Natural **BORN LEADER**

Muscular sheet metal wrapped around an incredibly strong structure alerts you to the **huge capabilities** on tap. **Best-in-class** towing and payload, and the might of an available **6.4L Power Stroke® V8 Turbo Diesel** are just 2 of its many strengths. The cab offers **comfort that’s unique** in the world of heavy-duty pickups. And no other truck in the class offers so many innovations to make work easier. Super Duty is part of **America’s best-selling line of trucks for 32 years running. Ford F-Series.**

1Maximum capability when properly equipped. See your Ford Dealer for specific equipment and other limitations. **Best-in-class** payload and towing, GVWR and GCWR when properly equipped. Class is Full-size Pickups over 8500 lbs. GVWR. Based on comparison of 2009 competitive models. Vehicles throughout this catalog may be shown with optional and aftermarket upfit equipment.

[fordvehicles.com](http://fordvehicles.com)
Tow in CONTROL with Ford Technology

The first fully integrated Trailer Brake Controller (TBC)\(^1\) in the class \(\text{A}\) works in conjunction with the Anti-lock Brake System (ABS) \(\text{B}\) to balance the truck’s braking power with electrically actuated trailer brakes. The TorqShift\(^{\circledR}\) automatic transmission \(\text{C}\) includes Tow/ Haul Mode to match transmission operation to the demands of towing and hauling. Telescoping trailer tow mirrors \(\text{D}\) help give you a clear rear view for towing a king-size trailer. Developed and refined, these advanced factory-installed towing systems help you tow with confidence.

\(^{\circledast}\)TBC verified to be compatible with electrically actuated drum brakes only.

fordvehicles.com

TRAILER BRAKE CONTROLLER

This optional device uses braking input, vehicle speed and ABS logic to balance the performance of the truck brakes and electric trailer brakes. A user-friendly display in the instrument cluster message center indicates output, gain levels and trailer connection status. The system also has a disconnect alarm with message center warnings.

REAR VIEW CAMERA

This option takes the full-color image from a camera mounted in the tailgate and displays it in your auto-dimming rearview mirror or on the available Navigation System’s 6.5” screen (shown). Just shift into reverse for a wide-angle view behind the truck. The video display’s built-in distance guide is ideal for trailer hookups.
F-SERIES SUPER DUTY® PICKUP

WORK made easier

When a truck can haul best-in-class payload, it only makes sense that it can help you load, access and manage that payload as well. And no competitor does it better.

A. CLASS-EXCLUSIVE TOUGHBED® SPRAY-IN BEDLINER
This factory-installed synthetic lining is applied directly to the bed surface for durable, long-lasting protection. Available Fall 2009.

B. CLASS-EXCLUSIVE STOWABLE BED EXTENDER
This rugged, optional barrier lets you haul with the tailgate down or secure smaller loads with the tailgate up. It folds conveniently out of the way when not in use.

C. CLASS-EXCLUSIVE TAILGATE STEP
A handy option that stows in the tailgate. Just take hold of the flip-up grab bar, flip down the skid-resistant step, and climb up into the box.

BUILT FORD TOUGH® HITCH RECEIVERS
Every Super Duty pickup comes with a hitch receiver matched to the truck’s capabilities. 7-pin and 4-pin electrical connection outlets are included; draw bars and accessories are sold separately.

fordvehicles.com
A. FLAT STEEL LOADFLOOR
XLT Crew Cabs and above feature a standard FlexFold rear seat with a steel loadfloor. A multitude of configurations set the stage for practicality and versatility.

B. DUAL-ZONE ELECTRONIC AUTOMATIC TEMPERATURE CONTROL
Front-seat passengers can set their own personal comfort level with Dual-zone Electronic Automatic Temperature Control.

C. AUXILIARY AUDIO INPUT JACK
All Super Duty CD audio systems feature an auxiliary audio input for any compatible MP3 player (shown with available Ford SYNC®).

D. CENTER CONSOLE
Optional bucket seats include a deep center console that can easily hold a laptop or store files from integrated hanging racks.

