TOUGH KEEPS GETTING TOUGHER.

The 2015 Ford F-Series Super Duty is setting the standard for other heavy-duty pickups to follow. Yet again. From increased capabilities to improved power and performance to beefier underpinnings and beyond, this Super Duty takes Built Ford Tough® to new extremes, so you can get more work done than ever before.

A new 31,200-lb. max. towing capability on F-450 is not only best-in-class, it’s a whopping 8,000 lbs. more than comparable Chevy trucks and 1,200 lbs. more than Ram. F-450 also offers you a class-leading 40,000-lb. GCWR!

Best-in-class diesel hp also increases this year, while best-in-class fuel economy is maintained on pickups powered by our Second-Generation 6.7L Power Stroke® V8 Turbo Diesel engine.

America's best-selling truck for 37 years.
Ford F-Series is engineered to help you get the job done when no one else can. Construction. Heavy Hauling. Emergency Vehicles. Agriculture. Forestry. Utility Services. Within these and countless other essential industries, the guys who do the toughest work count on one heavy-duty truck more than any other – Ford Super Duty.

F-450 LARIAT Crew Cab 4x4. Tuxedo Black. Available equipment.

1When properly equipped. Available Summer 2014. 2Class is Full-Size Pickups over 8,500 lbs. GVWR. 3Based on Ford simulated city-suburban drive-cycle tests of comparably equipped 2015 Ford and 2011-2013 competitive models, consistent with SAE Standard J1321. 4Available feature. 5Percentages based on Polk U.S. heavy-duty pickup and class 2-5 conventional chassis cab combined new registrations (2011 CYE–2012 CYTD JUNE) within listed vocations.

Vehicles throughout this brochure may be shown with optional and aftermarket upfit equipment.
STRENGTHEN YOUR TEAM WITH PROVEN WORKHORSES.

For 2015, F-Series Super Duty comes in your choice of 3 capable models: F-250, F-350, and the max. towing leader, F-450! Trim choices include: XL, XLT, LARIAT, a newly redesigned KING RANCH,® and our top-of-the-line PLATINUM.

With the most configurations in its class, there’s a Super Duty just right for you. Plus, you can rest assured it’s built on a foundation engineered to last. There are more F-Series trucks on the road with 250,000+ miles than any other brand.²

F-250
Maximum Capabilities¹
16,800-lb. Towing
4,240-lb. Payload
10,000-lb. GVWR
33,300-lb. GCWR
Equipment Configurations
6.2L Gas V8 or 6.7L Power Stroke® V8 Turbo Diesel
Single Rear Wheel 4x2 or 4x4
Regular Cab, SuperCab or Crew Cab; 6½’ or 8’ Box

F-350
Maximum Capabilities¹
26,700-lb. Towing
7,260-lb. Payload
14,000-lb. GVWR – UNSURPASSED
35,000-lb. GCWR
Equipment Configurations
6.2L Gas V8 or 6.7L Power Stroke® V8 Turbo Diesel
Single Rear Wheel or Dual Rear Wheel; 4x2 or 4x4
Regular Cab, SuperCab or Crew Cab; 6½’ or 8’ Box

F-450
Maximum Capabilities¹
31,200-lb. Towing – BEST IN CLASS
5,450-lb. Payload
14,000-lb. GVWR – UNSURPASSED
40,000-lb. GCWR – BEST IN CLASS
Equipment Configurations
6.7L Power Stroke V8 Turbo Diesel
Dual Rear Wheel 4x4
Crew Cab with 8’ Box

¹Available Summer 2014. ²Based on vehicle registration data and latest odometer readings available to R. L. Polk & Co. for 1992 and newer model year full-size pickups still on the road in the U.S. as of 4/1/13. ³When properly equipped.
DO MORE THAN EVER WITH THE DIESEL LEADER.

Designed, engineered and built by Ford, our Second-Generation 6.7L Power Stroke® V8 Turbo Diesel engine\(^1\) produces more power and torque than ever.

Its 860 lb.-ft. of torque and best-in-class 440 hp\(^2\) are facilitated in part by a new larger turbocharger, which helps improve airflow and performance. You'll really appreciate it when towing heavy loads uphill and at high altitudes.

