DESIGNED TO MOVE YOU.

Style. Space. Smarts. The 2018 Flex moves you in every way that matters. Its progressive design combines clean lines and versatility like no other. Flex offers you spacious seating for up to 7, and convenient technologies¹ that can help in unexpected ways. Your choice of 2 engines can be paired with Intelligent all-wheel drive (AWD).¹ The standard Safety Canopy® System features side-curtain airbags that deploy to cover all 3 rows, plus you can get 2nd-row outboard inflatable safety belts¹ And the standard rear view camera helps you maneuver with confidence. Strikingly unique. Effortlessly cool. Ford Flex.
READY WITH ASSISTANCE.

Using ultrasonic sensors and sophisticated radar, Flex driver-assist technologies can help you park, avoid collisions and more.

IN TRAFFIC
Adaptive cruise control & forward collision warning with brake support can adjust the speed of Flex to maintain a preset gap from the vehicle in front of you. If a potential collision is detected, the system can visually and audibly alert you, and pre-charge the braking system to help provide full responsiveness when you brake.

CHANGING LANE
BLIS® (Blind Spot Information System) with cross-traffic alert warns you if it detects a vehicle in either of your blind spots while driving forward, or approaching from the sides while in Reverse.

WHEN PARALLEL PARKING
Active park assist not only assists you in finding a spot, it steers Flex into it. You control the gear shifter, brake and accelerator pedals. Let Flex do the rest.

1 Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. 2 BLIS replaces standard integrated blind spot mirrors.
RELAXING SPACE
FOR UP TO 7.

In the 1st row, you can enjoy 10-way power heated and cooled seats¹ plus memory¹ for the driver’s seat and power-adjustable pedals.¹

In the 2nd row, you can select heated¹ bucket seats¹ for 2 people, or a bench seat (shown above) for 3 people. Either way, your passengers get best-in-class 2nd-row leg room². The multipanel Vista Roof³ tops off the experience with amazing views for those in all 3 rows.

In addition to a heated steering wheel¹, Flex offers MyKey® technology that allows you to program ignition keys with reminders to drive at appropriate speeds, keep the audio volume low, and more.
Imagine controlling calls, music and more with just a touch and your voice. SYNC® 3 lets you keep your hands on the wheel while it quickly responds to your spoken requests. Or use the responsive touchscreen in the center of your instrument panel to access its many helpful features. Bring the power of Siri® into Flex with Siri Eyes Free and your paired iPhone.® The system also features 2 smart-charging USB ports to help keep your devices powered up and ready to go.

SYNC APPLINK®4,5
Voice control for your favorite compatible mobile apps
Spotify® • Alexa • and more

APPLE CARPLAY™ COMPATIBILITY4,6

STAY CONNECTED ON THE MOVE.

2018 Ford Flex | ford.com

1Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. 2Available feature. Certain restrictions, 3rd-party terms, or message and data rates may apply. See Specifications and your Ford Dealer for details. 4Available via download and compatible with select smartphone platforms. Learn more at fordpass.com. Message and data rates may apply. 5Available feature. 6Commands may vary by phone and AppLink software. 7Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.
CONFIDENT PERFORMANCE.

Flex brings safety and technology together with smart standard features like AdvanceTrac® with RSC® (Roll Stability Control™) and traction control, which provides enhanced stability in a variety of settings. The system selectively applies individual brakes and modifies engine power to help keep all 4 wheels firmly planted. For enhanced handling and maximized traction, Intelligent all-wheel drive (AWD) balances torque between the front and rear wheels. If you’re into camping or boating, Flex can help make the most of your next trip with its 4,500-lb. towing capacity and trailer sway control.

For best-in-class V6 horsepower, equip your Flex with the twin-turbocharged, direct-injection, 3.5L EcoBoost® engine. Paired with Intelligent AWD and steering wheel-mounted paddle shifters, this 365-horsepower EcoBoost delivers spirited performance.

3.5L ECOBOOST

With its standard 3.5L Ti-VCT V6 engine, Flex has an EPA-estimated rating of 23 hwy mpg. Twin independent variable camshaft timing helps this V6 produce 287 horsepower. And the 6-speed SelectShift® automatic transmission allows you to shift for yourself, or leave its fully automatic operation to Flex.

3.5L Ti-VCT V6

2018 Ford Flex | ford.com

Limited. Magnetic. Available equipment. 1 Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

1 Available feature. 2 When properly equipped. 3 Horsepower rating achieved with 93-octane fuel. 4 EPA-estimated rating: 16 city/23 hwy/19 combined mpg. 3.5L Ti-VCT V6, FWD. Actual mileage will vary.
FLEXIBILITY IN ABUNDANCE.

Wherever your day leads, Flex helps you make all the right moves. Activate its power liftgate¹ with the press of a button on the liftgate handle, on the instrument panel, on the remote control, or inside the rear cargo area. Take advantage of over 83 cu. ft. of cargo space when its 2nd-row and PowerFold®³ 3rd-row seats are folded flat. Or let passengers pass easily into the 3rd row between the 2nd-row bucket seats!¹

¹Available feature.

2018 Ford Flex | ford.com
STANDARD FEATURES

Mechanical
- 4-wheel disc brakes with Anti-Lock Brake System (ABS)
- 72-amp-hr battery
- Battery Management System
- Electric power-assisted steering

New Vehicle Limited Warranty. We want your Ford Flex ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
