GUYS WHO OWN WORK TRUST SUPER DUTY.

America's best-selling truck for 38 years. Ford F-Series is engineered to help you get the job done with its raw power and rugged dependability. Within the toughest essential industries, people who do the work count on Ford Super Duty.

Vehicles throughout this PDF may be shown with optional and aftermarket upfit equipment.
**STRENGTHEN YOUR TEAM WITH PROVEN WORKHORSES.**

For 2016, F-Series Super Duty comes in your choice of 3 capable models: F-250, F-350, and the max. towing leader, F-450. Trim choices include: XL, XLT, LARIAT, KING RANCH®, and our top-of-the-line PLATINUM.

With the most configurations in its class, there’s a Super Duty just right for you. Plus, you can rest assured it’s built on a foundation engineered to last. Ford F-Series has more Full-Size Pickups on the road with 250,000 or more miles than any other truck.

1. Class is Full-Size Pickups over 8,500 lbs. GVWR. 2. Based on vehicle registration data and latest odometer readings available to Polk for 1992 and newer model year full-size pickups still on the road in the U.S. as of 4/1/14. 3. When properly equipped.
DO MORE WITH
THE DIESEL LEADER.

Designed, engineered and built by Ford, our 2nd-generation 6.7L Power Stroke® V8 Turbo Diesel engine produces the power and torque you need to get the job done.

**Best-in-class standard** 860 lb.-ft. of torque and 440 hp are facilitated in part by a large turbocharger, which helps improve airflow and performance. You’ll really appreciate it when towing heavy loads uphill and at high altitudes.

**Best-in-class diesel fuel economy** is maintained with the help of high-pressure fuel injectors that achieve a clean, efficient burn.

**Power upfits any time**, whether the truck is in motion or at a complete stop. Our class-exclusive live-drive power takeoff (PTO) provision lets you power upfits whenever the diesel engine is running. It keeps the job going with an output gear linked directly to the engine crankshaft.

**Proven in over 12 million miles** of cumulative testing and real-world use under extreme conditions, this B20-capable engine is the most tested Power Stroke diesel ever. From 120°F scorching heat to –40°F bone-chilling cold. Rest assured, it’s Built Ford Tough.®
RULE THE CLASS WITH 6.2L V8 GAS.

The Built Ford Tough® 6.2L 2-valve V8 gives you the most power and torque of any standard gas engine in the class: 385 hp and 405 lb.-ft. of torque. Designed, engineered, built and torture-tested by Ford, this state-of-the-art E85-capable engine is the standard powerplant on F-250 and F-350.

Ease your heavy-duty workload with lots of low-rpm torque. The gas engine’s stiff SOHC valvetrain with roller-rocker shafts enables an intake- and exhaust-port layout that optimizes airflow, helping it produce plenty of torque down low.

Alternative fuel options include a CNG/Propane Gaseous Engine Prep Package that readies your truck to be upfit for compressed natural gas (CNG), propane autogas, or as a bi-fuel vehicle with the ability to seamlessly switch between CNG or propane and gasoline.

Providing flexibility and extended range, trucks upfit to a bi-fuel system include a tank for each type of fuel. Contact your local Ford Dealer for ordering details. By purchasing a Super Duty upfit for CNG or propane, you may even qualify for state incentives related to alternative-fuel use, infrastructure or vehicles. Visit www.afdc.energy.gov/afdc/laws for details.

1 When properly equipped.
Pull the Most — Confidently.

Ford F-Series Super Duty is the only truck in its class offering you up to 31,200 lbs.\(^1\) of max. towing capability.

To help you handle all that weight, Super Duty utilizes trailer sway control. The system monitors the motions of the truck to detect trailer sway and selectively brakes as needed,\(^2\) helping you maintain control of the truck and the trailer.

When negotiating an incline, whether in Drive or Reverse, standard hill start assist helps you out by momentarily maintaining brake pressure until the engine delivers enough torque to move the truck uphill.

Less manual braking is required of drivers on diesel models thanks to engine braking performance. The diesel’s turbocharger provides engine-exhaust braking power for grade descent control with less wear and tear on the wheel brakes and transmission. Engine-exhaust braking includes a manual push-button control on the instrument panel. Super Duty just keeps on helping you get it done.

