.

It’s no wonder the 2012 Fiesta earned a “Top Safety Pick” — the highest possible rating from the Insurance Institute for Highway Safety (IIHS) — 2 years in a row (2011–2012). Underneath its aerodynamic shape, high-strength and ultra-high-strength boron steel form a rigid safety cage. In slippery conditions, AdvanceTrac® electronic stability control helps you keep all 4 wheels firmly planted. Our Personal Safety System™ front-seat side airbags and side-curtain airbags are all standard. Ford SYNC® with 911 Assist® uses your phone to call 911, and can even give the operator an urgent message, in the event of airbag deployment or fuel pump shutoff.

The 7th airbag. A first-in-class³ driver’s knee airbag, which inflates between the knees and the instrument panel in a crash, gives Fiesta 7 airbags.
Unexpected.

A long list of available features helps you create your Fiesta. Always on the go? Add power, heated sideview mirrors to quickly melt snow, and special interior lighting to keep things interesting while on the road. Need to activate your Vitamin D? A power moonroof lets the sun stream in. Whatever you choose, you’re creating a 2013 Ford Fiesta just the way you want it.

| Power, heated sideview mirror with turn signal indicator¹ |
| 12-volt rear powerpoint¹ |
| Ambient lighting¹ |
| Heated front seats, in cloth or leather¹ |
| Power moonroof¹ |

New Vehicle Limited Warranty. We want your Ford Fiesta ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no- obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
