FOR ALL YOU DO.

Are you running a small business? Or raising a large family? Maybe you’re tackling both. Either way, you know there’s power in numbers. Transit knows it, too. That’s why the 2018 Ford Transit lineup offers you the most vehicle configurations in the class.¹

For starters, you’ll select a body style: Passenger Wagon, Cargo Van, Cutaway or Chassis Cab. Next, you can explore the advantages of the different heights, lengths, wheelbases and engines available on your Transit. Seat up to 8, 10, 12 or 15 people in a Passenger Wagon. Carry up to 487.2 cu. ft. of max. cargo, or haul up to 4,650 lbs. of max. payload in a Cargo Van.² Or find a Cutaway or Chassis Cab that meets your needs. No matter which Transit you choose, you can rest assured it’s Built Ford Tough.®

¹Class is Full-Size Vans based on Ford segmentation. Excluding other Ford vehicles. ²When properly configured. Passenger and cargo capacity limited by weight and weight distribution. Vehicles throughout this brochure may be shown with antennas removed, and optional and aftermarket upfit equipment.
LINEUP

**PASSENGER WAGON**
- 8, 10, 12 or 15 SEATS
- 3 ENGINES
- 3 ROOF HEIGHTS

- 8 LR MR
- 10 LR MR
- 12 LR MR HR
- 15 LR MR HR
- 15 EL HR
ENGINES

3.7L Ti-VCT V6

For plenty of low-speed torque and top-end power, the standard 3.7L engine features twin independent variable camshaft timing (Ti-VCT) technology to optimize combustion at all engine speeds. A CNG/Propane Gaseous Engine Prep Package readies it for an upfit to run on compressed natural gas (CNG), propane autogas, or as a bi-fuel vehicle that can switch between operating on gasoline and CNG or propane.

3.5L EcoBoost

An excellent choice for those who need extra hauling capacity, the 3.5L EcoBoost® engine\(^1\) boasts a best-in-class gas torque rating of 400 lb.-ft. It also features twin turbochargers that spool up more quickly than a conventional single turbo. The instantaneous low-end torque and 310 hp you get with this engine are the result of direct injection, which delivers a precise amount of fuel to optimize efficiency and power.

3.2L Power Stroke® I-5 Turbo Diesel

If your engine needs to run long hours under constant idling or stop-and-go conditions, the Turbo Diesel\(^1\) delivers. For maximum flexibility, 90% of its peak torque is available from 1,500 to 2,500 rpm. Direct injection and a Variable Geometry Turbocharger combine to help optimize efficiency and deliver instantaneous power. And quick-start glow plugs offer fast startups at temperatures as low as -10°F.

\(^1\)Available feature.
GET COMFORTABLE.

Transit offers plenty of driver amenities engineered to ease your day.

ON EARLY MORNINGS
Chase away the chill in 10-way power, heated front seats\(^1\) with lumbar support and inboard armrests, available in cloth or leather trim.\(^6\)

WHEN ROADS ARE WET
After you turn them on, rain-sensing windshield wipers\(^1,2\) automatically activate to help keep your view ahead clear. Standard on XLT Passenger Wagon.

SEEING TO THE SIDES
New power-folding capability is added to the power, heated, short-arm sideview mirrors,\(^4\) which also feature integrated turn signal indicators.

BACKING IT UP
A new high-mounted rear view camera is standard on Passenger Wagon and Cargo Van MR and HR models. It offers a broad, full-color view from its high vantage point to make Transit easy to maneuver in Reverse.

\(^1\) Available feature. \(^2\) System must be turned off before entering an automatic car wash.
GO CONFIDENTLY.

Easy maneuverability and a commanding view of the road are standard on every Transit.

WHILE TOWING AND HAULING
All 3 engines are paired with our 6-speed SelectShift® automatic transmission, which offers a selectable tow/haul mode to help make both towing and hauling easy. When you engage this mode, it compensates for grade and load, and reduces gear hunting. The transmission also offers manual upshift and downshift capability, as well as progressive range select, which lets you reduce the available gear range for better performance in difficult road and/or load conditions.

EVEN WHEN THE WIND’S BLOWING
AdvanceTrac® with RSC® (Roll Stability Control™) and Side-Wind Stabilization help you handle sudden, strong side-wind gusts. Standard on every Transit, the system can apply the brakes on one side of the vehicle if needed to help you stay on your intended path.