Class-Best Max. Towing 31,200 lbs.\(^1\)

\(^1\)When properly equipped. \(^2\)Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions.
HIT THE GROUND TOWING.

Thanks to our 5th-Wheel/Gooseneck Trailer Tow Prep Package and Ford Custom Accessories 5th-Wheel and Gooseneck Hitch Kits¹ by Reese®, your Super Duty can arrive ready to tow – right from the factory. Plus, you’ll get the strength of an under-the-bed-frame crossmember² and the utility of a flat cargo bed floor.

New dynamic hitch assist shows your projected path based on steering angle. The black dashed line and white curved lines help you line up a trailer without a spotter more easily.

Cable Lock System by Master Lock®² includes a vinyl-coated cable and a locking shackle that are used to secure cargo.

For an easier towing experience overall, Super Duty offers features like an in-bed 7-pin connector² and PowerScope® trailer tow mirrors². There’s even a factory-installed, integrated trailer brake controller² to balance the performance of the truck’s brakes and electric trailer brakes.³ And the LCD productivity screen² offers a pre-towing checklist and recalls settings for different trailers. Ready, set, tow.

¹5th-Wheel Hitch available with 8’ box only. See your Ford Dealer for details. ²Available feature. ³Trailer brake controller verified to be compatible with electrically actuated drum brakes and certain electric-over-hydraulic brake systems. See your Ford Dealer for details.
MANAGE YOUR PAYLOADS WITH EASE.

With its range of maximum payload capabilities, plus all the right tools for loading, accessing and managing your cargo, Super Duty is built to help you work smarter.

Walk up into the bed with our class-exclusive tailgate step. Just open the tailgate, drop the skid-resistant step down, flip the grab bar up and go.

To help increase your confidence while hauling heavy loads, Super Duty features AdvanceTrac® with RSC® (Roll Stability Control™). It utilizes 2 gyroscopic sensors to automatically help you avoid skidding and fishtailing, and help you keep all 4 wheels firmly planted. You’ll find it particularly beneficial in inclement weather.

1Available feature. 2SRW models only. Engine-only traction control on DRW models. Remember that even advanced technology cannot overcome the laws of physics. It’s always possible to lose control of a vehicle due to inappropriate driver input for the conditions. 3When properly equipped. F-350 DRW Regular Cab 4x2.
INCREASE YOUR PRODUCTIVITY.

From electronics to cargo and beyond — Super Duty streamlines your workday.

Outside, you’ll find rugged features like the industrial-grade Tough Bed® factory-installed, spray-in bedliner¹ that helps shield your investment. And a stowable bed extender¹ made of rugged fiberglass-reinforced polypropylene, that lets you haul more with the tailgate down or secure smaller loads with it up.

Inside, lots of storage space helps keep your gear secure, yet within easy reach. A closable dash-top area houses the SYNC® with MyFord Touch®¹ media hub. There’s lockable under-seat storage in the center of the 40/20/40 split front seat¹ and beneath the 60/40 split flip-up/fold-down rear bench seat¹ on certain Crew Cab models. The flow-through center console¹ holds hanging files and features a 110-volt power outlet and two 12-volt powerpoints. Power up in Super Duty.

¹Available feature.
CELEBRATE YOUR SUCCESS.

Especially when you choose the top-of-the-line Super Duty PLATINUM, Express your style with its premium leather-trimmed seating in your choice of Pecan or Charcoal Black, both featuring a tuxedo stripe design and exclusive “PLATINUM” embroidery.

Maintain your climate-control independence with its dual-zone electronic automatic temperature control – for your comfort and that of your front-seat passenger.

Quickly recall your personalized settings for the 10-way power driver’s seat, power-adjustable brake and accelerator pedals, and even the power trailer tow mirrors, with the convenient memory feature.

Clearly convey your hardworking ethics and your drive to succeed – no matter which trim you select. For full details on every Super Duty model, please explore the Specifications section of this brochure.

HEATED/COOLED FRONT SEATS¹

AUDIO SYSTEM FROM SONY®

HEATED STEERING¹

¹Available feature.
COMMAND IT WITH YOUR VOICE.

Voice-activated SYNC® technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word.

• **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.

• **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.

• **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say “Bluetooth® audio” to stream content from your phone.

