Your wildest dreams.

VENOMOUS 5.2L BEAST.

Every member of the Mustang family makes a powerful impression. Starting with the most potent of them all – the head-turning, heart-pounding, Shelby GT350®. This race-tuned monster is powered by a 5.2L Ti-VCT V8 with a flat-plane crank, engineered to propel you into the winner’s circle. A TREMEC® TR-3160 6-speed manual transmission gives you ultimate control over its 526 hp and 429 lb.-ft. of torque. The Shelby exclusive interior features an aluminum instrument panel and other unique touches including a steering wheel wrapped in both Alcantara® and leather. RECARO® sport seats trimmed in a unique mix of Carbon Weave cloth and Miko® sueded cloth help keep you in your place – turn after turn.

The most track-ready, street-legal Mustang ever produced – the Shelby® GT350R Mustang – features the R Package, which includes extremely durable, yet lightweight, 19” carbon-fiber wheels wrapped in Michelin Pilot® Sport Cup 2 tires backed by the extra stopping power of 2-piece, cross-drilled brake rotors paired with Brembo™ calipers.

Helping you stay glued to the track is no easy task. Rest assured, our engineers scrutinized and refined every aspect of the GT350 exterior in order to achieve its balance of downforce and drag. From its aggressive front splitter to its wide aluminum vented front fenders and unique vented aluminum hood, all the way back to its rear spoiler, fascia and integrated diffuser, every element is designed to work together as a unified team.

A dynamic, adrenaline-fueled ride is yours courtesy of the MagneRide™ Damping System®. To adjust the continuously controlled dampers, an electric current is passed through hydraulic fluid that’s infused with iron particles, providing ultra-quick responsiveness to changing conditions. Each corner is adjusted independently – 1,000 times per second – for optimum handling performance.
435-HORSEPOWER\(^1\) HIGH.

That’s the feeling. And it’s reinforced by the sound of the legendary 5.0L. The wickedly deep-throated rumble that could only be Mustang GT.

Our fastest and best-handling GT yet, this generation packs a potent 435 horses\(^1\) and 400 lb.-ft. of torque\(^1\) courtesy of its thoroughly modern 5.0L V8 engine. It also pulls 0.98 lateral\(^2\) thanks in part to the integral-link, fully independent rear suspension. With nearly 10 times better anti-lift properties than the solid-axle setup it replaced, this system provides significantly better pitch control during hard acceleration and braking.

Get an even more aggressive look with the new California Special\(^3\) GT Premium. Outside, the heat gets turned up with unique Black front grilles featuring the tri-bar Pony logo, a performance front air splitter, hood and side stripes, a raised decklid spoiler, 19” Ebony Black-painted machined aluminum wheels and more. Under the hood, your strut tower brace gets the “California Special” badge. And inside, you’ll enjoy Ebony leather-trimmed seats with Miko® sueded cloth inserts, red contrast stitching and more, including a “California Special” badge on the dash – the perfect finishing touch.

\(^1\)Tested with 93-octane fuel. \(^2\)Mustang GT with GT Performance Package figure based on internal Ford testing data. \(^3\)Available feature.
320 LB.-FT.\(^1\) OF GET-UP-AND-GONE.

Turbocharged responsiveness — that’s the essence of Mustang EcoBoost.\(^*\)

**Best-in-class I-4 fuel efficiency:** horsepower and torque are yours with the 2.3L EcoBoost engine. Its twin-scroll, single turbocharger and direct-injection technology deliver all around. It has an EPA-estimated rating of up to 32 hwy mpg.\(^2\) Plus, it kicks out 310 hp\(^1\) and 320 lb.-ft. of torque!\(^1\) Harnessed by a 6-speed manual or a SelectShift\(^*\) automatic\(^4\) transmission, it’s ready to ride.

**Performance is enhanced** by subtle elements like the wheel aero curtains, which are vertical slots at the outer edges of the front fascia. Standard on every Mustang, they create a high-pressure region that holds airflow closer to the body and minimizes drag.