Best-in-class diesel fuel economy\(^2\) is maintained with the help of new high-pressure fuel injectors that achieve a more efficient, cleaner burn.

Proven in over 12 million miles of cumulative testing and real-world use under extreme conditions, this B20-capable engine is the most tested Power Stroke diesel ever. From 120°F scorching heat to –40°F bone-chilling cold. Rest assured, it's Built Ford Tough.\(^6\)

---

Rule the class with 6.2L V8 gas.

The Built Ford Tough® 6.2L 2-valve V8 gives you the most power and torque of any standard gas engine in the class: 385 hp and 405 lb.-ft. of torque! Designed, engineered, built and torture-tested by Ford, this state-of-the-art E85-capable engine is the standard powerplant on F-250 and F-350.

Alternative fuel options include a CNG/LPG Gaseous Engine Prep Package that readies your truck to be upfit for compressed natural gas (CNG), liquefied petroleum gas (LPG), or as a bi-fuel vehicle with the ability to seamlessly switch between CNG or LPG and gasoline.

Providing flexibility and extended range, trucks upfit to a bi-fuel system include a tank for each type of fuel. Contact your local Ford Dealer for ordering details.

By purchasing a Super Duty upfit for CNG or LPG, you may even qualify for state incentives related to alternative-fuel use, infrastructure or vehicles. Visit www.afdc.energy.gov/afdc/laws for details.
**CHOOSE YOUR POWER — WISELY.**

Diesel or gas. Either way, your Super Duty comes with a rugged TorqShift® 6-speed SelectShift® automatic transmission designed, engineered and built by the Ford powertrain team.

**Both engines run efficiently** at low rpm thanks in part to low-speed lockup capability (down to 900 rpm) on the transmission’s torque converter.

**Durable construction**, including a high-strength sinter-metal carrier with patented Ford rocker one-way clutch, helps the transmission easily manage the extreme low-end torque of the diesel engine, and the high speeds of the gas engine.

**Extended 150,000-mile intervals** for fluid and filter changes are courtesy of the transmission’s high-capacity, high-efficiency fluid filter. The 2015 Super Duty is Built Ford Tough® for the long haul.

---

**2nd-Generation 6.7L Power Stroke® V8 Turbo Diesel**

Get more power and torque with the diesel engine this year. A new exhaust temperature sensor allows it to operate at max. capability, while a larger turbocharger helps it efficiently generate the best hp in the class.

**Power upfits any time**, whether the truck is in motion or at a complete stop. Our class-exclusive live-drive power take-off (PTO) provision lets you power upfits whenever the diesel engine is running. It keeps the job going with an output gear linked directly to the engine crankshaft.

**6.2L 2-Valve V8 Gas**

Ease your heavy-duty workload with lots of low-rpm torque. The gas engine’s stiff SOHC valvetrain with roller-rocker shafts enables an intake- and exhaust-port layout that optimizes airflow, helping it produce plenty of torque down low.

Count on the iron-clad durability of the gas engine block. It features reliable cast-iron construction with 4-bolt main bearing caps, including 2 additional cross bolts.

Enjoy the balanced performance of the gas engine’s dual-equal variable cam timing. It phases the intake- and exhaust-valve opening and closing events simultaneously to optimize fuel economy, low-end torque and peak horsepower. Using 2 spark plugs per cylinder also helps the fuel-air mixture burn efficiently, contributing to fuel economy and engine torque.
Ford F-Series Super Duty is the only truck in its class offering you up to 31,200 lbs. of max. towing capability.

To help you handle all that weight, Super Duty utilizes trailer sway control. The system monitors the motions of the truck to detect trailer sway and selectively brakes as needed, helping you maintain control of the truck and the trailer.

When negotiating an incline, whether in Drive or Reverse, standard hill start assist helps you out by momentarily maintaining brake pressure until the engine delivers enough torque to move the truck uphill.

