Full throttle. 
Every day.

Click to see why Fiesta
is a non-stop blast.

ST. Molten Orange Tri-coat Metallic. Available equipment.
Enthusiasts, take your seat.

The driver’s seat, of course. Then place your hand on the leather-wrapped shift knob. Of the standard 6-speed manual transmission. That’s linked to a turbocharged high-output 1.6L EcoBoost® I-4 with 197 horsepower.1 It’s time to party – Fiesta ST style.

“It’s a bullet on the road,” says AUTOMOBILE Magazine, which named Fiesta ST one of its 2014 All-Stars. An “overboost” feature can extend peak torque for up to 17 seconds. Sport-suspension architecture with European-inspired tuning and 17” summer-compound performance tires2 help keep it planted.

Gripped firmly by the supportive bolsters of the RECARO® partial leather-trimmed seats,3 you’ll enjoy the amplified engine sounds from EcoBoost that are piped into the cabin through the sound symposer. Or the resounding boom of the 8-speaker Audio System from Sony® with HD Radio™ Technology.

“It begs to be flogged on every on-ramp and stabbed at every downtown red-to-green,” says Road & Track. “In the process, Fiesta ST invites a hell of a grin.” Behind this wheel, the rush is always on.

202 lb-ft. | 197 HP

ST. ST RECARO Package. Available equipment.

1Using 93-octane fuel. 2Ford does not recommend using summer tires when temperatures drop to approximately 40°F or below (depending on tire wear and environmental conditions) or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or snow tires. 3Available feature. 4Horsepower and torque. Class is High Performance Subcompact Manual Cars.
Efficiency experts, applaud now.

We’re all trying to squeeze every last mile from a gallon of gas. That’s why starting with an efficient foundation is key. Enter Ford Fiesta.

Fiesta SE has an EPA-estimated rating of 43 hwy mpg when equipped with the SE EcoBoost® Fuel Economy Package. Along with unique wheels, the package includes the new 1.0L EcoBoost I-3 engine that combines direct fuel injection, turbocharging and twin independent variable camshaft timing (Ti-VCT).

With an impressive 123 horsepower and 125 lb.-ft. of torque, the 1.0L EcoBoost isn’t shy about performance. “The Fiesta pulls with a diesel-like sense of authority, regardless of gear or engine speed, and had little difficulty when it came to on-ramps or highway merging, where power is most likely to be needed,” says autoblog.com. “This powertrain is just very, very easy to drive.” More proof that big ideas do come in unexpected packages. Just like the 2015 Ford Fiesta.

EPA-ESTIMATED RATING 43 HWY MPG

1EPA-estimated rating: 31 city/43 hwy/36 combined mpg, 1.0L EcoBoost I-3. Actual mileage will vary.2 Available feature.
Drivers, keep smiling.

In Fiesta, every drive can bring a grin. Dart in and out of traffic. Stick it in the corners. And draw admiring glances along the way.

To help Fiesta stay sure-footed in the corners, standard Torque Vectoring Control applies slight braking force (as needed) to the inside front wheel to help more torque reach the road and keep Fiesta firmly planted.

For that extra-connected feel, the PowerShift 6-speed automatic transmission\(^1\) helps provide torque to the front wheels 100% of the time during shifts. Electric power-assisted steering improves steering feel at low speeds and provides precise assist on the highway. Specially tuned shocks and spring rates balance responsive handling with the need for a smooth ride. Choose your favorite 15" or 16" wheels.\(^1\) Then go.

\(^1\)Available feature.
Multitaskers, just say the word.

Stay connected in Fiesta with standard voice-activated Ford SYNC®1 with 911 Assist®, which delivers hands-free calls, Bluetooth®-streaming music and more with simple voice commands.

Just push a button on the steering wheel and say things like “Call: Heather at home” or “Play playlist: Road Jams.”

Control apps by voice too, such as Pandora®, iHeartAuto™ and SiriusXM® with SYNC AppLink™.2 Take your connections to the next level in Fiesta. SYNC. Say the word.

1Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones.
2SYNC AppLink is available on select models and compatible with select smartphone platforms. AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software.
Innovators, have fun.

SYNC® with MyFord Touch® makes it easy. Colorful graphics, fast touch-screen responses and simple controls give you voice and touch mastery of your phone, entertainment, and navigation.¹

Answer a call from your paired phone by pressing accept on the 6.5" color LCD touch screen. Incoming text? Have the system read it aloud for you. Hear a new favorite tune over the radio? With HD Radio™ Technology² and iTunes® tagging, simply touch the TAG shopping cart icon when the song is playing to mark it for purchase later.

SiriusXM® lets you enjoy commercial-free music, plus sports, news, entertainment, and every premium channel with your 6-month All Access trial subscription.³ The voice-activated Navigation System² also includes a 5-year subscription to SiriusXM Traffic and Travel Link® services. These features provide detailed traffic information on accidents, construction and road closures, plus local and national weather forecasts, fuel prices and more.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. ³Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.
Visitors, stay awhile.

Pull up in Fiesta and people will notice. They’ll be even more impressed when they climb in.

Enter and start Fiesta – without using a key. With its Intelligent Access key fob in your pocket, just touch the door handle and you’re in. Then, press the brake pedal and push the start button. Keep your paired smartphone close (and charging!) in the full center console with padded armrest.¹

Heat your front seats,¹ in cloth or leather trim.¹ They’re sport bolstered for support. Cool things down with electronic automatic temperature control,¹ which automatically maintains settings chosen by the driver or front passenger. Rock the house with the 8-speaker Audio System from Sony.¹

In the rear, open up additional cargo room by folding down one or both sides of the 60/40 split rear seat.

¹Available feature.
Layer for protection. It's good advice that still applies today. Underneath the aerodynamic shape of the 2015 Fiesta, there are many protective layers.

**Strength surrounds** you in the form of a rigid safety cage. High-strength and ultra-high-strength boron steel work with SPACE (Side Protection And Cabin Enhancement) Architecture to help divert crash forces away from occupants. Next, 7 standard airbags include: driver and front-passenger front; driver’s knee; front-seat side; and side curtains.

**Underpinning it all.** AdvanceTrac electronic stability control automatically helps avoid skidding and fishtailing, helping keep all 4 wheels firmly planted.¹

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Believers, make it your own.

You’ve seen how much Fiesta has to offer. Now here’s how you can make it your own.

Let sun and breeze stream in through the power moonroof.¹ See what’s behind your vehicle as you slowly back up, thanks to a convenient rear view camera.¹ ² Even heat your front seats¹ (in cloth or leather).

Choose your color with ambient lighting! With MyKey,¹¹ set speed and volume controls for when others are driving your Fiesta.

Never leave your gas cap behind with the Easy Fuel® capless fuel filler. You don’t need one. With its long list of standard and available features, your 2015 Fiesta can be just the way you want it.

¹Available feature. ²Driver-assist features are supplemental and do not replace the driver’s judgment.

1 Additional components may be required. See dealer for details. 2 Ford Licensed Accessory. 3 Manual transmission only.
New Vehicle Limited Warranty. We want your Ford Fiesta ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Genuine Ford Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Subcompact Cars), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment.