RAPID-HEAT SUPPLEMENTAL CAB HEATER
An electric heating system that automatically helps raise cabin temperature to a comfortable level. It’s optional on diesel engine trucks equipped with air conditioning and alternator upgrade.

POWER-SLIDING MOONROOF
An available tinted-glass panel slides open or tilts forward to let in just the right amount of air and sun. Includes an integrated sunshade.

MEMORY POWER-ADJUSTABLE PEDALS
Available on select packages, these pedals memorize positions for 2 different drivers.
**F-250**

**Maximum capabilities:**
- 5th-Wheel Towing: 16,500 lbs.
- Conventional Towing: 12,500 lbs.
- Payload: 3220 lbs.
- GVWR: 10,000 lbs.
- Front GAWR: 5250 lbs. (4x2); 6000 lbs. (4x4)

**Equipment configurations:**
- Engines: 5.4L Gas V8, 6.8L Gas V10, 6.4L Power Stroke® V8
- Drivelines: 4x2 or 4x4 • Single Rear Wheel Only
- Bodies: Regular Cab, SuperCab, Crew Cab • 6¾' Box, 8' Box
- Trim Series: XL, XLT, Cabela's®, LARIAT
- Appearance Packages: XL Décor, Chrome, KING RANCH®, Ford Harley-Davidson™

**F-350**

**Maximum capabilities:**
- 5th-Wheel Towing: 18,800 lbs.
- Conventional Towing: 15,000 lbs.
- Payload: 5730 lbs.
- GVWR: 13,000 lbs.
- Front GAWR: 5250 lbs. (4x2); 6000 lbs. (4x4)

- Black Monotone with high-line tape stripes, or optional Black with Tuxedo Black Flames and dimensional chrome boxside lettering
- Billet-style grille insert
- Illuminated Black molded running boards with stainless steel inserts
- Polished/painted forged-aluminum wheels
- Unique Black leather-trimmed front seats and center console with chrome Bar & Shield logo badges
- FlexFold 60/40 split rear bench with chrome Bar & Shield logo badges
- Premium Sound System AM/FM stereo/6-disc in-dash CD/MP3 and 8 speakers with subwoofer
- Unique memory power-adjustable performance pedals
- Rear View Camera
- Universal Garage Door Opener
- And much more (diesel engine only)
YOU TALK. SYNC LISTENS.®
FORD SYNC® GETS NEW 911 ASSIST™ PLUS TRAFFIC, DIRECTIONS AND INFORMATION
Available Ford SYNC, developed in conjunction with Microsoft®, works with your paired Bluetooth®-enabled mobile phone and digital media player or thumb drive to make calls, play music and more — all with the touch of a button and simple voice commands.® With 911 Assist, the system can make an emergency call from your phone if any airbag has deployed.® And now, SYNC features these convenient Driver Services:

- Turn-by-turn directions®
- Vehicle Health Reports
- Up-to-the-minute weather®
- Traffic alerts®
- Business searches®
- Personalized business, sports and entertainment news®

For all the latest details, visit SyncMyRide.com.

SIRIUS® SATELLITE RADIO
Available SIRIUS Satellite Radio® comes with a 6-month trial subscription to get you started surfing over 130 channels of sports, news, entertainment and 100% commercial-free music, coast-to-coast.

NAVIGATION WITH SIRIUS TRAVEL LINK™
Easy voice activation for everything from driving directions to accessing tunes. Displayed on a bright 6.5” LCD touch screen, the available Navigation System also provides nearly 10 gigabytes of storage space for your photos and music (up to 2400 songs). Class-exclusive SIRIUS Travel Link® comes with a 6-month trial subscription to keep you in the know with up-to-the-minute local traffic, weather, fuel prices, sports scores and movie listings and showtimes. All at your fingertips.

NO other TRUCK COMPARES®
Super Duty® rewrites the rules for capability and comfort with top-quality materials and refinement. And it’s available with technologies and upgrades to help you through your day.