STAY CENTERED with help from our Lane-Keeping Alert. It can detect lane markings and send gentle vibration pulses to the steering wheel if needed to prompt you to steer back toward center. If it detects you’ve crossed the line repeatedly, the Driver Alert System can chime and display a coffee cup icon to suggest you take a break from driving.

TOW UP TO 7,500 LBS. with the help of trailer sway control technology. The rear view camera display also offers guidelines to help you connect with your trailer.
SYNC 3
STAY CONNECTED ON THE MOVE.

Imagine controlling calls, music and more with just a touch and your voice. SYNC®3 lets you keep your hands on the wheel while it quickly responds to your spoken requests. Or use the responsive touchscreen in the center of your instrument panel to access its many helpful features. Bring the power of Siri® into Transit with Siri Eyes Free and your paired iPhone®. The system also features 2 smart-charging USB ports to help keep your devices powered up and ready to go.

FORDPASS™ SMARTPHONE APP³

¹Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. ³Available via download and compatible with select smartphone platforms. Learn more at fordpass.com. Message and data rates may apply. *Commands may vary by phone and AppLink software. ⁴Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 2 on page 16, or footnote 3 on page 19 and your Ford Dealer for details. ⁵Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. ³rd parties are solely responsible for their respective functionality.
BRING 'EM!

Transit Passenger Wagon seats as many as 8 to 15 people and comes in 3 roof heights. Low Roof (LR) is designed to fit in most garages. Medium Roof (MR) helps make loading and unloading easy. With best-in-class interior height, High Roof (HR) offers those up to 6’4” tall an easy walk to their seats.

TRAVEL SAFELY
Transit Passenger Wagon features 6 airbags in the front row, including Safety Canopy® side-curtain airbags that cover all rows, plus 3-point safety belts for every seat.¹

KEEP IT CLEAN
Rugged vinyl flooring, standard on XL and optional on XLT, can be washed clean with a hose if needed.

STEP IT UP
New extended-length running boards beneath the driver’s door and both passenger-side doors provide firm footing for all passengers to enter and exit.

PACK IT IN
Behind the last row of seats in 15-passenger EL models, you’ll enjoy best-in-class factory-built cargo capacity of 100.5 cu. ft.

LEATHER-TRIMMED SEATS² feature 10-way power adjustability, heat and inboard armrests for the driver and front passenger. In other rows, manually reclining seat backs can each be adjusted independently for personalized comfort, and inboard armrests fold down for support or flip up for easy entry and exit.

POWER RUNNING BOARD² automatically deploys when the rear passenger-side door is opened to help ease entry and exit for your passengers, then returns to its stowed position when the door is closed.

¹ Always wear your safety belt and secure children in a rear seat. ² Available feature.
STAND AND DELIVER.
Whatever your day demands, there’s a Transit Cargo Van sized just right for you. Available in 3 roof heights – Low (LR), Medium (MR) and High (HR) – it offers the flexibility to work the way you want.

EASIER THAN EVER
Getting in and out of the rear cargo area is easier this year, thanks to new D-pillar assist handles and a new larger rear-door pull-and-release exit handle on the inside of the vehicle.

WITH MAX. HEAD ROOM
A best-in-class gas-powered max. interior height of 81.5” makes it easy to stand upright and to carry the tallest items in Transit HR models. The 237° swing-out rear cargo doors provide quick and easy access.

AND SPACE TO SPARE
Transit HR LWB EL Cargo Van helps transform your productivity by saving you extra trips. It offers a gross vehicle weight rating of up to 10,360 lbs., plus best-in-class gas-powered max. cargo capacity of 487.2 cu. ft. and max. payload capacity of up to 4,650 lbs.
UPFIT IT!

Transit offers you exceptional versatility inside its full lineup of Built Ford Tough® Cargo Vans. Control up to 4 different aftermarket items such as auxiliary lighting, a compressor, and more with the upfitter switches¹ conveniently located in the center of your instrument panel. You can also choose from 15 vocation-specific upfit ship-thrus¹ – 9 of which are within 30 miles of the Kansas City Assembly Plant where Transit is built – for prompt delivery. These smart solutions are from some of the best upfitters in the business, including:

- Adrian Steel®
- Masterack®
- Sortimo By Knapheide
- TransitWorks™

Explore all your options at transitupfits.com.

