Thank you for your interest in the 2016 Fusion. This brochure will provide you with feature information, specifications and images of Fusion:

MAKE YOUR SELECTION: With assorted trim levels, available control and comfort features plus several powerplants to choose from, Fusion provides you with a number of choices.

POWERFUL PERFORMANCE: Fusion comes with a standard 2.5L engine and two available EcoBoost® powerplants. There are also hybrid and plug-in hybrid models available.

STYLISH DESIGN: Thanks to its sculpted lines, sleek silhouette, prominent hexoginal grille and low-profile projector headlamps, Fusion conveys an air of sophistication.

DRIVE HIGH-TECH: It’s about keeping you comfortable. It’s about making driving more convenient. The available technology features in Fusion can do both.

Get an inside look at the benefits of Ford ownership. Manage important vehicle information 24/7, whenever you need it. It’s free to register for personalized maintenance schedules, incentives and offers, and much more. You can even access your Ford Credit information and online bill payment services. Log on to www.owner.ford.com to get started.
Captivating. From every angle.

Empowering as well, with your choice of efficient gas, hybrid and plug-in hybrid powertrains. And with sculpted styling and innovative technology, Ford Fusion, Fusion Hybrid and Fusion Energi Plug-In Hybrid are always inspiring.
Motivating.
With powerful gas choices.

Equip your gasoline-powered Fusion model with a standard 2.5L iVCT engine or one of 2 EcoBoost® turbocharged, direct-injection powerplants.¹

With robust low-end torque and virtually no turbo lag, EcoBoost technology squeezes maximum power from each drop of fuel. Along with impressive efficiency. Get 181 hp from the 1.5L EcoBoost¹ with 6-speed SelectShift® automatic transmission and Auto Start-Stop Technology,¹ plus an EPA-estimated rating of 37 hwy mpg.²

For performance-minded drivers, a 240-hp³ 2.0L EcoBoost¹ teams with a SelectShift automatic.¹

With Fusion, the choice is always yours.

¹Available feature. ²EPA-estimated rating: 25 city/37 hwy/29 combined mpg, 1.5L EcoBoost automatic with Auto Start-Stop Technology. Actual mileage will vary. ³Using 93-octane fuel.
Efficient.¹
With state-of-the-art hybrid technology.

Using both electric and gas power, Fusion Hybrid delivers exceptional ride and handling as it seamlessly switches between its electric motor and 2.0L Atkinson-cycle gasoline I-4 engine to help maximize fuel efficiency. In fact, it can operate in electric mode at speeds up to 85 mph, due to a state-of-the-art, lithium-ion battery.

To help you drive more efficiently, vibrant “Efficiency Leaves” grow on the next-generation SmartGauge® with EcoGuide instrument cluster. The higher your driving efficiency, the more lush your green leaves – giving you instant feedback.

Recharging the battery as you drive, the Regenerative Braking System captures over 90% of the brake energy and uses it to help recharge the battery. Even when braking, you’re moving forward in a Fusion Hybrid.

¹EPA-estimated rating: 44 city/41 hwy/42 combined mpg. Hybrid. Actual mileage will vary.
Flexible. With the option to plug in or not.

With a large-capacity, state-of-the-art, lithium-ion battery and 2.0L Atkinson-cycle gasoline engine, Fusion Energi Plug-In Hybrid gives you the additional choice of plugging in. As you drive, it can decide whether to run only on battery power or to turn on its gas engine as needed.

An EPA-estimated rating of 95 city MPG[1], a gas-plus-electric driving range of 550 miles,[2] and an all-electric driving range of 19 miles.[2] Fusion Energi may run all-electric and use no gasoline at all on short commutes – even while cruising at highway speeds.

Recharge at home in about 7 hours using its illuminated charge port and the standard 120V convenience cord. Shorten that time to about 2.5 hours using a Ford-recommended AeroVironment[3] 240-volt home charging station[3] (shown below). This UL-listed, weather-resistant portable charging station is easy to take with you if you decide to relocate. A hard-wired station is also available.