† unless it’s a Ford. ® Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. ™ The vehicle’s electrical system (including the battery), the wireless service provider’s signal, and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be turned on, connected to SYNC, and the 911 Assist feature enabled in order for 911 to be dialed. “SYNC with Traffic, Directions and Information available Summer 2009. These SYNC services not available with SIRIUS Travel Link or Navigation System. See your dealer for details. ® SIRIUS is a registered trademark of SIRIUS XM Radio Inc. Subscriptions governed by SIRIUS Terms and Conditions at sirius.com/service/terms. Real-time traffic monitoring available in select markets. Some features are unavailable while driving. Service only available in the 48 contiguous United States and the District of Columbia.
SMART TOOLS FOR TOUGH TRUCKS

Only the toughest name in trucks could assemble this all-star lineup. From communications and computing to navigation, fleet tracking and security, every position is filled by a pro.

A. MOBILE-OFFICE COMPUTING POWER

The available Internet-capable in-dash computer, featuring a Windows® CE operating system, is the heart of Ford Work Solutions. Use the wireless keyboard to create spreadsheets and other documents, download files from the web via the Sprint® Mobile Broadband Network — even print them when you add the available wireless printer. Full-function hands-free calling and turn-by-turn navigation from Garmin® is also included. Your office has truly gone mobile.

B. CABLE LOCK

It’s a sure way to wreck a thief’s day. This rugged, retractable, 10-ft. vinyl-coated, braided-steel cable spools out of a case mounted right in your cargo box. Snake it through tool handles and equipment frames to secure them in the box. Clip the heavy-duty locking shackle to any cargo box tie-down or back onto the cable itself. With the optional Ford Work Solutions Cable Lock by Master Lock, your gear is secured, yet easy to access.

C. TOOL LINK™

Ford Work Solutions Tool Link*, developed with DeWALT®, uses Radio Frequency Identification (RFID) technology to track your tools. Use it to check the truck before you leave for a job, making sure you have what you need, then check again at the end of the workday to see that all your gear is on board. It can save you time and frustration — the perfect workmate.

CREW CHIEF™ (not pictured)

Put available Crew Chief telematics devices on your fleet trucks, and you can track ‘em, 24/7. Just pull up the website using the Ford Work Solutions in-dash computer in your truck, or any computer with web access. Crew Chief, offered by Microlise®, shows which truck is closest to the job you need done. It can also provide information that’s vital to the life of your trucks and your profits. Easy-to-use analysis tools® can help you keep your fleet in shape, fuel efficient and green.

---

1Ford Work Solutions include Ford Licensed Accessories. See dealer for limited warranty details.
2Sprint subscription and 1-year agreement required.
3Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. To avoid driving distractions, some functions are disabled while the truck is in motion. *Tool Link RFID system will not read tagged tools in metal tool boxes.
4Service fee required.

fordvehicles.com
F-SERIES SUPER DUTY® PICKUP

A. BUILT FORD TOUGH® HITCH RECEIVER
Rated to the truck’s capabilities, it’s standard on every Super Duty® pickup.

B. RUGGED CROSSMEMBERS
Crossmembers are riveted, welded or both to optimize frame capability.

C. LONG REAR SPRINGS
Over 66" in length, they help manage torque without compromising comfort.

D. STAGGERED REAR SHOCKS
They help control axle motions for a smooth ride and confident handling — loaded or unloaded.

E. REAR SUSPENSION
The Hotchkiss design allows model-specific spring and axle ratings for a wide range of capacities. Max. GVWRs range from 8800 lbs. to 14,500 lbs. Max. GCWRs range from 15,000 lbs. all the way up to 33,000 lbs.

F. THICK C-CHANNEL FRAME
Steel C-channel up to 6.7-mm thick is one reason Super Duty delivers best-in-class payload and towing. Electrocoating promotes corrosion resistance.

G. MICRO-CELLULAR URETHANE BODY MOUNTS
These compress proportionally to the load for controlled body motions and a comfortable ride.

