LEAN AND MEAN
Acting on information from engineering about “usable space” in the engine bay, the 2018 Mustang design team lowered the hood and grille for a lean, more athletic look. New headlamps are lower, and more sinister. More modern as well, with all-LED front illumination\(^1\) – including signature lighting, low and high beams, turn signals and fog lamps\(^2\) – adding additional shine to the 2018 Ford Mustang.

MORE HORSEPOWER, MORE TORQUE, MORE MUSTANG
Increased torque on the 2.3L EcoBoost\(^{®}\) engine encourages wide-open throttle acceleration. The upgraded 5.0L V8 revs higher than any Mustang GT before, and improvements to the 6-speed manual allow it to handle more torque. A new 10-speed SelectShift\(^{®}\) automatic transmission\(^2\) improves responsiveness and all-around performance for both engines.

POWER TO PERSONALIZE
12 wheel designs. 5 new instrument panel finishes. A new, fully customizable 12” LCD digital instrument cluster\(^2\) An all-new Mustang MyMode\(^2\) that allows you to save your favorite drive settings, including suspension, steering and exhaust note\(^2\) preferences. And a new “pulsing” start button that pulses red from the moment the door is unlocked until the engine roars to life. Now more than ever, the new Mustang puts the power directly into your hands.
Every new Mustang brings a renewal. Of the human spirit. The open road. And the wanderlust that exists within us all. For over 5 decades, America’s legendary Pony car has delivered countless moments of pure exhilaration.

The new Mustang is loaded with bravado. Coiled with confidence. It honors this authentic lineage — by launching it forward. With advanced new technology that allows for a level of personalization not seen before. But very familiar to a new generation of free spirits. Who refuse stereotypes. Encourage self-expression. And are ready. For this.

The new 2018 Ford Mustang.

LEAVE EVERYTHING BEHIND.
While designers strengthened its iconic look, a passionate team of Mustang engineers beefed up just about everything else. 2.3L EcoBoost® engine upgraded for optimal torque. 10-speed automatic: new, with quick shift times and exceptional low-speed tip-in response to help heighten already legendary performance. Shock absorbers and innovative stabilizer bars: new, to help improve responsiveness and ride control. MagneRide® Damping System: now available on EcoBoost and GT models, to optimize ride and handling in all situations. Hood vents: new to EcoBoost, and functional, of course. Just another sign that every Mustang is built for speed.

REAR REDESIGN
Revised LED taillamps are just one of the changes out back. There’s a new bumper, fascia and performance rear wing.2 A new dual exhaust with rolled tips completes the athletic look.

12 ALUMINUM WHEELS
17” Sparkle Silver-painted aluminum wheels are standard. Options include 19” wheels2 to help make Mustang truly your own.

INTERIOR UPGRADE
Choose the Carbon Sport Interior Package to cover the instrument panel and shift knob with sleek carbon fiber, while Alcantara® inserts enhance the door trim and Ebony leather-trimmed seats.
GT

460 HORSEPOWER @ 7,000 RPM

.98G MAX. LATERAL ACCELERATION

UNDER 4 SECONDS 0–60 MPH

SMOKE THE COMPETITION.

With a more powerful, higher-revving 5.0L V8 than before. Thanks to a new dual-injection system featuring low-pressure port fuel injection and high-pressure direct injection, 2018 Mustang GT power output increases to 460 hp and 420 lb.-ft. of torque! Maximize this higher level of performance by adding the GT Performance Package. Contents include: 19" Ebony Black-painted aluminum wheels with Michelin® Pilot® Sport 4 summer-only tires, TORSEN® differential, K-brace, Brembo™ brakes with 6-piston front calipers, a Gauge Pack in the instrument cluster, stiffer springs and upsized rear sway bar, and even a performance rear wing (fastback only). To help keep you down to earth.
Whether you're driving an iconic fastback or eye-catching drop-top, expect passionate performance from Mustang GT. You'll get it with a redesigned 6-speed manual transmission that features increased torque capability and more efficient clutch modulation. A 4-wheel, fully independent suspension that delivers excellent road feel and precise handling. Plus, Selectable Drive Modes\(^1\) that allow you to activate predefined powertrain and chassis calibrations for Normal, Sport+, Track, Drag Strip and Snow/Wet. Wherever you are, Mustang is a joy to put through its paces.