**Pump up the Pony presence** on EcoBoost Premium by adding unique front grilles accented by the tri-bar Pony logo, sporty side stripes, unique 19” polished aluminum wheels and more with the new Pony Package.\(^4\)

\(^{1}\)Tested with 93-octane fuel. \(^{2}\)EPA-estimated rating: 21 city/32 hwy/25 combined mpg, 2.3L EcoBoost automatic fastback. Actual mileage will vary. Class is High-Power Sports Cars based on Ford segmentation. \(^{3}\)Available feature. \(^{4}\)Available Fall 2015.
Whether your Mustang V6 takes the iconic form of the fastback, or your must-have dream machine is a droptop, you can look forward to the passionate performance of its 3.7L Ti-VCT V6 engine.

With 300 hp and 280 lb.-ft. of torque at your disposal, every trip is bound to be a blast. Take your pick of a short-throw manual or a SelectShift® automatic transmission. With the auto, Mustang V6 has an EPA-estimated rating of 28 hwy mpg.¹

Excellent road feel and precise handling are just a few benefits of the standard fully independent suspension system. It features a double-ball-joint configuration in front, along with high-strength aluminum-alloy knuckles and H-arms in the rear. Utilizing advanced lightweight materials helps to keep unsprung mass down while maximizing grip—so you can have fun putting your Mustang through its paces on the way to places like this.

¹Available feature. ²EPA-estimated rating: 19 city/28 hwy/22 combined mpg, 3.7L automatic fastback. Actual mileage will vary.
DROP IN. REV UP.

Lower yourself into the sporty driver’s seat. Put your foot down. And let the adrenaline flow. Nothing compares to this rush. It’s pure magic. The kind conjured only by Mustang. A love-at-first-sight, want-you-so-bad, feels-so-good kind of car. One drive. And you’re hooked.

Its carefully crafted interior welcomes all drivers. The steering column tilts and telescopes. Your footrest and accelerator angles match. The shifter’s right where it should be for open access to controls (and cupholders). Plus, the front seats travel farther than in the previous generation. And there’s plenty of knee room. All that’s missing is you.
TALKS THE TALK.

Voice-activated SYNC® technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word.®

- **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.
- **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.
- **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say “Bluetooth® audio” to stream content from your phone.
- **SYNC AppLink™** lets you control some of your favorite compatible mobile apps with your voice.
- **911 Assist®** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911, even if you can’t.

Upgrade to SYNC 3.® Our next generation of voice-activated technology with an easy-to-use new design and features.

- **New hardware meets new software** on the easy-to-read color LCD touch screen that displays phone, audio and navigation functions.
- **High-speed performance** means you’ll experience quick responses to your commands, Plus, the capacitive touch screen includes a convenient swipe feature similar to your smartphone (as well as pinch-to-zoom capability within navigation®).
- **Enhanced voice recognition** lets you talk with simple, real-world voice commands and the system responds naturally to your voice.
- **Easy destination entry** feature within navigation® helps you locate your favorite restaurants, nearest ATM and more.
- **Siri® seamless integration** brings the power of Siri Eyes Free® and your iPhone® into your vehicle.
- **Automatic updates over Wi-Fi®** let you keep SYNC 3 up-to-date with the latest software as soon as new updates become available.

4Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Available feature. SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility. Available feature. You must have a Bluetooth-enabled phone paired to your SYNC system. Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.
ROCKS THE COCKPIT.

Amazing sound is yours with the 12-speaker Shaker™ Pro Audio System¹ featuring HD Radio™ Technology.¹ By broadcasting a digital signal over traditional radio frequencies, HD Radio Technology gives you up to 3 additional channels – per FM station – of new, local content. It can also display the artist, song title, album name and more. All without the need for a subscription.