Easily monitor and schedule charging, at home or at one of the growing number of public charging stations near you, with our MyFord[4] Mobile app[4] (shown below) and website (myfordmobile.com). Both feature a charging station locator powered by PlugShare.[5]

[1]EPA-estimated rating of 95 city/81 hwy/88 combined MPG. Actual mileage will vary. MPG is the EPA equivalent measure of gasoline fuel efficiency for electric mode operation. [2]EPA-estimated rating of 40 city/36 hwy/38 combined mpg, 14.0-gallon fuel tank; 19 miles electric. Range calculation based on www.fueleconomy.gov. Actual range varies with conditions such as external elements, driving behaviors, vehicle maintenance and lithium-ion battery age. [3]Available feature. To begin the process, call 1-888-219-6747 or visit evsolutions.com/ford. Charging stations are available with or without full installation services by AeroVironment. [4]MyFord Mobile subscription complimentary for 5 years from the vehicle sale date as recorded by the dealer. Subscription fees apply after 5 years. MyFord Mobile requires a compatible 2.5G independent cellular network. Evolving technology and cellular networks may affect future availability and functionality.
Agile.
With dynamic ride and handling.

Several factors contribute to the excellent driving dynamics of the 2016 Ford Fusion lineup.

Stay poised through the corners. even under acceleration, thanks to Torque Vectoring Control. By applying slight braking force to the inside front wheel as needed to help more torque reach the road, this standard system helps Fusion stay firmly planted.

Up the fun-to-drive factor even more with the 2.0L EcoBoost engine and SelectShift automatic transmission whose 6 speeds can be paddle-shifted from the leather-wrapped steering wheel.

To maximize traction. Intelligent all-wheel drive (AWD) constantly balances torque between the front and rear wheels, typically before wheelslip can even occur.

1Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. 2Available feature.
Gratifying. Enjoy its finely crafted comforts.

Relax in supportive, leather-trimmed, 10-way power, heated front seats. Recharge your devices with a convenient 110-volt power outlet.

Enjoy the sound from a well-balanced, 12-speaker Audio System from Sony, as well as the peace from acoustic underbody shields and sound-absorption material.

Your sense of responsibility is also satisfied inside Fusion. Nearly 40 recycled 16-oz. plastic bottles go into the EcoCloth seats on select models, while recycled material is used for the injection-molded splash shields and other underbody components.

Set the ambient lighting to your choice of 7 hues to bring it all together.

SE. Dune leather trim. Luxury Package. Available equipment.

1 Available feature.
Personalized.
Command it with your voice.

Voice-activated SYNC\textsuperscript{\textcopyright} technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word.

- Hands-free calling lets you make a call with a simple push of a button along with the sound of your voice.

- Automatic phone book download transfers the names and numbers in your compatible phone automatically, once paired.

- Voice-activated music commands let you say what music you want to hear and listen to it easily with voice-activated search, or say “Bluetooth\textsuperscript{\textregistered} audio” to stream content from your phone.

- SYNC AppLink\textsuperscript{\texttrademark} lets you control some of your favorite compatible mobile apps with your voice.

- 911 Assist\textsuperscript{\textregistered} is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911, even if you can’t.

Upgrade to SYNC with MyFord Touch\textsuperscript{\textcopyright,\textregistered}

- An LCD screen lets you easily read and control the things you want.

- Voice-activated navigation\textsuperscript{\textdagger} features voice-recognition technology that lets you say commands as conversational as “find a restaurant.” The system then helps guide you to your destination with audible turn-by-turn directions.

- Voice control climate lets you use your voice to adjust the climate, so you can stay comfortable without having to lift a finger.

Titanium. Charcoal Black leather trim with perforated inserts.
SYNC with MyFord Touch. Available equipment.

\textsuperscript{1}Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. \textsuperscript{2}Available feature. SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software. \textsuperscript{3}The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. \textsuperscript{4}Available feature.
Entertaining.
Connect with your world.

**SiriusXM® Satellite Radio** welcomes you to the World of SiriusXM! Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You’ll hear every channel available, plus you can listen online and on the SiriusXM app.¹

**Navigation² with SiriusXM Traffic and Travel Link®** includes a 5-year complimentary SiriusXM Traffic and Travel Link¹ trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you’ll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

¹SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com.