GENERAL CONTRACTING: Heavy-duty upfits designed for general contractors offer you sturdy steel cabinets, drawers, dividers, bins, and even a document holder that helps you keep each day’s work orders ready to reference.

HEATING AND COOLING: Smart solutions for HVAC technicians include heavy-duty upfits, like a single or double ladder rack, a wide range of partitions, and lots of racks and bins systems, many with noise-reduction features.

PLUMBING: Heavy-duty upfits designed specifically for plumbing contractors offer you everything from a General Service Package to a workbench with an integrated vise.

ELECTRICAL: Your choice of heavy-duty upfits include Base Shelving and General Service Packages, as well as other options to help keep your electrical supplies in order.

¹ Available feature.
GO CUSTOM.

Whether you want to move people, tools, flora, fauna, or something else entirely, Transit Cutaways and Chassis Cabs are convenient bases for building all sorts of versatile vehicles. Cutaways have an open passenger compartment for pairing with specialty body modules to make shuttle buses, recreational vehicles and more. Chassis Cabs have an enclosed passenger area and a bare frame ready for body modules that create cargo delivery flatbeds, small horseboxes and beyond. Frame rails are reinforced with boron steel for lightweight strength, and the clean box section helps make upfits easy. Plus, frame rail extension adapters enable frame upfits up to 18’ long, giving you even more opportunities to create the Transit you need.

Find your Ford authorized upfitter at fordoughtruck.com.
MAXIMIZE YOUR UPTIME.

The certified experts at your local Ford Commercial Vehicle Center are ready to help you find the right Transit for your needs – and keep it out there on the road working hard for you. At their Service and Parts department, you’ll find service discounts and extended hours, plus a new Parts Advantage program that helps keep the fastest-moving parts in your area in stock. We’re here to help you maximize your vehicle’s uptime while protecting your investment with prompt, specialized maintenance and service.

### Mechanical
- 25-gallon fuel tank
- 70-amp-hr battery
- 150-amp alternator
- Auxiliary fuel port
- Dual-note electric horn
- Hill start assist
- Power-assisted rack-and-pinion steering
- Power 4-wheel disc brakes with Anti-Lock Brake System (ABS)
- Stationary elevated idle control (SEIC)
- Suspension – Front: independent MacPherson-strut and stabilizer bar; rear: leaf springs and heavy-duty gas shock absorbers

### Interior
- 4-spoke polyurethane steering wheel with tilt/telescoping column
- 12V powerpoints, 2 in front
- 12V powerpoint, 1 in rear (Passenger Wagon and Cargo Van)
- Accessory delay
- Center stack console with integrated gear shifter
- Driver and front-passenger vinyl-trimmed sun visors
- Front dome light with map lights and theater-dimming feature
- Front overhead console (n/a on LR models)
- Grab handle on passenger-side A-pillar
- Lockable glove box
- Power door locks with autolock
- Rearview mirror (requires rear-door glass)
- Remote Keyless Entry System with 2 key fobs
- Speedometer (mph/kph), tachometer, and coolant temperature and fuel level gauges
- Windows – Power front

### Exterior
- Easy Fuel® capless fuel filler
- Front bumper – Black, molded-in-color with lower valance
- Front fender-mounted antenna
- Roof marker lamps (DRW)
- Solar-tinted glass
- Variable-intermittent windshield wipers

### Safety & Security
- 3-point safety belts for all seating positions
- AdvanceTrac® with RSC® (Roll Stability Control™) with side-wind stabilization
- Driver and front-passenger front airbags, front-seat side airbags, and Safety Canopy® side-curtain airbags
- SOS Post-Crash Alert System™
- Tire Pressure Monitoring System (SRW; excludes spare)

¹When properly configured. Passenger and cargo capacity limited by weight and weight distribution. 12- through 15-passenger vehicles may be classified as buses and may require appropriate licensing.
²Maximum towing ratings achieved with lowest roof height available. ³Not available on DRW. ⁴Not available on SRW. ⁵Restrictions apply.
**STANDARD FEATURES**
Includes all standard features, plus:

- Mechanical
- 4-7-pin connector assembly and rear jumper
- Full-size spare wheel and tire, 4-ton jack and tool kit

- Seating
- 2-passenger
- 4-way manual driver and front-passenger seats with driver’s inboard armrest

- Interior
- AM/FM stereo with audio input jack and digital clock
- Black plastic step well pads
- Cargo area LED load compartment lighting
- Cargo area tie-down hooks
- 4-wheel drive
- Front vinyl
- Front cloth headliner
- Rear cargo door pull-and-release exit handle
- Rear cargo light switch

- Exterior
- Black bodyside moldings
- Black grille with black surround
- Center high-mounted stop lamp
- Doors – 180° rear cargo with key-lock cylinder (LRWD)
- Doors – 237° rear cargo with key-lock cylinder (LWB)
- Doors – 60/40 swing-out passenger-side (LR)
- Doors – Sliding passenger-side (MR and HR)
- Headlamps – Halogen with black trim
- Mirrors – Short-arm, power sideview
- Running board – Fixed passenger-side (LR)
- Roof and side marker lamps (DRW)
- Side doors – Dual sliding (MR and HR)
- Stainless steel wheel covers (DRW)
- Speed limitation (65-, 70- or 75-mph governed top speed options)
- Wheels – 16" white steel with exposed lug nuts (DRW)

**AVAILABILITY OPTIONS**

- **Mechanical**
  - Alternator – Heavy-duty (210-amp on diesel, 250-amp on gas)
  - Battery - Dual heavy-duty absorbed glass mat (AGM) (standard with diesel engine)
  - Battery - Single absorbed glass mat (AGM) (gas engines)
  - Battery guard – Programmable
  - Engine block heater (recommended when minimum temperature is 10°F or below; standard on diesel)
  - Full-size spare wheel and tire delete (DRW)
  - Operator-commanded exhaust filter regeneration (diesel engine)
  - Operator-commanded exhaust filter regeneration with active regeneration inhibit (diesel engine)
  - Push-down manual parking brake
  - Trailer brake controller (requires Heavy-Duty Trailer Tow Package)

- **Driver-Assist Technology**
  - Lane-Keeping Alert with Driver Alert System
  - Rain-sensing windshield wipers
  - SYNC® Voice Recognition Communications and Entertainment System with 4" color LCD screen in center stack, 911 Assist® AppLink™ and 1 smart-charging USB port
  - SYNC 3 with 6.5" color LCD capacitive touchscreen in center stack, 911 Assist, AppLink, Apple CarPlay™ compatibility, Android Auto™ compatibility, and 2 smart-charging USB ports
  - 110V/150W AC power outlet (requires dual heavy-duty batteries)
  - Assist/grab handles – At rear cargo door (n/a on LR)
  - Auxiliary fuse panel (requires dual heavy-duty batteries and heavy-duty alternator; includes Modified Vehicle Wiring System; includes with user-defined upfitter switches)
  - Cruise control with message center including full trip computer and engine-hour meter
  - Floor mats – All-weather front (requires carpeted flooring)
  - Floor mats – All-weather front (requires carpeted flooring)
  - Floor mats – Rear cargo (n/a on LR)
  - Ford Telematics™ powered by Telogis® – Fleet tracking system (includes 1 year of subscription service)
  - Front/rear, driver-controlled air conditioning
  - High-capacity upfitter switches (4; requires dual heavy-duty batteries and heavy-duty alternator; includes Modified Vehicle Wiring System, customer connection point and auxiliary fuse panel)
  - Scaft plate – Heavy-duty rear (n/a with dual sliding side doors)
  - Scaft plate – Rear (n/a with dual sliding side doors)
  - Vinyl-trimmed sun visors with illuminated vanity mirrors

- **Safety & Security**
  - 2 spare keys
  - Backup alarm
  - MyKey® technology to help encourage responsible driving (includes Level 2 instrument cluster (requires SecuriLock® Passive Anti-Theft System and cruise control)
  - Perimeter alarm (requires SecuriLock Passive Anti-Theft System)
  - SecuriCode™ keyless entry keypad
  - SecuriLock Passive Anti-Theft System