• **SYNC AppLink™** lets you control some of your favorite compatible mobile apps with your voice.

• **911 Assist®** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911, even if you can’t.

Upgrade to SYNC with MyFord Touch.®

• **An LCD screen** lets you easily read and control the things you want.

• **Voice-activated navigation** features voice-recognition technology that lets you say commands as conversational as “find a restaurant.” The system then helps guide you to your destination with audible turn-by-turn directions.

• **Voice control climate** lets you use your voice to adjust the climate, so you can stay comfortable without having to lift a finger.

*Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Available feature. SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software. The vehicle’s electrical system (including the battery), the wireless service provider’s signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Available feature.
CONNECT WITH YOUR WORLD.

SiriusXM® Satellite Radio welcomes you to the World of SiriusXM. Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You’ll hear every channel available, plus you can listen online and on the SiriusXM app.

Navigation with SiriusXM Traffic and Travel Link includes a 5-year complimentary SiriusXM Traffic and Travel Link trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you’ll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com. Available feature.
CONQUER THE TOUGHEST TERRAIN.

Thanks in part to a heavy-duty independent Twin-I-Beam suspension on Super Duty 4x2s and a rugged twin-coil monobeam setup on 4x4s.

The highly capable F-450 has a robust rear axle, rear leaf springs, front and rear stabilizer bars and shocks, and rear driveline U-joints. It’s also outfitted with durable steering gears and linkages, plus a braking system that includes large, capable brakes and precise anti-lock brake calibration.

The turn of a dial on the instrument panel is all it takes to change drive settings on Super Duty 4x4s featuring convenient electronic shift-on-the-fly operation.¹

Get real-time feedback with our class-exclusive off-road display. Included with the LCD productivity screen¹ on SRW trucks, it monitors the truck’s pitch angle, bank angle and wheel direction.

Increase your off-road confidence with Hill Descent Control,™ which helps maintain the truck’s speed on steep declines, so you can concentrate on maneuvering. It’s included in the FX4 Off-Road Package, along with transfer case and fuel tank skid plates, Rancho® shocks and box-side decals.

For maximized gripping power, our electronic-locking rear differential¹ uses a true mechanical dog-clutch mechanism to lock the rear axle shafts together so they turn at the same speed. Go further in a Super Duty 4x4.

---

¹Available feature. ²SRW models only.

#### PTO

Live-drive access on driver's side (Turbo Diesel only)

#### Mechanical

- 97,500-mile tune-up interval² (gas engine)
- Battery saver
- Conventional spare tire/wheel/jack with underframe carrier (crank-down type)
- Engine-only traction control (EDTC) (DRW only)
- Fail-Safe Engine Cooling System (gas engine)
- Fuel tank – 26-gallon capacity (F-250/F-350 13.7" 142" and 156" WB with diesel engine)
- Fuel tank – 35-gallon capacity (gas engine)
- Fuel tank – 37.5-gallon capacity (F-250/F-350 13.7" and 172" WB with diesel engine, and F-450)
- Hill start assist
- Jack – 2-ton mechanical with SRW, 4-ton hydraulic with DRW
- Power steering
- Stabilizer bar – Front
- Stabilizer bar – Rear (DRW only)
- Stainless steel exhaust system (major components)
- Stationary elevated idle control (SEIC)³
- Steering damper
- Tailgate – Removable with lock and tailgate assist
- Tire Pressure Monitoring System (SRW only; excludes spare)
- Trailer hitch receiver – 12.5K (2") Built Ford Tough™ (SRW with gas engine; SRW with diesel engine and 13.7" and 142" WB)
- Trailer hitch receiver – 14K (2.5") Built Ford Tough (SRW with diesel engine and 156" 158" and 172" WB)
- Trailer hitch receiver – 16K (2.5") Built Ford Tough (SRW with diesel engine and 156" 158" and 172" WB)
- Trailer hitch receiver – 18K (2.5") Built Ford Tough (F-350 DRW with diesel engine and 172" WB, F-450)
- Trailer hitch receiver – 2" sleeve reducer (vehicles with 2.5" receiver)
- Trailer sway control