Less manual braking is required of drivers on diesel models for 2015 thanks to improvements in engine braking performance. The diesel’s new larger turbocharger provides more engine-exhaust braking power for improved grade descent control with less wear and tear on the wheel brakes and transmission. Engine-exhaust braking includes a new manual push-button control on the instrument panel this year as well. Like all the best leaders, Super Duty just keeps on improving.

1When properly equipped. Available Summer 2014. Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
Thanks to our 5th-Wheel/Gooseneck Trailer Tow Prep Package and Ford Custom Accessories 5th-Wheel and Gooseneck Hitch Kits by Reese, your Super Duty can arrive ready to tow – right from the factory. Plus, you’ll get the strength of an under-the-bed-frame crossmember and the utility of a flat cargo bed floor.

**Guidelines help you line up** with your trailer using the full-color rear view camera image displayed in your rearview mirror or on the 8” MyFord Touch screen.

**For an easier towing experience** overall, Super Duty offers class-exclusive features like an in-bed 7-pin connector and PowerScope® trailer tow mirrors. There’s even a factory-installed, integrated trailer brake controller to balance the performance of the truck’s brakes and electric trailer brakes. And the LCD productivity screen offers a pre-towing checklist and recalls settings for different trailers. Ready, set, tow.

---

1 5th-Wheel Hitch available with 8’ box only. See your Ford Dealer for details. 
2 Available feature. 
3 Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details.
MANAGE YOUR PAYLOADS WITH EASE.

With its range of maximum payload capabilities, plus all the right tools for loading, accessing and managing your cargo, Super Duty is built to help you work smarter.

**Walk up into the bed** with our class-exclusive tailgate step. Just open the tailgate, drop the skid-resistant step down, flip the grab bar up and go.

**To help increase your confidence** while hauling heavy loads, Super Duty features AdvanceTrac® with class-exclusive RSC® (Roll Stability Control™). It utilizes 2 gyroscopic sensors to automatically help you avoid skidding and fishtailing, and help you keep all 4 wheels firmly planted. You’ll find it particularly beneficial in inclement weather.

1Available feature. 2SRW models only. Engine-only traction control on DRW models. Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. 3When properly equipped. F-350 DRW Regular Cab 4x2.
PERSONALIZE YOUR CONTROL.

Voice-activated Ford SYNC™ with 911 Assist® delivers hands-free calls, music and more with simple voice commands. Once paired with your phone, it can download your contacts and play Bluetooth®-streaming music. Or, plug in your MP3 player, USB or iPod® to listen to your favorites.

Available feature.

Add an 8" color LCD touch screen, closable dash-top storage with a media hub, and more when you opt for SYNC with MyFord Touch™. This voice-activated system also includes knobs and buttons below the 8" screen.

SYNC

SiriusXM® lets you enjoy commercial-free music, plus sports, news, entertainment, and every premium channel with your 6-month All-Access trial subscription.¹ The voice-activated Navigation System² also includes a 5-year subscription to SiriusXM Traffic and SiriusXM Travel Link services.² These features provide detailed traffic information on accidents, construction, and road closures, plus local and national weather forecasts, fuel prices and more.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. ³Trial subscription also includes access to SiriusXM Internet Radio on your computer, smartphone or tablet. Satellite and Internet Radio lineups vary slightly.

At the legendary King Ranch in Texas, leatherwork is performed by artisans. Our relationship with them inspired the design of this handsome new interior featuring antiqued Mesa Brown leather trim with accent stitching, woodgrain accents and the exclusive KING RANCH “Running W.”

Quickly recall your personalized settings for the 10-way power driver’s seat, power-adjustable brake and accelerator pedals, and even the power trailer tow mirrors, with the convenient memory feature.

Take your pick of exterior designs on KING RANCH this year: Caribou two-tone painted exterior accents or Monochromatic Paint and Chrome Packages. For full details on the new KING RANCH and every other Super Duty model, please explore the Specifications section of this brochure.

1Late availability. 2Available feature.
From electronics to cargo and beyond — Super Duty streamlines your workday.