- **Optional Packages**
  - Ambulance Prep Package
  - Auxiliary Heater/AC Prep Package
  - Auxiliary Heater Prep Package
  - CNG/Propane Gaseous Engine Prep Package
  - Exterior Upgrade Package
  - Heavy-Duty Trailer Tow Package
  - Interior Upgrade Package
  - Load Area Protection Package
  - Modified Vehicle Wiring System
  - Premium Package
  - Radio Prep Package
  - Smoker’s Package
  - Trailer Wiring Provisions Package

- **Available Fleet-Only Options**
  - Center console delete
  - Daytime running lamps
  - Mirrors – Short-arm sideview delete
  - Orange safety belts

- **After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI. ¹Ford Licensed Accessory. ²Late availability with diesel engine. ³Please see the Packages page for a detailed list of contents.**

- Interior
  AM/FM stereo with audio input jack and digital clock
  Cloth headliner
  Flooring – Front vinyl
  Front air conditioning
  Rearview mirror (Chassis Cab)
  Roof marker lamps

- Safety & Security
  Passenger-side front airbag1 deactivation switch

AVAILABLE OPTIONS

- Mechanical
  Alternator – Heavy-duty (210-amp on diesel, 250-amp on gas)
  Battery – Dual heavy-duty absorbed glass mat (AGM) (standard with diesel engine)
  Battery – Single absorbed glass mat (AGM) (gas engine)
  Battery guard – Programmable
  Engine block heater (recommended when minimum temperature is 10°F or below; standard on diesel; optional on gas engines)
  Full-size spare wheel and tire
  Operator-commanded exhaust filter regeneration (diesel engine)
  Operator-commanded exhaust filter regeneration with active regeneration inhibit (diesel engine)
  Push-down manual parking brake (Cutaway)
  Trailer brake controller (requires Trailer Wiring Provisions Package)

- Driver-Assist Technology
  Lane-Keeper Alert with Driver Alert System
  Rain-sensing windshield wipers
  SYNC® Voice Recognition Communications and Entertainment System with 4” color LCD screen in center stack, 911 Assist®, AppLink® and 1 smart-charging USB port2
  SYNC 3 with 6.5” color LCD capacitive touchscreen in center stack, 911 Assist, AppLink, Apple CarPlay™ compatibility, Android Auto™ compatibility, and 2 smart-charging USB ports2

- Seating
  Vinyl, 4-way manual driver and front-passenger seats with inboard armrests
  Vinyl, 4-way manual driver and front-passenger seats with driver’s inboard armrest (10,360-lb. GVWR only; deletes front-seat side airbags and side-curtain airbags)3
  Vinyl, 4-way manual driver and front-passenger seats with inboard armrests (10,360-lb. GVWR only; deletes front-seat side airbags and side-curtain airbags)3
  Cloth, 4-way manual driver and front-passenger seats, inboard armrests, and driver’s manual lumbar
  Cloth, 4-way manual driver and front-passenger seats with inboard armrests, and driver’s manual lumbar (10,360-lb. GVWR only; deletes front-seat side airbags and side-curtain airbags)3
  Cloth, 10-way power, heated driver and 4-way manual front-passenger seats with inboard armrests
  Cloth, 10-way power, heated driver and 4-way manual front-passenger seats with inboard armrests
  Leather-trimmed, 10-way power, heated driver and front-passenger seats with inboard armrests
  Passenger seat delete (also deletes front-passenger seat side airbag and side-curtain airbag; 10,360-lb. GVWR only), vinyl, 4-way manual driver’s seat only with manual lumbar and inboard armrest (Cutaway)
  Passenger seat delete (also deletes front-passenger seat side airbag and side-curtain airbag, cloth, 10-way power, heated driver’s seat only with manual lumbar and inboard armrest (Cutaway)