H. BODY-TO-FRAME MOUNTING BOLTS
Driven from the bottom up, this is a feature many aftermarket builders find desirable.

I. ENGINE TRACTION CONTROL
This optional driver-selectable function can automatically step in to reduce power when it detects a loss of traction.

J. BEST TURNING DIAMETER
F-450 Wide-Track 4x4 Pickup boasts the best Crew Cab Long Box turning diameter of any truck in its class.

K. OUTSTANDING BRAKING POWER
The standard 4-wheel Anti-lock Brake System (ABS) has huge vented rotors and dual-piston calipers to provide strong, consistent stops, even when moving the biggest loads.

L. LARGEST FRONT CONTROL ARMS
These support best-in-class maximum front GAWRs of 6500 lbs. on F-450 4x4, and 6000 lbs. on F-450 4x2.

RELY on PROVEN STRENGTH
Only a foundation engineered and built like this can deliver true Super Duty capability. And it’s a key component in legendary Ford durability, keeping more trucks on the road with over 250,000 miles than any other brand. It’s also tuned to deliver the quiet ride, stable handling, and road-going performance that’s unique to Ford trucks.

1 Based on vehicle registration data and latest odometer readings available to R. L. Polk & Co. for 1992 and newer model year full-size pickups and vans still on the road in the U.S. as of April 2008.

fordvehicles.com
Power Stroke® Highlights

- 350 hp @ 3000 rpm
- 650 lb.-ft. of torque @ 2000 rpm
- Dual Sequential Turbocharger
- Engine Calibrated for Optimal Operating Efficiency
- High-Pressure Common-Rail Fuel Injection
- Micro-Precision Piezo-Electric Injectors
- Quick Cold Start Down to -20°F
- Powder-Forged Connecting Rods
- High-Capacity Oil Pump
- Heavy-Duty Alternators

Power Stroke’s Dual Sequential Turbos

This advanced turbocharging system delivers the power to flatten any mountain pass. The high-pressure Electronic Variable Response Turbo (EVRT®) 1 spools up first to provide fast transient engine response. The larger low-pressure turbo 2 provides added airflow at peak power and torque. With excellent transient response, outstanding low-speed torque and rugged durability, you can expect seamless performance from one end of the tachometer to the other.

Choose your POWER

6.4L 32-Valve Power Stroke V8 Turbo Diesel

For serious diesel power, sign up here. High-pressure common-rail fuel injection helps deliver 100% of its 650 lb.-ft. of torque 1 at just 2000 rpm, and optimizes cold-start capability. This is also the quietest Ford truck diesel yet. Ford Clean Diesel Technology™ helps reduce particulate emissions to meet stringent federal standards.

1 Governed at 335 hp @ 3000 rpm and 600 lb.-ft. of torque @ 2000 rpm on F-450.

*Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer.

Conventional Towing Notes: This information also applies to models with Pickup Box Delete option (66D). Trailer tongue load weight should be 10-15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle’s Safety Compliance Certification Label. For F-250/F-350 SRW models, F-250 trailer weights are shown; F-350 trailer weights are within 200 lbs. Check with your sales consultant.

Available with TowBoss Package only.

Available with Cabela’s®, LARIAT and F-350 DRW.

### 5th-Wheel Towing Notes
- This information also applies to models with Pickup Box Delete option (66D). Trailer kingpin weight should be 15–25% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer kingpin weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer kingpin weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle’s Safety Compliance Certification Label. For F-250/ F-350 SRW models, F-250 trailer weights are shown; F-350 trailer weights are within 20% of payload. Check with your sales consultant.

### New Vehicle Limited Warranty
- We want your Ford F-Series Super Duty ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/60,000-mile Powertrain Warranty Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. The Power Stroke diesel engine gets 5-year/100,000-mile Warranty Coverage. Please ask your Ford Dealer for a copy of this limited warranty.

### Roadside Assistance
- Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

### Insurance Services
- Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

### Ford Extended Service Plan
- For a purchase or lease, the Ford Extended Service Plan (ESP) gives you “Peace-of-Mind” protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

### Contact Information