SiriusXM® Satellite Radio¹ welcomes you to the World of SiriusXM.² Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You’ll hear every channel available, plus you can listen online and on the SiriusXM app.²

Navigation¹ with SiriusXM Traffic and Travel Link® includes a 5-year complimentary SiriusXM Traffic and Travel Link² trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you’ll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

¹Available feature. ²SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com.
SENGES DANGER.
LIKE A SUPERHERO.

High-speed passing. Crowded lots. Tight driveways. Long runs down the highway. Ford Mustang offers advanced driver-assist technologies\(^1\) with sophisticated sensors that can help you out in all these challenging real-world moments and more.

**Stay alert to traffic** detected in blind spots as you drive forward, or traffic nearing either side of the vehicle as you slowly back up, thanks to BLIS\(^{1}\) (Blind Spot Information System) with cross-traffic alert.\(^2\) BLIS helps warn you using lights embedded in the sideview mirrors.\(^2\) Cross-traffic alert uses the same lights, plus an audio warning and a message center notice.

**Get a heads-up** from adaptive cruise control and collision warning with brake support.\(^2\) This system helps maintain your choice of 4 preset gaps from the vehicle in front of you and can alert you to a potential collision. If one is detected, it flashes a warning on the windshield, sounds an alarm, and preps the braking system to provide full responsiveness when you do brake.

\(^1\) Available feature. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. \(^2\) BLIS replaces standard integrated blind spot mirrors.
AND TRANSFORMS IN A FLASH.

This Mustang convertible is a quick-change artist – dropping its top nearly twice as fast as the previous generation. Engineered as a convertible from the start, it’s designed to deliver a smoother ride and better handling than its predecessor as well. Plus, it has a lower liftover height and best-in-class trunk space.

Go topless in seconds by simply releasing the centrally located top latch and pressing a button. The electric drive system operates not only quickly, but quietly too.

Convertible life is easy, thanks to thoughtful touches like the tonneau caps that slide neatly into place, helping give the lowered top a sleek finish.

To perfect its top-down look, the convertible sports exclusive design cues that set it apart from the fastback. Note the higher, straighter muscle line across its rear haunches. And its distinctively contoured trunk lid. The 2016 Mustang convertible – open-air freedom at its best.
RACERS: TAP THIS.

The 2016 Mustang serves up hot technology designed specifically for you. Next time the track starts getting slick, just tap a toggle switch on the dash to adjust its Selectable Drive Modes. And keep going.

Choose from 4 modes: Normal, Sport+, Track, and Snow/Wet. Each one activates predefined powertrain and chassis calibrations suited to that particular driving situation.

**Normal** mode delivers a balance of comfort and responsive handling for an engaging driving experience.

**Sport+** mode provides more responsive steering and throttle response, plus different shift points if your Mustang is equipped with the SelectShift automatic transmission. It’s great for more spirited driving on twisty roads.

**Track** mode, which is for track use only, allows skilled drivers to push the car closer to its limits on the track before AdvanceTrac electronic stability control intervenes. It’s perfect for weekend track days and autocrosses because it lets you extract the absolute maximum from the vehicle.

**Snow/Wet** mode comes in handy when road conditions take a turn for the worse. It provides confident handling by retaining a connected-to-the-road feel without sacrificing any of the inherent composure of your new Mustang.

---

1Available feature.
NOTHIN’ BUT SMOKE IN YOUR MIRRORS.

When it’s track time, leave the competition behind with electronic line-lock. Only on GT and Shelby GT350 models, it’s activated using Mustang TrackApps. And its sole purpose is to prep your tires for the big win.

For customized steering feedback, the selectable-effort electric power-assisted steering offers you 3 modes (Standard, Sport and Comfort) in the Steering Feel menu.

An iconic “Christmas tree” offers accurate countdown starts. You can also monitor g-forces, braking times and acceleration times in quarter-mile, 0–60 and more, all within the TrackApps.

Serious stopping power is built into the GT Performance Package: 6-piston Brembo front calipers bite down on 15” vented rotors. Then it’s go-time again.