²Available feature.
Advanced. To help locate your sweet spot.

With its available driver-assist technologies, Fusion can help in traffic, with parallel parking and more.

**Maintain your lane** with help from our Lane-Keeping System.\(^1\)\(^2\) It can detect lane markings with a forward-facing camera and send vibration pulses to the steering wheel. If needed, it can apply steering torque to prompt you to steer back toward center.

**Make parallel parking easier** with active park assist.\(^1\) This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

**Get a heads-up** from adaptive cruise control and collision warning with brake support.\(^1\) This system helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If one is detected, it flashes a warning on the windshield, sounds an alarm, and preps the braking system to provide full responsiveness when you do brake.

**Stay alert to traffic detected in blind spots** as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS\(^3\) (Blind Spot Information System) with cross-traffic alert.\(^1\) It helps warn you using lights embedded in the sideview mirrors.\(^3\)

---

\(^1\)Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.

\(^2\)Lane-Keeping System does not control steering.

\(^3\)BLIS replaces standard integrated blind spot mirrors.
Stable. When it’s needed most.

Rest assured that Fusion is engineered to bring stability to your journey. Its achievements include both the government’s highest possible safety rating and a Top Safety Pick from the Insurance Institute for Highway Safety (IIHS).

8 standard airbags join inflatable 2nd-row safety belts (in the rear outboard seating positions) inside.

To help ensure proper tire inflation, the standard Tire Pressure Monitoring System (TPMS) alerts you when any tire’s pressure is low, giving you time to get assistance if needed.

Helping to keep things stable, particularly in inclement weather, is standard AdvanceTrac® electronic stability control.

1Available feature. 2Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

3Ratings based on Overall and Frontal Crash tests. Government 5-star Safety Ratings are part of the U.S. Department of Transportation’s New Car Assessment Program (www.safercar.gov).

Capacities (cu. ft.)
- Passenger volume: 102.8
- Luggage capacity: 16.0, 12.0/8.2
- Total interior volume: 118.8, 114.8/111.0
- Fuel tank (gals.): FWD/AWD 16.5/17.5, Hybrid/Fusion Energi 13.5/14.0

Standard Features

Mechanical
- 4-wheel disc Anti-Lock Brake System (ABS)
- Electric parking brake
- Electric power-assisted steering
- Front and rear stabilizer bars
- Front-wheel drive (FWD)
- Hill start assist
- Suspension – Front: independent MacPherson strut; rear: independent integral link
- Torque Vectoring Control

Interior
- 12-volt powerpoints (3)
- Dome light with map lights
- Driver and front-passenger sun visors with illuminated vanity mirrors
- Ford SYNC voice-activated, in-vehicle connectivity system
- Full center console with armrest and storage
- Illuminated, lockable glove compartment
- Message center with trip computer
- Power door locks
- Power windows with global open/close and one-touch-up/-down feature
- Steering wheel-mounted cruise, audio and 5-way MyFord® controls
- Tilt/telescoping steering column

Exterior
- Automatic halogen projector beam headlamps
- Chrome grille
- Configurable daytime running lamps
- Easy Fuel® capless fuel filler
- LED taillamps
- Rear-window defroster
- Solar-tinted glass
- Speed-sensitive windshield wipers

Safety & Security
- Personal Safety System™ for driver and front passenger includes dual-stage front airbags; safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- Driver and front-passenger knee airbags
- Front-seat side airbags
- Side-curtain airbags
- 3-point safety belts for all 5 seating positions
- AdvanceTrac® electronic stability control with brake-actuated traction control
- Anti-theft perimeter alarm
- Belt-Minder® front safety belt reminder
- Child-safety rear door locks
- Emergency in-trunk release handle
- Illuminated Entry System
- LATCH – Lower Anchors and Tether Anchors for Children
- MyKey®
- Rear view camera
- SecuriLock® Passive Anti-Theft System
- SOS Post-Crash Alert System™
- Tire Pressure Monitoring System (excludes spare)

Dimensions may vary by trim level.
1 Actual mileage will vary. 2 Using 93-octane fuel. 3 Always wear your safety belt and secure children in the rear seat.
### S

