Thrill-seekers, grab the keys.

Then get your next road rally in gear in the fun-to-drive 2016 Ford Fiesta. Adding inspiration to this year’s lineup is new SYNC® 3, our next-generation of voice-activated technology.¹ More connected. Pure Fiesta. Now get up and go.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.
Enthusiasts, take your seat.

The driver’s seat, of course. Then place your hand on the leather-wrapped shift knob of the standard 6-speed manual transmission. That’s paired with a turbocharged, high-output 1.6L EcoBoost® with 197 horsepower.1 Greet the street — Fiesta ST style.

“One of the best drivers’ cars, at any price, on sale today,” says car magazine of Fiesta ST.2 An “overboost” feature can extend peak torque for up to 17 seconds. Unique sport-suspension architecture with European-inspired tuning and 17” summer-compound performance tires3 help keep it planted.

Gripped firmly by the supportive bolsters of the RECARO® partial leather-trimmed front seats,4 you’ll enjoy the amplified engine sounds from EcoBoost that are piped into the cabin through the sound symposer. Or the resounding boom of the 8-speaker Audio System from Sony® with HD Radio™ Technology.

“It begs to be flogged on every on-ramp and stabbed at every downtown red-to-green,” says Road & Track. “In the process, Fiesta ST invites a hell of a grin.” Behind this wheel, the rush is always on.
Efficiency experts, applaud now.

We all try to squeeze every last mile from a gallon of gas. That’s why starting with an efficient foundation is key. Enter Ford Fiesta.

Fiesta SE has an EPA-estimated rating of **43 hwy mpg** when equipped with the SE EcoBoost® Fuel Economy Package. Along with adding a rear spoiler on sedan models (spoiler standard on hatchback), the package includes the 1.0L EcoBoost engine that combines direct fuel injection, turbocharging and twin independent variable camshaft timing (Ti-VCT).

With an impressive **123 horsepower** and **125 lb.-ft.** of torque, the 1.0L EcoBoost isn’t shy about performance. “The Fiesta pulls with a diesel-like sense of authority, regardless of gear or engine speed, and had little difficulty when it came to on-ramps or highway merging, where power is most likely to be needed,” says autoblog.com. “This powertrain is just very, very easy to drive.” More proof that big ideas do come in unexpected packages. Just like the 2016 Ford Fiesta.

---

1EPA-estimated rating: 31 city/43 hwy/36 combined mpg, 1.0L EcoBoost. Actual mileage will vary. 
2Available feature.
Drivers, keep smiling.

In Fiesta, every drive brings its own rewards. Dart in and out of traffic. Stick it in the corners. And draw admiring glances along the way.

To help Fiesta stay sure-footed in the corners, standard Torque Vectoring Control applies slight braking force (as needed) to the inside front wheel to help more torque reach the road.¹

For that extra-connected feel, the PowerShift 6-speed automatic transmission² helps provide torque to the front wheels 100% of the time during shifts. Electric power-assisted steering improves steering feel at low speeds and provides precise assist on the highway. Tuned shocks and spring rates balance responsive handling with the need for a smooth ride. Choose your favorite 15” or 16” wheels.² Then go.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²Available feature.
Multitaskers, just say the word.

Voice-activated SYNC\textsuperscript{81} technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word.\textsuperscript{8}

- **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.
- **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.
- **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say “Bluetooth\textsuperscript{8} audio” to stream content from your phone.
- **SYNC AppLink\textsuperscript{2,82}** lets you control some of your favorite compatible mobile apps with your voice.
- **911 Assist\textsuperscript{3,83}** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911, even if you can’t.

Upgrade to SYNC 3.\textsuperscript{1} Our next generation of voice-activated technology with an easy-to-use new design and features.

- **New hardware meets new software** on the easy-to-read LCD color screen that displays phone, audio and navigation\textsuperscript{4} functions.
- **High-speed performance** means you’ll experience quick responses to your commands. Plus, the capacitive touch screen includes convenient swipe and pinch-to-zoom features similar to your smartphone.
- **Enhanced voice recognition** lets you talk with simple, real-world voice commands and the system responds naturally to your voice.
- **Easy destination entry** feature within navigation\textsuperscript{4} helps you locate your favorite restaurants, nearest ATM and more.
- **Siri\textsuperscript{8} seamless integration** brings the power of Siri Eyes Free\textsuperscript{5} and your iPhone\textsuperscript{6} into your vehicle.
- **Automatic updates over Wi-Fi\textsuperscript{86}** let you keep SYNC 3 up-to-date with the latest software as soon as new updates become available.

\textsuperscript{1}Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. \textsuperscript{2}Available feature. SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. \textsuperscript{3}The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility. \textsuperscript{4}Available feature. \textsuperscript{5}You must have a Bluetooth-enabled phone paired to your SYNC system. \textsuperscript{6}Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.
Seekers, connect with your world.

SiriusXM® Satellite Radio\(^1\) welcomes you to the World of SiriusXM.\(^2\) Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You’ll hear every channel available, plus you can listen online and on the SiriusXM app.\(^2\)

Navigation\(^1\) with SiriusXM Traffic and Travel Link\(^2\) includes a 5-year complimentary SiriusXM Traffic and Travel Link\(^2\) trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you’ll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

\(^1\)Available feature. \(^2\)SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com.
Visitors, stay awhile.

Pull up in a Fiesta and people will notice. They’ll be even more impressed when they climb in.

**Enter and start Fiesta — without using a key.** With its Intelligent Access key fob in your pocket, just touch the door handle and you’re in. Then, press the brake pedal and push the start button. Keep your paired smartphone close (and charging!) in the full center console with padded armrest.

**Heat your front seats** in cloth or leather trim. They’re sport-bolstered for support. Cool things down with electronic automatic temperature control, which automatically maintains settings chosen by the driver or front passenger. Rock the house with the 8-speaker Audio System from Sony. In back, open up additional cargo room by folding down one or both sides of the 60/40 split rear seat.

1Available feature.
Layer for protection. It’s good advice that still applies today. Underneath the aerodynamic shape of the 2016 Fiesta, there are many protective layers.

**Strength surrounds** you in the form of a rigid safety cage. High-strength and ultra-high-strength boron steel work with SPACE (Side Protection And Cabin Enhancement) Architecture to help divert crash forces away from occupants. Next, 7 standard airbags include: driver and front-passenger front; driver’s knee; front-seat side; and side curtains.

**Underpinning it all,** AdvanceTrac® electronic stability control automatically helps avoid skidding and fishtailing, helping keep all 4 wheels firmly planted.¹

¹Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Believers, make it your own.

Fiesta has so much to offer. Here’s how you can make it your own.

**Choose your color** with ambient lighting! With MyKey,® set speed and volume controls for when others are driving your Fiesta.

**Let sun and breeze stream in** through the power moonroof.¹ See what’s behind your vehicle as you slowly back up, thanks to a convenient rear view camera.¹² Even heat your front seats¹ (in cloth or leather¹).

**Never leave your gas cap behind** with the Easy Fuel® capless fuel filler. You don’t need one. With its long list of standard and available features, your 2016 Fiesta can be just the way you want it.

¹Available feature. ²Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.

1Additional components may be required. See dealer for details. ²Ford Licensed Accessory. ³Manual transmission only. ⁴Available on sedan only.
New Vehicle Limited Warranty. We want your Ford Fiesta ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP; the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