#### Interior

- Assist and ride handles
- Coat hooks – 1 (Regular Cab); 2 in rear of cab (SuperCab and Crew Cab)
- Dome light/map lights (front and rear with Crew Cab)
- MyKey®
- Overhead console with garage door opener storage and sunglasses storage (SuperCab and Crew Cab)
- Powerpoints – 12-volt, 2 on instrument panel
- Windows – Flip-open rear quarter (SuperCab)

#### Exterior

- 7-/4-pin trailer tow connector
- Bumpers – Front and rear step
- Cargo box – Black box top and tailgate moldings
- Cargo box – Cargo tie-down hooks (4 in 6' box; 6 in 8' box)
- Cargo box – Integrated lamp with center high-mounted stop lamp
- Cargo box – Partitionable and stackable with stake pockets
- Dual-beam jewel-effect headlamps
- Intelligent 3-blink turn signal
- Roof clearance lamps (DRW)
- Underhood service lamp
- Windshield wipers – Intermittent

#### Safety & Security

- AdvanceTrac® with RSC® (Roll Stability Control™) (SRW only)
- Airbags: Driver and right-front-passenger front
- Airbags: Front-seat side
- Airbags: Safety Canopy® System with roll-fold side-curtain airbags
- Belt-Minder® front safety belt reminder
- Brake/shift interlock
- Brakes – Power 4-wheel vented-disc with Anti-Lock Brake System (ABS)
- Child-safety-seat top tether anchors (Regular Cab front passenger and all rear-seat positions)
- Fuel pump inertia shutoff switch
- Headlamps-on, key-in-ignition and door ajar alert chimes
- Passenger airbag deactivation switch (Regular Cab passenger and all rear-seat positions)
- Safety belts – Energy-management retractors at front-outboard positions
- Safety belts – Height-adjustable at front-outboard positions
- SecuriLock® Passive Anti-Theft System
- Side-intrusion door beams
- SOS Post-Crash Alert System™
- Spare tire/wheel lock

³Certified to SAE J1349. ⁴Available feature. ⁵Under normal driving conditions with routine fluid and filter changes.

²Final-stage manufacturer must supply control switches. ³Always wear your safety belt and follow airbag warning label instructions.
Includes all standard features, plus:

**Mechanical**
6.2L SOHC 2-valve Gas V8 Flex E85-capable engine (n/a on F-450)
6.7L Power Stroke® V8 Turbo Diesel B20-capable engine (standard on F-450)
TorqShift™ heavy-duty 6-speed SelectShift® automatic transmission
Alternator – 157-amp heavy-duty
Integrated trailer brake controller (DRW)
Manual 4-Wheel-Drive System with manual locking hubs (4x4 models only)

**Seating**
40/20/40 split front seat with armrest, cupholders and storage
40/mini-console/40 front bucket seats (HD vinyl or cloth)

**Exterior**
Bed mat (restrictions apply)
Bedliner – Tough Bed

**Available Options**

Message center – Multifunction plus trip computer includes: odometer, trip odometer, engine oil monitor, engine-hour meter, engine-idle meter (gas engine only), distance to empty, average fuel economy, warning messages, system check, language selection and Ice Blue® Lighting
Mirror – Manual day/night rearview
Steering column – Manual tilt/telescoping
Visors with passenger mirror
Window – Rear, fixed-glass
Windows – Manual

**Available Packages**

Includes AM/FM stereo with digital clock and 2 speakers
Air conditioning
Climate controls – Manual
Door locks – Manual
Flooring – Black vinyl

**5th-Wheel/Gooseneck Trailer Tow Package**
Includes under-bed-frame crossmember, 5 pickup bed 5th-wheel/gooseneck attachment points and close-out plugs, and an integrated 7-pin connector on the driver’s side pickup bed wall

9,900-lb. GVWR Package
10,000-lb. GVWR Package
11,400-lb. GVWR Package

**CNG/Propane Gaseous Engine Prep Package**
Includes hardhened engine intake valves and valve seats and bi-fuel manifold

**FX4 Off-Road Package**
Includes computer-selected springs for snow plow application and extra-heavy-duty alternator with diesel engine only

**High-Capacity Trailer Tow Package**
Includes computer-selected springs for snow plow application and extra-heavy-duty alternator with diesel engine only