Vehicle shown on closed course with professional driver. Do not attempt. *Available feature. **Track use only. ***Manual transmission only.
While developing the GT Performance Package for Mustang GT, engineers used the previous generation’s Boss® 302 model as their performance benchmark – this race-ready machine is even faster around the track.

Getting it done starts with the underpinnings. The package gives you a strut-tower brace, a K-brace, heavy-duty front springs, an upsized rear sway bar, a larger radiator, a 3.73 TORSEN® rear axle and more. See the Specs for details.
### Engines/EPA-Estimated Ratings & Dimensions

#### 3.7L Ti-VCT V6
- 300 hp @ 6,500 rpm
- 280 lb-ft of torque @ 4,000 rpm

#### 5.2L Ti-VCT V8
- 526 hp @ 7,500 rpm³
- 429 lb-ft. of torque @ 4,750 rpm³
- 6-speed manual
- 14 city/21 hwy/16 combined mpg

### Capacities (cu. ft.)
- Fastback/Convertible
- Passengers volume: 82.8/79.3
- Luggage capacity: 13.5/11.4
- Total interior volume: 96.3/90.7
- Fuel tank (gal.):
  - V6/V8: 16.0
  - 1.4: 15.5

### Standard Features

#### Mechanical
- 4-wheel vented disc Anti-Lock Brake System (ABS)
- Selectable-effort electric power-assisted steering (Standard, Sport, Comfort)
- Suspension – Front: independent double-ball-joint麦弗逊 strut with stabilizer bar
- Suspension – Rear: independent integral link with stabilizer bar
- Tire inflator and sealant kit*

#### Seating
- 4-way adjustable front head restraints
- 50/50 split-fold rear seat (fastback only)
- Front bucket seats

#### Interior
- 12-volt powerpoints (2)
- Auto-dimming rearview mirror
- Carpeted front floor mats
- Cruise control
- Full center floor console with storage bin
- Illuminated locking glove compartment
- Intelligent Access with push-button start
- Leather-wrapped steering wheel and parking brake handle
- Power door locks
- Power windows with global open and one-touch up/down feature (one-touch-up only on fastback)
- Steering wheel-mounted cruise, audio and 5-way controls
- Sun visors with illuminated vanity mirrors
- Sunroof with integrated blind spot mirrors
- Tilt/telescoping steering column

#### Exterior
- Automatic headlamps with wiper activation
- Easy Fuel® capless fuel filler
- Embedded radio antenna (fastback only)
- HID headlamps with signature lighting
- LED taillamps with sequential turn signals
- Rear-window defroster
- Sideview mirrors with integrated blind spot mirrors
- Tonneau caps (convertible only)
- Windshield wipers – Variable- intermittent

#### Safety & Security
- Personal Safety System™ with dual-stage front airbags
- AdvanceTrac® electronic stability control
- Belt-Minder® front safety belt reminder
- Driver’s knee airbag³
- Front-seat side airbags³
- Glove-box-door-integrated knee airbag³
- Illuminated Entry System
- Individual Tire Pressure Monitoring System (excludes available spare)
- LATCH – Lower Anchors and Tether Anchors for Children
- MyKey®
- Perimeter alarm
- Rear view camera
- Remote Keyless Entry System
- Safety belt restraint system – Manual 3-point shoulder and lap safety belt system for all seating positions
- SecuriLock® Passive Anti-Theft System
- Side-curtain airbags³ (fastback only)
- SOS Post-Crash Alert System™

Dimensions may vary by trim level. *Actual mileage will vary. †For Shelby GT350® dimensions and capacities see your dealer. ‡Tested with 93-octane fuel. *In lieu of a traditional spare tire, Mustang comes equipped with a tire sealant and inflator kit which includes a portable air compressor and a can of tire sealant to inflate and seal small punctures for short periods of time. Always wear your safety belt and secure children in the rear seat.
Ebony cloth trim. Available equipment.

Tri-bar Pony badge on gloss-black-finished trunk-lid panel.