**Equipment Group 100A**

Includes all standard features, plus:

**Mechanical**

- 2.5L I4 engine
- 6-speed SelectShift® automatic transmission with shift-by-wire operation

**Compact spare**

**Seating**

- 6-way manual driver’s seat
- 4-way manual front passenger seat
- 4-way adjustable front head restraints
- 60/40 split-fold-flat rear seat
- Cloth seating

**Interior**

- AM/FM stereo/single-CD player with MP3 capability and 6 speakers
- Cruise control
- Day/Night rearview mirror
- Front cloth floor mats
- Single-zone manual air conditioning
- SYNC® with MyFord® voice-activated, in-vehicle connectivity system with 4.2” color LCD screens in instrument cluster and center stack, SYNC AppLink™, and media hub with USB port

**Available Options**

- Inflatable rear safety belts in outboard seating positions
- Intelligent Access with push-button start and remote start system (requires 17” wheels and SE Technology Package)
- MyFord Touch® – Includes BLIS® (Blind Spot Information System) with cross-traffic alert, lane-keeping system, high beam assist, rain-sensing windshield wipers, and 110-volt power outlet (requires 200A and SE Technology Package)
- Heat shield steering wheel (requires 200A and SE Technology Package)
- Inflatable rear safety belts in outboard seating positions
- Remote Start System

**Trunk cargo net**

### SE

**Equipment Group 200A**

Includes all standard features, plus:

**Mechanical**

- 2.0L EcoBoost® I4 engine and 6-speed SelectShift® automatic transmission with paddle shifters

**Seating**

- 10-way power driver’s seat including power lumbar
- 6-way power front passenger seat with fore/aft/up/down adjustment and power recline
- Rear seat fold-down center armrest with 2 cupholders

**Interior**

- AM/FM stereo/single-CD player with MP3 capability and 6 speakers
- Compass
- Outside temperature display
- Rear carpeted floor mats
- Rear seat knee bolster
- SiriusXM® Satellite Radio with 6-month trial subscription

**Exterior**

- 17” Sparkle Silver-painted aluminum wheels with 235/50R17 all-season tires
- Body-color, power heated sideview mirrors with security approach lamps and integrated turn signal indicators and blind spot mirrors
- Body-color rocker moldings
- SecuriCode™ invisible keypad

**Available Equipment Groups**

**Equipment Group 201A – SE Appearance Package**

Includes 18” 5-spoke premium painted aluminum wheels, rear decklid spoiler, fog lamps, and body-color rocker moldings

**Available Options & Packages**

- 1.5L EcoBoost® I4 engine with 6-speed SelectShift® automatic transmission
- 1.5L EcoBoost® I4 engine with 6-speed SelectShift® automatic transmission and Auto Start-Stop Technology (requires 17” wheels; n/a with 200A or 201A)

**SE Cold Weather Package**

Includes all-weather floor mats, heated cloth front seats and remote start system (requires 200A or 201A)

**SE Technology Package**

Includes SYNC with MyFord Touch® voice-activated, in-vehicle connectivity system with SYNC Services 2® configurable 4.2” color LCD screens in instrument cluster, 8” color Touchscreen display in center stack, and media hub with USB port and SD card reader, plus 10 speakers; Reverse Sensing System; and dual-zone electronic automatic temperature control

**Terracotta Package**

Includes Terracotta premium leather-trimmed seats and vinyl door-trim inserts, premium carpeted front and rear floor mats, and 10” premium machined painted aluminum wheels (requires 202A and Terracotta Package)

**Trunk cargo net**

Voice-activated Navigation System with integrated SiriusXM Traffic and Travel Link® with 5-year subscription (requires SE Technology Package)

---

1. Ford does not recommend using summer tires when temperatures drop to approximately 40°F or below (depending on tire wear and environmental conditions) or in snow/ice conditions. If the vehicle needs these conditions, Ford recommends using all-season or winter tires. 2. SYNC Services varies by trim level and model year and may require a subscription. Traffic alerts and turn-by-turn directions available in select markets. Message and data rates may apply. Ford Motor Company reserves the right to change or discontinue this product service at any time without prior notification or incurring any future obligation.
Titanium