**Snow Plow Prep Package**
Includes computer-selected springs for snow plow application and extra-heavy-duty alternator with diesel engine only

**XL Value Package**
(n/a with XL Appearance Package)
Includes AM/FM stereo/single-CD player with MP3 capability, digital clock, 4 speakers, cruise control, bright hub covers and center caps (SRW only), and chrome bumpers

**XL Value Package**
(n/a with XL Appearance Package)
Includes AM/FM stereo/single-CD player with MP3 capability, digital clock, 4 speakers, cruise control, bright hub covers and center caps (SRW only), and chrome bumpers

**17” Polished Forged-Aluminum with Painted Center Cap**

**17” Included or 18” Optional:**

- Blenderc™ – Plastic drop-in
- Bedliner – Tough Bed
- Bedliner – Tough Bed
- Front fender flares, and increased GCWR from 7,400-lb. GVWR to 11,400-lb. GVWR
- Roof clearance lamps (standard on DRW)
- 7-pin connector on the driver's side pickup bed wall
- Replacement parts and accessories for standard equipment
- Remote Start System
- Snow Plow Prep Package (4x4 only; n/a on F-450; other restrictions apply includes transfer case and fuel tank skid plates, Hill Descent Control™ (SRW only), and FX4 Off-Road Package)

**High-Capacity Trailer Tow Package**
(Crew Cab DRW 72” WB 4x4 only; requires diesel engine and a 30-limited-slip rear axle)
Includes computer-selected springs for snow plow application and extra-heavy-duty alternator with diesel engine only

**Snow Plow Prep Package**
(n/a with XL Appearance Package)
Includes computer-selected springs for snow plow application and extra-heavy-duty alternator with diesel engine only

**XL Value Package**
(n/a with XL Appearance Package)
Includes AM/FM stereo/single-CD player with MP3 capability, digital clock, 4 speakers, cruise control, bright hub covers and center caps (SRW only), and chrome bumpers

**5th-Wheel/Gooseneck Trailer Tow Prep Package**
Includes under-bed-frame crossmember, 5 pickup bed 5th-wheel/gooseneck attachment points and close-out plugs, and an integrated 7-pin connector on the driver’s side pickup bed wall

**Max. Payload Weight Ratings:** This information also applies to models with Pickup Box Delete option (66D). Trailer kingpin weight should be 15–25% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate the trailer kingpin weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer kingpin weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle’s Safety Compliance Certification Label.

### 2016 SUPER DUTY

*Requires Camper Package. *Requires High-Capacity Trailer Tow Package. *5th-wheel towing limited to 5th-wheel hitch rating of 26,500 lbs.

Maximum capabilities shown are for properly equipped vehicles with required equipment and a 150-lb. driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford Dealer. **Conventional Towing Notes:** This information also applies to models with Pickup Box Delete option (66D). Trailer tongue load weight should be 10–15% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer tongue load weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer tongue load weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle’s Safety Compliance Certification Label.

**5th-Wheel Towing Notes:** This information also applies to models with Pickup Box Delete option (66D). Trailer kingpin weight should be 15–25% of total loaded trailer weight. Make sure that the vehicle payload (reduced by option weight) will accommodate trailer kingpin weight and the weight of passengers and cargo added to the towing vehicle. The addition of trailer kingpin weight, and the weight of passengers and cargo, cannot cause vehicle weights to exceed the rear GAWR (Gross Axle Weight Rating) or GVWR (Gross Vehicle Weight Rating). These ratings can be found on the vehicle’s Safety Compliance Certification Label.

1Ford Licensed Accessory.
New Vehicle Limited Warranty. We want your Ford F-Series Super Duty® ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage— All with no deductible. The Ford 6.7L Power Stroke® diesel engine gets 5-year/100,000-mile warranty coverage. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components, and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (class is Full-Size Pickups over 8,500 lbs. GVWR), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional and aftermarket equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions and capacity ratings shown may vary due to optional features and/or production variability. Information is provided on an “as is” basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles. Body manufacturers are responsible for compliance certification of the completed vehicle. The Ford New Vehicle Limited Warranty and any government certification made by Ford shall cover only the vehicle as manufactured by Ford and shall not extend to any addition, modification or change of or to the vehicle by the Ford Authorized Pool Account.