Get ready to rumble. Through a new dual exhaust with quad tips, you can now customize the Mustang GT exhaust note with the new Active Valve Performance Exhaust System.\(^1\) Then store your settings in the new MyMode\(^1\) for easy recall. You can even program when you want to keep that signature rumble to a minimum with industry-first Quiet Start – when heading out at 5 a.m., for instance – to keep you in good graces with neighbors. Our most advanced Mustang ever is ready to roar. As often as you want it to.
The new 12" color LCD instrument cluster is the first all-digital display ever offered on Mustang. And it puts you in the driver's seat, giving you total control of what you see. Through the Pony button on the steering wheel, you can choose to display: any combination of 1 to 3 virtual gauges; Exhaust mode; TrackApps™, a Performance Shift Indicator (3 types with configurable rpm), launch control and more. It's easy to view. It's fast. It's responsive. And, like everything else in this new 2018 Mustang, absolutely beautiful.

**SET THE MYCOLOR MOOD**
After customizing the cluster layout and gauge displays, enhance it further with MyColor™. Set your primary color (Red). Your secondary color (maybe Ice Blue). With 30 different color choices, the combinations are almost endless.

**DISPLAY DESIGN**
In the 2018 Mustang, you can choose your gauge cluster design. And redesign as often as you'd like. Circle tach? Ribbon tach? Cluster with 1, 2 or 3 gauges? It's up to you. How amazing is that?

**GAUGE YOUR OPTIONS**
Pick the virtual gauges you want to see. Stay with the standard Engine, Oil and Temperature gauges. Or choose from a list that includes Inlet Air Temp, Air/Fuel Ratio, Cylinder Head Temp, Axle Temp (GT) and more.
MUSTANG TRACK APPS

LIGHT ‘EM UP
At the track. And in the cluster. The Line Lock feature, standard on all models, allows you to “heat up” the rear tires. While they smoke outside, you’ll see a visual representation here.

CLOCK YOUR TIME
With the Lap Timer, you can record lap time and average speed at 3 separate tracks. Store up to 100 sessions (a session is 25 laps) in Track Mode.

1,320 FEET OF EXHILARATION
The 1/4 mile. How quickly do you get there? And at what speed? The Acceleration Timer shows you. Start your launch with the iconic “Christmas tree.” 3 ... 2 ... 1. Gone! An Accelerometer even tracks the g-forces you pull.
REVVED-UP
ROAD WARRIOR.

2018 Premium Plus Package interior upgrades include a new hand-stitched center console lid, wrapped knee bolsters and shifter boot. Restyled seating surfaces include leather trim in new Showstopper Red and Midnight Blue. While a standard new acoustic-laminate windshield helps keep noise distractions to a minimum, letting you enjoy the signature Mustang sounds you love to hear.
Imagine controlling calls, music and more with just a touch and your voice. SYNC® 3 lets you keep your hands on the wheel while it quickly responds to your spoken requests. Or use the responsive touchscreen in the center of your instrument panel to access its many helpful features. Bring the power of Siri® into Mustang with Siri Eyes Free and your paired iPhone®. The system also features 2 smart-charging USB ports to help keep your devices powered up and ready to go.

**SYNC 3**

**STAY CONNECTED ON THE MOVE.**
DROP-TOP THRILLS.

Open-air freedom. At its best. To perfect its look, exclusive Mustang convertible design cues set it apart from fastback. Note the higher, straighter muscle line across its haunches. The distinctively contoured trunk lid. And the tonneau caps that slide neatly in place for a sleek, top-down finish. It even has best-in-class¹ trunk space. And since this vacation on wheels was engineered from the beginning as a convertible, it’s designed to deliver a smooth ride.

To start your adventure, follow these simple instructions. Release latch. Press button. Go topless.