**Outside, you’ll find rugged features** like the industrial-grade Tough Bed® factory-installed, spray-in bedliner\(^1\) that helps shield your investment. And a stowable bed extender,\(^1\) made of rugged fiberglass-reinforced polypropylene, that lets you haul more with the tailgate down or secure smaller loads with it up.

**Inside, lots of storage space** helps keep your gear secure, yet within easy reach. A closable dash-top area houses the SYNC\(^\circledR\) with MyFord Touch\(^\circledR\)\(^1\) media hub. There’s lockable under-seat storage in the center of the 40/20/40 split front seat\(^1\) and beneath the 60/40 split flip-up/fold-down rear bench seat\(^1\) on certain Crew Cab models. The flow-through center console\(^1\) holds hanging files and features a 110-volt power outlet and two 12-volt powerpoints. Power up in Super Duty.

\(^1\)Available feature.
CONQUER THE TOUGHEST TERRAIN.

Thanks in part to a heavy-duty independent Twin-I-Beam suspension on Super Duty 4x2s and a rugged twin-coil monobeam setup on 4x4s.

F-4501 gets even more capable this year with significant equipment upgrades, including a more robust rear axle, new rear leaf springs, new front and rear stabilizer bars and shocks, and new rear driveline U-joints. It also gets stronger steering gears and linkages, plus an upgraded braking system that includes larger, more capable brakes and enhanced anti-lock brake calibration.

The turn of a dial on the instrument panel is all it takes to change drive settings on Super Duty 4x4s featuring convenient electronic shift-on-the-fly operation.2

Get real-time feedback with our class-exclusive off-road display. Included with the LCD productivity screen2 on SRW trucks, it monitors the truck’s pitch angle, bank angle and wheel direction.

Increase your off-road confidence with Hill Descent Control,™ which helps maintain the truck’s speed on steep declines, so you can concentrate on maneuvering. It’s included in the FX4 Off-Road Package, along with transfer case and fuel tank skid plates, Rancho® shocks and box-side decals.

For maximized gripping power, our electronic-locking rear differential2 uses a true mechanical dog-clutch mechanism to lock the rear axle shafts together so they turn at the same speed. Go further in a Super Duty 4x4.

---

1Available Summer 2014. 2Available feature. 3SRW models only.

### STANDARD FEATURES

**Mechanical**
- 97,500-mile tune-up interval* (gas engine)
- Battery saver
- Conventional spare tire/wheel/jack with underframe carrier (crank-down type)
- Engine-only traction control (EOTC) (DRW only)
- Fail-Safe Engine Cooling System (gas engine)
- Fuel tank – 26-gallon capacity (F-250/F-350 137"; 142" and 156" WB with diesel engine)
- Fuel tank – 35-gallon capacity (gas engine)
- Fuel tank – 37.5-gallon capacity (F-250/F-350 158" and 172" WB with diesel engine, and F-450)
- Hill start assist
- Jack – 2-ton mechanical with SRW, 4-ton hydraulic with DRW
- Power steering
- Stabilizer bar – Front
- Stabilizer bar – Rear (DRW only)
- Stainless steel exhaust system (major components)
- Stationary elevated idle control (SEIC)³
- Steering damper
- Tailgate – Removable with lock and tailgate assist
- Tire Pressure Monitoring System (SRW only; excludes spare)
- Trailer hitch receiver – 12.5K (2”) Built Ford Tough® (SRW with gas engine; SRW with diesel engine and 137" and 142" WB)
- Trailer hitch receiver – 14K (2.5”) Built Ford Tough® (SRW with diesel engine and 156" 158" and 172" WB)
- Trailer hitch receiver – 15K (2.5”) Built Ford Tough® (DRW with 156" and 158" WB; DRW with gas engine and 172" WB)
- Trailer hitch receiver – 18.5K (2.5”) Built Ford Tough® (F-350 DRW with diesel engine and 172" WB; F-450)
- Trailer hitch receiver – 2” sleeve reducer (vehicles with 2.5” receiver)
- Trailer sway control

