Who says fun can't be functional? With a 120-hp 1.6L Ti-VCT engine and your choice of a 5-speed manual or a PowerShift 6-speed automatic transmission with SelectShift® capability, the 2019 Ford Fiesta is designed to liven up your drive – and your day. Fiesta S Sedan gives you 12.8 cu. ft. of trunk space to go with its 60/40 split-fold-down rear-seat versatility. SE models are available in Sedan or Hatchback, as well as head-turning colors like Lightning Blue, Outrageous Green and Hot Pepper Red. For a satisfying blend of style and technology, upgrade to the SE Appearance Package, which adds SYNC® 3 with a 6.5" color LCD capacitive touchscreen, SiriusXM®, unique Sport cloth seats with contrast stitching, 16" 8-spoke Sparkle Silver-painted aluminum wheels, fog lamps with chrome bezels, a rear decklid spoiler on Sedans, a 12V rear powerpoint and ambient lighting.

With nimble and responsive handling, Fiesta S and SE inspire fun at every turn. As U.S. News & World Report said, “Ford Fiesta combines value and performance, making it a great choice.”

STIMULATING
BOLD MOVES

Why blend in when you can stand out? With a bold exterior design and eye-catching interior accents, the new 2019 Fiesta ST-Line is inspired by performance and styled by sport. ST-Line delivers serious visual swagger, with practicality as well. In addition to a standard 5-speed manual transmission, ST-Line offers a PowerShift 6-speed automatic transmission with SelectShift® capability.¹ No matter which you choose, you’ll get plenty of notice.

With its Shadow Black-painted roof, high-mounted rear spoiler, and sideview mirror caps, the new ST-Line really stands out in Hot Pepper Red, Oxford White or Outrageous Green. Or, choose Shadow Black exterior paint for an even more sinister monochromatic appearance. 16" 10-spoke Ebony Black-painted aluminum wheels and dual chrome exhaust tips complete the look.

Inside, Black-painted instrument panel trim and center stack are joined by aluminum sport pedal covers and front sport seats in cloth with Red accent stitching and ST-Line logo. A leather-wrapped steering wheel and shift knob also have Red accents. While front door-sill scuff plates proudly display the ST-Line logo.

Ambient lighting and Ice Blue® instrument cluster lighting provide an inspiring glow.
For a best-in-class¹ 197 horsepower² and 202 lb.-ft. of torque³ step up to Fiesta ST with its turbocharged, high-output 1.6L EcoBoost® engine and 6-speed manual transmission. The engine also has an “overboost” feature that can extend peak torque for up to 16 seconds.

A unique sport suspension with European-inspired tuning, and 17” summer-compound performance tires³ puts all that power to good use. Add the premium Ebony Black-painted aluminum wheels with Red-painted brake calipers⁴ for even more attitude.

As you throw the leather-wrapped shift knob through its paces, the supportive bolsters of RECARO® partial leather-trimmed, heated front seats⁴ grip you firmly. From this exhilarating vantage point, you’ll enjoy the sonic boom of the Audio System from Sony.⁶ Behind the leather-wrapped steering wheel of Fiesta ST, the rush is always on.
