Thank you for your interest in the 2011 Mustang. Included in this brochure you’ll find information about:

**DESIGN:** The 2011 Mustang is a sleek representation of modern raw power — from its chiseled good looks, sweeping beltline and pronounced curves, to its kicked-up haunches.

**TECHNOLOGY:** Stay the course with available voice-activated Navigation System with SIRIUS Travel Link™.

**INTERIOR:** From the seamless, soft-touch material on a one-piece instrument panel, and the classic-styled conical instrument cluster gauges, to the dynamic center stack and center floor console with lockable storage, Mustang pours on style.

**Dealer Information**
Find up-to-date contact information for your local Ford dealer. To visit a local dealer Web site and view a map of their location, click on one of the links below.

**We’re sorry. There are no Ford dealers in your immediate area. If you would like to enter a new zip code and re-create your PDF, please go to the Custom Brochure page at:** www.fordvehicles.com/brochures

**EXPERIENCED MY FORD YET?** Get an inside look at the benefits of Ford ownership at the My Ford owner Web site. It’s a one-stop spot for managing important vehicle information — 24/7, whenever you need it. It’s free to register for personalized maintenance schedules, incentives and offers, and much more. You can even access your Ford Credit information and online bill payment services. Log on to www.myford.fordvehicles.com to get started.
More power to THE PONY

The New 2011 Mustang – Presented by Ford Motor Company

New aluminum engines scream higher, more intense performance – for V6, GT, Shelby GT500.¹⁴ The most powerful production models ever. All now armed with six speeds. Unsurpassed efficiency.¹ And quality that tops the charts. Mustang is the “Highest-Ranked Midsize Sporty Car in Initial Quality”² in 2010 – according to J.D. Power and Associates. In a choice of coupe, convertible or glass roof. No excuses: This is the year of your Mustang.

¹EPA-estimated 31 mpg hwy for V6 Coupe with automatic transmission, and 26 mpg hwy for GT with manual transmission. ²The 2010 Ford Mustang received the lowest number of problems per 100 vehicles among midsize sporty cars in the proprietary J.D. Power and Associates 2010 Initial Quality Study.² Study based on responses from 82,095 new-vehicle owners, measuring 236 models and measures opinions after 90 days of ownership. Proprietary study results are based on experiences and perceptions of owners surveyed in February–May 2010. Your experiences may vary. Visit jdpower.com.
Can’t touch this new Mustang V6. 305 horses and a class-best 31 mpg hwy.¹ No other vehicle beats that combo.² The all-new, all-aluminum 3.7L engine boasts dual-overhead cams and Ti-VCT. Twin independent variable camshaft timing. Translation: maximum off-the-line acceleration. New six-speed control in the palm of your hand. The X-pipe dual exhaust is new too. Its bright 3.5-in. tips howl out a deep, rich tone – unique to V6. Especially at full tilt. Take that excitement to the next level. Go for the all-new Performance Package⁴ or Mustang Club of America Edition. Yet more reasons why Mustang is America’s favorite sports car.⁵

The New Mustang V6 and V6 Premium ■ 280 lb.-ft. of torque with plenty of low-end oomph ■ Recalibrated suspension componentry ■ New electronic power-assisted steering ■ Now standard: limited-slip rear axle transfers driving force to rear wheel with most traction ■ All-new Performance Package⁴ includes 3.31 gear ratio, aggressive suspension tuning, strut-tower brace, 19-in. premium wheels and summer treads ■ All-new Mustang Club of America Edition⁶ (shown here) with painted dark stainless billet-style grille and 18-in. wheels, unique stripes, fog lamps, rear spoiler and more ■ V6 Pony Package⁶ with bright Pony flanked by satin chrome on grille, fog lamps, 18-in. polished wheels, stripes, rear spoiler and more ■ New fold-down rear head restraints ■ Auto-indexing windows ■ Split-fold rear seat on coupe models

The wait is over. Mustang GT pounds pavement with an advanced, all-new take on the 5.0L V8. Mod 5.0 graphics debuted on the hood scoop of a 1978 Mustang II King Cobra. The actual 5.0 badge of honor made its first appearance the following model year. Creating a loyal legion of fans in the process. 1995 models — cresting at 240 hp — were last to flaunt the hi-po 5.0. Until now. Output reverberates with an astounding 412 hp and 390 lb.-ft. of torque. This baby kicks and screams like the day it was born. Only way stronger.

**Legendary THUNDER RETURNS**

The All-New, All-Powerful 5.0L V8

- Aluminum cylinder block with optimized bay-to-bay breathing
- Aluminum, hi-flow four-valve-per-cylinder heads lend volumetric efficiency
- Torque-actuated Ti-VCT (twin independent variable camshaft timing) adjusts valvetrain intake in microseconds
- Dual-overhead-cam compact Roller-Finger Followers configured for aggressive cam-lift rates
- Unique tubular exhaust headers maximize pulse separation
- Forged-steel crankshaft is fully counterweighted
- Nodular iron, cross-bolted main bearing caps contain upsized bolts
- Deep-summ stamped steel oil pan sustains a high-range rpm

*Figures achieved using premium unleaded fuel.*
The New Mustang GT and GT Premium

- Unique front end cheats the wind to help create a low drag coefficient and reduced aerodynamic lift
- Wide-spoke 18-in. wheels
- Bright rolled 3.5-in. tips on H-pipe dual exhaust
- Signature, throaty V8 rumble is specially piped into cabin
- New rear lower control arms
- New skip shift for manual transmission
- Fog lamps housed in grille, on either side of exclusive-to-GT dark-chrome Pony
- All-new California Special Edition* with chrome billet-style grille, unique lower fascias, exclusive 19-in. wheels, side scoops, GT/CS stripes, pedestal rear spoiler and unique interior accents
- All-new Brembo** Brake Package* with unique 19-in. wheels and electronic stability control tuning

Mustang GT tops any enthusiast’s wish list. The all-new 5.0L V8 raises desire tenfold. Especially its pulse-popping, 82-hp-per-liter force! Redline pushed to 7,000 rpm. Speedo bumped to 160 mph. Compression ratio formulated to 11:1. Transmission optimized to six speeds. With the benefit of an unsurpassed 26 mpg hwy. New handling dynamics include electronic power-assisted steering for optimal all-speed performance. Re-tuned struts and shocks for improved ride and balance.* Larger-diameter stabilizer bars and brakes for tight cornering.* GT – for ultimate kicks.