**Transmission**
- 6-speed SelectShift® automatic

**Case Material**
- Aluminum

**PTO⁵**
- Live-drive access on driver’s side (Turbo Diesel only)

**Gear Ratios**
- 1st – 3.97:1
- 2nd – 2.31:1
- 3rd – 1.51:1
- 4th – 1.14:1
- 5th – 0.82:1
- 6th – 0.67:1
- Reverse – 3.12:1

**Transmission**
- 6-speed SelectShift® automatic

**Exterior**
- 7-1/4-pin trailer tow connector
- Bumpers – Front and rear step
- Cargo box – Black box top and tailgate moldings
- Cargo box – Cargo tie-down hooks (4 in 6 1/4' box; 6 in 8' box)
- Cargo box – Integrated lamp with center high-mounted stop lamp
- Cargo box – Partitionable and stackable with stake pockets
- Dual-beam jewel-effect headlamps
- Intelligent 3-blink turn signal
- Roof clearance lamps (DRW)
- Underhood service lamp
- Windshield wipers – Intermittent

**Safety & Security**
- AdvanceTrac® with RSC® (Roll Stability Control™) (SRW only)
- Airbags® – Driver and right-front-passenger front
- Airbags® – Front-seat side
- Airbags® – Safety Canopy® System with roll-fold side-curtain airbags
- Belt-Minder® front safety belt reminder
- Brake/Shift Interlock
- Brakes – Power 4-wheeled-vented-disc with Anti-Lock Brake System (ABS)
- Child-safety-seat top tether anchors (Regular Cab front passenger and all rear-seat positions)
- Fuel pump inertia shut off switch
- Headlamps-on, key-in-ignition and door ajar alert chimes
- Passenger airbag deactivation switch (Regular Cab front passenger and all rear-seat positions)
- Safety belts – Energy-management retractors at front-outboard positions
- Safety belts – Height-adjustable at front-outboard positions
- SecuriLock® Passive Anti-Theft System
- Side-intrusion door beams
- SOS Post-Crash Alert System™
- Spare tire/wheel lock

*Certified to SAE J334/ J405 lb.-ft. of torque and 385 hp. 10,000 lbs. GVWR and under. 397 lb.-ft. of torque and 316 hp, 10,001 lbs. GVWR and over. ³Available feature. ⁴Under normal driving conditions with routine fluid and filter changes. ⁵Final-stage manufacturer must supply control switches. ⁶Always wear your safety belt and follow airbag warning label instructions.

†Always wear your safety belt and follow airbag warning label instructions.

1Available Summer 2014. 2Requires High-Capacity Trailer Tow Package. 35th-wheel towing limited to 5th-wheel hitch rating of 26,500 lbs. 4Requires Camper Package.

Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer. **Conventional Towing Notes:** This information also applies to models with Pickup Box Delete option (66D). Trailer tongue load weight should be 10–15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle’s Safety Compliance Certification Label. **5th-Wheel Towing Notes:** This information also applies to models with Pickup Box Delete option (66D). Trailer kingpin weight should be 15–25% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer kingpin weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer kingpin weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle’s Safety Compliance Certification Label.

F-250 XL Crew Cab in Oxford White customized with 5“ black step bars, smoked hood and side window deflectors, heavy-duty splash guards, commercial-grade tool/cargo box by Delta,® and Ford Commercial Graphics by 3M Original Wraps

1Ford Licensed Accessory.
New Vehicle Limited Warranty. We want your Ford F-Series Super Duty ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. The Ford 6.7L Power Stroke® diesel engine gets 5-year/100,000-mile warranty coverage. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

Comparisons based on competitive models (class is Full-Size Pickups over 8,500 lbs. GVWR), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles throughout this PDF are shown with optional and aftermarket equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions and capacity ratings shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations. Body manufacturers are responsible for compliance certification of the completed vehicle. The Ford New Vehicle Limited Warranty and any government certification made by Ford shall cover only the vehicle as manufactured by Ford and shall not extend to any addition, modification or change of or to the vehicle by the Ford Authorized Pool Account. After trial period expires, SiriusXM Satellite Radio, SiriusXM Traffic and Travel Link subscriptions are sold separately or as a package, and are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. SiriusXM Traffic and Travel Link available in select markets.