Equipment Group 300A
Includes select SE features, plus:

Mechanical
2.0L EcoBoost® I-4 engine
6-speed SelectShift® automatic transmission with steering wheel-mounted paddle shifters

Seating
Leather-trimmed Sport seats with 10-way power, heated front seats and driver’s side memory with 3 settings

Interior
Aluminum brake and accelerator pedal covers
Aluminum front door-sill plates
Ambient lighting
Audio System from Sony® with AM/FM stereo/single-CD player with MP3 capability, 12 speakers in 10 locations and HD Radio® Technology
Auto-dimming rearview mirror
Dual-zone electronic automatic temperature control
Intelligent Access with push-button start and Remote Start System
Leather-wrapped steering wheel and shift knob
SYNC® with MyFord Touch® voice-activated, in-vehicle connectivity system with SYNC Services: 2 configurable 4.2" color LCD screens in instrument cluster, 8" color LCD touch screen in center stack, and media hub with USB port and SD card reader

Exterior
18" polished face aluminum wheels with Flash Gray-painted pockets and 235/45R18 all-season tires
Body-color door handles with chrome inserts
Body-color, power, heated sideview mirrors with memory, security approach lamps, auto-dimming driver’s side, and integrated turn signal indicators and blind spot mirrors
Dual integrated bright exhaust outlets
Fog lamps
Rear decklid spoiler
Reverse Sensing System

Available Options & Packages
18" summer-only tires
19" H-spoke dark stainless-painted aluminum wheels and 235/40R19 all-season tires
Active park assist with Forward Sensing System
Adaptive cruise control and collision warning with brake support
All-weather floor mats
Cooled front seats

Driver Assist Package includes BLIS® (Blind Spot Information System) with cross-traffic alert, Lane-Keeping System, auto high beams, rain-sensing windshield wipers, and 110-volt power outlet
Heated steering wheel
Inflatable rear safety belts in outboard seating positions
Intelligent all-wheel drive (AWD)
Paint Protection Film by 3M covers the edges of hood, front fascia, lower rocker panels, door edges, and rear fascia edge
Power moonroof with universal garage door opener
Premium carpeted front and rear floor mats, plus trunk mat

Terracotta Package includes Terracotta premium leather-trimmed seats and vinyl door-trim inserts, premium carpeted front and rear floor mats, and 18" 5-spoke machined and painted aluminum wheels
Trunk cargo net
Voice-activated Navigation System with integrated SiriusXM® Traffic and Travel Link® with 5-year subscription

SYNC Services varies by trim level and model year and may require a subscription. Traffic alerts and turn-by-turn directions available in select markets. Message and data rates may apply. Ford Motor Company reserves the right to change or discontinue this product service at any time without prior notification or incurring any future obligation. Ford does not recommend using summer tires when temperatures drop to approximately 40°F or below (depending on tire wear and environmental conditions) or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or winter tires.
Fusion Hybrid

110-volt power outlet.
Climate control screen on SYNC with MyFord Touch.
"Brake Coach" on SmartGauge with EcoGuide instrument cluster.

Hybrid S

Equipment Group 400A
Includes select Hybrid S features, plus:

**Mechanical**
2.0L I4 CVT Atkinson-cycle I-4 HEV engine with permanent-magnet AC-synchronous electric motor

**Electronic**
Electronically controlled continuously variable transmission (eCVT)
Lithium-ion Battery Pack System – 1.4-kWh capacity
Regenerative Braking System
Tire mobility kit in lieu of spare tire

**Seating**
Cloth seating

**Interior**
Active noise cancellation
AM/FM stereo/single-CD player with MP3 capability and 6 speakers

Dual-zone electronic automatic temperature control
Front carpeted floor mats
SmartGauge® with EcoGuide

17" 15-spoke Sparkle Silver-painted aluminum wheels with P225/50R17 all-season tires
Single bright exhaust tip

Available Options
All-weather floor mats
Inflatable rear safety belts in outboard seating positions
Paint Protection Film by 3M covers the edges of hood, front fascia, lower rocker panels, door edges, and rear fascia edge
Remote Start System
Trunk cargo net