LED taillamps with sequential turn signals.

Intelligent Access with push-button start.

HID headlamps with signature lighting.
## EcoBoost®

### Equipment Group 100A

- Includes select V6 features, plus:
  - **Mechanical**
    - 3.3L EcoBoost I-4 engine
    - 3.51 gear ratio with limited-slip rear differential
    - Active noise cancellation
  - **Seating**
    - 6-way power driver’s seat with power lumbar
    - 6-way power front-passenger seat
  - **Interior**
    - Diamond-mesh aluminum dash panel
  - **Exterior**
    - 18” Magnetic-painted machined aluminum wheels with P235/50R18 all-season tires
    - Blade-style decklid spoiler
    - LED fog lamps
  - **Available Options & Packages**
    - 6-speed SelectShift® automatic transmission with steering wheel-mounted paddle shifters, 3.51 gear ratio with limited-slip rear differential, and Remote Start System
    - 20” x 9” Foundry Black-painted machined aluminum wheels with 265/35R20 summer-only tires (n/a with EcoBoost Premium with 19” polished aluminum wheels and Remote Start System)
    - 18” Ebony Black-Painted Machined Aluminum Standard

### EcoBoost Premium

- Includes EcoBoost Performance Package, Pony Package, and Wheel & Stripe Package
- Adaptive cruise control and collision warning with brake support, and rain-sensing windshield wipers
- All-weather floor mats
  - Black-painted roof (n/a with convertible or over-the-top racing stripe)
  - EcoBoost Performance Package (upsized rear sway bar and heavy-duty front springs on fastback only; n/a with optional wheels, Pony Package, or EcoBoost Performance Package or optional wheels)
  - Over-the-top racing stripe (n/a with convertible, Black-painted roof, Pony Package, or Wheel & Stripe Package)

### Enhanced Security Package

- Charcoal Black interior environment with color-accented seats and unique door-trim panel inserts
- Reverse Sensing System
  - Rear view camera
  - Reverse sensing system

### Premier Trim With Color Accent Group

- Includes: 19” polished aluminum wheels, unique Pony grilles, side stripes, bright bodyside moldings and window surrounds (fastback), and carpeted floor mats with embroidered Pony logo (n/a with EcoBoost Performance Package or optional wheels)
- RECARO sport leather-trimmed seats with manual adjustment (n/a with convertible, heated and cooled front seats, or memory feature)

### Available Options & Packages

- 6-speed SelectShift automatic transmission with steering wheel-mounted paddle shifters and Remote Start System
- 20” x 9” Foundry Black-painted machined aluminum wheels with 265/35R20 summer-only tires (n/a with EcoBoost Performance Package, Pony Package, or Wheel & Stripe Package)
- Adaptive cruise control and collision warning with brake support, and rain-sensing windshield wipers
- All-weather floor mats
  - Black-painted roof (n/a with convertible or over-the-top racing stripe)
  - EcoBoost Performance Package (upsized rear sway bar and heavy-duty front springs on fastback only; n/a with optional wheels, Pony Package, or EcoBoost Performance Package or optional wheels)
  - Over-the-top racing stripe (n/a with convertible, Black-painted roof, Pony Package, or Wheel & Stripe Package)
- Reverse Sensing System
  - Rear view camera
  - Reverse sensing system

### Available Equipment Group

- Includes: Pony Package
- 19” Ebony Black-Painted Machined Aluminum Standard

### Wheel & Stripe Package

- Includes: Wheel & Stripe Package
- 18” Magnetic-Painted Machined Aluminum Standard
Available Options & Packages

3.553:1 gear ratio with limited-slip rear differential
6-speed SelectShift® automatic transmission with steering wheel-mounted paddle shifters, 3.513:1 gear ratio with limited-slip rear differential, and Remote Start System