- Interior
  AM/FM stereo with audio input jack, Bluetooth® and USB port1
  AM/FM stereo/single-CD player with audio input jack and 4” multifunction display
  AM/FM stereo/single-CD player with audio input jack and 4” multifunction display and HD Radio™
  AM/FM stereo/single-CD player with SYNC, message center, and leather-wrapped steering wheel with controls for audio and multifunction display
  AM/FM stereo/single-CD player with SYNC, message center, HD Radio and leather-wrapped steering wheel with controls for audio and multifunction display
  AM/FM stereo with SYNC 3 including Navigation System with pinch-to-zoom capability, SiriusXM® Traffic and Travel Link® with 5-year subscription,1 and HD Radio; leather-wrapped steering wheel with controls for audio and multifunction display; and Lane-Keeper Alert with Driver Alert System
  SiriusXM Radio with 6-month All Access trial subscription1,3
  2 rear speakers (shipped with vehicle (Cutaway))3
  4 rear speakers (shipped with vehicle (Cutaway))3
  110V/150W AC power outlet (requires dual heavy-duty batteries)3
  Auxiliary fuse panel (requires dual heavy-duty batteries and heavy-duty alternator; includes Modified Vehicle Wiring System; includes user-defined upfitter switches)
  Cruise control with message center including full trip computer and engine-hour meter
  Floor mats – All-weather front (requires carpeted flooring)
  Flooring – Carpeted
  Ford Telematics™ powered by Telogis® – Fleet tracking system (includes 1 year of subscription service)
  High-capacity upfitter switches (4; requires dual heavy-duty batteries and heavy-duty alternator; includes Modified Vehicle Wiring System, customer connection point and auxiliary fuse panel)
  Mirror – Rearview (Cutaway)
  Vinyl-trimmed sun visors with illuminated vanity mirrors (included with Interior Upgrade Package)2

- Exterior
  Front license plate bracket (standard in states requiring 2 license plates and optional in all others)
  Headlamps – Automatic with rain-sensing windshield wipers
  LED-enabled separate stop/tum taillamps (upfitter use)
  Mirrors – Short-arm, power sideview
  Mirrors – Short-arm, power-folding sideview with power, heated glass and integrated turn signal indicators
  Mirrors – Long-arm, power sideview
  Mirrors – Long-arm, power, heated sideview with integrated turn signal indicators
  Remote Start System (n/a with diesel engine)
  Roof marker lamps delete (Cutaway)

- Safety & Security
  2 spare keys
  Backup alarm4
  Camera – Rear view
  (shipped with vehicle and requires upfitter installation)
  MyKey® technology to help encourage responsible driving5 includes Level 2 instrument cluster (requires SecuriLock® Passive Anti-Theft System and cruise control)
  SecuriCode™ keyless entry keypad
  SecuriLock Passive Anti-Theft System

Comparisons based on competitive models excluding other Ford vehicles (class is Full-Size Vans based on Ford segmentation), publicly available information and Ford certification data at time of release. Vehicles may be shown with optional and aftermarket equipment. Features may be offered only in combination with other options or subject to additional ordering requirements/limitations. Dimensions and capacity ratings shown may vary due to optional features and/or production variability. Information is provided on an "as is" basis and could include technical, typographical or other errors. Ford makes no warranties, representations, or guarantees of any kind, express or implied, including but not limited to, accuracy, currency, or completeness, the operation of the information, materials, content, availability, and products. Ford reserves the right to change product specifications, pricing and equipment at any time without incurring obligations. Your Ford Dealer is the best source of the most up-to-date information on Ford vehicles. Body manufacturers are responsible for compliance certification of the completed vehicle. The Ford New Vehicle Limited Warranty and any government certification made by Ford shall cover only the vehicle as manufactured by Ford and shall not extend to any addition, modification or change of or to the vehicle by the Ford Authorized Pool Account.

^1When properly configured. Passenger and cargo capacity limited by weight and weight distribution.
New Vehicle Limited Warranty. We want your Ford Transit ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. The Ford 3.2L Power Stroke® I-5 Turbo Diesel engine gets 5-year/100,000-mile warranty coverage. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Commercial Vehicle Center. Each of the 678 dealerships in our Commercial Vehicle Center (CVC) network is committed to providing quality commercial-oriented products and service, as well as special financing and billing arrangements, to businesses that rely on Ford products. As a CVC customer, your business vehicles receive priority service at your CVC dealership to help get your vehicle back on the road quickly.

Financial Services. Our commercial purchase plans and lines of credit offer attractive rates, negotiable terms and business-friendly options. If you prefer to lease, our CommercialLease™ programs offer a wide variety of package options to meet your needs. For additional information, please visit our website at fordcredit.com/comlend.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you’ll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Ford Original Accessories. They’re warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