Venomous like never before. The added potency of an all-new, cast-aluminum engine block. Plus the optional aggressiveness of an SVT (Special Vehicle Team) Performance Package: unique wheels, tires, stripes, spoiler, shifter and handling. Racing icon Carroll Shelby provided the inspiration. Ford SVT speed gurus fine-tuned this track-ready dream car. Shelby GT500™ is the pride of all who collect it. And the envy of any who chance to dare it.

The Newest Shelby GT500

- Intercooled 5.4L four-valve DOHC V8 with a supercharged 9.0 psi of boost
- 510 lb.-ft. torque
- 3.55 gear ratio (3.73 available)
- Shelby thunder courtesy of H-pipe pressure-wave tuning
- SVT-optimized suspension
- Goodyear® F1 Supercar 19-in. tires on both coupe and convertible
- Wheels milled, both sides
- Heat extractor on unique aluminum hood
- HID headlamps
- Brembo™ front rotors and four-piston calipers
- Unique air splitter up front and strakes in rear
- Exclusive interior w/3D aluminum panels, racing-stripe shifter, plus Alcantara® leather trim on racing-stripe seats and steering wheel
- Electronic power-assisted steering
- Programmable shift indicator
- Exclusive red, white and blue MyColor® for gauges
- Le Mans racing stripes on coupe, convertible and glass roof (which is available for the first time)
Freedom of expression taken to a big-time, baddest extreme. Just the ticket for those who want to see and be seen. Go open-air convertible — where your wind-in-hair passion knows no bounds. Or go four-season glass roof — where even the weather can’t spoil your 24/7 thrills. Either version available across the board, in V6, GT or GT500® style. Unparalleled variety. Unbelievably fun.

**Mustang Convertible**
- Designed from ground up
- Front shock-tower crossbrace now standard
- Z-brace added and V-brace stiffened for greater structural rigidity
- Low-profile power top Z-folds out of sight
- Top is weatherproofed outside, tailored inside, sound-deadened in between
- Cloth top on GT Premium and GT500

**Mustang Glass Roof**
- Installed right at the factory
- Tinted, high-performance safety glass helps keep cabin cool — filtering 96% of ultraviolet rays and 90% of infrared rays
- Includes a retractable, built-in shade
- Transparent acoustic layer helps reduce wind and road noise
Even within, **awe-inspiring**

Interior allure rivals that of the jaw-dropping exterior. Craftsmanship is nothing less than phenomenal. Premium materials abound. From the seamless, soft-touch instrument panel to the available, genuine aluminum accents. Driver-variable ambient lighting\(^1\) radiates hi-tech prowess, as does MyColor\(^1\) – with literally 125 combinations of hues – allowing you to customize the full complement of gauges. Mustang at its finest.

Nothing **like it**

SYNC SAY THE WORD

AWARD-WINNING FORD SYNC® works with your paired Bluetooth®-enabled mobile phone and digital media player or USB drive. Delivers hands-free calling. Plays your music. All with the touch of a button and voice commands. The system also features 911 Assist, Personalized traffic reports, Turn-by-turn driving directions, Business searches, News, Sports, Weather, Vehicle Health Reports. And even incoming text messages read aloud.

MYKEY® owner controls feature is an industry-first. It allows you to assign separate keys to enforce specific driving restrictions – including top speed and audio volume. Especially helpful when it comes to that hot-shot valet.

REAR VIEW CAMERA is an optional help. Shift into reverse – a full-color image from the spoiler-mounted camera appears in your rearview mirror or on the available navigation screen.

New Vehicle Limited Warranty. We want your Ford Mustang ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

Elements
More tech. Further proof Mustang offers more than muscle.

A | HID HEADLAMPS† emit approximately 2½ times as much light as the conventional versions. A special quartz bulb generates a penetrating, bluish-white light.

B | EASY FUEL® CAPLESS FUEL FILLER originated at the race track. Fill-ups are made simpler — no screw-on cap to tighten, loosen or lose. The system self-seals to protect against dust, water, snow and ice.

C | BLIND SPOT MIRRORS are built into each sideview mirror. They’re convex, reflecting the image of approaching vehicles as they enter your blind spots.

D | ADVANCETRAC® electronic stability control‡ keeps you in control. And on track. It works in conjunction with the four-wheel disc ABS and all-speed traction control.

HD RADIO™ makes for crystal-clear, digital listening. Pumping out FM audio with near-CD quality. And giving AM an FM sound — no static at all. In addition, you get innovative FM programming (new HD2/HD3 channels) along with on-screen data: song, artist, breaking news, weather alerts, sports scores and more. Even better, HD Radio is subscription-free.

BREMBO™ BRAKE PACKAGE† includes the high-performance stopping power of 14-in. Brembo vented front rotors. Teamed with Brembo four-piston calipers. Brembo is a world leader for braking systems — be it for street or racing circuit.

†Available. ‡Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Accessories
Detailed. Tested. Warranted. For enhanced looks. Or enhanced function.