18" Foundry Black-painted aluminum wheels with 235/55R18 all-season tires (n/a with Black Accent Package, GT Performance Package, or GT Premium Package) or 20" x 9" front and 9.5" rear premium Luster Nickel-painted aluminum wheels with 255/40R19 front and 275/40R19 rear summer-only tires* (requires GT Performance Package)

All-weather floor mats
Black Accent Package includes 19" Black-painted aluminum wheels, Black-painted exterior badging, unique dark taillamp accents, and Black-rased blade-style decklid spoiler (n/a with 18" wheels, GT Performance Package, Interior & Wheel Package, or over-the-top racing stripe)

Enhanced Security Package includes electronic-locking center console, Active Anti-Theft System, electronic steering column lock, and wheel locks

GT Premium Equipment Group 400A
Includes select GT features, plus:

Mechanical
Selectable Drive Modes with 4-gang toggle switch pack (Normal, Sport+, Track, Snow/Wet)
Seating
Heated and cooled front seats
Ambient lighting
Steering
Interior
Aluminum brake, clutch, and accelerator pedals
Lighting
Bright-finish door speaker surrounds
Electronic
Dual-zone electronic automatic temperature control
Illumination
Premium door-trim panel inserts
Accessories
Satin Brush aluminum dash panel
Audio
Sync® 3 Enhanced Voice Recognition Communications and Entertainment System with 8" color LCD touch screen in center stack with swipe capability, 911 Assist® AppLink® and 2 smart-charging USB ports
Convenience
Universal garage door opener
Exterior
Body-color power, heated sideview mirrors with integrated turn signal indicators
Pony projection lamps
Rear diffuser

GT Performance Package includes unique front air splitter; strut-tower brace; larger radiator; upsized rear sway bar; heavy-duty front springs; unique chassis tuning; K-member brace; Brembo® 6-piston front calipers; 19" x 9" front and 19" x 9.5" rear Ebony Black-painted aluminum wheels with 255/40R19 front and 275/40R19 rear summer-only tires; unique electric power-assisted steering, ABS and electronic stability control tuning; Engine Turn aluminum dash panel; gauge Pack (oil pressure and vacuum); spoiler delete; and 3.731:1 gear ratio with TORSEN® helical gear differential (n/a with 18" wheels, automatic transmission, Black Accent Package, Interior & Wheel Package, or GT Premium Package)

GT Premium Equipment Group 300A
Includes select EcoBoost® features, plus:

Mechanical
5.0L Ti-VCT V8 engine
3.313:1 gear ratio with limited-slip rear differential
Electronic
Electronic line-lock (track use only)
Engine oil cooler
Launch control (manual transmission only)

Exterior
18" Magnetic-painted machined aluminum wheels with P235/50R18 all-season tires
Dual bright rolled and polished exhaust tips
Hood-vented air extractors with integrated secondary turn signals
Raised blade-style decklid spoiler

California Special includes 19" Ebony Black-painted machined aluminum wheels with 255/40R19 tires (n/a with GT Performance Package, or RECARO™ seats)

GT Performance Package includes unique front air splitter; strut-tower brace; larger radiator; upsized rear sway bar; heavy-duty front springs; unique chassis tuning; K-member brace; Brembo® 6-piston front calipers; 19" x 9" front and 19" x 9.5" rear Ebony Black-painted aluminum wheels with 255/40R19 front and 275/40R19 rear summer-only tires; unique electric power-assisted steering, ABS and electronic stability control tuning; Engine Turn aluminum dash panel; gauge Pack (oil pressure and vacuum); spoiler delete; and 3.731:1 gear ratio with TORSEN® helical gear differential (n/a with 18" wheels, automatic transmission, Black Accent Package, Interior & Wheel Package, or GT Premium Package)

GT Premium Available equipment.
Shelby GT350®

¹Ford Licensed Accessory.
New Vehicle Limited Warranty. We want your Ford Mustang ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage—all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP—the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is High-Power Sports Cars based on Ford segmentation), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions shown may vary due to optional features and/or production variability. Information is provided on an “as is” basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles.