**Available Options & Packages**
Active park assist with Forward Sensing System (requires S02A and SE Technology Package)
Adaptive cruise control and collision warning with brake support (requires SE Technology Package; dual on S02A)

All-weather floor mats
Driver Assist Package includes BLIS® (Blind Spot Information System) with cross-traffic alert, Lane-Keeping System, auto high beams, 110-volt power outlet and rain-sensing windshield wipers (requires S02A and SE Technology Package)
Heated steering wheel (requires S02A and SE Technology Package)
Inflatable rear safety belts in outboard seating positions
Intelligent Access with push-button start and Remote Start System (requires S02A and SE Technology Package)
Paint Protection Film by 3M covers the edges of hood, front fascia, lower rocker panels, door edges, and rear fascia edge
Power moonroof with universal garage door opener
Premium carpeted front and rear floor mats, plus trunk mat (n/a with Terracotta Package)
Remote Start System
Reverse Sensing System
SE Cold Weather Package includes all-weather floor mats, heated cloth front seats and Remote Start System (n/a on S02A)

**SE Technology Package**
Includes SYNC® with MyFord Touch® voice-activated, in-vehicle connectivity system with SYNC Services®, 2 configurable 4.2" color LCD screens in instrument cluster, 8" color LCD touch screen in center stack, and media hub with USB port and SD card reader
Power moonroof with universal garage door opener
Premium carpeted front and rear floor mats, plus trunk mat (n/a with Terracotta Package)

Terracotta Package
Voice-activated Navigation System with integrated SiriusXM Traffic and Travel Link® with 3-year subscription

**Available Options**
Connectivity System with SYNC Services, 4.2" LCD screens in instrument cluster, 8" color LCD touch screen in center stack, and media hub with USB port and SD card reader
10-spoke alloy wheels
Rear decklid spoiler
Fog lamps
Reverse Sensing System

Hybrid SE

Equipment Group 500A
Includes select Hybrid SE features, plus:

**Seating**
10-way power driver’s seat including power lumbar, 6-way power front-passenger seat with fore/aft/up/down adjustment and power recline
Rear seat fold-down center armrest with 2 cupholders
Unique EcoCloth seats with REPREVE® fabric

**Interior**
Compass
Outside temperature display
Rear carpeted floor mats
Rear climate ducts
SiriusXM® Satellite Radio with 6-month trial subscription

**Exterior**
Body-color, power, heated sideview mirrors with security approach lamps and integrated turn signal indicators and blind spot mirrors
Body-color rocker moldings
SecuriCode™ invisible keypad

Available Equipment Groups

**Equipment Group 501A – Appearance Package**
Includes 17" 10-spoke painted aluminum wheels, rear decklid spoiler, fog lamps, leather-wrapped steering wheel, and Ebony EcoCloth interior with contrasting red stitching on center console and seats

**Equipment Group 502A – Luxury Package**
Includes driver’s seat memory feature; heated front seats; leather-trimmed seats, steering wheel and shift knob; auto-dimming rearview mirror; fog lamps; chrome moldings around door windows; and power, heated sideview mirrors with memory, security approach lamps, auto-dimming driver’s side, and integrated turn signal indicators and blind spot mirrors

Drive green for life™
A rebate may be in your bright future. Ford customers who own a Fusion Hybrid or a Fusion Energi Plug-In Hybrid may be eligible for a $750 rebate on a SunPower residential solar system that generates clean, solar energy for the home and for electric vehicle charging. Owners of C-MAX Hybrid, C-MAX Energi Plug-In Hybrid and Focus Electric may also be eligible. As Drive Green for Life’s newest partner, the Sierra Club will receive a $500 donation for each SunPower rooftop solar system installed through the program. For more information, contact SunPower Corporation at sunpower.com/drivegreen.

Remote Access

¹Ford Licensed Accessory. ²Available on Fusion Energi only.
New Vehicle Limited Warranty. We want your Ford Fusion ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/limited-mile corrosion (perforation) coverage—all with no deductible. Fusion unique electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP. the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (Fusion class is Midsize Sedans; Fusion Hybrid class is Midsize Hybrid Sedans; Fusion Energi class is Midsize Plug-In Hybrid Sedans), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