PREMIUM TOP. The cloth convertible top on Mustang is lined, insulated and includes a glass rear window. The electric drive system to lower the top operates not only quickly, but quietly as well.
THE NEW 2018 FORD MUSTANG.
HARDTOP. RAGTOP. MIC DROP.
Every aspect of the 2018 Mustang is designed to give you greater confidence behind the wheel. This includes the addition of new driver-assist technology\(^1\)\(^2\) that covers the front, rear and sides of the vehicle. Equip your Mustang with the new Ford Safe and Smart™ Package, and it can: encourage your alertness\(^2\); help direct you to return to your lane\(^2\); call attention to vehicles in your blind spots\(^2\); and even help you keep a preset distance from the vehicle in front of you\(^2\).

**IN TRAFFIC**
When activated, adaptive cruise control\(^1\)\(^2\) helps maintain your choice of speed and preset gaps from the vehicle in front of you.

**BETWEEN THE LINES**
Drifting out of your lane? The new Lane-Keeping System\(^1\)\(^2\) can help when activated. By alerting you with steering wheel vibration, and even applying steering wheel torque, it helps direct you to return to your lane\(^3\).

**IF NEEDED**
Pre-Collision Assist with Pedestrian Detection\(^1\)\(^2\) can alert you with visible and audible warnings if a potential collision with a vehicle or pedestrian is detected. If it determines a collision is imminent, automatic emergency braking (AEB) may apply the brakes\(^4\).

**WHEN CHANGING LANES**
BLIS\(^6\) (Blind Spot Information System) with cross-traffic alert\(^1\)\(^2\)\(^5\) warns you if it detects a vehicle in either of your blind spots while driving forward, or approaching from either side while in Reverse.

**EVEN BACKING UP**
See what's behind Mustang as you slowly back up. A standard rear view camera\(^1\) puts a full-color image on the LCD screen that centers the instrument panel.
2018 Mustang | ford.com

STANDARD FEATURES

Mechanical
4-wheel vented disc Anti-Lock Brake System (ABS)
Electronic line-lock (track use only)
Launch control (manual transmission only)
Selectable-effort electric power-assisted steering (Standard, Sport, Comfort)
Suspension – Front: independent double-ball-joint MacPherson strut with stabilizer bar; rear: independent integral link with stabilizer bar
Tire inflator and sealant kit1

2.3L EcoBoost® 1-4
6-speed manual or 10-speed automatic transmission
Fastback or Convertible

EcoBoost
Includes all standard features, plus:
6-speed manual transmission
3.31 limited-slip rear differential
Active noise control
Brakes – 12.6" vented disc with 2-piston front calipers
SYNC® Voice Recognition Communications and Entertainment System with 4.2" color LCD screen in center stack, 911 Assist,® AppLink,® and 2 smart-charging USB ports
4-way manually adjustable cloth driver’s seat
2-way manually adjustable cloth front-passenger seat
AM/FM stereo/single-CD player with 6 speakers
Instrument panel – Carbon Zag trim
Dual bright exhaust with rolled tips

EcoBoost Premium
Includes select EcoBoost features, plus:
Selective Drive Modes with 4-gang toggle switch pack
(Normal, Sport+, Track, Drag Strip, Snow/Wet)
Reverse Sensing System
6-way power leather-trimmed front seats with driver-seat power lumbar
Heated and cooled front seats
SYNC 3 with 8" color LCD capacitive touchscreen in center stack, 911 Assist, AppLink, Apple CarPlay® compatibility, Android Auto® compatibility, and 2 smart-charging USB ports
AM/FM stereo/single-CD player with 9 speakers and amplifier
SiriusXM® Radio with 6-month trial subscription²
Aluminum accelerator, brake and clutch pedals
Ambient lighting with MyColor®
Bright-finish door speaker surrounds
Dual-zone electronic automatic temperature control
Illuminated door-sill scuff plates
Instrument panel – Angled Brush aluminum trim
Premium door trim including soft rollover
Universal garage door opener
LED fog lamps
Mirrors – Heated sideview with integrated turn signal indicators
Pony projection lamps
Spoiler – Blade-style decklid

Equipment Group 101A:
18" machined-face aluminum wheels with high-gloss Ebony Black-painted pockets and 235/50R18 all-season tires, SYNC 3, 9-speaker audio system, Selectable Drive Modes with 4-gang toggle switch pack, 6-way power cloth front seats, SiriusXM Radio,® dual-zone electronic automatic temperature control, Remote Start System (requires automatic), Silver Arrow aluminum instrument panel trim, blade-style decklid spoiler, and Reverse Sensing System

Premium Plus Package (Equipment Group 201A):
12" configurable LCD digital instrument cluster with MyColor; heated steering wheel, SYNC Connect® embedded 4G LTE modem powered by FordPass® App® (includes Wi-Fi hotspot capability); voice-activated Navigation System; and Premier Trim with Color Accent Group which includes hand-stitched center console lid, wrapped knee bolsters with accent stitching, shifter boot, color-accented leather-trimmed front seats and unique door-trim panel inserts, wrapped center console with accent stitching, and Linked Graphite aluminum instrument panel trim

Black Accent Package: for complete package contents, see GT (following page) (requires painted Black roof; n/a with optional wheels, EcoBoost Performance Package, Pony Package, or Wheel & Stripe Package)

Carbon Sport Interior Package: for complete package contents, see GT (following page) (n/a with RECARO sport seats)

EcoBoost Performance Package: Black-painted strut tower brace; larger radiator; upsized rear sway bar; heavy-duty front springs; unique chassis tuning; larger brake rotors with 4-piston front calipers; 19" x 9" low-gloss Ebony Black-painted aluminum wheels with 255/40R19 summer-only tires³; unique electric power-assisted steering (EPAS), ABS and electronic stability control tuning; Engine Spen aluminum instrument panel trim; Gauge Pack (oil pressure and boost); performance rear wing (fastback); spoiler delete (convertible); and 3.55 TORSEN® limited-slip rear differential (n/a with optional wheels, spare wheel and tire, painted Black roof, Black Accent Package, Pony Package, or Wheel & Stripe Package)

Enhanced Security Package: Active Anti-Theft System, electronic-locking center console, electronic steering column lock, and wheel locks (standard on convertible)

Ford Safe and Smart Package: for complete package contents, see GT (following page)

Pony Package: 19" x 8.5" polished aluminum wheels, unique Pony grille, side stripes, tri-bar Pony badge, bright beltline moldings and window surrounds (fastback), and premium carpeted front floor mats with embroidered Pony logo (n/a with optional wheels, painted Black roof, Black Accent Package, EcoBoost Performance Package, or Wheel & Stripe Package; late availability)

Wheel & Stripe Package: 19" x 8.5" machined-face aluminum wheels with Dark Tarnish Stainless-painted pockets, and side stripes (n/a with optional wheels, painted Black roof, Black Accent Package, EcoBoost Performance Package, or Pony Package)

GT350

No Mustang in the stable makes a more powerful impression than the most potent of them all – the head-turning, heart-pounding Shelby GT350. Inside, its exclusive interior features aluminum trim, and a flat-bottom steering wheel wrapped in Alcantara® and leather. RECARO® sport front seats trimmed in a mix of Carbon Weave cloth and Miko® inserts help hold you firmly in place – turn after turn.

GT350

1. Actual mileage will vary. 2. Horsepower and torque ratings achieved with 93-octane fuel. 3. Restrictions may apply. See your dealer for details. 4. Ford does not recommend using summer tires when temperatures drop to approximately 45°F or below (depending on tire wear and environmental conditions) or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using all-season or snow tires. 5. After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by SiriusXM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI.

When you’re ready to take your Pony to the next level, look no further than Ford Performance Parts. Using a convenient search tool at performanceparts.ford.com, you can select your model year to view the full list of performance parts specifically designed for your Mustang. You’ll find everything from superchargers to handling packs, exhaust and brake upgrades, appearance items and more. They are all engineered, developed and tested, by the people who know your Mustang best – which gives you the performance, reliability and durability that you’ve come to expect from the Blue Oval.

Learn more at performanceparts.ford.com.
New Vehicle Limited Warranty. We want your Ford Mustang ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
